MISCELLANEOUS REPORTS, COMMUNICATIONS, ETC.

The weekly statement of the Comptroller was received and ordered on file.

The following communications were received from the Sanitary Superintendent:

1. A report giving names of express companies and railroad companies that bring dressed calves into the city, which was referred to the President.
2. A report in respect to the failure of Dr. F. T. O'Sullivan, of No. 217 West Forty-second street, Borough of Manhattan, to report cases of glanders, and the Secretary was directed to notify Dr. O'Sullivan to call to see the President.

The application of Mrs. Conway for a pension was received, and referred to the President to name a committee to examine into the case.

The application of Dr. John F. Reed, Medical School Inspector, Borough of Brooklyn, for leave of absence during the month of April, was received, and, on motion, was disapproved.

The Assistant Sanitary Superintendent of the Borough of Brooklyn forwarded letters from J. C. Hoag and S. Cohen in respect to claims against Russell Hoag, a Meat Inspector in this Department, Borough of Brooklyn, for money loaned and goods sold. The Secretary was directed to notify Russell Hoag that said claims had been received at this office.

A communication was received from the Resident Physician of the Kingston Avenue Hospital, Borough of Brooklyn, with statements in regard to the treatment received by Mr. J. F. Ford while an inmate of said hospital, suffering with scarlet fever, and ordered on file.

A communication was received from the Assistant Sanitary Superintendent of the Borough of Brooklyn, requesting this Department to define the duties and powers of a hospital superintendent in restraining a patient suffering with contagious disease who has applied to the hospital for treatment.

The Assistant Sanitary Superintendent of the Borough of Brooklyn submitted a report in relation to small-pox patient Jeremiah Shea, who escaped from the Kingston Avenue hospital March 27, which was ordered on file.

The Assistant Sanitary Superintendent of the Borough of Brooklyn forwarded a communication in respect to additional Milk Inspectors, with the request that he be authorized to deny permits to all applicants for milk permits who are not able to demonstrate their ability to use the instruments necessary for the detection of adulteration in milk.

A communication was received from the Assistant Sanitary Superintendent of the Borough of Richmond, with a report from Veterinarian Percival K. Nichols, requesting to be allowed to use the tuberculin test on cows in dairies, whose physical condition is not good, which was referred to the General Medical Officer.

A report was received from the Assistant Sanitary Superintendent of the Borough of Richmond in respect to vacant lots Nos. 72 and 89 on St. Mary's avenue, Borough of Richmond, and, on motion, it was

Resolved, That a copy of the report of the Assistant Sanitary Superintendent of this Department, Borough of Richmond, in respect to the dangerous condition of vacant lots Nos. 72 and 89 on St. Mary's avenue, Borough of Richmond, City of New York, be forwarded to the President of the Borough of Richmond, with the request that, for sanitary reasons, said lots be properly filled in with fresh earth one foot above the level of the stagnant water.

A notice was received from the Title Guarantee and Trust Company that sewer connection of premises No. 110 East Fifty-eighth street, Borough of Manhattan, will be disconnected from premises No. 108 East Fifty-eighth street in thirty days, and ordered on file.

On motion, it was

Resolved, That the officers in charge of all clinics, dispensaries, etc., shall require evidence of recent successful vaccination of every person applying for medical treatment, and in the absence of such evidence, shall immediately offer vaccination unless contra-indicated by existing physical conditions.

On motion, it was

Resolved, That Hermann M. Biggs, M. D., be and is hereby appointed Acting General Medical Officer of the Department of Health, subject to examination by the Municipal Civil Service Commission for promotion to said position.

On motion, it was

Resolved, That the Secretary be and is hereby directed to make requisition No. XLVII upon the Comptroller for the sum of five hundred dollars (\$500), account of Fund Supplies and Contingencies, 1902 (Manhattan), for the purpose of defraying any minor or incidental expenses contingent to the Department of Health, pursuant to the resolution adopted by the Board of Aldermen June 15, 1897, and approved by the Mayor June 26, 1897.

On motion, the following preamble and resolution were adopted:

Whereas, The records of vital statistics in the Bureau of Records, Borough of Manhattan, constitute one of the most valuable collections of public records in The City of New York, for use in the settlement of estates, pension claims, life insurance adjustment, etc., etc.; and

Whereas, These public records are now stored in a non-fireproof building at the southwest corner of Fifty-fifth street and Sixth avenue, in the Borough of Manhattan, and are in great danger of being totally destroyed by fire, causing thereby an irreparable loss to The City of New York; and

Whereas, It has been found necessary that certain changes should be made in order to protect and preserve these public records, viz.: to transform the swimming tank situated in the basement of said building into a fireproof vault, to remove the records and cases from their present location to this vault when completed, to obtain such additional steel cases as may be necessary, and to make such changes in the arrangement of the offices in this building as may be consequent upon or made necessary by this shifting of the records, together with the required mason, carpenter, iron, painting and plumbing work, including steam heating, architect's fees, etc., etc.; therefore, be it

Resolved, That this Board, pursuant to the provisions of chapter 535 of the Laws of 1893, hereby certifies to the Board of Estimate and Apportionment that the sum of sixteen thousand dollars (\$16,000) should be appropriated for the year 1902, for the purpose of defraying the necessary expenses required to be incurred by the Board of Health for the preservation of the public health in protecting and preserving the records of births, marriages and deaths as outlined in the foregoing preamble.

On motion, it was

Resolved, That the Minutes of this Department of the meeting held February 26, 1902, be corrected so as to make the salary of Thomas F. Deaken, who was appointed a Laboratory Assistant at said meeting, at the rate of \$780 per annum, instead of \$720 per annum, the same being a clerical error.

