DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, January 18, 1895. }

Hon. WILLIAM L. STRONG, Mayor and Chairman Board of Estimate and Apportionment :

DEAR SIR—In accordance with the provisions of section 141 of the New York City Consolidation Act of 1882, the Board of Estimate and Apportionment is hereby respectfully requested to authorize and direct the Comptroller to make a further issue of bonds to the amount of \$250,000, the money heretofore provided in the same manner for the "Croton Water Fund" having been nearly exhausted in paying bills presented for work done, materials furnished and land purchased.

Very respectfully,

MAURICE F. HOLAHAN, Deputy and Acting Commissioner of Public Works.

Referred to the Comptroller.

The following communication was received :

DEPARTMENT OF STREET CLEANING—CITY OF NEW YORK,
NEW CRIMINAL COURT BUILDING,
CENTRE, WHITE, ELM AND FRANKLIN STREETS,
NEW YORK, January 28, 1895.

Hon. WILLIAM L. STRONG, Chairman Board of Estimate and Apportionment :

SIR—I have to request a transfer of \$18,000 from the appropriation of the Department of Street Cleaning for 1895, account of "Sweeping," to the appropriation account of "Snow and Ice," for the reason that the amount appropriated for "Snow and Ice" was not sufficient to cover the business of the year.

Respectfully,

GEO. E. WARING, JR., Commissioner of Street Cleaning.

Whereupon the Comptroller offered the following :

Resolved, That the sum of eighteen thousand dollars be and the same is hereby transferred from the appropriation made to the Department of Street Cleaning for 1895, entitled "Cleaning Streets—Department of Street Cleaning—Sweeping," the same being in excess of the amount required for the purposes and objects thereof, to the appropriation made to the same Department for 1895, entitled "Cleaning Streets—Department of Street Cleaning—Removal of Snow and Ice," the amount of said appropriation being insufficient.

Which was adopted by the following vote :

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments and Counsel to the Corporation—5.

The following communication was received :

DEPARTMENT OF PUBLIC WORKS,
NEW YORK, January 24, 1895.

Hon. WILLIAM L. STRONG, Mayor and Chairman Board of Estimate and Apportionment :

DEAR SIR—In September of last year this Department found that the appropriation of \$70,000, which was made in the Final Estimate for 1891, under the head of "Aqueduct—Repairs, Maintenance and Strengthening," for the special purpose of "Concreting and Facing with Masonry the Old Central Park Reservoir," was in sufficient to complete that work, owing to the fact that, as the work progressed, larger quantities of concreting and masonry were required than were provided for in the original estimate. It was then intended to request the Board of Estimate and Apportionment to transfer the sum of \$21,500 to that account from the appropriation for "Aqueduct—Repairs, Maintenance and Strengthening" for 1894.

Inasmuch as the sum set apart in 1891 for the improvement of the reservoir was only a subdivision of the appropriation for the maintenance of the aqueduct and its appurtenances, the proposed transfer was not a diversion from one appropriation to another, in the sense that both applied and apply to the purposes of the maintenance and improvement of the aqueduct system. In the meantime, however, a very urgent necessity arose for additional funds to continue the repairs of the Eighth avenue asphalt pavement, on which the contractor had defaulted in his obligation to keep the pavement in good condition for fifteen years, and all the moneys retained under the two contracts for the pavement, amounting to \$84,321, had already been expended for repairs. At the request of the Board of Estimate and Apportionment the available sum of \$21,500 was divided by asking that \$11,500 be transferred to the further improvement of the old Central Park Reservoir, and \$10,000 to repairs of the Eighth avenue asphalt pavement, and this transfer was subsequently made by the Board.

This leaves the special amounts set apart for the reservoir still insufficient, and I respectfully ask that the sum of \$7,483 be transferred from the appropriation for "Aqueduct—Repairs, Maintenance and Strengthening" for 1895, from which the said amount can be spared, to the special appropriation of 1891 for "Concreting and Facing with Masonry the Old Central Park Reservoir."

