BOARD OF ARMORY COMMISSIONERS.

NEW YORK, December 2, 1901.

A meeting of the Armory Board was held this day at 11.30 o'clock A. M., at the office of the

Present—The Mayor, the President of the Department of Taxes and Assessments, the Commissioner of Public Buildings, Lighting and Supplies, Brigadier-General James McLeer and Brigadier-General George Moore Smith.

The minutes of the meeting held November 19, 1901, were read, and adopted by the following

Ayes—The Mayor, the President of the Department of Taxes and Assessments, the Commissioner of Public Buildings, Lighting and Supplies, Brigadier-General James McLeer and Brigadier-General George Moore Smith.

A communication was received from the Secretary of the Commissioners of the Sinking Fund, transmitting a certified copy of resolution of that Board of date November 20, 1901, concurring in the resolution of the Armory Board relative to bills of expense in the proceedings to acquire title to land on Lexington avenue, Twenty-fifth and Twenty-sixth streets, Borough of Manhattan.

to land on Lexington avenue, Twenty-fifth and Twenty-sixth streets, Borough of Manhattan. Ordered filed.

Also, a resolution approving and concurring in the resolution of the Armory Board selecting a site for the erection of an armory for Troop "C," N.G., N.Y., on the easterly side of Bedford avenue, extending from President to Union streets, in the Borough of Brooklyn. Ordered filed.

The President of the Department of Taxes and Assessments offered the following:

Resolved, That this Board does hereby select, locate and lay out, as a site for armory purposes, the piece or parcel of land bounded and described as follows:

Beginning at a point the southeasterly corner of Union street and Bedford avenue; thence easterly and along the southerly side of Union street, distance 278 feet 6½ inches, to the lands formerly owned by the County of Kings; thence southeasterly along said land of County of Kings, distance 260 feet 11 inches, to the northerly side of President street; thence westerly along the northerly side of President street, distance 382 teet 1½ inches, to the easterly side of Bedford avenue; thence northerly along the easterly side of Bedford avenue, distance 260 feet 7½ inches, to the point or place of beginning.

Which was adopted by the following vote:

Ayes—The Mayor, the President of the Department of Taxes and Assessments, Brigadier-General James McLeer and Brigadier-General George Moore Smith.

The Commissioner of Public Buildings, Lighting and Supplies excused.

Resolved, That this Board does now proceed to certify the survey map or plan showing said site, which has been duly prepared and furnished by the Department of Public Buildings, Lighting and Supplies, at the request of this Board, and which has been duly submitted to the Commissioners of the Sinking Fund, said Commissioners of the Sinking Fund having duly approved of said site and consented to the acquisition thereof for said purpose, and indicated such approval and consent by a certificate to that effect, indorsed upon or attached to said

Laws of 1898.

Which was adopted by the following vote:
Ayes—The Mayor, the President of the Department of Taxes and Assessments, Brigadier-General James McLeer and Brigadier-General George Moore Smith.

The Commissioner of Public Buildings, Lighting and Supplies excused.

The Board then proceeded to certify the survey map or plan.

The President of the Department of Taxes and Assessments offered the following:
Resolved, That the title to said site, described as above set forth, he acquired by condemnation proceedings, and the Corporation Counsel is hereby requested to take such proceedings as may be necessary for such purposes, under and in pursuance of the provisions of chapter 212 of the Laws of 1898, and all other statutes in such cases made and provided.

Which was adopted by the following vote:

sion, at its office, at No. 258 Broadway, in the Borough of Manhattan, in The City of New York, at 2 o'clock in the afternoon of THURSDAY. DECEMBER 19, 1901.

FOR FURNISHING AND DRIVING ADDITIONAL PILING FOR FOUNDATIONS OF THE APPROACH ON THE MANHAITAN SIDE OF THE NEW EAST RIVER BRIDGE.

The work here advertised will consist in furnishing, delivering and driving about One Thousand and Twenty-four Yellow Pine Ples.

The amount of security required is FIVE THOUSAND DOLLARS (\$5,0.0).

The time within which the contract is to be completely performed is ninety days.