On motion, the following preamble and resolution were adopted:

Whereas, The Department of Health of The City of New York, pursuant to the provisions of chapter 651 of the Laws of 1899, is authorized to hear, audit and determine all claims arising out of the destruction of cattle affected with tuberculosis or any other disease, in The City of New York, when such destruction is duly authorized by the owner or owners thereof; therefore, be it

Resolved, That the Board of Health of the Department of Health does hereby audit and allow the following claim arising out of the destruction of cattle affected with tuberculosis in The City of New York:

Name.	Borough.	No. of Cows.	Amount of Claim.
George Gleixner,	Richmond.	1	\$22 50

A report was received from the Assistant Sanitary Superintendent of the Borough of Brooklyn, together with maps, in reference to the improvement of the sur-

roundings of the Kingston Avenue Hospital, relating to grading, paving and curbing of the crosswalks, gutters, etc., and the Secretary was directed to prepare the necessary petition and forward the same to the President of the Borough of Brooklyn.

On motion, the following preamble and resolution were adopted:

Whereas, numerous complaints have been made to the Board of Health against the various roads operated by the Metropolitan Street Railway Company in the Borough of Manhattan, city and state of New York, on account of noises caused by the running of defective cars, to wit: the pounding and thumping of flat wheel cars, especially during the night time, along the public streets and avenues; and

Whereas, this Board has taken and filed among its records what it regards as sufficient proof to authorize its declaration that the said cars, so used, and having defective or flat wheels, are a public nuisance, and that the running thereof is dangerous to life and health; it is therefore

Resolved, That the running of cars having defective or flat wheels along the public streets and avenues in the Borough of Manhattan, city and state of New York, by the Metropolitan Street Railway Company, especially during the night time, is, and is hereby declared to be, a public nuisance, dangerous to life and health; and it is further

Resolved, That, in accordance with the provisions of chapter 466 of the Laws of 1901, section 1176, the said Metropolitan Street Railway Company be directed to discontinue the operation and running of cars having flat or defective wheels along the public streets and avenues aforesaid in the Borough of Manhattan, city and state of New York.

On motion, it was

Resolved, That Robert W. De Forest, Tenement House Commissioner, be and is hereby respectfully requested to recommend to the Board of Estimate and Apportionment the transfer of the funds necessary to pay the Sanitary Policemen and Inspectors of this Department who are employed in tenement house work for the month of April, 1902, the sum of \$5,891.48, as follows:

JOSEPH P. POWERS, Superintendent.

GEO. A. BROWN, Chief Clerk.

AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their Office, No. 207 Stewart Building, on Tuesday, April 8, 1902, at 2 o'clock p. m.

Present—Commissioners Ten Eyck (President), Ryan, Power and Windolph.

The minutes of stated meeting of April 1, 1902, were read and approved.

The Committee of Finance and Audit reported the examination and audit of estimates contained in Vouchers Nos. 14,488 and 14,489, amounting to \$27,928.36, and of bills contained in Vouchers Nos. 14,490 and 14,498, inclusive, amounting to \$396.45.

Which were approved and ordered certified to the Comptroller for payment by the following vote:

Affirmative—Commissioners Ten Eyck, Ryan, Power and Windolph—4.

The President presented a communication received from the Secretary of the Rapid Transit Commission requesting the transfer of Rollin B. Vose, formerly employed in this Commission as a Superintendent of Dam Construction; and stated that he had replied thereto.

On motion of Commissioner Ryan, the action of the President was approved and the communication ordered filed.

The following communication was received from the Chief Engineer:

REPORT No. 356.

NEW YORK, April 8, 1902.

To the Aqueduct Commissioners:

GENTLEMEN—This is to inform you that Mr. Henry A. Cantor, Axeman, died on Wednesday, April 2, 1902.

Very respectfully,

W. R. HILL, Chief Engineer.

Which was ordered filed.

The following communication was also received from the Chief Engineer:

REPORT No. 357.

NEW YORK, April 8, 1902.

To the Aqueduct Commissioners:

GENTLEMEN—I recommend that you approve of the plans, dated January 28, 1902, to widen the Spillway Channel at the New Croton Dam, below the arch bridge.

Very respectfully,

W. R. HILL, Chief Engineer.

Which was laid over for one week.

The following communication was also received from the Chief Engineer:

REPORT No. 358.

NEW YORK, April 8, 1902.

To the Aqueduct Commissioners:

GENTLEMEN—I respectfully ask authority to ask for proposals for drilling in the basin at Jerome Park Reservoir to ascertain the depth to rock.

Very respectfully,

W. R. HILL, Chief Engineer.

On motion of Commissioner Ryan, the authority asked for by the Chief Engineer was granted.

The following communication was also received from the Chief Engineer:

REPORT No. 359.

NEW YORK, April 8, 1902.

To the Aqueduct Commissioners:

GENTLEMEN—Relating to the communication of the New York Telephone Company, dated March 20, 1902, requesting permission to erect and maintain telegraph poles and wires through property and along roads adjacent to the Croton Reservoir, which was referred to me, I would report that they ask to construct a line through property belonging to the city for a distance of about two-thirds of a mile and at other places on highways abutting property owned by the city.

Should you deem it advisable to grant the request, I recommend that you make a condition that the telegraph company will at any time and at their own expense remove any poles or wires, if so ordered by your Honorable Commission.

Very respectfully,

W. R. HILL, Chief Engineer.

Which was laid over.

The following communication was also received from the Chief Engineer:

REPORT No. 360.

NEW YORK, April 8, 1902.

To the Aqueduct Commissioners:

GENTLEMEN—This is to inform you that Charles Rippel, Laborer, employed at Jerome Park Reservoir, has not reported for duty since February 25, 1902. He left the work without leave of absence or giving notice.

Very respectfully,

W. R. HILL, Chief Engineer.

Commissioner Windolph moved that Charles Rippel, Laborer, be discharged from the service of the Aqueduct Commissioners on account of his absence without leave and his failure to report for duty, and that the above report be ordered on file.

