Calendar Item 1 — Industry City (160146 MMK, 190296 ZMK, 190298 ZRK, 190297 ZSK)

An application submitted by 1-10 Bush Terminal Owner L.P. and 19-20 Bush Terminal Owner L.P., pursuant to Sections 197-c and 201 of the New York City Charter for the following land use actions:

1. A change to the City Map to demap 40th Street between First and Second avenues
2. A zoning map amendment to replace an M3-1 district and establish an M2-4 district:
 - a. Between Second and Third avenues, generally between 32nd and 37th streets
 - b. Generally between 500 feet west of First and Second avenues, between 39th and 41st streets
 - c. A Special Industry City District (IC) within the boundaries of each area
3. A zoning text amendment to establish the IC within the New York City Zoning Resolution (ZR) as Section 129-21 establishing a special permit to enable modification of specific sections stipulating uses permitted as-of-right, specifying performance standards, and regulations governing floor area, height and setback, and yards
4. The grant of a special permit, pursuant to ZR Section 129-21 for a proposed commercial development planned as a unit and comprising an area of, at least 1.5 acres, on the properties to be rezoned

The total affected area would include 12 lots comprising part of Industry City, together with seven lots intended to be acquired by the applicant, and three lots that are expected to remain in separate ownership. Such actions would facilitate the envisioned redevelopment of over 5,000,000 square feet (sq. ft.) of Industry City as a mixed-use project with commercial, community facility, and manufacturing uses and tenants. The project is envisioned to further facilitate ongoing expansion, renovation, and re-tenanting of existing properties, as well as the construction of new buildings. These applications might result in the realization of 3.75 million gross sq. ft. (gsf) of innovation economy

uses, including approximately 1,874,000 gsf of manufacturing use, 937,000 gsf of artisanal and art/design studios, and approximately 937,000 gsf of office space. In addition, the applications provide for approximately 628,000 gsf of academic uses, 287,000 gsf of hotel floor area, 900,000 gsf of retail and restaurant uses, including a supermarket, a 75,000 gsf training facility for the Brooklyn Nets, as well as 43,000 gsf of event space. "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)
Department of Health and Mental Hygiene (DOHMH)
Department of Homeless Services (DHS)
Department of Probation (DOP)
Department of Small Business Services (SBS)
Department of Youth and Community Development (DYCD)
Housing and Preservation Department (HPD)
Human Resources Administration (HRA)

■ NOTICE

Department of Social Services/Human Resources Administration

Notice of Adoption of Amendment to Title 68 of the Rules of the City of New York to Add a New Chapter 12 Regarding the Fair Fares NYC Program

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Commissioner of the New York City Department of Social Services / Human Resources Administration ("DSS/HRA") in accordance with the requirements of Section 1043 of the New York City Charter, that DHS has adopted the final rule referenced above.

A proposed rule was published in the City Record on November 8, 2019 and a public hearing was held on December 10, 2019. The rule takes effect on January 27, 2020.

Statement of Basis and Purpose of Rule

The Fair Fares NYC Program helps New York City residents with low incomes manage their transportation costs by providing them with a 50% discount on subway and eligible bus fares. The first phases of Fair Fares NYC have already been launched for certain eligible New Yorkers receiving Cash Assistance and Supplemental Nutrition Assistance Program (SNAP) benefits and certain CUNY students, student veterans, and NYCHA residents who meet the program's eligibility criteria. In accordance with Section 603 of the City Charter and Article VII of the New York State Constitution, DSS/HRA now adds Chapter 12 to Title 68 of the Rules of the City of New York to fully implement the program and make it available to all eligible New Yorkers who are at or below the Federal Poverty Level who do not already have discounted transportation from the MTA or the City or another duplicative transportation benefit.

The need for the City of New York to provide a Fair Fares NYC MetroCard is significant. To date, nearly 100,000 New Yorkers have enrolled in the Fair Fares NYC program.

This rule establishes requirements and rules of the Fair Fares NYC Program.

Specifically, the rule:

- Sets forth definitions relevant to the administration of the Fair Fares NYC Program.
- Sets forth eligibility requirements for Fair Fares NYC.
- Sets forth rules for using the Fair Fares MetroCard.
- Sets forth the administrative review process.
- Establish confidentiality protections that safeguard information concerning applicants and participants.

New material is underlined.

Text of Rule

Title 68 of the Rules of the City of New York is amended by adding a new Chapter 12 to read as follows (new material is underlined):

§ 12-04 Enrollment Period, Ongoing Eligibility and Re-Enrollments.

(a) Subject to the availability of funding, subdivision (b) of this section and section 12-05 of this chapter, an individual will be enrolled in the Program for one year from the date of application approval, provided they continue to meet the requirements set forth in section 12-03(a)(3).

(b) If the Program determines that a participant no longer meets the requirements of section 12-03(a)(3) of this chapter, or is no longer able to use the card due to a period of incarceration or other institutionalization of 30 days or more, the Program will provide a notice to the participant that will include the reason for the determination and the date their FFM will be deactivated.

(c) In order to re-enroll in the Program after their first or any subsequent year, or after having their card deactivated pursuant to subdivision (b) of this section, an individual must satisfy the same eligibility requirements as a new applicant.

