EXECUTIVE DEPARTMENT.

NOTICE TO ARCHITECTS.

IN ACCORDANCE WITH THE PROVISIONS OF chapter 371 of the Laws of 1887, entitled "An Act to provide for the erection of a building for Criminal Courts and other purposes in the City of New York," the Commissioners of the Sinking Fund will receive plans and specifications until the first day of March, 1888, for the building provided for in the said act, to be erected in connection with the City Hall and the new Court-house, in accordance with a general plan which has been approved by the said Commission, and which can be examined at the office of the Comptroller.

The plans submitted must give the elevation of the said building on all four sides and on the inner court, and must be accompanied by floor plans and specifications for the construction of the said building in sufficient detail to enable the working drawings to be made therefrom. An estimate of the cost of the structure must accompany each plan in sufficient detail to enable the Commission to modify the plans if desired.

For the plan which may be adjudged by the Commission to be the best submitted, a premium of FIVE THOUSAND DOLLARS will be paid; for the second best, a premium of FOUR THOUSAND DOLLARS; for the third best, a premium of THREE THOUSAND DOLLARS; for the fourth best, a premium of TWO THOUSAND DOLLARS; and for the fifth best, a premium of ONE THOUSAND DOLLARS. But no obligation shall rest upon the Commission to award premiums to any plan which shall not be regarded as meritorious.

The premiated plans shall become the property of the City, and may be used and combined in any manner which the Commission may approve. No obligation shall be created by the acceptance of any plan to employ the author thereof as the architect to construct the building, it being discretionary with the Commission of Public Works to determine in what manner the supervision of the building shall be provided for. Each plan submitted shall be marked with such assumed designation as the architect may select, provided there shall be filed with the Mayor a sealed envelope giving the real name of the author of the plan so designated, which will not be opened until after the award of the premiums.

Lithograph copies of the general plans of the building, adopted by the Commissioners of the Sinking Fund, October 7, 1887, can be obtained by architects upon application to the Comptroller's Office, Stewart Building, No. 280 Broadway, in the City of New York, together with a pamphlet containing special instructions.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not attended to their liability, or proved permanent exemption, will receive a "jury enrollment notice" requiring them to appear before me this year.