Which was carried by the following vote:

Affirmative—Commissioners Ten Eyck, Ryan, Power and Windolph—4.

On motion of Commissioner Ryan, the Secretary was directed to request the Municipal Civil Service Commission to furnish eligible lists from which the following appointments may be made, viz.:

Two Superintendents of Dam Construction.

Two Inspectors of Masonry.

The following communication was received from the Secretary:

NEW YORK, April 8, 1902.

To the Aqueduct Commissioners:

GENTLEMEN—This is to report the receipt of \$34 from Division Engineer Wegmann, being the amount of rents collected by him on the Croton River Division of the New Croton Aqueduct. Said amount has been transmitted to the City Chamberlain for the credit of the Additional Water Fund, and his receipt therefor is on file.

Respectfully,

HARRY W. WALKER, Secretary.

Which was approved and ordered filed.

In connection therewith, on motion of Commissioner Windolph, the Secretary was directed to request the Department of Finance to notify this Commission in advance of the payment of any awards for property acquired for Aqueduct purposes in the Croton watershed (acquired under chapter 490, Laws of 1883), in order that they may in turn advise the Department of Finance of any unpaid rents due The City of New York from the original owners of said acquired land due to their continued occupancy of said land since the City acquired the same, in order that said Department can, if it is deemed proper, deduct said arrearages from the aforesaid award.

On motion of Commissioner Power, the Chief Engineer was directed to obtain the names of former owners of property whose land has been acquired for aqueduct purposes who are in arrears for rent for the occupation of such property.

The Comptroller, under date of April 3, 1902, gave notice of the issue of warrants for the payment of vouchers not certified to by the Aqueduct Commissioners during the month of March, 1902, as follows:

Cornell Dam.....\$1,281 39
—leaving a balance to the credit of the Additional Water Fund of \$271,222.84.

Which was ordered entered upon the books of the Commissioners and filed.

A communication was received from Martin Geiszler, Superintendent of Highways, Borough of The Bronx, dated April 1, 1902, calling attention to alleged settlements along the line of the sewer recently constructed in Two Hundred and Fourth street (Potter place).

Which was referred to the Chief Engineer.

On motion of Commissioner Power, the matter of the award of the contract for building a pumping plant in the engine-room and Shaft No. 25 of the New Croton Aqueduct, bids for which were received and opened on December 17, 1901, was made a special order for the next stated meeting.

A communication was received from The Kilby Manufacturing Company, dated Cleveland, Ohio, April 2, 1902, concerning the bid and plan submitted by them on December 17, 1901, for building a pumping plant in the engine-room and Shaft No. 25 of the New Croton Aqueduct.

On motion of Commissioner Power, the Secretary was directed to reply thereto. The Commissioners then adjourned.

HARRY W. WALKER, Secretary.

GEOR

All the hose required to be furnished as above must be delivered within sixty (60) days after the contracts are awarded.

The contracts must be bid for separately. The person or persons making a bid or estimate shall furnish the same in a sealed envelope, indorsed with the title given above of the supplies for which the bid or estimate is made, with his or their name and names and the date of presentation to the head of said Department, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is, shall be or become interested, directly or indirectly therein, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank form of bid mentioned below.

No bid or estimate will be received or considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The price must be written in the estimate and also stated in figures.

For particulars as to the quantity and quality of the materials, or the nature and extent of the work required, bidders are referred to the specifications.

The Fire Commissioner reserves the right to reject all bids if he should deem it for the interest of the city to do so.

Blank forms of bid or estimate, and also the proper envelope in which to inclose the same, together with the form of agreement, including specifications, approved as to form by the Corporation Counsel, and showing the manner of payment, can be obtained upon application therefor at the office of the Fire Department, Nos. 157 and 159 East Sixty-seventh Street, in the Borough of Manhattan, New York City.

THOMAS STURGIS,
Fire Commissioner.

Boroughs of Manhattan and The Bronx, NO. 1. FOR FURNISHING AND DELIVERING CROCKERY, GLASSWARE, PAINTS, OILS, LUMBER, CROCKERY, HORSEFEED, DRUGS, GOODS, LIME AND CEMENT, ETC.

The time for the delivery of the articles, materials and supplies and the performance of the contract is December 31, 1902.

The amount of security required is fifty per cent. (50%) of the amount of the bid or estimate.

The bidder will state the price of each item or article contained in the specifications or schedules herein contained, or hereto annexed, per pound, ton, dozen, gallon, yard or other unit of measure, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total for each item and awards made to the lowest bidder on each item.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

The Board reserves the right to reject all bids or estimates if it deems it to be for the interest of the City so to do.

Delivery will be required to be made at the time and in the manner and in such quantities as may be directed by the President.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed with the title given above of the supplies for which the bid or estimate is made, with his or their name or names and the date of presentation to the President at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the President and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications on file in the office of the President.

Bidders are requested to make their bids or estimates upon the blank form prepared by the Board of Trustees, a copy of which, with the

proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the said Board, and any further information can be obtained at the office of the Board, foot of East Twenty-sixth Street, boroughs of Manhattan and The Bronx.

BOARD OF ESTIMATE AND APPORTIONMENT.

