An application submitted by Vanderbilt Atlantic Holdings LLC, pursuant to Sections 197-c and 201 of the New York City Charter for land use actions affecting the western portion of a block bounded by Atlantic Avenue, Pacific Street, Underhill Avenue, and Vanderbilt Avenue. The applicant proposes a zoning map amendment to change a portion of the development site from M1-1 and R6B to C6-3X, and two zoning text amendments, one designating a portion of the project area a Mandatory Inclusionary Housing (MIH) area, and another establishing New York City Zoning Resolution (ZR) Section 35-662, which would apply street wall regulations to zoning lots along Atlantic Avenue in C6-3X districts in Brooklyn Community District 8 (CD 8). Such actions are requested to facilitate an 18-story, 342,610 square-foot, mixed-use development at 840 Atlantic Avenue. The building would provide 316 apartments, of which 95 would be affordable to households earning an average 80 percent area median income (AMI),

With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)
 Department of Homeless Services (DHS)
 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

CORRECTION: 82021N0002-INSTALLATION OF SECURITY SERVER & CONSOLIDATION - Negotiated Acquisition - Other - PIN# 82021N0002 - Due 5-13-21 at 2:00 P.M.

OATH has a current contract with SecureWatch24 Inc., covering all the five (5) borough office locations for the installation of security equipment, integration and centralization of independent security systems, as well as the maintenance of the entire Genetec Security Infrastructure. The security system is standardized on Genetec security equipment. The servers of the Unified Genetec Security Infrastructure at the Long Island City office location had reached their end of life and support since last January 2020. They need to be immediately replaced with two Genetec servers capable of handling the band width of the unified system. The replacement work for the two servers needs to be procured from SecureWatch24 Inc., because they are the current maintenance contractor and is an authorized dealer of Genetec Servers, who installed the current Unified Security System at OATH. Continuity of maintenance services for this critical system is essential to OATH and the City's operations.

(a) this is a time sensitive situation where a supplier must be retained quickly; (b) there is compelling reason to retain the current maintenance contract vendor for the replacement work for the two servers. SecureWatch24 Inc., is an authorized dealer of Genetec Servers and installed the current Unified Security System. They have the source code and the exclusive right to provide upgrades and preventive maintenance to the existing security system, and, (c) this is more of an additional work to the maintenance contract but which is not practical and advantageous to award by change order or modification of to the original contract.

AGENCY RULES**TAXI AND LIMOUSINE COMMISSION****■ NOTICE****Notice of Promulgation of Rules**

Notice is hereby given in accordance with section 1043(b) of the New York City Charter ("Charter"), that the Taxi and Limousine Commission ("TLC") promulgates amendments to its adjudications rules regarding the conduct of summary suspension hearing for licensees. The promulgated rules specify the timeframe for reviewing summary suspensions based upon pending criminal charges and the relevant factors for determining whether such a suspension should continue.

This rule is promulgated pursuant to sections 1043 and 2303 of the Charter and section 19-503 of the Administrative Code of the City of New York.

This rule was published on March 31, 2021, for public comment in the City Record. On May 4, 2021, a public hearing was held virtually via Webex by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, New York, 10004 and the rule was adopted by the Commission at a public meeting held on May 4, 2021. Pursuant to section 1043(e)(1) (c) of the Charter, this rule will take effect 30 days following publication in the City Record.

Statement of Basis and Purpose

TLC rules permit the Chairperson to summarily suspend a Driver's License upon notice of the Driver's criminal arrest or citation if the Chairperson believes that the charges, if true, would demonstrate that continued licensure while awaiting a decision on the criminal charges would constitute a direct and substantial threat to public health or safety. TLC summarily suspends the license of a Driver who is charged with a felony or serious misdemeanor. This practice will not change under the promulgated rule.

TLC rules provide that a driver whose license is summarily suspended may request a hearing before an administrative law judge ("ALJ") of the New York City Office of Administrative Trials and Hearings ("OATH"). Following the hearing, the ALJ makes a recommendation to the TLC Chairperson regarding continued suspension based on whether the Driver's continued licensure pending resolution of the criminal charges presents a public safety risk. The Chairperson reviews the recommendation and makes a final decision regarding the Driver's license suspension. The promulgated rule provides for a quicker return of a license for those Drivers whose licensure during the pendency of the criminal proceeding is not deemed to be a direct and substantial threat to public health or safety. The timeframe for an OATH ALJ to issue a recommendation following the hearing is reduced from fifteen days to ten days, and the time for the TLC Chair to issue a final decision is reduced from seven days to five days. In accordance with *Nnebe v. Daus* (U.S. District Court, SDNY, No. 06-cv-4991(RJS), December 31, 2020), the timeframes are being compressed to ensure a speedier resolution of the hearing process, while still permitting sufficient time for careful adjudication.

TLC's authority for these rules is found in section 2303 of the New York City Charter and section 19-503 of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Paragraphs (6) and (8) of subdivision (d) of section 68-15 of Title 35 of the Rules of the City of New York are amended to read as follows:

(d) Summary Suspension for Criminal Charges.

- (6) The Recommended Decision shall be rendered within [15] ten (10) business days from the close of the record of the Summary Suspension hearing. If the Recommended Decision is not rendered within this deadline, the suspension will immediately be lifted until the Chair's decision is rendered.

* * *

- (8) (a) Except as further specified in subparagraph (b) of this paragraph, the Chairperson must render a decision on continued suspension within twenty (20) calendar days of the date of the Recommended Decision, but only after promptly providing the Respondent a copy of the Recommended Decision and an opportunity to respond to the Recommended Decision within ten (10) calendar days. If the Chairperson does not render a decision within the 20-day period, the suspension must be lifted until such action is taken by the Chairperson.

(b) Within [seven (7)] five (5) business days of receiving a Recommended Decision recommending that the suspension be lifted, the Chairperson must: (i) accept the recommendation and lift the suspension, or (ii) provide the Respondent notice that the Recommended Decision may be rejected or modified, and the reasons therefor, and ten (10) calendar days to respond in writing to such notice. The Chair must render a decision within five business days of receiving a response from the Respondent to such notice. If the Chair fails to meet these deadlines, the suspension will immediately be lifted until the Chair's decision is rendered.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/sellnyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/sellnyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/sellnyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