Under the appropriation of 1891 for "Laying Croton Pipes," a contract was made for furnishing and laying water-mains from Shaft No. 25 on the New Aqueduct to the High Service Pumping Station at High Bridge. After this work had progressed for a considerable time, with frequent delays in violation of the conditions of the contract, the Department had to declare the contract abandoned and for feited by the original contractor and had to readvertise and relet the work. From report made to me by the Chief Engineer of the Croton Aqueduct, I now find that the balance in the appropriation of 1891 for "Laying Croton Pipes" was insufficient to cover the completion of the work under the new contract, the deficiency amounting to \$4,000. This is also a work which forms an integral part of the system for distributing the City's water supply, for which the appropriations for "Laying Croton Pipes" are made each year.

I, therefore, respectfully ask that the sum of \$4,000 be transferred from the appropriation for "Laying Croton Pipes" for 1895, from which it can be spared, to the same appropriation for 1891, to cover this deficiency.

Very respectfully,

MICHAEL T. DALY, Commissioner of Public Works.

Referred to the Comptroller.

The Comptroller presented the following :

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
January, 1895.

To the Board of Estimate and Apportionment :

At a meeting of the Board of Park Avenue Improvement held January 24, 1895, a resolution was adopted calling for the further issue of bonds to the amount of four hundred and fifty thousand dollars (\$450,000). In view of the fact that the vouchers on hand awaiting payment do not indicate that the full amount called for will be necessary in the immediate future, I submit the following resolution, authorizing the issue of Assessment Bonds to the amount of two hundred and fifty thousand dollars (\$250,000), for the purposes of meeting the City's obligations in respect to the said improvement.

Respectfully,

ASHBEL P. FITCH, Comptroller.

NEW YORK, January 19, 1895.

Park Avenue Improvement above One Hundred and Sixth Street.

Hon. ASHBEL P. FITCH, Comptroller of the City of New York :

DEAR SIR—I am reminded by Colonel Walter Katte, a member of the Park Avenue Improvement above One Hundred and Sixth street, and the Superintendent Engineer, that he understands that the Board of Estimate and Apportionment has heretofore authorized only \$350,000 toward the payment of the shares of the City for the cost of the Park Avenue Improvement, that to date \$250,000 has been drawn for by the railroad company upon the City, and that within a very short time the expenditure of the railroad company will be more than \$200,000, so that, as Colonel Katte understands, the Comptroller of the City will be without funds to meet further calls upon the City unless the Board of Estimate and Apportionment in time takes appropriate action.

May I ask that attention be given to the matter.

I am, respectfully yours,

FRANK LOOMIS, General Counsel N. Y. C. & H. R. R. Co.

And offered the following :

Resolved, That, pursuant to the provisions of section 144 of the New York City Consolidation Act of 1882, and chapter 339 of the Laws of 1892, the Comptroller be and hereby is authorized to issue Assessment Bonds to the amount of two hundred and fifty thousand dollars (\$250,000), to be known as "Assessment Bonds for the Park Avenue Improvement above One Hundred and Sixth Street," at such rate of interest, not exceeding three per cent. per annum, payable semi-annually, and for such period, not exceeding five years, as the Comptroller may determine ; and

Resolved, That the Commissioners of the Sinking Fund be requested to exempt the said stock from taxation by the City and County of New York, pursuant to an ordinance of the Common Council, approved by the Mayor, October 2, 1880, and the provisions of section 137 of the New York City Consolidation Act of 1882.

Which was adopted by the following vote :

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation—5.

The Comptroller presented the following :

GENTLEMEN—At a meeting of the Board of Parks, held on the 11th instant, the following resolution was adopted :

"Resolved, That the Board of Estimate and Apportionment be and hereby is respectfully requested to transfer the sum of two hundred and ninety-seven dollars and seventy-two cents from the unexpended balances of the following appropriations for the year 1894 :

	<u>\$297 72</u>

—to the appropriation for the Aquarium for the same year, which is insufficient."

