The Board met in pursuance of the following call:

OFFICE OF THE MAYORALTY, EXECUTIVE DEPARTMENT, CITY HALL, NEW YORK, September 24, 1896.  
In pursuance of the authority contained in the 159th section of the New York City Consolidation Act of 1882, and chapter 106 of the Laws of 1893, a meeting is hereby called of the Mayor, Comptroller, President of the Board of Aldermen, President of the Department of Taxes and Assessments, and Counsel to the Corporation, constituting a Board of Estimate and Apportionment, to be held at the office of the Mayor on Monday, September 28, 1896, at 11 o'clock A.M., for the purpose of transacting such business as may be brought before the Board.  
W. L. STRONG, Mayor.

### INDORSED:

Admission of a copy of the within as served upon us this 24th day of September, 1896.  
W. L. STRONG, Mayor; ASHBEL P. FITCH, Comptroller; JOHN JEROLOMAN, President of the Board of Aldermen; FRANCIS M. SCOTT, Counsel to the Corporation.  
Present—William L. Strong, the Mayor; Ashbel P. Fitch, the Comptroller; John Jeroloman, the President of the Board of Aldermen; Francis M. Scott, the Counsel to the Corporation.  
Absent—Edward P. Barker, the President of the Department of Taxes and Assessments.

The minutes of the meetings held August 18 and September 1, 1896, were read and approved.

The following communications were received from the Department of Public Works:

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE, No. 150 NASSAU STREET, NEW YORK, September 21, 1896. Hon. WILLIAM L. STRONG, Mayor, and Chairman Board of Estimate and Apportionment:

DEAR SIR—The appropriation for "Sewers—Repairing and Cleaning," for 1896, is inadequate to meet the expenditures which will become chargeable to it during the balance of the year for work which it is absolutely necessary to perform. It is estimated that \$1,100 would make up the deficiency, and this amount could be spared from the appropriation for "Sewerage System—Salaries," because it was found practicable to dispense with the services of a Draughtsman, whose salary was paid from this appropriation.

Under these circumstances I respectfully request that the sum of \$1,100 be transferred from the appropriation for "Sewerage System—Salaries," for 1896, to the appropriation for "Sewers—Repairing and Cleaning," for the same year.

Very respectfully, CHARLES H. T. COLLIS, Commissioner of Public Works.

Referred to the Comptroller.

From the American Museum of Natural History—

AMERICAN MUSEUM OF NATURAL HISTORY, CENTRAL PARK, SEVENTY-SEVENTH STREET AND EIGHTH AVENUE, NEW YORK, September 23, 1896. Hon. WILLIAM L. STRONG, Mayor, City Hall, City:

DEAR SIR—A resolution has been passed by the Park Board approving of a plan to change our library from the west wing to the main building; also to fit up a laboratory in the old building and put a fire-proof roof over the main stairs, and to fit up our work rooms; all of which is essential and necessary. As this plan has already been approved by the Park Board, permit me to ask if you will kindly present the matter to the Board of Estimate and Apportionment for their concurrence. This work does not call for an extra appropriation, but it needs the authorization of your Board to make the bonds of authorization for museum work to be made applicable for the above, and the change therefore needs the approval of the Board of Estimate and Apportionment.

Very respectfully,

MORRIS K. JESUP, President.

Referred to the Comptroller.

From the Department of Public Works—

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE, NEW YORK, September 11, 1896. Hon. WILLIAM L. STRONG, Mayor, and Chairman, Board of Estimate and Apportionment:

DEAR SIR—In the Final Estimate for the present year the sum of \$3,000 was appropriated for "Repairs to the Fence around the Old Reservoir in Central Park." It has not been found necessary to use this money for the purpose for which it was appropriated, and it will not be required for that purpose this year.

The appropriation for "Boulevards, Roads and Avenues—Maintenance of," for the current year is insufficient to enable the Department to perform the necessary amount of work chargeable to this appropriation. Indeed, if this appropriation is not supplemented by a transfer, the work of the Bureau of Streets and Roads will be seriously impeded to the detriment of the public interests. For this reason I respectfully ask the Board of Estimate and Apportionment to transfer to the appropriation for "Boulevards, Roads and Avenues—Maintenance of," for 1896, the sum of \$3,000 appropriated for "Repairs to the Fence around the Old Reservoir in Central Park."

Very respectfully, CHARLES H. T. COLLIS, Commissioner of Public Works.

Referred to the Comptroller.

Which were adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, and Counsel to the Corporation—4.

The Comptroller presented the following:

SEPTEMBER 16, 1896. Hon. ASHBEL P. FITCH, Comptroller:

DEAR SIR—I learn through the Clerks in your office that you intend shortly to report to the Board of Estimate and Apportionment regarding the two requisitions dated June 18, 1896, made by the Board of Rapid Transit Railroad Commissioners.

In connection with the requisition for the appropriation of \$9,602.50 for the expenses of the Supreme Court Commission, I deem it proper to bring to your attention an opinion rendered by the Counsel of the Rapid Transit Board to the effect that the moneys required to meet this requisition must be raised by the issue of Revenue Bonds and not of long-term bonds. I inclose a copy of this opinion.

I write this letter unofficially, and for the sole purpose of bringing this matter to your attention, in the belief that you may wish to know the position of our Board regarding it.

Yours truly, LEWIS L. DELAFIELD.

NEW YORK, September 14, 1896. Hon. ALEXANDER E. ORR, President of the Board of Rapid Transit Railroad Commissioners, New York:

SIR—We have your communication of the 11th instant, addressing to us the following questions, namely:

First—Are the expenses of the hearing before the Supreme Court Commission payable from the proceeds of Revenue Bonds or of "long-term" bonds? And,

Second—What steps should be taken to secure appropriate action by the Board of Estimate and Apportionment under the requisition made by the Rapid Transit Board for the amount of these expenses?