The Commission require that all bidders shall carefully examine the specifications, drawings and proposed form of contract, in order that no question as to their meaning may arise hereafter. It must be distinctly understood that no changes in the quality of the materials or of the workmanship will be allowed, and that the specifications will be adhered to strictly. The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed with the title given above of the work for which the estimate is made, with his or their name or names and the date of presentation, to the head of said Commission, President Lewis Nixon, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the head of said Commission and read, and the award of the contract made as soon thereafter as practicable.

Each estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Municipal Assembly, head of a Department, chief of a burean, deputy thereof or clerk therein, or other officer of the corporation, is dir

Each bid or estimate shall be accompanied by the consent, in writing, of a guaranty or surety company duly authorized by law to act as a surety, and shall contain the matters set forth in the blank form of bid mentioned below.

Each bidder will be required to deposit, with his bid, in the office of the Commissioners, a certified check for Five Hundred Dollars, payable to the order of Julian D. Fairchild, as Treasurer of the New East River Bridge Commissioners, as security for the execution by him of the contract and the giving of the required bond, if his bid is accepted, within two weeks after notice of the acceptance of his bid.

For particulars as to the quantity and quality of the supplies or the nature and extent of the work required, and of the place of delivery, bidders are referred to the specifications.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

The Commission reserves the right to reject any and all bids or estimates if deemed to be for the public interest and to accept any bid offered.

Bidders are requested to make their bids or estimates upon the blank forms prepared by the Commission, a copy of which, together with a copy of the contract, in cluding the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Chief Engineer, No. 84 Broadway, Borough of Brooklyn, City of New York, on and after the 1rth day of December, 1901.

Be it Ordained by the Municipal Assembly of The City of New York, as follows:

Where the the the thing of the City of New York, as follows:

Where the the thing with the thing and filing with each house thereof, the application, in writing, for a grant of the franchise or right to use the streets, avenues and highways, bridge and viaduct in and owned and maintained by The City of New York hereinafter mentioned, and for the construction, maintenance and operation of a double-track street surface railway, as an extension of its existing railway in, upon and along the surface of the same; and

of New York nereinater mentioned, and all the construction, maintenance and operation of a double-track street surface railway, as an extension of its existing railway in, upon and along the surface of the same; and

Whereas, The said Municipal Assembly, by resolution adopted on the 25th day of June, 1901, approved by the Mayor on the 5th day of July, 1901, gave public notice of such application, and that at the Councilmanic Chambers in the City Hall of The Lity of New York, on the 25th day of July, 1901, at 2.20 o'clock in the afternoon, such application of said railway company would be first considered and a public hearing had thereon, which notice was published daily, for at least fourteen (14) days prior to the hearing, in two daily newspapers published in the City of New York, viz.: The "New York Herald," and the "New York Journal and Advertiser," which papers were first designated in writing by the Mayor of said city, on the said 5th day of July, 1901; and

Whereas, After public notice given as aforesaid, and at a public hearing duly held in pursuance of such notice, whereat all persons so desiring were given an opportunity to be heard and were heard, such application was first considered by the Railroad Committees of both houses of said Municipal Assembly; and

Whereas, It is apparent from the proofs submitted and from satisfactory evidence presented that there is a public demand and desire that said railway company extend its railway and construct and operate the same upon and along the streets, avenues and highways and across the bridge and viaduct hereinafter named, which said bridge and viaduct is adjacent to or within one-half mile of its existing railway, for the purpose of reaching the depot, station and terminus of other railroads, not more than one-half mile distant from such bridge and viaduct, and to establish by the construction of said extension a new route for public travel, and the said applicant having consented to operate such extension as a continuous route for public and vantage that t

Central or Macomb's Dam Bridge; thence southerly upon and along said bridge and the One Hundred and Fitty-fitth Street Viaduct and Macomb's Dam road to the terminus of the railway of the Eighth Avenue Railroad Company, between West One Hundred and Fifty-fourth and West One Hundred and Fifty-fifth streets; also from the intersection of said Central or Macomb's Dam Bridge and the One Hundred and Fifty-fifth Street Viaduct; thence westerly upon and along said viaduct to the station, depot or terminus of the Manhattan Elevated Railway Company, situated between said bridge and Bradhurst avenue, together with the necessary connections, switches, sidings, turnouts, turn-tables, cross-overs and suitable stands necessary for the accommodation and operation of said railroad by the overhead system of electricity or any other motive power which may be lawfully employed upon the same; all in the Borough of Manhattan and The Bronx, City, County and State of New York.

