MUNICIPAL CIVIL SERVICE COMMISSION.

Minutes of Meeting of the Municipal Civil Service Commission of New York, Held
Wednesday, June 7, 1911.

Present: President James Creelman and Alexander Keogh.

The President, Mr. James Creelman, presided.

A public hearing was had on the proposed amendment of the Classification by
including in the Exempt Class, under the heading “Board of Elections” one additional
Clerk to the Board. Mr. Robert W. Belcher, Assistant Secretary of the Civil Service
Reform Association, opposed the exemption. There being no further appearances, the
Chair declared the hearing closed.

A public hearing was had on the proposed amendment of the Classification by in-
cluding in the Exempt Class, under the heading “Department of Parks,” one additional
Assistant Superintendent of Parks, Boroughs of Manhattan and Richmond.

Hon. Charles B. Stover, Commissioner of Parks, Boroughs of Manhattan and Rich-
mond, and Hon. Raymond B. Fosdick, Commissioner of Accounts, appeared in behalf
of the proposed exemption. Mr. Robert W. Belcher, Assistant Secretary of the Civil
Service Reform Association, opposed the exemption.

The Secretary stated that the Commissioner of Police had withdrawn his appli-
cation for an amendment of the Classification by striking from the Exempt Class
the position of Stenographer to the Police Commissioner. The papers were ordered
filed.

A public hearing was had on the proposed amendment of the Classification by in-
cluding in the Non-Competitive Class for the New York Nautical School, Board of
Education, the position of Assistant Ship's Cook. Hon. Richard B. Aldcroft, Jr., Com-
missioner of Education, appeared in behalf of the proposed amendment. There was
no opposition.

A public hearing was had on the proposed amendment of the Classification by in-
cluding in the Labor Class, Part I, the position of Watchman, at \$1.50 per day, or less.
There being no appearances, the Chair declared the hearing closed.

The Commission then went into regular session and the minutes of the meetings
held May 31 were approved.

On motion, it was

Resolved, That the Classification be and the same hereby is amended by striking
from the Exempt Class, under the heading “Board of Elections of The City of New
York,” the line “8 Clerks to Board,” and substituting therefor the following: “9 Clerks
to Board.”

On motion, the request for the exemption of one additional Assistant Superinten-
dent of Parks, Boroughs of Manhattan and Richmond, was denied.

On motion, the proposed amendments to the Non-Competitive Class by including
therein for New York Nautical School, Board of Education, the position of Assistant
Ship's Cook, also the position of Watchman, at \$1.50 per day, or less, were adopted
and the Secretary was instructed to include the said titles in the revised list of Non-
Competitive positions to be submitted to the Mayor and the State Civil Service Com-
mission for approval.

Mr. Thomas Kelly, representing the Carriage, Wagon and Automobile Makers of

New York, appeared before the Commission and protested against the fact that the title "Carriage Painter" did not appear in the Classification. The Secretary was directed to advertise a public hearing on the proposed amendment of the Classification by including in Part II. of the Labor Class the title "Carriage Painter."

Mr. Rudolph Rubin, of 1135 3d avenue, New York City, appeared before the Commission to show cause why his name should not be removed from the list of Inspector of Foods (Meat) under the provisions of paragraph 14 of Rule VII. for unsatisfactory character. It appeared that on May 27, 1911, a report had been received from the Mayor's Bureau of Weights and Measures to the effect that on May 6 Mr. Rubin had been arrested on the charge of having in his possession and actually using "a 30-pound spring balance, 2 ounces fast, against the customer, knowing the same to be false." After consideration of the matter, Mr. Rubin was informed that certification of his name from the eligible list would be withheld pending the outcome of the case in court.

On the recommendation of the Committee on Transfers, the following transfers were approved:

Collins, Jr., from the position of Clerk, at a salary of \$600 per annum, in the Department of Education, to a similar position, at \$900 per annum, in the Department of Water Supply, Gas and Electricity; Catherine C. Minutes of Special Meeting of the Municipal Civil Service Commission of New York, Held at the Offices of the Commission, 299 Broadway, on Friday, June 9, 1911, at 11.30 a. m.

Present: President James Creelman and Commissioner Alexander Keogh. The President, Mr. James Creelman, presided.

The Commission met for the purpose of considering the request of the Board of Trustees of Bellevue and Allied Hospitals, dated June 7, that the requirement of competitive examination be suspended in accordance with Rule XII., paragraph 5, and that the appointment of Dr. Walter H. Conley as Assistant Medical Superintendent of Bellevue and Allied Hospitals, at a salary of \$3,500 per annum, with maintenance, be authorized. The request was accompanied by the statement that this provision had been waived in the case of Dr. George O'Hanlon, whose place Dr. Conley was to take, Dr. O'Hanlon having been appointed to the place of General Medical Superintendent. Mr. Robert W. Belcher, Assistant Secretary of the Civil Service Reform Association, appeared and opposed the appointment of Dr. Conley under paragraph 5 of Rule XII., on the ground that there was an eligible list for Deputy Medical Superintendent in existence, showing that competition was practicable. On motion of Commissioner Keogh it was decided that no precedent was to be established by the action in the case of Dr. O'Hanlon, and that it was repugnant to the spirit of the law that the requirements of competition should be suspended in this case.

The Commission then adjourned to meet Wednesday, June 14, 1911, at 10 o'clock a. m.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery by the purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the De-

partment of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.
