*This is a unique count of children in the facility during the quarter. If they entered the facility more than once, they are counted once.

**Age at the end of the quarter. The total may include a small number of children whose age was not recorded.

***Length of stay is days in facility as of the end of the quarter for children still in care and as of the exit data for those who exited during the quarter. Includes lengths of stay for children who entered facility more than once during the quarter.

Note: ACS no longer has Rapid Intervention Centers (RICs) in its continuum.

^The number of children in cells with one - five youth are not shown to protect anonymity.