NOTICE IS HEREBY GIVEN THAT THE Board of Estimate and Apportionment of The City of New York, deeming it for the public interest so to do, proposes to alter the map or plan of The City of New York by changing the grade of West 137th Street, from Broadway to Riverside Drive extension, in the Borough of Manhattan, City of New York, and that a meeting of the said Board will be held in the Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 9th day of May, 1902, at 2 o'clock p. m., at which such proposed change of grade will be considered by said Board, all of which is more particularly described in the following resolutions, adopted by said board on the 25th day of April, 1902, notice of the adoption of which is hereby given, namely:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of Section 420 of the Greater New York Charter, deeming it for the public interest so to do, proposes to alter the map or plan of The City of New York by changing the grade of West 137th Street from Broadway to Riverside Drive extension, Borough of Manhattan, City of New York, more particularly described as follows:

Beginning at the intersection of Broadway and West 137th Street, the elevation to be 62.41 feet above mean high water datum as heretofore:

Thence northwesterly to the intersection of the southwesterly side line of Riverside Drive extension, the elevation to be 63.16 feet above mean high water datum;

All elevations refer to mean high water datum as established in the Borough of Manhattan.

Resolved, That the President of the Borough of Manhattan cause to be prepared for submission to this board three similar maps or plans, for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed change of grade of the above named street and the location of the immediate adjacent or of intersecting open or established public streets, avenues, roads, squares or places, sufficient for the identification and location thereof.

Resolved, That this board consider the proposed change of grade of the above named street at a meeting of this board to be held in the Council Chamber, City Hall, Borough of Manhattan, City of New York, on the 9th day of May, 1902, at 2 o'clock p. m.

Resolved, That the secretary of the board cause these resolutions and a notice to all persons affected thereby, that the proposed change of grade of the above named street will be considered at a meeting of this board to be held at the aforesaid time and place, to be published in the City Record for ten days continuously, Sundays and legal holidays excepted, prior to the 9th day of May, 1902.

NOTICE IS HEREBY GIVEN THAT THE Board of Estimate and Apportionment of The City of New York, deeming it for the public interest so to do, proposes to alter the map or plan of The City of New York by laying out and extending and establishing the grade of West 137th Street, from Broadway to Riverside Drive extension, in the Borough of Manhattan, City of New York, and that a meeting of the said board will be held in the Council Chamber (Room 16), City Hall, Borough of Manhattan, City of New York, on the 9th day of May, 1902, at 2 o'clock p. m., at which such proposed laying out and extending, and establishing of grade will be considered by said board, all of which is more particularly described in the following resolutions, adopted by said board on the 25th day of April, 1902, notice of the adoption of which is hereby given, namely:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of Section 420 of the Greater New York Charter, deeming it for the public interest so to do, proposes to alter the map or plan of The City of New York, by laying out and extending, and establishing the grade of West 137th Street from Broadway to Riverside Drive Extension, in the Borough of Manhattan, City of New York, more particularly described as follows:

The southwesterly side of the said new street to commence at a point on the northwesterly side of Broadway, distant 100.83 feet from the northerly corner of Broadway and West 137th Street, and to run thence northwesterly and parallel with West 137th Street for a distance of 584.36 feet more or less to the southeasterly side of Riverside Drive Extension at a point distant 204.08 feet more or less northeasterly from the easterly corner of Riverside Drive extension and West 137th Street; the northeasterly side of the said new street to be 60 feet distant from and parallel with the southwesterly side.

GRADES.

1. The grade at the intersection of the new street and Broadway to be 88.81 feet above mean high water datum.

2. The grade at the intersection of the new street and Riverside Drive extension to be 69.54 feet above mean high water datum.

All elevations refer to mean high water datum as established in the Borough of Manhattan.

Resolved, That the President of the Borough of Manhattan cause to be prepared for submission to this board three similar maps or plans, for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed laying out and extending, and establishing the grade of the above named street and the location of the immediate adjacent or of intersecting open or established public streets, avenues, roads, squares or places, sufficient for the identification and location thereof.

Resolved, That this board consider the proposed laying out and extending, and establishing the grade of the above named street at a meeting of this board to be held in the Council Chamber, City Hall, Borough of Manhattan, City of New York, on the 9th day of May, 1902, at 2 o'clock p. m.

Resolved, That the secretary of this board cause these resolutions, and a notice to all persons affected thereby, that the proposed laying out and extending and establishing of the grade of the above named street will be considered at a meeting of this board to be held at the aforesaid time and place, to be published in the City Record, for ten days continuously, Sundays and legal holidays excepted, prior to the 9th day of May, 1902.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

The Board of Education reserves the right to reject all bids or estimates if they deem it to be for the interest of the City so to do.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed with the title given above, of the supplies for which the bid or estimate is made, with his or their name or names and the date of presentation to the Superintendent of School Buildings, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the Superintendent and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of The Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications on file in the Department.

Bidders are requested to make their bids or estimates upon the blank form prepared by the Superintendent, a copy of which, with the proper envelope in which to enclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor, at the office of the said Board. The plans and drawings may be seen and other information obtained at the office of the Superintendent, Estimating Room, Hall of the Board of Education, Park Avenue and Fifty-ninth Street, Borough of Manhattan.

CITY OF NEW YORK, April 23, 1902.

UNDER THE PROVISIONS OF CHAPTER 587, Laws of 1902, public notice is hereby given that, "Any tax heretofore, and before the first day of January, eighteen hundred and ninety-eight, levied for ward, city, school, village, town, county or state purposes, and all water rates or rents in arrears at the time of the passage of this act, in that part of The City of New York which heretofore and before the first day of January, eighteen hundred and ninety-eight, formed and

constituted the city of Long Island City, and the towns of Newtown, Flushing, Jamaica, and that part of the Town of Hempstead now within the boundaries of the said City of New York, in the County of Queens, and in any incorporated village or school district therein, may be paid and discharged of record at any time before the thirty-first day of December, nineteen hundred and two, with interest thereon at the rate of two (2) per centum per annum."