Very respectfully,

GEORGE E. CHAMBERS, President, D. P. P.

And offered the following :

Resolved, That the sum of two hundred and ninety-seven dollars and seventy-two cents (\$297.72), be and the same is hereby transferred from the following appropriations made to the Park Department for the year 1894, and as follows :

Salaries.....	\$215 25
Harlem River Bridge.....	62 47

	<u>\$297 72</u>

—the same being in excess of the amounts required for the purposes and objects thereof, to the appropriation made to the said Department for 1894, entitled, "Aquarium—For Keeping, Preservation, and Exhibition of the Collection in the Aquarium at Castle Garden," the amount of said appropriation being insufficient.

Which was adopted by the following vote :

The Comptroller presented the following :

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
January 21, 1895.

To the Board of Estimate and Apportionment :

I submit herewith five vouchers of the Commissioners of Appraisal appointed pursuant to chapter 249 of the Laws of 1890, amounting in the aggregate to nine thousand and seventy-three dollars and forty-five cents (\$9,073.45). Section 2 of this act, which relates to the acquisition and improvement of lands in connection with the Washington Bridge, provides that the proceedings of the said commission shall be such "as provided for the acquisition of real estate by chapter 490 of the Laws of 1883, and with like effect, and all payments for the real estate so acquired and for the charges and expenses of acquiring the same, shall be made in the manner in which such payments are to be made and out of moneys therefor to be raised as provided in the last mentioned act."

In view of the fact that a literal interpretation of the above quoted language might seem to call for the issue of "Additional Water Stock," I addressed a communication to the Counsel to the Corporation under date of December 27, 1894, requesting to be advised as to the character of the bonds to be issued pursuant to the provisions of chapter 249 of the Laws of 1890.

A copy of his opinion is herewith submitted, and the following resolution, drawn in accordance therewith, is offered, for such action as this Board may deem proper.

Respectfully,

ASHBEL P. FITCH, Comptroller.

LAW DEPARTMENT—OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, December 31, 1894.

Hon. ASHBEL P. FITCH, Comptroller :

SIR—I have received your letter of 27th instant, in relation to the voucher calling for payment of \$2,173.45 for stenographic work and services in favor of Edward C. Manners, such services having been rendered to the Commissioners of Appraisal appointed pursuant to chapter 249 of the Laws of 1890.

Chapter 249 of the Laws of 1890 provides for the acquisition and improvement of the lands in connection with the Washington Bridge ; in section 2 of said act it is enacted as follows :

"Such proceeding shall be had upon the said application except that the same shall be in the First Judicial District as are provided for the acquisition of real estate by chapter 490 of the Laws of 1883, and with like effect, and all payments for the real estate so acquired, and for the charges and expenses of acquiring the same, shall be made in the manner in which such payments are to be made and out of moneys therefor to be raised as provided in the last mentioned act."

Chapter 490 of the Laws of 1883, is the act providing for the construction of the New Aqueduct ; in section 34 of said act, it is provided "that bonds shall be issued called the additional water stock of the City of New York, to bear interest at a rate not exceeding five per cent. per annum, and redeemable in not less than ten nor more than fifty years, as the Comptroller shall determine."

It is further provided that the Mayor and Comptroller of the City shall sign the bonds, and the Clerk of the Common Council shall countersign the same and affix the seal of the City ; that such bonds shall not be disposed of at less than the par value thereof, and may be issued free from city and county taxation if the Commissioners of the Sinking Fund so determine, and in that case they shall bear interest at a rate not exceeding four and one-half per cent. per annum.

I am of the opinion :

1. That the expenses of the Commissioners of Appraisal, including the stenographer's bills in question, should be paid from the proceeds of bonds issued pursuant to section 2 of chapter 249 of the Laws of 1890.

2. That the issue and selling of such bonds is to be conducted in the manner provided by section 34 of chapter 490 of the Laws of 1883, under which the additional water stock is issued.

I remain, yours respectfully,

WILLIAM H. CLARK, Counsel to the Corporation.