In answer to the first question we have to say that, in our opinion, the expenses are payable from Revenue Bonds and not from "long-term" bonds. The "long-term" bonds are, under section 37 of the Rapid Transit Act, to be issued only to provide "the necessary means for such construction at the public expense of any such road or roads, and the necessary means to pay for lands, property, rights, terms, privileges and easements, whether of owners, abutting owners or others, which shall be acquired by the City for the purposes of the construction or the operation of such road or roads \* \* \* and of meeting the interest on the bonds."

It is plain that the expenses of the Supreme Court Commission were no part of the cost of the construction of a railroad which might not be constructed, and, in fact, under the adverse decision of the Appellate Division, is not to be constructed. It seems to us clear that the expenses of the Supreme Court Commission were simple expenses of the Rapid Transit Board in the regular and proper performance of its duties.

In answer to the second question we have to say: We cannot think that the Board of Estimate and Apportionment will refuse to provide out of Revenue Bonds the moneys to pay for these expenses. If they shall so refuse their refusal will, in our opinion, be unjustified, and it will be necessary for our Board to make application to the Appellate Division under section 10 of the Rapid Transit Act.

Very respectfully yours, PARSONS, SHEPARD & OGDEN; TRACY, BOARDMAN & PLATT.

Referred to the Counsel to the Corporation.

The following communication was received:

DEPARTMENT OF STREET CLEANING—CITY OF NEW YORK, August 31, 1896. His Honor the Mayor, WILLIAM L. STRONG, President, Board of Estimate and Apportionment:

DEAR SIR—I am just in receipt of a letter from Mr. Lewis Nixon, who has the contract for the construction of the Delehanthy Dumper, in which he requests an extension of one month from September 4, 1896, on account of the delay in the work necessitated by the intense hot spell.

There is no objection to this extension on the part of this Department, as our pocket dump will not be completed before November 1, if then.

Therefore, I recommend that the request for the extension be granted.

Respectfully, F. W. GIBSON, Deputy and Acting Commissioner.

And moved that the request be granted.

Adopted.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 24, 1896. To the Board of Estimate and Apportionment:

GENTLEMEN—On June 25, 1896, this Board authorized the issue of bonds to the amount of \$25,000 to pay for certificates of award and allowances for counsel fees received from the Change of Grade Damage Commission. Since that time I have received thirty-one certificates, aggregating \$53,675 for awards and \$1,725 for counsel fees. I estimate that \$60,000 will be sufficient to pay the same, with interest accrued thereon, and accordingly offer for adoption the following resolution:

Resolved, That, pursuant to chapter 537 of the Laws of 1893, as amended by chapter 567 of the Laws of 1894, the Comptroller be and is hereby authorized to issue bonds, from time to time, as may be required, in the name of The Mayor, Alderman and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to an amount not exceeding sixty thousand dollars (\$60,000), redeemable in fifteen years, and at a rate of interest not exceeding three and

one-half per cent. per annum; the proceeds of which bonds shall be applied in payment of the awards for damage and for counsel fees, and for interest thereon, as certified by the Commissioners appointed in pursuance of said acts.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS, September 4, 1896. To the Board of Estimate and Apportionment, City:

GENTLEMEN—At a meeting of the Board of Parks, held on the 1st inst., it was

Resolved, That the Board of Estimate and Apportionment be respectfully requested to issue bonds for the amount of \$15,000, as provided by chapter 194, Laws of 1896, to meet the expense of certain park improvements, as follows:

For rebuilding Gapstow Bridge, Central Park; for repairing Battery Sea Wall; for furnishing and laying water-pipes in Central Park and avenues adjoining Morningside Park.

Respectfully, WILLIAM LEARY, Secretary.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 21, 1896. Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Parks, by resolution adopted by the Board September 1, 1896, requests the Board of Estimate and Apportionment "to issue bonds for the amount of \$15,000, as provided by chapter 194, Laws of 1896, to meet the expense of certain park improvements, as follows:

For rebuilding Gapstow Bridge, Central Park; for repairing Battery Sea Wall; for furnishing and laying water-pipes in Central Park and avenues adjoining Morningside Park."

All of the above works are now under contract and nearly completed, but no payments have been made on them.

The amounts of the contracts are as follows:

For rebuilding Gapstow Bridge, bulk sum, \$6,552; repairing Battery Sea Wall, approximate estimate in which there may be a slight addition, \$2,995; for furnishing and laying pipes, approximate estimate on which there may be small additions, \$2,820.75—total, \$12,367.75; amount asked for, \$15,000, leaving for contingencies, engineering and inspection, \$2,632.25. This allowance, over 21 per cent., I consider too great, as the contract for the bridge is a definite bulk sum, and the variations in the other contracts will be small. I think an appropriation of \$14,000, which would leave \$1,632.25, or a little over 13 per cent. for contingencies, etc., would be sufficient.

Chapter 194, Laws of 1896, authorizes the Department of Public Parks "to expend an additional sum, not exceeding \$350,000, in improving in its discretion the public parks, parkways and drives in the City of New York that are or may become subject to the jurisdiction of said Department."

The expenditure authorized to be "made only within and upon such parks, parkways and drives, as shall be designated by the Board of Estimate and Apportionment, and by means of contracts made in the manner and subject to the provisions of law relating to public contracts."

Under this law I perceive no objection to the appropriation asked for, except as stated above as to the amount, which I think should be \$14,000, instead of \$15,000.

Respectfully, EUG. E. MCLEAN, Engineer.

And offered the following:

Resolved, That, pursuant to the provisions of chapter 194 of the Laws of 1896, the Board of Estimate and Apportionment hereby authorizes and directs the Comptroller to issue bonds in the name of The Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to an amount not exceeding fourteen thousand dollars (\$14,000), bearing interest at a rate not exceeding three and one-half per cent. per annum, and redeemable in such period as the Comptroller may determine, but not less than twenty years from the date of issue, the proceeds of which bonds shall be applied to the purpose of defraying the expenses of making the following park improvements:

For rebuilding Gapstow Bridge, Central Park; for repairing Battery Sea Wall; for furnishing and laying water pipes in Central Park and avenues adjoining Morningside Park.