Also that "Any lot, piece or parcel of land within the boundaries of that part of The City of New York constituting the city of Long Island City, and the towns of Newtown, Flushing, Jamaica, and that part of the Town of Hempstead now within the boundaries of the said City of New York, in the County of Queens, or of any incorporated village or school district therein, prior to the first day of January, eighteen hundred and ninety-eight, which has been heretofore sold for unpaid taxes, water rates or rents, for ward, city, village, school, town, county or state purposes, where the same was bid in in the name of said Long Island City, Town of Newtown, Town of Flushing, Town of Jamaica, or Town of Hempstead, or any incorporated village therein, and where the certificate of sale has not been assigned at the date of the passage of this act, may be redeemed from such sale or sales on or before the thirty-first (31st) day of December, nineteen hundred and two, by the payment of the face of the tax or taxes or water rates or rents for which the same was sold, with interest at the rate of two (2) per centum per annum, and such taxes or water rates or rents shall thereby be satisfied and discharged of record; provided such payment be made on or before the date last aforesaid."

On and after Wednesday, April 23, 1902, payments may be made under the provisions of this act, to the undersigned at his office, in the Borough of Queens, Hackett Building, corner of Jackson Avenue and Fifth Street, First Ward, (formerly Long Island City), between the hours of 9 a. m. and 2 p. m.; Saturdays, 9 to 12 m.

NOTICE TO PROPERTY OWNERS.

IN PURSUANCE OF SECTION 1018 OF THE Greater New York Charter, the Comptroller of The City of New York hereby gives public notice to all persons, owners of property, affected by the following assessment for LOCAL IMPROVEMENTS in the BOROUGH OF THE BRONX:

TWENTY-THIRD WARD, SECTION 6.
ONE HUNDRED AND SIXTY-FIFTH STREET—REGULATING, PAVING AND CURBING. from Third Avenue to Park Avenue, East. Area of assessment: Both sides of East One Hundred and Sixty-fifth street, between Third Avenue and Park Avenue, East, and to the extent of one-half the blocks on the intersecting and terminating avenues—that the same was confirmed by the Board of Assessors on April 24, 1902, and entered on April 25, 1902, in the Record of Titles of Assessments, kept in the Bureau for the Collection of Assessments, and Arrears of Taxes and Assessments and of Water Rents, and unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of the assessment, interest will be collected thereon, as provided in section 1010 of said Greater New York Charter. Said section provides that "If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof on the said Record of Titles of Assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment to charge, collect and receive interest thereon at the rate of seven per centum per annum, to be calculated to the date of payment from the date when such assessment became a lien as provided by section one hundred and fifty-nine of this act."

Section 159 of this act provides "An assessment shall become a lien upon the real estate affected thereby ten days after its entry in the said record."

The above assessment is payable to the Collector of Assessments and Arrears at the Bureau for the Collection of Assessments, and Arrears of Taxes and Assessments and of Water Rents, in the Municipal Building, corner of One Hundred and Seventy-seventh street and Third Avenue, Borough of The Bronx, between the hours of 9 a. m. and 2 p. m., and on Saturdays from 9 a. m. to 12 m., and all payments made thereon on or before June 24, 1902, will be exempt from interest, as above provided, and after that date will be subject to a charge of interest at the rate of seven per centum per annum from the date when above assessment became a lien to the date of payment.

EDWARD M. GROUT, Comptroller.
CITY OF NEW YORK—DEPARTMENT OF FINANCE.
COMPTROLLER'S OFFICE, April 25, 1902. a26-m9

NOTICE OF ASSESSMENTS FOR OPENING STREETS AND PARKS.

IN PURSUANCE OF SECTION 1005 OF THE "Greater New York Charter," the Comptroller of The City of New York hereby gives public notice of the confirmation by the Supreme Court, and the entering in the Bureau for the Collection of Assessments and Arrears, of the assessment for OPENING AND ACQUIRING TITLE to the following-named street in the BOROUGH OF THE BRONX:

TWENTY-FOURTH WARD, SECTION 11.
EAST ONE HUNDRED AND SEVENTY-FIFTH STREET, OPENING. from Third Avenue to Boston Road. Confirmed April 16, 1902; entered April 23, 1902. Area of assessment includes all those lands, tenements, and hereditaments and premises situate, lying and being in the Borough of The Bronx, in The City of New York, which, taken together, are bounded and described as follows: Beginning at a point formed by the intersection of a line drawn parallel to the southerly side of East One Hundred and Seventy-fifth street and distant 100 feet southerly therefrom with the easterly side of Park Avenue (formerly Vanderbilt Avenue, East); running thence northerly along said easterly side of Park Avenue (formerly Vanderbilt Avenue, East) to its intersection with a line drawn parallel to the northerly side of East One Hundred and Seventy-fifth street and distant 100 feet northerly therefrom; thence easterly along said parallel line to the middle line of the block between Bathgate Avenue and Third Avenue; thence northerly along said middle line of the block to its intersection with a line drawn parallel to the northerly side of East One Hundred and Seventy-sixth street and distant 100 feet northerly therefrom; thence easterly along said parallel line to the westerly side of Third Avenue; thence easterly to the intersection of the easterly side of Arthur Avenue with a line drawn parallel to the northerly side of East One Hundred and Seventy-sixth street and distant 100 feet northerly therefrom; thence westerly to the intersection of the southerly side of Crotona Park, East, with the westerly side of the Southern Boulevard; thence northerly along said westerly side of the Southern Boulevard to

the northerly side of Crotona Park, East; thence westerly along said northerly side of Crotona Park, East, and its continuation westwardly to its junction with a line drawn parallel to the southerly side of Crotona Park, North, and distant 100 feet southerly therefrom; thence westerly by said parallel line to its intersection with the easterly prolongation of the middle line of the block between East One Hundred and Seventy-fourth street and East One Hundred and Seventy-fifth street; thence westerly along said easterly prolongation and middle line of the block to the middle line of the block between Third Avenue and Bathgate Avenue; thence northerly along said middle line of the block to its intersection with a line drawn parallel to the southerly side of East One Hundred and Seventy-fifth street and distant 100 feet southerly therefrom; thence westerly along said parallel line to the point or place of beginning.

