services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

Statement of Basis and Purpose of Proposed Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City, pursuant to Section 2903(a) of the New York City Charter. The rules that DOT is seeking to amend are contained within Chapters 3 and 4 of Title 34 of the Rules of the City of New York, relating to its Traffic Rules.

Local Law 91 of 2017 amends Sections 10-157 and 10-157.1 of the New York City Administrative Code (the "Admin. Code") regarding bicycles used for commercial purposes. Based on these recent amendments, the following changes to the Traffic Rules are being proposed:

- Section 4-12(p)(4)(i) would be amended by adding a new definition of "bicycle operator" and revising the definition of "business using a bicycle for commercial purposes".
- Section 4-12(p)(4)(ii) would be amended by deleting the bicycle safety poster posting requirements in subparagraph (ii) and adding new registration requirements for a business using a bicycle for commercial purposes that does not have a site within the City that is open and available to the public.
- Section 4-12(p)(4)(iii) – (vi) would be amended by revising the requirements for the bicycle safety poster.
- Section 3-01 would be amended by adding a new penalty to the Penalty Schedule.

This proposed rulemaking also includes plain language and other minor changes to Section 4-01 ("Words and phrases defined") identified during the retrospective rules review conducted by the Mayor's Office of Operations with the City's rulemaking agencies, the Law Department, and the Office of Management and Budget.