—as specified in the resolution of the Board of Parks relating thereto adopted September 1, 1896.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

CITY OF NEW YORK, DEPARTMENT OF PUBLIC PARKS, THE ARSENAL, CENTRAL PARK, August 20, 1896. To the Board of Estimate and Apportionment, City:

GENTLEMEN—At a meeting of the Board of Parks, held on the 17th instant, the following resolution was adopted:

Resolved, That the Board of Estimate and Apportionment be respectfully requested to authorize the issue of bonds to the amount of ten thousand dollars, in the manner provided by chapter 194 of the Laws of 1896, for the purpose of making the necessary repairs to the Madison Avenue Bridge and drive crossing the Harlem river.

Respectfully, WILLIAM LEARY, Secretary.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 18, 1896. Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Parks, by resolution of the Board adopted August 17, 1896, requests the Board of Estimate and Apportionment "to authorize the issue of bonds to the amount of \$10,000 in the manner provided by chapter 194 of the Laws of 1896, for the purpose of making the necessary repairs to the Madison Avenue Bridge and drive crossing the Harlem river."

There is no doubt of the necessity of speedy repairs to this bridge; it is constantly in danger of being entirely disabled.

Professor Burr, the Consulting Engineer, has estimated the cost of the repairs, and fixes it, as I was informed by the President, at about \$8,250.

The repairs involve the replacing of two engines, and a complete renovation of the running gear of the draw.

I think the amount asked for is reasonable.

Whether the work is provided for in chapter 194 of the Laws of 1896, is somewhat questionable. That law authorizes the Department of Public Parks "to expend an additional sum not exceeding \$350,000, in improving, in its discretion, the public parks, parkways and drives in the City of New York that are or may become subject to the jurisdiction of said Department." The expenditure "authorized shall be made only within and upon such parks, parkways and drives as shall be designated by the Board of Estimate and Apportionment, and by means of contracts made in the manner and subject to the provisions of law relative to contracts."

It seems to me that it would be, at least, a very free interpretation of the law to bring this work within the designation of "drives," that term, as used in the law, being apparently intended to refer to roadways in parks, or connected therewith.

The bridge is simply a means of passing across the river, from one city street to another, neither of which has any claim to the park designation of "drive." Literally, of course, having a driveway, it may be called a "drive," but is it such as is contemplated in the law?

I think it would be proper to obtain the opinion of the Counsel to the Corporation on this point.

If, in his opinion, there is no legal objection in the way, the work is so important and pressing I think the request contained in the resolution should be complied with.

Respectfully, EUG. E. MCLEAN, Engineer.

Referred to the Counsel to the Corporation.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 18, 1896.

Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Parks, by resolution of the Board adopted July 7, 1896, requests the Board of Estimate and Apportionment "to authorize the issue of bonds to the amount of \$30,000, in the manner provided by chapter 194 of the Laws of 1896, for the purpose of defraying the expense of paving and improving the Pelham Bridge road, from East Chester creek to the northerly line of Pelham Bay Park."

A plan of this improvement, and a section showing the dimensions and character of the proposed work, are herewith inclosed.

Formal bids, after due advertisement, have been received for the work. Five bids were received, ranging from \$25,270, the lowest, to \$75,590, the highest.

The approximate estimate of quantities, on which the bids were based, is as follows:

Excavation of all kinds, 4,000 cubic yards; Telford pavement, 32,000 square yards; dry rubble masonry, 60 cubic yards; vitrified stoneware pipe, 15,000 pounds; rubble or cobble stone pavement, 500 square yards.

On such a contract, where the prices are definitely fixed, I think an allowance of \$3,730, which is a little over 14 per cent., would be sufficient to cover all contingencies, and the expense of engineering, inspection, etc.

I would therefore recommend the appropriation of \$29,000, instead of \$30,000 asked for.

Chap. 194, Laws of 1896, authorized the Department of Public Parks to expend an additional sum, not exceeding \$350,000, in improving, in its discretion, the public parks, parkways and drives in the City of New York that are or may become subject to the jurisdiction of said Department—the expenditure authorized to be made only within and upon such parks, parkways and drives, as shall be designated by the Board of Estimate and Apportionment, and by means of contracts made in the manner and subject to the provisions of law relating to public contracts, and no expenditure

to be made in excess of the sum which shall be sanctioned and authorized by said Board to be expended thereon.

Respectfully, EUG. E. McLEAN, Engineer.

And offered the following:

Resolved, That, pursuant to the provisions of chapter 194 of the Laws of 1896, the Board of Estimate and Apportionment hereby authorizes and directs the Comptroller to issue bonds in the name of The Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to an amount not exceeding twenty-nine thousand dollars (\$29,000), bearing interest at a rate not exceeding three and one-half per cent. per annum, and redeemable in such period as the Comptroller may determine, but not less than twenty years from the date of issue, the proceeds of which bonds shall be applied to the purpose of defraying the expense of paving and improving the Pelham Bridge road, from East Chester creek to the northerly line of Pelham Bay Park, as specified in the resolution of the Board of Parks relating thereto adopted July 7, 1896.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen, and Counsel to the Corporation—4.

The Comptroller presented the following:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS, THE ARSENAL, CENTRAL PARK, August 20, 1896. *To the Board of Estimate and Apportionment, City:*

GENTLEMEN—At a meeting of the Board of Parks, held on the 17th inst., the following resolution was adopted:

Resolved, That the Board of Estimate and Apportionment be respectfully requested to authorize the expenditure of the balance remaining of the amount appropriated by said Board March 5, 1891, under chapter 444, Laws of 1889, for the construction of parapet wall and railing on the southerly and westerly sides of Morningside Park, said balance amounting to fourteen thousand five hundred and nine dollars and thirty-eight cents, for the purpose of planting trees and other work of ornamentation of the sidewalks bounding said park, as shown on plan approved June 23, 1896.

The plan referred to in the foregoing resolution is herewith transmitted.