§ 12-05 Penalties for Misuse or Abuse.

(a) The FFM can be used only by the participant to whom it is issued and only in accordance with the Fair Fares NYC Conditions of Use pursuant to DSS/HRA's Memorandum of Understanding with NYCT.

(b) A participant who misuses or abuses the FFM, or commits fraud on the program, including but not limited to giving the card to another person to use or deliberately providing misinformation to the Program, will be subject to the following penalties:

- (1) For the first offense, the participant will be suspended from the Program for 60 days. The individual will be allowed to reapply following the 60-day suspension and after signing

an attestation in a form to be established by the Program.

(2) For the second offense, the participant will be permanently disqualified from the Program.

(c) The Program will provide notice to the individual of the penalty imposed and information on how to seek administrative review pursuant to section 12-06 of this chapter.

§ 12-06 Administrative Review Process.

(a) In the event an individual is found ineligible for a FFM under section 12-03 or 12-04 of this chapter, or is determined to have misused or abused the card or committed fraud on the program, they may request administrative review of the decision by submitting a review request, in a form and manner established by the Program, within 14 days of the date of the decision.

(b) The Program will review any documentation and/or information that the applicant or participant submits and issue written notice of the final determination within 30 days of the Program's receipt of such documentation or information.

§ 12-07 Confidentiality of Fair Fares NYC Eligibility Information.

DSS/HRA will treat information concerning current and former applicants and participants as confidential and may only disclose such information:

DEGREE AND CERTIFICATION SERVICES FOR TEACHERS AND TEACHER CANDIDATES (FOR PUBLIC INSTITUTIONS - CUNY AND SUNY) - Request for Proposals - PIN# R1235040 - Due 2-13-20 at 1:00 P.M.

The New York City Department of Education (NYCDOE), on behalf of the Division of Human Capital, Office of Teacher Recruitment and Quality, is seeking proposals from accredited public institutions from the City University of New York (CUNY), and the State University of New York (SUNY) systems with the capability and experience in providing teacher certification programs that will result in producing high quality teachers for NYCDOE public schools. A separate solicitation (RFP # R1188) for services from private institutions of higher education was previously released.

Since the inception of the New York City Teaching Fellows program in 2000, the DOE has worked collaboratively with vendors to prepare alternate route teachers for public schools throughout the city. Over the years, new programs have launched covering a variety of subject areas based on the needs of the DOE and allowed for different entry points into the teaching profession. Moving forward, the DOE seeks to continue to prepare alternate route teachers, while also providing space for new initiatives, innovative practices, and opportunities for vendors to support additional teacher preparation programs through both alternate and traditional route services. The NYCDOE will partner with accredited government institutions of higher education that offer teacher certification programs, Bachelors, and/or Master's degrees in the field of education. All programs must be capable of providing relevant and responsive coursework focused on outcomes in teacher practice and be delivered in an efficient and flexible manner suited for participants who teach full-time while enrolled in coursework. Detailed service description and requirements are provided in the Request for Proposal (RFP) solicitation.

This RFP contains three (3) service components.

- Component 1: Alternative Certification Programs for Teacher Candidates
- Component 2: Supplementary, Extension, and Advanced Certification Programs for Teachers
- Component 3: NYC Pipeline Initiatives – Traditional Pathways for Teacher Candidates

Vendors may propose for one, multiple, or all of three components. Each component will be evaluated independently per the Evaluation Criteria indicated in the RFP. Multiple awards will be made on a per component.

The NYCDOE will enter into requirements contract agreements with multiple vendors that meet the needs and specifications of this RFP. The awarded contracts will be for a term of six (6) years. The NYCDOE reserves the unilateral option to extend the contract(s) for one (1) additional one-year period. It is anticipated that services will commence on or about June 2020.

PROPOSALS MUST BE RECEIVED BY NO LATER THAN 1:00 P.M. EST, FEBRUARY 13, 2020. LATE PROPOSALS WILL NOT BE ACCEPTED.

A Pre-Proposal Conference will be held on January 15, 2020, from 11:00 A.M. to 12:00 P.M. at the New York City Department of Education located at 65 Court Street, Room 1201, Brooklyn, NY 11201.

To download the solicitation, go to <https://www.finance360.org/vendor/vendorportal/>. If you cannot download, send an email to VendorHotline@schools.nyc.gov. Include your company's name, address, phone and fax numbers, email address, Tax ID Number, RFP Number and Title.

Questions regarding this solicitation should be addressed to COPContracts@schools.nyc.gov by no later than 4:00 P.M. EST, January 23, 2020. Subsequent amendments and answers will be posted to <https://www.finance360.org/vendor/vendorportal/>. Review this site periodically for important updates.

The New York City Department of Education (DOE) strives to give all businesses, including Minority and Women-Owned Business Enterprises (MWBEs), an equal opportunity to compete for DOE procurements. The DOE's mission is to provide equal access to procurement opportunities for all qualified vendors, including MWBEs, from all segments of the community. The DOE works to enhance the ability of MWBEs to compete for contracts. DOE is committed to ensuring that MWBEs fully participate in the procurement process.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/sellnyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/sellnyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