Resolved, That, pursuant to chapter 249, of the Laws of 1890, the Board of Estimate and Apportionment hereby approves of the issue of bonds, in the name of the Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to the amount of nine thousand and seventy-three dollars and forty-five cents (\$9,073.45), and the Comptroller be hereby authorized and directed to issue the same for such period as he may determine, to be for the best interests of the City, but not less than ten years nor more than fifty years, bearing interest at a rate not exceeding three per centum per annum, the proceeds of which stock shall be applied in payment of the following expenses of the Commissioners of Appraisal appointed pursuant to said chapter 249 of the Laws of 1890 :

Edward C. Manners, services as Stenographer to Commission.....	\$2,173 45
Edward C. Manners, services in preparation of Report of Commission.....	50 00
Edmund H. Martine, services as Commissioner of Appraisal.....	2,650 00

The Comptroller presented the following:

(In Common Council.)

Resolved, That the positions of Stenographer and Typewriter, and that of Third Messenger in the office of the Clerk of the Common Council, be and the same are hereby abolished, and that the Clerk be and he is hereby authorized to appoint a Special Assistant Clerk at a salary of two thousand one hundred dollars per annum, the same to be paid out of the appropriation for Clerks, etc.—Board of Aldermen; and be it further

Adopted by the Board of Aldermen January 15, 1895, a majority of all the members elected voting in favor thereof.

WILLIAM H. TEN EYCK, Clerk of the Common Council.

And offered the following:

To the Board of Estimate and Apportionment:

Chapter 548, of the Laws of 1892, relating to the widening of Riverside avenue, between One Hundred and Twenty-seventh street and Claremont place, provides that the expense incurred for that improvement shall be paid for by the City of New York out of the proceeds of the sale of Revenue Bonds.

The Report of the Commissioners of Appraisal, which was confirmed by the Supreme Court July 2, 1894, awarded to the owners of property condemned the sum of thirty-eight thousand eight hundred and fifty-five dollars, (\$38,855), in addition to which, costs, charges and expenses were taxed at the sum of one thousand and four dollars and sixty-five cents, (\$1,004.65), making a total of thirty-nine thousand eight hundred and fifty-nine dollars and sixty-five cents (\$39,859.65) to be paid by the City as the cost of this improvement.

I present herewith a communication from the Counsel to the Corporation, informing me that upon appeal to the General Term of the Supreme Court, the aforesaid order was affirmed, and that it is proper to proceed to pay the awards made by the said Commissioners to the several claimants. I accordingly offer for adoption the following resolution.

Respectfully,

ASHBEL P. FITCH, Comptroller.

LAW DEPARTMENT,
NEW YORK, January 15, 1895.

In the Matter

The Application of the Commissioner of Public Works of the City of New York for and on behalf of the Mayor, Aldermen and Commonalty of the City of New York, relative to acquiring title to lands required for the widening of Riverside Avenue, between One Hundred and Twenty-seventh Street and Claremont Place in the Twelfth Ward in the City of New York, pursuant to chapter 548 of the Laws of 1892.

Hon. ASHBEL P. FITCH, Comptroller of the City of New York:

SIR—I beg to inform you that upon appeal to the General Term of the Supreme Court from the order of the Special Term of the said Court confirming the report of the Commissioners of Estimate and Assessment in the above entitled proceeding, the said order of the Special Term was affirmed by an order of the General Term entered in the office of the Clerk of the City and County of New York on the 21st day of December, 1894. You are therefore advised by me that you may proceed to pay the awards made by the said Commissioners to the various claimants herein.

Respectfully yours,

(Signed) WM. H. CLARK, Counsel to the Corporation.