The above-entitled assessment was entered on the date herein above given in the Record of Titles of Assessments, kept in the "Bureau for the Collection of Assessments and Arrears, of Taxes and Assessments and of Water Rents." Unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of the assessment interest will be collected thereon, as provided in section 1006 of the "Greater New York Charter."

Said section provides that "If any such assessment shall remain unpaid for the period of sixty

days after the date of entry thereof in the said Record of Titles of Assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment to charge, collect and receive interest thereon at the rate of seven per centum per annum, to be calculated to the date of payment from the date when such assessment became a lien as provided by section one hundred and fifty-nine of this act."

Section 159 of this act provides "An assessment shall become a lien upon the real estate affected thereby ten days after its entry in the said record."

The above assessment is payable to the Collector of Assessments and Arrears, at the Bureau for the Collection of Assessments and Arrears, of Taxes and Assessments and of Water Rents, in the Municipal Building, corner of One Hundred and Seventy-seventh street and Third Avenue, Borough of The Bronx, between the hours of 9 a. m. and 2 p. m., and on Saturdays from 9 a. m. to 12 m., and all payments made thereon on or before June 23, 1902, will be exempt from interest, as above provided, and after that date will be subject to a charge of interest at the rate of seven per centum per annum from the date when above assessment became a lien to the date of payment.

CONDITIONS OF SALE.

As provided for by The Greater New York Charter.

1. Proposals containing conditions other than those herein set forth will not be received or considered.

2. No proposal for stock shall be accepted for less than the par value of the same.

3. Every bidder, as a condition precedent to the reception or consideration of his proposal, shall deposit with the Comptroller in money, or by a certified check drawn to the order of said Comptroller upon one of the State or National Banks of The City of New York, two per cent. of the par value of the stock bid for in said proposal.

No proposal will be received or considered which is not accompanied by such deposit.

All such deposits shall be returned by the Comptroller to the persons making the same within three days after the decision has been rendered as to who is or are the highest bidder or bidders, except the deposit made by the highest bidder or bidders.

4. If said highest bidder or bidders shall refuse or neglect, within five days after service of written notice of the award to him or them, to pay to the City Chamberlain the amount of the stock awarded to him or them, at its par value, together with the premium thereon, less the amount deposited by him or them, the amount or amounts of deposit thus made shall be forfeited to and retained by said City as liquidated damages for such neglect or refusal, and shall thereafter be paid into the Sinking Fund of The City of New York for the Redemption of the City Debt.

5. Upon the payment into the City Treasury of the amounts due by the persons whose bids are accepted, respectively, certificates thereof shall be issued to them as authorized by law, and in such denominations as they may desire.

6. It is required by the Charter of the City that "every bidder may be required to accept a portion of the whole amount of stock bid for by him at the same rate or proportional price as may be specified in his bid; and any bid which conflicts with this condition shall be rejected." Under this provision the condition that the bidder will accept only the whole amount of stock bid for by him and not any part thereof, cannot be inserted in any bid.

7. It is also provided by the Charter that these bonds, being registered, may be issued in denominations of ten dollars or any multiple thereof; and that "preference shall, so far as practicable, and without pecuniary disadvantage to the City, be given to applicants for the smallest amounts and smallest denominations of said bonds in issuing the same."

8. The proposals, together with the security deposits, should be inclosed in a sealed envelope, indorsed "Proposals for Bonds of The City of New York," and said envelope inclosed in another sealed envelope, addressed to the Comptroller of The City of New York.

The time for the completion of the work and the full performance of the contract is by or before sixty (60) days.

The amount of security required is fifteen hundred dollars (\$1,500).

The bids will be compared and the contract awarded at a lump or aggregate sum.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

The President reserves the right to reject all bids or estimates if he deems it to be for the interest of the city so to do.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed with the title given above, of the supplies for which the bid or estimate is made, with his or their name or names and the date of presentation to the President, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the President and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the corporation, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications on file in the office of the President.

Bidders are requested to make their bids or estimates upon the blank form prepared by the President, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor, at the office of the President. The plans and drawings may be seen and other information obtained at the office of the President, in the Bureau of Sewers, No. 55 Jackson avenue, Long Island City.

FOR FURNISHING AND DELIVERING 1,920 CUBIC YARDS OF BROKEN TRAP ROCK AND 1,975 CUBIC YARDS OF TRAP ROCK SCREENINGS.

The time for the delivery of the articles, materials and supplies and the performance of the contract is by or before July 1, 1902.

The amount of security required is one thousand five hundred dollars (\$1,500).

The bidder will state the price of each item or article contained in the specifications or schedules herein contained or hereto annexed, per pound, ton, dozen, gallon, yard or other unit of measure, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total for each item and awards made to the lowest bidder on each item.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

The President reserves the right to reject all bids or estimates if he deem it to be for the interest of the city so to do.

Delivery will be required to be made at the time and in the manner and in such quantities as may be directed by the President.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed with the title given above, of the supplies for which the bid or estimate is made, with his or their name or names and the date of presentation to the President, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the President and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a Bureau, deputy thereof, or clerk therein, or other officer of the corporation, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of The Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications on file in the office of the President.

Bidders are requested to make their bids or estimates upon the blank form prepared by the President, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor, at the office of the said President. The plans and drawings may be seen and other information obtained at the office of the Assistant Commissioner of Public Works of the Borough of Brooklyn, Room 15, Municipal Building, Borough of Brooklyn.

BOROUGH OF THE BRONX.

OFFICE OF THE PRESIDENT OF THE BOROUGH OF THE BRONX, MUNICIPAL BUILDING, CORNER 3D AVENUE AND 177TH STREET, CROTONA PARK, 3D 19, 1902.

