And moved to deduct from the Final Estimate the sum of \$2,500,000 as the amount of estimated revenues of the General Fund not otherwise specifically appropriated by law.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

The Comptroller presented the following reasons for overruling the objections and suggestions made by the Board of Aldermen in respect to certain items in the Provisional Estimate:

Whereas, The Board of Aldermen of the City of New York, at a special meeting thereof, held in the chamber of said Board, in the City Hall, in said city, on Tuesday, the twenty-third day of November, 1886, made certain rectifications of and objections to the Provisional Estimate for the year 1887, which were presented to the Board of Estimate and Apportionment on Friday, November 26, 1886; and

Whereas, The Board of Estimate and Apportionment have duly considered said rectifications and objections to the Provisional Estimate for 1887, which were made by the Board of Aldermen, pursuant to section 189 of the New York City Consolidation Act of 1882; and

Whereas, The Board of Estimate and Apportionment, in making the Final Estimate for the year 1887, at a meeting held December 30, 1886, have duly considered the rectifications of and objections to said Provisional Estimate for 1887, made by the Board of Aldermen, and have approved of some of said rectifications and overruled others; therefore

Resolved, That the reasons for the action of the Board of Estimate and Apportionment, as provided by said section 189 of the Consolidation Act, in overruling the objections or suggestions made by the Board of Aldermen in respect to certain items in the said Provisional Estimate are as follows:

#### COMMON COUNCIL.

" 'Clerks—Salaries,' amend by reducing sum for engrossing old manuscript records from \$6,000 to \$4,000."

The reduction in this item is concurred in.

" Increase Amount for Salaries in Clerk's Office from \$20,000 to \$21,000."

The increase in this item is overruled, for the reason that it is considered unnecessary.

The appropriation for the Common Council is modified, however, by adding \$600 for three items, \$200 each.

#### LAW DEPARTMENT.

" 'Bureau of Corporation Attorney—Salaries for Clerks, Messengers and Janitor,' increase from \$7,150 to \$7,800."

The increase in this item is concurred in.

#### DEPARTMENT OF PUBLIC WORKS.

" 'Free Floating Baths,' increase from \$30,000 to \$60,000."

The increase in this item is overruled, for the reason that such additional expense is not considered necessary.

" 'Repairing and Renewal of Pipes, Stop-cocks, etc.,' fix at the sum of \$190,000, including Navarro Water-meters, \$5,000, and add \$50,000 for other purposes mentioned in said item, increasing the appropriation to \$240,000."

The increase of \$50,000 in this item is overruled as not required in the interests of the City, but the appropriation for it is modified by adding \$10,000, making the amount \$200,000.

" 'Sewers—Repairing and Cleaning,' increase from \$141,500 to \$200,000."

The increase in this item is overruled as not required for the purpose, in the judgment of the Board of Estimate and Apportionment.

#### POLICE DEPARTMENT.

" Strike out first item of appropriation for 'Police Fund—For Salaries of Commissioners, etc.,' to 'Salaries of Doormen,' \$3,957,027.06, and insert the original estimate of the Police Department, pages 164 and 165 of the printed pamphlet containing Departmental Estimates, increasing thereby the amount to \$4,157,027.06."

The increase in this item is overruled for the reason that the amount asked for in Departmental Estimate is much in excess of necessary expenditures for the support of the Police Department, and upon further consideration, the appropriation for salaries of Patrolmen is reduced \$50,000, making a total of \$3,907,027.06 for "Police Fund—Salaries of Commissioners, Superintendent, Inspectors, Surgeons, Captains, Sergeants, Patrolmen and Doormen," which is considered by the Board of Estimate and Apportionment to be sufficient for the purpose.

" Patrol-wagon Service (established in pursuance of chapter 596, Laws of 1886)—

" Fifteen wagons, horses and harness, at \$1,100 each..... \$16,500 00

" For keeping 30 horses, at \$25 per month..... 9,000 00

" For shoeing of 30 horses, at \$22.50 per year..... 675 00

Total..... \$26,175 00

This item is overruled for the reason that the Board of Estimate and Apportionment does not consider it expedient to add this appendage to the Police Department at the present time.

#### DEPARTMENT OF STREET CLEANING.

" Increase from \$1,050,000 to \$1,200,000."

The increase in this item is overruled for the reason that the amount appropriated in the Provisional Estimate is deemed ample for the purpose.

