PROCUREMENT

"Compete To Win" More Contracts! Thanks to a new City initiative - "Compete to Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● **Win More Contracts at nyc.gov/competetowin**

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtm>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies: Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

Authority: SRO, Administrative Code §27-2093

Before the Department of Buildings can issue a permit for the alteration or demolition of a single room occupancy multiple dwelling, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at CONH Unit, 100 Gold Street, 6th Floor, New York, NY 10038 by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call (212) 863-5277 or (212) 863-8211.

NOTICE

New York City Economic Development Corporation (NYCEDC) New York City Department of Parks and Recreation (DPR)

COMMUNITY DEVELOPMENT BLOCK GRANT - DISASTER RECOVERY PROGRAM

Final Notice and Public Explanation of a Proposed Activity in a 100-Year Floodplain

To: All interested Agencies, Groups, and Individuals

This publication gives notice that New York City has conducted an evaluation of the proposed Rockaway Beach Boardwalk reconstruction and related improvements, as required by Executive Orders (EO) 11988 and 11990, in accordance with HUD regulations 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain

Management and Protection of Wetlands, respectively. These evaluations are made to determine the potential effects that proposed activities in the floodplain and wetland associated with the proposed project will have on the human environment. New York City will receive federal Community Development Block Grant-Disaster Recovery (CDBG-DR) funding from HUD to execute the reconstruction of the Rockaway Beach Boardwalk and related improvements.

The City has considered the following alternatives to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values of its floodplains:

Action Outside the Floodplain: As the Rockaway Beach Boardwalk is a major public open space in the Rockaways Peninsula and an integral component of Rockaway Beach, there is no practicable alternative to locate it outside the floodplain.

Proposed Action in the Floodplain: The project site is located within the 100-year floodplain, and New York City proposes to use CDBG-DR funds to reconstruct the boardwalk between Beach 20th and Beach 126th Streets and to improve its future storm resiliency by raising the overall elevation to account for both revised 100-year flood elevations and predicted future sea level rise. Further, the proposed reconstruction would incorporate a sand-retaining wall underneath the boardwalk that would prevent sand migration and help to protect the adjacent community. The sand-retaining wall would span the length of the boardwalk and would retain the volume of sand extending from new dunes currently being constructed by the United States Army Corps of Engineers (USACE) to the sand-retaining wall under the boardwalk. The wall would also restrict blowing sand from passing under the boardwalk from the beach to the inland area. The CDBG-DR funds would also be used to provide structured access to the beach between Beach 126th and Beach 149th Streets over the new USACE dunes and to restore and enhance existing dunes between Beach 9th and Beach 20th Streets, including constructing at-grade access through the dunes. Overall, the proposed project would restore a damaged recreational resource while increasing the resiliency of the boardwalk against future storms, enhance beach access, and help protect newly created dunes.

No Action: The No Action Alternative would not support PlaNYC's goals to increase the sustainability and resiliency of open space resources, and would provide less park user accessibility and enjoyment of the unique open space resource of the beaches on the Rockaway Peninsula. The No Action Alternative is also inconsistent with New York City's Special Initiative for Rebuilding and Resiliency (SIRR), which identifies reconstruction of the Rockaway Beach Boardwalk as a key rebuilding project. Under the No Action Alternative, the boardwalk would not be reconstructed between Beach 20th and 126th Streets, structures across the USACE dune between Beach 126th Street and Beach 149th Street would not be constructed, and the existing dunes between Beach 20th and Beach 9th Streets would not be restored.

Original Height Alternative: Under this alternative, the boardwalk would be rebuilt at its original height with no raising of the elevation or the inclusion of resiliency features. While the Original Height Alternative would be designed and constructed to be more resilient to future storms than the former boardwalk, the alternative would be less consistent with the goals and objectives of PlaNYC and the SIRR than the proposed project, because it would not be raised in height to accommodate future sea level rise.

No Sand-Retaining Wall Alternative: Under this alternative, the boardwalk would be rebuilt as under the proposed project except that there would be no sand-retaining wall constructed under the boardwalk. While the No-Sand Retaining Wall Alternative would provide the same resiliency to future storms as the proposed project, it would not retain the infill sand under the boardwalk and, therefore, would not protect the adjacent communities by helping to protect newly created dunes or preventing sand migration over adjacent roadways, homes, and open space areas.

This FINAL NOTICE FOR PUBLIC REVIEW OF A PROPOSAL TO SUPPORT ACTIVITY IN A 100-YEAR FLOODPLAIN is required by Section 2(a)(4) of EOs 11998 and 11990, respectively for Floodplain Management and Protection of Wetlands and is implemented by HUD regulations found at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management. The 8-step Decision Making Process includes public notices and the examination of practicable alternatives to building in the floodplain or wetland. The City proposes to use CDBG-DR funds to reconstruct the Rockaway Boardwalk, provide structured access to the beach over new USACE dunes, and restore and enhance existing dunes located within the 100-year floodplain.

Additional project information including floodplain maps of the project site are contained in the Environmental Review Record and Environmental Assessment currently on file with Calvin Johnson, Assistant Director CDBG-DR, 255 Greenwich Street, 8th Floor, New York, New York 10007 and may be examined from 10:00 A.M. to 5:00 P.M. This posting can be found by using this link: http://www.nyc.gov/builditback and then clicking on "Reports and Public Notices." The City is interested in alternatives and public perceptions of possible adverse effects that could result from the project as well as potential mitigation measures.

All interested persons, groups, and agencies are invited to submit written comments regarding the proposed use of federal funds to support the reconstruction of the Rockaway Boardwalk in a floodplain. Written comments should be sent to OMB at 255 Greenwich Street, 8th Floor, New York, New York 10007, Attention: Calvin Johnson, Assistant Director CDBG-DR or via email at CDBGDR-enviro@omb.nyc.gov. The minimum 7 calendar day comment period will begin the day after publication and end on the 8th day after publication. All comments should be received by OMB on or before December 21, 2013.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
