● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.'

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- · Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)

OFFICE OF MANAGEMENT AND BUDGET

■ NOTICE

THE CITY OF NEW YORK - OFFICE OF MANAGEMENT AND BUDGET COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM (C.D.) NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS AND PERSONS:

This document constitutes the Notice of Intent to Request Release of Funds for the projects identified below. These projects are funded in the Fortieth Community Development Year (Federal Fiscal Year 2014/CD 40/Calendar Year 2014). On October 15, 2014 the City will submit to HUD its Request for Release of Funds for these projects. In accordance with 24 CFR Part 58.35 of the HUD Environmental Review Procedures for Title I Community Development Block Grant Programs, the activities conducted under the programs listed below have been determined to be categorically excluded from the Environmental Assessment requirements of the National Environmental Policy Act. The programs identified below do not involve new construction or the expansion of a building's footprint. This notice is prepared on a programmatic basis. This notice is <u>not</u> related to the Community Development Block Grant - Disaster Recovery Program.

7A PROGRAM

CD funds are used by the Department of Housing Preservation and Development (HPD) to address hazardous conditions by correcting code violations and to provide systems renovations through 7A Financial Assistance packages to buildings under the management of a 7A administrator. CD 40 Allocation: \$1,388,000.

ALTERNATIVE ENFORCEMENT PROGRAM

The Alternative Enforcement Program is an additional HPD enforcement mechanism that is intended to alleviate the serious physical deterioration of the most distressed multiple dwellings in New York City by forcing the owner to make effective repairs or have city government do so in a more comprehensive fashion so that emergency conditions are alleviated and the underlying physical conditions related to the emergency housing code violations are addressed.

As described in the law, an owner will be notified by HPD that based upon criteria in the law, his or her multiple dwelling has been chosen for participation in the Alternative Enforcement Program. An owner will have four months to repair the violations, pay all outstanding HPD emergency repair charges and liens, submit a current and valid property registration statement and request an HPD re-inspection. If the owner fails to meet all of the requirements for discharge within the first four months, HPD will perform a building-wide inspection and issue an order outlining the action necessary to address the emergency conditions and the underlying causes of those conditions (to minimize re-occurrence of those conditions). HPD will prepare a scope of work that will address the conditions cited in the order. Should an owner fail to comply with the order, HPD will perform the work. CD 40 Allocation: \$8,563,000.

PROJECT OPEN HOUSE

Under Project Open House, CD funds are used to remove architectural barriers from the homes of low- and moderate-income New York City residents who have mobility impairments. The program is administered by the Mayor's Office for People With Disabilities. CD 40 Allocation: \$217,000.

LANDMARKS HISTORIC PRESERVATION GRANT PROGRAM

The Landmarks Historic Preservation Grant Program provides grants to homeowners and nonprofits that own or occupy a property that has been designated as a landmark, is located within a designated historic district or is listed in or is eligible to be listed in the National Register of Historic Places. Grants are awarded to homeowners and non-profits

for facade improvement. Additionally, nonprofits may be awarded grants for interior improvements provided the building has a designated interior. CD 40 Allocation: \$114,000.

BRONX RIVER PROJECT

The Bronx River Alliance, with the support of the New York City Department of Parks and Recreation, helps to restore, protect and manage the terrestrial and aquatic resources of the Bronx River corridor. In addition to monitoring, managing and improving river conditions, the Project's education component helps teachers and community educators to inform students and residents about the river and how to use it appropriately. River-wide recreational activities are also offered. CD funds are used to purchase education and outreach materials; office and restoration supplies and field equipment; maintenance of a website; and for ecological restoration personnel (riverbank stabilization, debris removal, invasive plant removal, & planting native trees and shrubs) and program consultants. CD 40 Allocation: \$190,000.

CODE VIOLATION REMOVAL IN SCHOOLS

The Department of Education will use CD funds to prevent or remove code violations in New York City schools. The activities may include the installation of emergency lighting, fire rated doors and hardware, fire alarm systems, fire suppression systems, fire extinguishers, flame proofing curtains, sprinkler/standpipe, potable water systems, sewage systems, kitchen ventilation/exhaust systems, heating/cooling/refrigeration systems; building elevator and sidewalk elevator upgrades; and the repair of damaged flooring, ceilings, electrical fixtures and wiring. CD 40 Allocation: \$4,500,000.

DFTA SENIOR CENTER IMPROVEMENTS

CD funds will be used for the renovation of the physical plant and the rectification of code violations in senior centers. Activities may include plumbing upgrade, installation of lighting and emergency lighting systems, security systems, air conditioning/heating/ventilation systems, kitchen fire extinguishing systems, hot water heaters, fire doors, and ramps, window upgrade/replacement, ceiling and roof rehabilitation, kitchen upgrade, bathroom renovation, re-wiring, floor replacement, handicapped access, and security and elevator improvements. PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in