#### FIRE DEPARTMENT.

" Add New Houses for Engine and Hook and Ladder Companies—Engine Companies Nos. 2, 14, 24, 35 and 54, \$100,000."

This additional item is overruled as an expense that may be postponed, which it is not expedient to incur at this time, but the appropriation "For New Buildings, etc.," is modified by increasing the amount \$17,000, for rebuilding house for Engine Company No. 54.

#### BOARD OF EDUCATION.

" Item for enforcement of the act entitled 'An Act to secure children the benefits of an elementary education,' increase from \$12,000 to \$15,000."

The increase in this item is overruled for the reason that the amount appropriated is deemed sufficient "For Salaries of Truant Agents."

#### MISCELLANEOUS PURPOSES.

" 'Sheriff and County Jail,' substitute Departmental for Provisional Estimate, increasing the sum from \$63,216.62 to \$93,216.62."

The increase in this item is overruled for the reason that it is not considered necessary, under the provisions of the law.

" 'The Register,' substitute Departmental for Provisional Estimate, increase from \$100,000 to \$125,000."

The increase in this item is overruled for the reason that the original sum is considered sufficient for the purposes of the appropriation.

" 'Election Expenses—Clerks, Board of County Canvassers,' \$2,000, increase to \$3,000, including \$1,000 for special election of delegates to Constitutional Convention."

The increase in this item is overruled for the reason that a special appropriation for such election is not required.

" 'For Preservation of Public Records,' add to Surrogate's Office by increasing from \$6,000 to \$8,400."

The increase in this item is concurred in.

" Insert for Celebration of Fourth of July, 1887 (Independence Day), by the City Authorities, \$5,000."

This additional item is overruled, for the reason that an expenditure for this purpose by the City Authorities is not deemed necessary.

#### JUDICIARY.

" 'Salaries—County Clerk's Office,' increase from \$42,000 to \$42,500."

This item is modified by increasing it from \$42,000 to \$43,200, including \$4,000 for salaries of Deputies, Law Clerks, etc., instead of \$3,000 in Provisional Estimate.

Which were adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and President of the Department of Taxes and Assessments—4.

The Comptroller offered the following preamble and resolution and Final Estimate for the support of the City Government for the year 1887:

Whereas, The Board of Estimate and Apportionment have considered the objections to, and rectifications of, the Provisional Estimate made by said Board on the 30th day of October, 1886, of

Resolved, That after such consideration of the said objections to, and rectifications of, said Provisional Estimate, the Board of Estimate and Apportionment do hereby make this a

**PROPOSALS FOR 2,000 TONS OF FRESH MINED WHITE ASH STOVE COAL FOR THE OUT-DOOR POOR.**

PROPOSALS, SEALED AND INDORSED AS above, will be received by the Board of Public Charities and Correction, at their office, until 9.30 o'clock A. M., of Thursday, January 13, 1887, at which time they will be publicly opened and read by the President of said Board, for 2,000 tons Fresh Mined White Ash Stove Coal, of the best quality; each ton to consist of two thousand pounds; to be well screened, and delivered in such quantities and in such parts of the city as may be required in specifications, and ordered from time to time, south of Eighty-fourth street, to be subject to such inspection as the Commissioners may direct, and to meet their approval as to the quality, quantity, time and manner of delivery in every respect.

The award of the contract will be made as soon as practicable after the opening of the bids.

No proposal will be considered unless accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded under that proposal, they will, on its being so awarded, become bound as sureties in four thousand and 400 dollars each, for its faithful performance; which consent must be verified by the justification of each of the persons signing the same for double the amount of surety required. The adequacy and sufficiency of such security to be approved by the Comptroller.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimates can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The Board of Public Charities and Correction reserves the right to reject all bids if deemed for the best interests of the city, and no proposal will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Blank forms of proposals and specifications, which are to be strictly complied with, can be obtained on application at the office of the Department, and all information furnished.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of five thousand (\$5,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any sub-

sequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contracts.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business, or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract. The form of the contract, including specifications, showing the manner of payment, will be furnished at

the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, ESPECIALLY THE OPTION OF REDUCING THE QUANTITY OF COAL, PREVIOUSLY REFERRED TO IN THIS ADVERTISEMENT, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
No. 31 CHAMBERS STREET,  
NEW YORK, November 10, 1886.

#### NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will be allowed for any portion of one year.