NOTICE OF SALE AT PUBLIC AUCTION.
On Friday, May 2, 1902, at 10 o'clock a. m., the President of the Borough of The Bronx will sell at public auction, by James McCauley, Auctioneer, the following buildings, parts of buildings, sheds, walls, fences, etc., standing within the lines of White Plains road, from Morris Park avenue to City line.

For further information apply at the office of the President of the Borough of The Bronx, Third Avenue and One Hundred and Seventy-seventh Street.

TERMS OF SALE.

The sale will begin with and in front of lot No. 66, and will continue in the order enumerated. Only those parts of any building or buildings, or fences, standing within the limits of the street as acquired by the City and shown on the maps will be sold.

The sale is on the condition that the buildings, fences, etc., sold, shall be removed by the purchasers within thirty days from the date of sale. For failure to do so, the purchasers' money may be forfeited and the President, at the expiration of that time, may enter and remove the buildings or structures, or cause a resale thereof. Purchasers will be held liable for any or all damage of any kind whatsoever by reason of the occupancy or removal of said buildings, etc.

Purchase money must be paid in bankable funds at the time and place of sale.

BOROUGH OF BROOKLYN.

FOR FURNISHING AND DELIVERING 2,500 CUBIC YARDS OF LOAM OR TOP SOIL ON THE BROOKLYN SPEEDWAY.

The time for the delivery of the articles, materials and supplies and the performance of the contract is 30 days.

The amount of security required is twelve hundred dollars.

The bidder will state the price per yard, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total and award made to the lowest bidder.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

The Board reserves the right to reject all bids or estimates if it deem it to be for the interest of the City so to do.

Delivery will be required to be made at the time and in the manner and in such quantities as may be directed by the Commissioners.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed with the title given above, of the supplies for which the bid or estimate is made, with his or their name or names and the date of presentation to the head of said Department, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the corporation, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of The Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications on file in the Department.

Bidders are requested to make their bids or estimates upon the blank form prepared by the Commissioner, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor, at the office of the said Board, and any further information can be obtained at the office of the Board or at the Litchfield Mansion, Prospect Park, Borough of Brooklyn.

DEPARTMENT OF DOCKS AND FERRIES, PIER "A" NORTH RIVER, FOOT OF BATTERY PLACE, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE RECEIVED BY THE COMMISSIONER OF DOCKS AT THE ABOVE OFFICE OF THE SAID DEPARTMENT UNTIL 2 O'CLOCK P. M., ON

MONDAY, MAY 5, 1902.

Borough of Manhattan.
FOR FURNISHING AND DELIVERING STEAM FITTINGS, WROUGHT IRON AND STEEL TOOLS, PIER IRON, OILS, PAINTS, LUMBER, FLAGS AND MISCELLANEOUS SUPPLIES.

The time for the delivery of the articles, materials and supplies and the performance of the contract is on or before the expiration of 180 calendar days.

The amount of security required is: For Class I, \$5,000; for Class II, \$3,120; for Class III, \$1,800; for Class IV, \$680; for Class V, \$80.

The bidder will state the price of each item or article contained in the specifications or schedules herein contained or hereto annexed, per pound, ton, dozen, gallon, yard or other unit of measure, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total for each class and awards made to the lowest bidder on each class.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

The Commissioner reserves the right to reject all bids or estimates if he deem it to be for the interest of the city so to do.

Delivery will be required to be made at the time and in the manner and in such quantities as may be directed by the Commissioner.

The person or persons making a bid or estimate shall furnish the same in a sealed envelope indorsed with the title given above, of the supplies for which the bid or estimate is made, with his or their name or names and the date of presentation to the head of said Department, at the said office, on or before the date and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the corporation is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications on file in the Department.

Bidders are requested to make their bids or estimates upon the blank form prepared by the

Commissioner, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor, at the office of the said Commissioner, and any further information can be obtained at the office of the Department.

In the matter of the application of The City of New York relative to acquiring title, wherever the same has not been heretofore acquired, to the lands and premises required for the purpose of opening and extending EAST ONE HUNDRED AND EIGHTY-SIXTH STREET (although not yet named by proper authority), from Third avenue to Park avenue, in the Twenty-fourth Ward, Borough of The Bronx, in The City of New York.

WE, THE UNDERSIGNED, COMMISSIONERS of Estimate and Assessment in the above-entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants, of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto do present their said objections in writing, duly verified, to us at our offices, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in The City of New York, on or before the 3d day of May, 1902, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 6th day of May, 1902, at 11 o'clock a. m.

Second—That the abstract of our said estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making our report, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said city, there to remain until the 13th day of May, 1902.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of The Bronx, in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point in the southeasterly line of Park avenue midway between East One Hundred and Eighty-sixth street and East One Hundred and Eighty-seventh street; running thence southeasterly along the middle line of the block between East One Hundred and Eighty-sixth street and East One Hundred and Eighty-seventh street and its southeasterly prolongation to its intersection with the easterly line of Third avenue; thence northerly along said southerly line of East One Hundred and Eighty-seventh street; thence southerly along said parallel line to its intersection with the northwesterly line of Bathgate avenue; thence southwesterly along said northwesterly line to its intersection with the easterly line of Third avenue; thence northwesterly in a straight line to a point of intersection of the southeasterly line of Washington avenue with the southeasterly prolongation of the middle line of the block between East One Hundred and Eighty-fifth street and East One Hundred and Eighty-sixth street; thence still northwesterly along said prolongation and middle line to the southeasterly line of Park avenue; thence northerly along said southeasterly line to the point or place of beginning, as such streets are shown upon the final maps and profiles of the Twenty-third and Twenty-fourth Wards of The City of New York, excepting from such area all streets, avenues and roads or portions thereof heretofore legally opened, as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That our report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III., to be held in the County Courthouse, in the Borough of Manhattan, in The City of New York, on the 10th day of June, 1902, at the opening of the court on that day.