Respectfully, WILLIAM LEARY, Secretary.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 16, 1896. Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Parks, by resolution of the Board adopted August 17, 1896, requests the Board of Estimate and Apportionment "to authorize the expenditure of the balance remaining of the amount appropriated by said Board March 5, 1891, under chapter 444, Laws of 1889, for the construction of parapet wall and railing on the southerly and westerly sides of Morningside Park, said balance amounting to \$14,509.38, for the purpose of planting trees and other work of ornamentation of the sidewalks bounding said park, as shown on plan approved June 23, 1896."

The plans referred to are submitted.

Chapter 444, Laws of 1889, section 1, is as follows:

"Section 1. The department of public parks in the city of New York is hereby authorized and empowered to complete the enclosure of Morningside Park, and the ways and approaches to and the sidewalks bounding said park, together with any ornamentation connected therewith, which the commissioners of public parks, or a majority of them shall approve upon plans already prepared and approved, or to be hereafter determined upon and approved by the said commissioners or a majority of them, and submitted to and approved by the board of estimate and apportionment of said city."

On March 5, 1891, the Board of Estimate and Apportionment authorized the issue of consolidated stock of the City of New York to the amount of \$117,000 for "a parapet and railing" for Morningside Park, under the provisions of the above quoted law.

The Department of Public Parks now asks authority to expend the balance \$14,509.38 of this \$117,000, "for the purpose of planting trees and other work of ornamentation of the sidewalks bounding said park, as shown on plan approved June 23, 1896."

The approximate estimate of the Engineer of Construction of the cost of planting trees on the sidewalks exterior to the Morningside Park, viz., on Cathedral parkway (One Hundred and Tenth street) adjoining wall, the avenue along the easterly side of the park, and One Hundred and Twenty-third street, and the completion of laying asphalt within the park, and the entrance at Manhattan avenue and Cathedral parkway (One Hundred and Tenth street) made June 20, 1896, is as follows:

Excavating for tree plots and mould, or top soil, for same, \$4,400; furnishing and setting trees, \$600; 122,100 square feet asphalt pavement with concrete base within park, \$23,000; 3,825 square feet asphalt pavement with concrete base and rubblestone foundation, entrance of Manhattan avenue and Cathedral parkway, \$1,000—total, \$29,000.

The item of \$23,000 in this estimate is not provided for in the law, and, deducting that amount, the estimate for sidewalks is \$6,000, to which might be added for contingencies, engineering, inspection, etc., \$1,500, making \$7,500 a proper appropriation for the purposes given in the resolution, instead of the \$14,509.38 asked for.

Respectfully, EUG. E. McLEAN, Engineer.

And offered the following:

Resolved, That the sum of seven thousand five hundred dollars (\$7,500) remaining unexpended of the proceeds of bonds heretofore authorized to be issued pursuant to chapter 444 of the Laws of 1889, for the construction of parapet wall and railing on the southerly and westerly sides of Morningside Park, be and the same is hereby made applicable to the purpose of planting trees and other work of ornamentation of the sidewalks bounding said park, as shown on the plan approved by the Board of Parks, June 23, 1896, and as specified in the resolution of said Board adopted August 17, 1896, provided, however, that no portion thereof shall be used for asphalt paving within said park.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS, THE ARSENAL, CENTRAL PARK, September 11, 1896. *To the Board of Estimate and Apportionment:*

GENTLEMEN—At a meeting of the Board of Parks, held on the 10th inst., the following resolution was adopted:

Resolved, That the Board of Estimate and Apportionment be respectfully requested to authorize the expenditure of the aggregate amount of the following named balances of funds provided under chapter 11, Laws of 1894, for the improvement of the transverse roads crossing Central Park, for the purpose of completing the pavement of the sidewalks and other work on Transverse Roads No. 2 and 3, viz:

Transverse Road No. 1, \$589.55; Transverse Road No. 2, \$147.36; Transverse Road No. 3, \$278.38—total, \$1,015.29.

Respectfully, WILLIAM LEARY, Secretary.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 19, 1896. Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Parks, by resolution adopted by the Board September 10, 1896, requests the Board of Estimate and Apportionment "to authorize the expenditure of the aggregate amount of the following named balances of funds provided under chapter 11, Laws of 1894, for the improvement of the transverse roads crossing Central Park, for the purpose of completing the pavement of the sidewalks and other work on Transverse Roads Nos. 2 and 3, viz:

"Transverse Road No. 1, \$589.55; Transverse Road No. 2, \$147.36; Transverse Road No. 3, \$278.38—total, \$1,015.29."

The following information, obtained from the Engineer of Construction, explains the request contained in the resolution:

On March 28, 1894, appropriations were made by the Board of Estimate and Apportionment for "Transverse Roads Nos. 1, 2 and 3—Improvement of," chapter 11, Laws of 1894, as follows, viz:

Transverse Road No. 1, \$8,500; Transverse Road No. 2, \$10,500; Transverse Road No. 3, \$3,500.

A contract for the above work was made and Transverse Road No. 1 was completed, leaving an unexpended balance of \$589.55; the Transverse Roads Nos. 2 and 3 were not completed, the appropriations for them being insufficient. The unexpended balances on these roads Nos. 2 and 3 are as follows: No. 2, \$147.36; No. 3, \$278.38—total of balances, \$1,015.29.

The request is simply for authority to apply the aggregate of these balances to the completion of the roads Nos. 2 and 3.

There appears to me no objection to complying with the request.

Respectfully, EUG. E. McLEAN, Engineer.

And offered the following:

Resolved, That the Board of Estimate and Apportionment hereby authorizes the expenditure of unexpended balances of appropriations heretofore made, pursuant to chapter 11 of the Laws of 1894, for the improvement of the transverse roads crossing Central Park, for completing the pavement of the sidewalks and other work on Transverse Roads Nos. 2 and 3, as specified in the resolution of the Board of Parks relating thereto adopted September 10, 1896.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

CITY OF NEW YORK—DEPARTMENT OF PUBLIC PARKS, THE ARSENAL, CENTRAL PARK, August 20, 1896. *To the Board of Estimate and Apportionment, City:*

GENTLEMEN—At a meeting of the Board of Parks, held on the 17th instant, the following resolution was adopted:

Resolved, That the Board of Estimate and Apportionment be respectfully requested to authorize the expenditure for planting trees and shrubs and other work, in connection with the improvement of Riverside Park, of the balance amounting to nineteen thousand five hundred and eighty-five dollars and thirty-seven cents remaining unexpended of the fund provided under chapter 575 of the Laws of 1887, for the construction of retaining-walls, etc., on said park.

