# TO CONTRACTORS.

PROPOSALS FOR REMOVING A PART OF PIER 47 (OLD NUMBER), AT THE FOOT OF HOUSTON STREET, NORTH RIVER, AND ALL THE SHEDS AND BUILDINGS THEREON, AND PREPARING FOR AND BUILDING A NEW WOODEN PIER ON THE SITE OF SAID PIER 47, TO BE KNOWN AS NEW PIER 39, NORTH

SEALED PROPOSALS FOR REMOVING A PART of Pier 47 (old number), and all the sheds and buildings thereon, and for building a new wooden pier at foot of Houston street, North river, indersed as above, and addressed to "Salem H. Wales, President of the Department of Docks," will be received at this office, until 11 o'clock A. M., of Thursday, November 23, 1876, at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be a skilled dock or bridge builder, well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance, in the sum of ten thousand dollars.

The Engineer's estimate of the quantities is as follows:

Measured in the work.

1. Yellow pine timber 5 in. plank....287,513 feet B.M.

"12 in. x 10 in... 140,570 "

8 in. x 8 in... 54,48 "

"12 in. x 6 in... 10,800 "

Total..

12. Labor of framing and carpentry, including all moving of timber, jointing, planking, bolting, spiking, painting, oiling, or tarring, and furnishing the materials for painting, oiling, or tarring, and the treenails and wedges for the columns, etc., and labor of every description. For that part of the pier where the bays are 12 feet 6 in. span, 4,875 square feet, and for the remainder of the pier, 38,775 square feet.

The foregoing are the quantities which have been estimated approximately for the construction of the work. They form, however, no part of the contract, and persons bidding are cautioned that the Department of Docks do not hold themselves responsible that any of them shall strictly obtain in the construction of the work, and bidders are required to examine the plans and the premises, and to judge for themselves of the quantity and other circumstances affecting the cost of the work.

The time allowed for the completion of the work (except about roo feet of the shore end of the pier, which will not be constructed until the bulkhead wall in the rear is erected) is six months from the date of the execution of the contract, and a penalty of fifty dollars per day, as liquidated damages, will be exacted for each day that the contract may be unfulfilled, after the said six months have expired, Sundays and holidays not to be excepted.

All the old material taken from said Pier 47, and the sheds and buildings thereon, to be removed under this contract, will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in the following proposal the price for the whole of the work to be done in conformity with the annexed specifications, by which the bids will be tested. This price is to cover the expenses of furnishing all the necessary materials and labor and the performance of all the works set forth in the annexed agreement.

Bidders will write out the amount of their estimate for d

necessary materials and labor and the performance of all the work set forth in the annexed agreement.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the proposal shal distinctly state the fact; also that the bid is made wthout any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Birreau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract to awarded to the person or persons making the stimute, that the verification be made and subscribed by all the parties interested.