Resolved, That, pursuant to the provisions of chapter 548 of the Laws of 1892, the Comptroller be and is hereby authorized to issue Revenue Bonds of the Mayor, Aldermen and Commonalty of the City of New York, to an amount not exceeding thirty-nine thousand eight hundred and fifty-nine dollars and sixty-five cents (\$39,859.65), the proceeds of which bonds shall be applied to the payment of the awards made by the Commissioners of Appraisal in the matter of the application of the Commissioners of the Department of Public Parks relative to acquiring title to land required for the widening of Riverside avenue, between One Hundred and Twenty-seventh street and Claremont place, in the Twelfth Ward of the City of New York, amounting to thirty-eight thousand eight hundred and fifty-five dollars (\$38,855), and the costs, charges and expenses of said proceeding, amounting to one thousand and four dollars and sixty-five cents (\$1,004.65), the amount required to pay the principal and interest of such bonds to be included in the Final Estimate for the year 1896.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation—5.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
January 16, 1895.

To the Board of Estimate and Apportionment:

At a meeting of this Board, held December 27, 1894, four vouchers of the Commissioners of Appraisal appointed pursuant to chapter 114 of the Laws of 1892, were presented calling for the payment of \$2,829.02. A resolution was adopted authorizing the Comptroller to provide for the payment of these expenses by the issue of Assessment Bonds, but by a transposition of figures the amount of said bonds authorized to be issued appears in the printed minutes as \$2,892.02 instead of \$2,829.02.

While I might with propriety, under the authority of said resolution, issue bonds to the smaller amount to provide for the payment of these expenses, I deem it advisable that the amount authorized by the Board of Estimate and Apportionment should correspond with the amount properly due and I therefore offer the following resolution to amend the said resolution of December 27, 1894.

Respectfully,

ASHBEL P. FITCH, Comptroller.

Resolved, That resolution adopted by the Board of Estimate and Apportionment on December 27, 1894, in relation to four vouchers of the Commissioners of Appraisal appointed by the Supreme Court, pursuant to the provisions of chapter 114 of the Laws of 1892, relative to the Fort Washington Ridge road, be amended so as to read as follows:

Resolved, That, in pursuance of chapter 114 of the Laws of 1892, the Comptroller be and he is hereby authorized and directed to issue Assessments Bonds of the Mayor, Aldermen and Commonalty of the City of New York, at such rate of interest as he may determine, not exceeding three per cent. per annum, payable on or after November 1, 1896, for the sum of two thousand eight hundred and twenty-nine dollars and two cents (\$2,829.02), to be applied to the payment of the following bills, to wit:

Michael J. Mulqueen, eighty-eight days' services as Commissioner of Appraisal.....	\$880 00
J. Romaine Brown, fifty-one days' services as Commissioner of Appraisal.....	510 00
Walter Stanton, eighty-one days' services as Commissioner of Appraisal.....	810 00

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation—5.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,

To the Board of Estimate and Apportionment:

At a meeting of the Board of Estimate and Apportionment held September 8, 1893, an appropriation of four thousand one hundred and eighty-six dollars and thirty-five cents (\$4,186.35), was made to the Health Department, pursuant to the provisions of the so-called Emergency Act (chap-

ter 535, Laws of 1893), for laying rock asphalt driveways and artificial stone sidewalks for the New Reception Hospital and boiler-house at the foot of East Sixteenth street, including the fees of the architect, as specified in the resolution relating thereto, adopted by the Board of Health August 22, 1893.

Vouchers for liabilities incurred under this appropriation are now awaiting payment, and I therefore offer the following resolution to authorize the issue of revenue bonds to the amount of four thousand one hundred and eighty-six dollars and thirty-five cents (\$4,186.35), pursuant to the provisions of said act.

The following communication was received:

THE BARNEY DUMPING BOAT COMPANY, OF NEW JERSEY,
NEW YORK OFFICE—No. 319 BROADWAY,
NEW YORK, January 28, 1895.

Hon. GEORGE E. WARING, Jr., Commissioner Department of Street Cleaning:

DEAR SIR—We beg to notify you that we have not received any money from the City for the use of our boats that have been in the service of your Department since November 15, 1894.

It cost us considerable money to keep our plant in working condition, and pay the expenses of running the plant for the convenience of the City.