Respectfully, WILLIAM LEARY, Secretary.

DEPARTMENT OF PUBLIC PARKS—OFFICE OF THE SUPERINTENDENT OF PARKS, ARSENAL BUILDING, SIXTY-FOURTH STREET AND FIFTH AVENUE, September 17, 1896. Mr. E. McLEAN, Engineer, Finance Department:

DEAR SIR—I send you herewith two tracings, one of the Riverside Park territory which it is proposed to plant, the other of Morningside Park, the portion colored green indicating where it is intended to make the plantations on Morningside Park.

The cost of planting Riverside Park I consider very low; it will probably reach the sum of \$50,000 before the work is done.

The items are as follows:

3,500 trees, at \$2, \$7,000; labor, at 50 cents, \$1,750; 10,500 cubic yards mould, at \$1.45 (3 cubic yards per tree), \$15,225—\$23,975. 12,000 shrubs, at 35 cents, \$4,200; labor, at 15 cents, \$1,800; 600 cubic yards mould, at \$1.45 (one-half yard per tree), \$8,700—\$14,700. 5,000 vines, at 20 cents, \$1,000; labor, at 10 cents, \$500; 1,250 cubic yards mould, at \$1.45 (1/4 cubic yard per vine), \$1,812—\$3,312. 14,000 cubic yards excavation, at 50 cents, \$7,000—\$48,987.

You will note that the Morningside Park planting extends along the wall, and it is necessary to properly screen and decorate it. The approaches and steps also require to be screened and decorated with shrubs and trees. There is very little planted here at present.

I consider that the decoration of this wall and the approaches and steps is as much a part of the construction of the park as the building of the wall and steps, as the word "ornamentation" is used in the law authorizing the work.

The items are as follows:

878 trees, at \$2, \$1,756; labor, at 50 cents, \$439; 2,634 cubic yards mould, at \$1.45 (3 cubic yards per tree), \$3,819.30—\$6,016.30. 310 shrubs, at 35 cents, \$108.50; labor, at 15 cents, \$46.50; 155 cubic yards mould, at \$1.45 (one-half cubic yard per shrub), \$224.75—\$379.75. 426 vines, at 20 cents, \$85.20; labor, at 10 cents, \$42.60; 106 1/2 cubic yards mould, at \$1.45 (one-quarter yard per vine), \$154.42—\$282.22. 2,000 cubic yards of excavation, at 50 cents, \$1,000—\$7,678.27. M. A. Kellogg, Engineer of Construction, estimate of planting trees on sidewalks and completing wall, \$7,500—\$15,178.27.

Respectfully, SAM'L. PARSONS, JR., Superintendent of Parks.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 21, 1896. Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Parks, by resolution of the Board adopted August 17, 1896, requests the Board of Estimate and Apportionment "to authorize the expenditure for planting trees and shrubs and other work, in connection with the improvement of Riverside Park, of the balance, amounting to \$19,585.37, remaining unexpended, of the fund provided under chapter 575 of the Laws of 1887 for the construction of retaining-walls, etc., on said park."

Under chapter 575, Laws of 1887, which appropriates the sum of \$200,000 for the completion of the construction of Riverside Park, the Board of Estimate and Apportionment, by resolutions adopted May 6, 1892, and January 18, 1894, authorized the issue of consolidated stock, to be applied to the construction of retaining walls in said park, to the amount of \$136,500.

The balance of \$19,585.37 remains unexpended, which the Department now desires to devote to the purposes of "planting trees and shrubs and other work in connection with the improvement of Riverside Park."

The law does not specify how the expenditure shall be made, though the resolutions of the Board of Estimate and Apportionment do. If the Board approve, it will be necessary to amend the resolution of January 18, 1894, to allow the change in application of the funds from construction of retaining-walls to the purposes mentioned in the resolution of Board of Parks.

There is a large amount of work to be done, which is set forth in the estimate of Mr. Samuel Parsons, Superintendent of Parks, inclosed herewith, the aggregate amount of his items being \$48,987.

I am not aware of any objection to giving the authority asked for.

Respectfully, EUG. E. McLEAN, Engineer.

And offered the following:

Resolved, That the unexpended balance of the proceeds of bonds heretofore authorized to be issued, pursuant to chapter 575 of the Laws of 1887, be and the same is hereby made applicable to the work of planting trees and shrubs and other work in connection with the improvement of Riverside Park, as specified in the resolution of the Board of Parks relating thereto adopted August 17, 1896.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

OFFICE OF THE CITY RECORD, No. 2 CITY HALL, NEW YORK, September 21, 1896. *Board of Estimate and Apportionment, New York City.*

GENTLEMEN—By direction of the Board of City Record I inclose herewith copy of its action at a meeting held on September 17.

Respectfully yours,

JOHN A. SLEICHER, Supervisor City Record.

Resolved, That the Board of Estimate and Apportionment be and is hereby requested to transfer the sum of fifteen thousand dollars from the appropriation made to the Board of City Record for the year 1896, "for the Publication of the CITY RECORD, including the Preparation and Printing of the Registry of Voters and any Arrearages," which is in excess of the amount required for the purpose and objects thereof, to the appropriation made for the said Board of City Record for "Printing, Stationery and Blank Books" for 1896.

Resolved, That the sum of fifteen thousand dollars (\$15,000) be and hereby is transferred from the appropriation made to the Board of City Record for the year 1896, entitled, "Publication of the CITY RECORD, including the Preparation and Printing of the Registry of Voters, and also including Arrearages," the same being in excess of the amount required for the purposes thereof, to the appropriation made to the same Board for 1896, entitled, "Printing, Stationery and Blank Books, etc.," the amount of said appropriation being insufficient.