Sec. 2. The igrant of said franchise or right to use said streets, avenues, highways, bridge and viaduct is made subject to the following conditions:

First—I hat the said right, privilege and franchise to construct and operate said extension shall be held and enjoyed by said railway company, its lessee or successors, for the term of twenty-five years, with the privilege of a renewal of said grant for the further period of twenty-five years upon a fair revaluation of the right, such revaluation to be of the right, privilege and franchise to maintain and operate said extension by itself, and not to melude any value derived from the ownership, control or operation of any other railroad, line or tracks of the grantee, its successors of westers, avenues, light ways, and upon the deverage and viaduct shorts and the said plant and property shall be constructed and operated.

Second—Upon the termination of the said franchise or right, whether original or renewed, there shall be a fair valuation sherein provided for shall be as follows: One disinterested freeholder sha

matters with respect to which said Commissioners are respectively invested with the power of regulation and control by the Charter of said city.

Sec. 3. The said grant is also upon the further conditions, namely,
First—The said extension shall be constructed and operated in the latest improved manner of street railway construction, and the railway and property on said extension shall be maintained in good condition throughout the full term of this grant.

Second—The rate of fare for any passenger upon said extension shall be five cents; and said company shall not charge any passenger more than said sum for one continuous ride from any point on said extension or on any road, line or branch operated by it or under its control to any other point thereof or any connecting branch thereof within the limits of The City of New York. The cars on said extension shall be run as often as the public convenience may require.

Third—The said railway company shall apply to each car run over said extension a proper fender and wheel guard in conformity to such laws and ordinances as may hereafter be enacted or adopted by the State or city authorities.

Fourth—All cars on said extension shall be heated during cold weather in conformity to such laws and ordinances as are now in force or may hereafter be enacted or adopted by the State or city authorities, and each car shall be well lighted either by the Pintsch gas system or by electricity, or by some system of lighting equally efficient.

Fith—In case of any violation or breach of, or failure to comply with, any of the provisions of this section, this grant may be forfeited by suit brought by the Corporation Counsel on notice of ten days to the said railway company.

Sec. 4. This grant is also upon the further and expressed condition that the provisions of Article IV. of the Railroad Law applicable thereto be complied with.

Sec. 5. The said company shall at all times keep the street between its tracks and for a distance of two feet beyond the rails upon either side of said exte

street between its tracks and for a distance or two feet beyond the rails upon either side of said extension free and clear from ice and snow.

Sec. 6. The said railway company, so long as it shall continue to use any of the tracks upon said streets, avenues, highways, bridge and viaduct, shall have and keep in permanent repair that portion of such streets, avenues, highways, bridge and viaduct between its tracks, the rails of its tracks and two feet in width outside of its tracks, under the supervision of the proper local authorities, and whenever required by them to do so, and in such manner as they may prescribe.

Sec. 7. This grant shall not become operative unless, within ten days after the approval thereof by the Mayor of said city or the final passage thereof succeeding the return with the disapproval thereof, or subsequent to the taking effect of said grant by reason of the failure of said officer to return the same with his disapproval, the said railway company shall duly execute under its corporate seal an instrument in writing wherein said company shall promise, covenant, and agree on its part and behalf to pay the compensation, and to conform to, abide by and perform all the conditions and requirements in this ordinance fixed and contained, and within the said period file the said instrument in the office of the Comptroller of The City of New York.

Sec. 8. This ordinance shall take effect immediately. Published in accordance with a resolution adopted by the Municipal Assembly of The City of New York on the 26th day of November, 1501, and approved by his Honor the Mayor on the same date.