We have now reached the point where we are entirely out of money, and unless the City pays our bills within two or three days, we shall withdraw our boats from service until we can get a settlement. The aggregate amount due us from the City including to-day is nearly \$30,000, and we consider this action of the City in holding back money due us is justification enough to warrant us in taking such action.

An early reply from you will oblige,

Yours, truly,

ALFRED W. BOOTH, President.

Whereupon the Comptroller moved that it is the sense of this Board that the Comptroller be authorized to pay to the Barney Dumping Boat Company, the sum of twenty thousand dollars (\$20,000) on account of its bill, leaving the disposition of the question of the rate to be charged by the company until the Committee, to whom was referred the consideration of the subject on July 13, 1894, has presented its report in regard to the matter.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation—5.

On motion, the Board adjourned to meet on Friday, February 1, 1895, at eleven o'clock A. M.
E. P. BARKER, Secretary.

Bids for the entire work, only will be received. Each bid will give two prices for the entire work, viz.: One for the building with sheet metal main cornice, and one for the building with terra cotta main cornice, as described in the specifications.

SEALED ESTIMATES FOR THE ABOVE WORK, indorsed with the above title, also with the name of the person or persons making the same, and the date of presentation will be received at the office of the Comptroller, Rooms Nos. 14 and 15, Finance Department, Stewart Building, No. 280 Broadway, in the City of New York, until 12 o'clock, M., Monday, February 25, 1895, at which place and hour the bids will be publicly opened by and in presence of the Commissioners of the Sinking Fund and read, and the award of the contract, if awarded, will be made to the lowest bidder, with adequate security, as soon thereafter as practicable. The person or persons to whom the contract may be awarded will be required to attend at the office of the Department of Public Works, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and in default to the Corporation; and thereupon the work shall be re-advertised and relet, and so on until the contract be accepted and executed. The work to commence at such time as the Commissioner of Public Works may designate.

N. B.—Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any bid or estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also, that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be determined by the Comptroller after the award is made and prior to the signing of the contract.

For the nature and extent of the work to be done, bidders are referred to the plans and specifications. The plans may be seen at the office of the Architect, Mr. George B. Post, No. 33 East Seventeenth street, New York City.

The entire work to be completed within ONE HUNDRED AND FIFTY DAYS after the notice to commence work has been given by the Commissioner of Public Works.

The damages to be paid by the contractor or contractors for each day that the contract or contracts may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at FIFTY DOLLARS per day.

Bidders will state in writing and also in figures, a price for the whole work complete, which price is to cover the furnishing of all necessary materials and labor and the performance of all the work set forth in the plans and specifications and form of agreement. No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The amount of security required is FORTY-FIVE THOUSAND DOLLARS. Blank forms of estimates, and further information, if desired, also the form of agreement, including the specifications for the work, can be obtained at the office of the Comptroller, No. 280 Broadway, New York, February 8, 1895.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in

the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

No. 1. FOR FURNISHING AND DELIVERING TO THE DEPARTMENT OF PUBLIC WORKS ABOUT TWENTY-FIVE HUNDRED (2,500) CUBIC YARDS OF GRAVEL; ALSO ABOUT TWENTY-FIVE HUNDRED (2,500) CUBIC YARDS OF GRAVEL SCREENINGS, SUITABLE FOR ROAD SURFACING.

No. 2. FOR FURNISHING AND DELIVERING TO THE DEPARTMENT OF PUBLIC WORKS ABOUT FIFTEEN HUNDRED (1,500) CUBIC YARDS OF BROKEN STONE OF TRAP ROCK; ALSO ABOUT ONE THOUSAND (1,000) CUBIC YARDS OF SCREENINGS OF TRAP ROCK.

No. 3. FOR FURNISHING AND DELIVERING ICE IN THE DEPARTMENT OF PUBLIC WORKS AND OFFICES IN CARE OF SAID DEPARTMENT, FOR THE YEAR ENDING DECEMBER 31, 1895.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Rooms 12 and 15, No. 31 Chambers street.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grant can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,
Commissioner of Public Works.