Laid over.

The Comptroller presented the following:

REGISTER'S OFFICE, HALL OF RECORDS, CITY OF NEW YORK, September 24, 1896. Hon. ASHBEL P. FITCH, Comptroller:

DEAR SIR—Owing to the reduction in the appropriation for this office for the present year, I find that it will be impossible to have instruments left for record, copied and returned as promptly as the public business demands. We shall probably have at the close of the year an accumulation of papers which it will be necessary to carry over into next year. This difficulty may be somewhat obviated by the transfer to the account of "For Salaries" of \$1,000 of the appropriation "For Preservation of Public Records" (libers, etc.), which it will be unnecessary to use this year.

I therefore respectfully request that you will present this matter to the Board of Estimate and Apportionment in order that the transfer may be made as soon as possible, and that the work of this office may not be delayed by lack of funds.

Very respectfully, WM. SOHMER, Register.

Resolved, That the sum of one thousand dollars (\$1,000) be and the same is hereby transferred from the appropriation for 1896 entitled "For the Preservation of Public Records (chapter 467, Laws of 1890), Register's Office—for the Recopying of the Mutilated Records in the Office of the Register of the County of New York, Libers, Index Books, etc.," the same being in excess of the amount required for the purposes and objects thereof, to the appropriation made to the Register's Office for 1896, entitled "Salaries of Deputy, Assistant Deputy, etc.," the amount thereof being insufficient.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 9, 1896. To the Board of Estimate and Apportionment:

GENTLEMEN—I have received from the Counsel to the Corporation, under date of July 20, 1896, a certified copy of an order confirming the report of the Commissioners of Estimate and Assessment in a proceeding for the acquisition of title to a public park at Avenue St. Nicholas and Seventh avenue and One Hundred and Seventeenth street, and taxing the costs of the Commissioners therein, together with a copy of their report and of their bill of costs.

The awards amount to \$37,500, and the costs, expenses and disbursements to \$4,624.84. The order of the Supreme Court confirming the report of the Commissioners is dated June 18, 1896, and interest runs on these awards from that date.

The proceeding was instituted under the so-called "Small Parks Act," chapter 320 of the Laws of 1887, by which it is provided that the award and costs shall be paid for by the issue of bonds.

The following resolution is therefore offered for adoption:

Respectfully, ASHBEL P. FITCH, Comptroller.

Resolved, That, pursuant to the provisions of chapter 320 of the Laws of 1887, the Comptroller be and is hereby authorized to issue bonds in the name of The Mayor, Aldermen and Commonality of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to an amount not exceeding forty-three thousand two hundred and fifty dollars (\$43,250), redeemable in not less than ten nor more than thirty years from the date of issue, and bearing interest at a rate not exceeding three and one-half per cent. per annum, to provide for the awards made in the proceeding to acquire title to a public park at Avenue St. Nicholas, Seventh avenue and One Hundred and Seventeenth street, in the Twelfth Ward, amounting to thirty-seven thousand five hundred dollars (\$37,500), together with interest thereon from June 18, 1896, and the costs, expenses and disbursements of said proceeding, amounting to four thousand six hundred and twenty-four dollars and eighty-four cents (\$4,624.84).

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller offered the following:

Resolved, That the sum of two hundred dollars (\$200) be and the same is hereby transferred from the appropriation made to the Police Department for 1896, entitled "Police Fund—Salaries of Clerical Force, for Salaries of Chief Clerk, etc.," the same being in excess of the amount required for the purposes and objects thereof, to the appropriation made to said Department for 1896, entitled "Police Fund—Salaries of Clerical Force, for Salaries of Civil Service Board," to enable the Treasurer of said Department to pay the Clerk and "Clerk and Stenographer" for the remainder of the year 1896 at the rate of fifteen hundred dollars (\$1,500) per annum each.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 10, 1896. Hon. ASHBEL P. FITCH, Comptroller:

SIR—In a communication of August 27, 1896, to the Board of Estimate and Apportionment, the Commissioner of Public Works requests a transfer of \$5,000 from the appropriation for "Repairs and Renewal of Pavements and Regrading," from which the amount can be spared, to the appropriation for "Boulevards, Roads and Avenues—Maintenance of," both for 1896, for the purpose of applying that amount, exclusively, to the restoration of the small park spaces through the centre of the Western Boulevard, "to a decent appearance, comporting in some degree with their object and surroundings."

Little, if anything, has been done on these spaces for many years, and they consequently present a dingy and unkempt appearance, even to the extent of becoming "an eyesore and detriment, instead of an ornament" to this grand Boulevard, which is becoming every day more and more a resort for New Yorkers.

As the Commissioner says the amount is not specially needed for the purpose to which it was appropriated, I know of no application that could be made of it where it would produce a more pleasing effect than in renewing these park places.

Respectfully, EUG. E. McLEAN, Engineer.

And offered the following:

Resolved, That the sum of five thousand dollars (\$5,000) be and the same is hereby transferred from the appropriation made to the Department of Public Works for the year 1896, entitled "Repairs and Renewals of Pavements and Regrading," the same being in excess of the amount required for the purposes and objects thereof, to the appropriation made to said Department for

1896, entitled "Boulevards, Roads and Avenues—Maintenance of," the amount thereof being insufficient.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

DEPARTMENT OF PUBLIC WORKS—COMMISSIONER'S OFFICE, NEW YORK, September 3, 1896. Hon. WILLIAM L. STRONG, Mayor, and Chairman, Board of Estimate and Apportionment:

DEAR SIR—By letter of June 10, 1896, addressed to you as Chairman of the Board of Estimate and Apportionment, I called attention to the necessity for a renewal, for two years, of the lease from Moses G. and Gilbert A. Wright, of lands for the approaches to the temporary bridge over the Harlem river at Third avenue, and I requested your Board to authorize the renewal of the lease.

At the meeting of your Board on July 2, the proceedings of which appear in the CITY RECORD of July 18, the subject was referred to the Comptroller.