Dated BOROUGH OF MANHATTAN, NEW YORK, March 1, 1902.

PATRICK A. McMANUS,
Chairman;
EDWIN T. GREAVES,
Commissioners.

FIRST DEPARTMENT.

In the matter of the application of The Mayor, Aldermen and Commonality of the City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments required for the purpose of opening EAST ONE HUNDRED AND EIGHTY-THIRD STREET (although not yet named by proper authority), from Arthur Avenue to Southern Boulevard, as the same has been heretofore laid out and designated as a first-class street or road, in the Twenty-fourth Ward of The City of New York.

WE, THE UNDERSIGNED, COMMISSIONERS of Estimate and Assessment in the above-entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants, of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections in writing, duly verified, to us at our office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in the City of New York, on or before the 10th day of May, 1902, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 14th day of May, 1902, at 3 o'clock p. m.

Second—That the abstract of our said estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making our report, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said city, there to remain until the 21st day of May, 1902.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of The Bronx, in The City of New York, which, taken together, are bounded and described as follows, viz:

Beginning at a point formed by the intersection of a line parallel to and distant 100 feet easterly from the easterly line of the Southern Boulevard with the southeasterly prolongation of a line parallel to and distant 100 feet southwesterly from the southeasterly line of Grote street; thence northwesterly along said prolongation and parallel line to its intersection with a line parallel to and distant 100 feet southeasterly from the southeasterly line of Crotona Avenue; thence southwesterly along last-mentioned parallel line to its intersection with a line parallel to and distant 100 feet southwesterly from the southeasterly line of Garden street; thence northwesterly along last-mentioned parallel line to its intersection with a line parallel to and distant 100 feet southeasterly from the southeasterly line of Grote street; thence southwesterly along last-mentioned parallel line to its intersection with the northeasterly line of East One Hundred and Eighty-second street; thence northwesterly along said parallel line and its northwesterly prolongation to its intersection with the southwesterly prolongation of the middle line of the block between Hoffman street and Arthur Avenue, as the same are between Belmont place and East One Hundred and Eighty-seventh street; thence northwesterly along said southwesterly prolongation and middle line to a point midway between Belmont place and East One Hundred and Eighty-seventh street; thence southeasterly in a straight line to the point of intersection of the southeasterly line of Crescent Avenue and the northwesterly prolongation of the middle line of the block between East One Hundred and Eighty-third street and East One Hundred and Eighty-seventh street, as the same lies between Beaumont Avenue and the Southern Boulevard; thence southeasterly along said northwesterly prolongation and middle line and its southeasterly prolongation to its intersection with a line parallel to and distant 100 feet easterly from the easterly line of the Southern Boulevard; thence southerly along said parallel line to the point or place of beginning, as such streets are shown upon the Final Maps and Profiles of the Twenty-third and Twenty-fourth Wards of The City of New York, excepting from such area all streets, avenues and roads, or portions thereof, heretofore legally opened, as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That our report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III., to be held in the County Courthouse, in the Borough of Manhattan, in the City of New York, on the 26th day of June, 1902, at the opening of the Court on that day.

FIRST DEPARTMENT.

In the matter of the application of The Mayor, Aldermen and Commonalty of the City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments, required for the purpose of opening EAST ONE HUNDRED AND SEVENTY-NINTH STREET (although not yet named by proper authority), from Third avenue to Bronx street, as the same has been heretofore laid out and designated as a first-class street or road, in the Twenty-fourth Ward of The City of New York.

WE, THE UNDERSIGNED, COMMISSIONERS of Estimate and Assessment in the above entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants, of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First.—That we have completed our estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections, in writing, duly verified, to us at our office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in The City of New York, on or before the 5th day of May, 1902, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 7th day of May, 1902, at 2 o'clock p. m.

Second.—That the abstract of our said estimate and assessment, together with our benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making our report, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said city, there to remain until the 15th day of May, 1902.

Third.—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of The Bronx, in The City of New York, which, taken together, are bounded and described as follows, viz:

Beginning at a point formed by the intersection of a line parallel to and distant 100 feet southwesterly from the southwesterly line of East One Hundred and Seventy-eighth street with the southeasterly line of Park avenue, East; running thence northeasterly along said line of Park avenue, East, to its intersection with a line parallel to and distant 100 feet northeasterly from the northeasterly line of East One Hundred and Eighty-eighth street; thence southeasterly along said parallel line to its intersection with the northwesterly line of the Bronx river; thence southwesterly along said line of the Bronx river to its intersection with a line parallel to and distant 100 feet southwesterly from the southwesterly line of East One Hundred and Seventy-seventh street; thence northwesterly along said parallel line to its intersection with the southwesterly prolongation of a line parallel to and distant 100 feet northwesterly from the northwesterly line of La Fontaine avenue; thence northeasterly along said southwesterly prolongation and parallel line to its intersection with a line parallel to and distant 100 feet southwesterly from the southwesterly line of East One Hundred and Seventy-eighth street; thence northwesterly along last-mentioned parallel line to the point or place of beginning, as such streets are shown upon the final maps and profiles of the Twenty-third and Twenty-fourth Wards of The City of New York, excepting from such area all streets, avenues and roads, or portions thereof, heretofore legally opened, as such area is shown upon our benefit maps deposited as aforesaid.

Fourth.—That our last partial and separate re-

port herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III, to be held in the County Court House, in the Borough of Manhattan, in The City of New York, on the 26th day of June, 1902, at the opening of the Court on that day.

Dated, Borough of Manhattan, New York, April 18, 1902.