By letter of July 22 the Comptroller transmitted to this office for consideration an opinion of the Counsel to the Corporation, questioning the title of the Messrs. Wright to at least a portion of the land covered by the lease. In the last paragraph of this opinion, the Counsel to the Corporation advised that the Messrs. Wright be requested to give a renewal of lease, covering Parcel No. 2 of the property in question, and including all their right, title and interest, if any, in Parcel No. 1; and he further advised that, if the Messrs. Wright refused such limitation of the lease, and insisted upon the full terms of the original lease, it would be best to make a renewal of lease on the old terms.

On receipt of this opinion, the Messrs. Wright were requested, by letter of August 6 from Chief Engineer Birdsall, to state on what terms, under the circumstances, they would consent to a renewal of the lease. They replied by letter of August 11 from their attorney and counsel, Mr. George A. Black, that they would consent to a renewal only on the exact terms of the old lease.

Thereupon, acting on the advice of the Counsel to the Corporation, and on mature consideration of the whole subject, Commissioner Charles H. T. Collis wrote to the Comptroller, under date of August 12, urgently renewing the request for a renewal of the lease on the old terms.

This request was taken up in meeting of your Board on August 18, and laid over. (See minutes in CITY RECORD of August 28.)

I have now before me a letter, dated the 1st inst., from Mr. George A. Black, reciting the facts regarding the expiration of the old lease, and the delay and uncertainty regarding a renewal, and concluding as follows:

"You will appreciate that the present situation is very unsatisfactory to my clients, and that they are desirous of having the status of the City determined as soon as possible, so that they may receive their rent promptly, and I would be obliged if you would inform me what the present situation of the matter is and when action may be expected to be taken."

I have the honor to again call attention to the fact, as stated in the letter of August 12 from Commissioner Collis to the Comptroller, that the occupancy by the City of the land in question is an absolute public necessity; that the right of occupancy expired, at least in part, with the expiration of the old lease, and that it should not be left in jeopardy.

I will add that, if the City were dispossessed of the part of the land required and now occupied as an approach to the temporary bridge, or of that part only as to which the title of the Messrs. Wright, lessors, is not in dispute, the use of the temporary bridge would have to be discontinued, and all the immense public traffic over it would have to be cut off.

I would also state that the Department considers a renewal of the lease for one year sufficient at this time, and that the original lease covenants for two renewals of one year each.

I most urgently renew the request for the immediate action of your Board in the premises.

Very respectfully,

(Signed) HOWARD PAYSON WILDS, Deputy and Acting Commissioner of Public Works.

Respectfully transmitted to the Comptroller for his information.

And offered the following:

Resolved, That the Board of Estimate and Apportionment hereby authorizes an agreement between the Commissioner of Public Works and Messrs. Moses G. and G. A. Wright to lease their property, now occupied for the temporary bridge erected in connection with the new bridge over the Harlem river at Third avenue, for a period not exceeding two years from June 19, 1896, on the same terms and conditions as were contained in the agreement entered into by said Commissioner with said lessors, in accordance with a resolution adopted by the Board of Estimate and Apportionment June 19, 1893.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

NEW YORK, September 10, 1896. To the Honorable Board of Estimate and Apportionment of the City of New York:

GENTLEMEN—Under the authority contained in section 196 of the Consolidation Act, as amended by chapter 431 of the Laws of 1896, I retained as counsel Messrs. DeLancey Nicoll and Rastus S. Ransom, to make a proper presentation and justification of my official conduct as a Commissioner of Police before the Committee of the Senate of the State of New York, appointed during the year 1894 to investigate the Police Department of this city. The following amounts were paid by me to DeLancey Nicoll: February 8, 1894, \$833.33; May 19, 1894, \$833.34; October 22, 1894, \$750; March 19, 1895, \$1,000; August 21, 1895, \$150; October 3, 1895, \$350; and to Rastus Ransom, June 12, 1894, \$500—total, \$4,416.67.

I submit herewith the affidavits of DeLancey Nicoll and Rastus S. Ransom, showing that such sums were paid to them for the services aforesaid, and that their charges were fair and reasonable. I therefore request your Honorable Board to audit and allow to me as charges against the City the counsel fees paid by me as aforesaid, together with interest thereon from the dates of payment.

Very respectfully, JOHN McCLAVE.

State of New York, City and County of New York, ss.:

DeLancey Nicoll, being duly sworn, deposes and says: In the year 1894 I was retained by John McClave, who was then a Police Commissioner in the City of New York, to appear on his behalf before a Committee of the Senate of the State of New York, then investigating the Police Department in the City of New York, for the purpose of making a proper presentation and justification of his official conduct before such committee. I attended all of the sessions of the said committee, except a few, from the time when it commenced to sit, until July, 1894; and thereafter, on behalf of Mr. McClave, I carefully watched and studied from day to day the proceedings which took place at the several sessions of the committee held after July, 1894, and up to the time of its final adjournment.

For my services as his counsel in the matter aforesaid, Mr. McClave paid me on the 8th day of February, 1894, \$833.33; on the 19th day of May, 1894, \$833.34; on the 22d day of October, 1894, \$750; on the 19th day of March, 1895, \$1,000; on the 3d day of October, 1895, \$350, and on the 21st day of August, 1895, \$150.

I now certify that such payments constituted fair and reasonable compensation for the services rendered by me on Mr. McClave's behalf, and that such services were actually performed during the years 1894 and 1895.

Sworn to before me this 21st day of August, 1896.

WILLIAM B. EWING, Commissioner of Deeds, City and County of New York.

In the matter of the application of Mr. John McClave, for the audit and allowance of his claim against the City of New York.

City and County of New York, ss.:

Rastus S. Ransom, being first duly sworn, deposes and says:

I am an attorney and counsellor-at-law, and reside in the City of New York, having my office at No. 100 Broadway, in said city.

On or about the 1st day of June, 1894, I was employed by Mr. John McClave, then a Police Commissioner of said city, as his counsel, to be associated with the Hon. DeLancey Nicoll, then acting as counsel for the said McClave, to represent him in an investigation then pending before a special committee of the Senate of the State of New York, commonly known as the "Lexow Committee"; that upon said proceedings before said committee the official conduct of said McClave was under investigation.

That my services to him as such counsel, were reasonably worth the sum of five hundred (\$500) dollars, which amount was paid to me by him at that time.

RASTUS S. RANSOM.

Sworn to before me this 19th day of September, 1896.

HENRY R. RICHARDS, Notary Public, N. Y. Co.

Referred to the Counsel to the Corporation.

The Comptroller presented the following:

DEPARTMENT OF PUBLIC CHARITIES—COMMISSIONERS' OFFICE, NEW YORK, September 14, 1896. To the Honorable Board of Estimate and Apportionment, City of New York:

GENTLEMEN—In order to meet the requirements of the "Lodging-house for Homeless Men" which will be opened on or about November 1, 1896, your honorable Board is hereby requested to transfer from the miscellaneous accounts the item of \$5,000 which was allowed for the visiting, care of poor, ambulance and dispensary service in the annexed district to the account to be drawn upon for the lodging-house expenses, inasmuch as this amount, together with the funds at present on hand, is sufficient for the construction and equipment of said lodging-house which will be as follows:

Purchase price, \$500; contract for carpenter-work, \$3,500; for disinfecting machinery, \$1,600; for joiner and canvas work, \$1,000; steam-fitting, \$400—total, \$7,000.

We also beg to request, in addition to above, the transfer from what is known as the "Insane Fund" of the sum of \$4,000 to the account to be applied for the above-mentioned service (salaries

of officers and maintenance for the months of November and December, 1896), to be divided as follows:

Salaries—1 Superintendent, \$125 per month, \$125; 1 Assistant Superintendent, \$83.33 per month, \$83.33; 2 Registrars, \$75 per month, \$150; 4 Investigators, \$75 per month, \$300; 2 Engineers, \$60 per month, \$120; 2 Physicians, \$50 per month, \$100; 2 Officers, \$50 per month, \$100; 6 Helpers, \$15 per month, \$90; 1 Cook, \$20 per month, \$20—\$1,088.33.  
Maintenance—15 tons of coal, at \$3.20, \$48; food of 21 men, at 50 cents per day, \$315; food of 300 men, at 5 cents per day, \$450; soap, light, etc., \$100; \$913—total, \$2,001.33.  
Yours truly,  
S. C. CROFT, President.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, September 25, 1896. Hon. ASHBEL P. FITCH, Comptroller:

SIR—The Department of Public Charities, in communication of September 14, 1896, requests the Board of Estimate and Apportionment to transfer from the miscellaneous accounts the item of \$5,000, which was allowed for the visiting, care of the poor, ambulance and dispensary service in the annexed district to the account for the lodging-house expenses, inasmuch as this account, together with the funds at present on hand, is sufficient for the construction and equipment of said lodging-house, which will be as follows:

Purchase price, \$500; contract for carpenter-work, \$3,500; for disinfecting machinery, \$1,600; for joiner and canvas work, \$1,000; steam-fitting, \$400—Total, \$7,000.

To obtain a clear understanding of the above request, I called on President Croft, of the Department of Charities, who gave me this information:

The appropriation for 1896 for lodging-house for homeless men was \$10,000.  
The balance left of this appropriation is \$1,860.55.

The intention of the Department is to buy a hull of a boat—that of the "Morrisania" is contemplated—and to fit it up as a lodging-house, instead of hiring a boat as heretofore.

The purchase of this hull, and fitting it up are the items of the above estimate.

The \$5,000 asked for, and the balance from the \$10,000 appropriation of this year, viz., \$1,860.55, he considers will be sufficient.

Definitely, he asks for the transfer of \$5,000 from the appropriation entitled "To provide for Visiting, Care of Poor, Ambulance and Dispensary Service for the Towns recently annexed to the City of New York," which is not needed, to the appropriation entitled "Lodging-house for Homeless Men," which is insufficient.

There does not appear to me any objection to complying with this request.

The Department also requests the transfer of \$2,200 from the appropriation entitled "For Salaries for Insane Asylums," and \$1,800 from the appropriation entitled, "For Supplies for Insane Asylums," both of which appropriations are in excess, to the appropriation entitled "Lodging-house for Homeless Men," which is insufficient; which sum of \$4,000, is to be utilized in said lodging-house during the months of November and December, 1896, as follows:

For salaries, \$2,176.66; for maintenance, \$1,826—Total, \$4,002.66.

The items being given in the communication of the President.

There appears to me no objection to a compliance with this request.

Respectfully,  
EUG. E. McLEAN, Engineer.

And offered the following:

Resolved, That the sum of nine thousand dollars (\$9,000) be and the same is hereby transferred to the appropriation made to the Department of Public Charities for the year 1896, entitled "Lodging-house for Homeless Men," the amount thereof being insufficient, from the following appropriations made to said Department for 1896, and as follows:

"To provide for Visiting, Care of Poor, Ambulance and Dispensary Services in the Towns recently annexed to the City of New York," \$5,000; "For Salaries for Insane Asylums," \$2,200; "For Supplies for Insane Asylums," \$1,800—total, \$9,000.

—the same being in excess of the amounts required for the purposes and objects thereof; said transfer being made to enable the Department of Public Charities to construct, purchase or lease and to equip and maintain a lodging-house.

Which was adopted by the following vote: Affirmative—The Mayor, Comptroller, President of the Board of Aldermen and Counsel to the Corporation—4.

The Comptroller presented the following:

BOARD OF EDUCATION, NEW YORK, July 9, 1896. Hon. ASHBEL P. FITCH, Comptroller, etc.:

MY DEAR MR. FITCH—At the meeting of the Board of Education yesterday the subject of more accommodations for the conduct of the necessary business of the Board was brought up, and I write you as a matter of duty as the question has again been referred to me as Chairman of the Building Committee, to ask if you will not do me the favor to visit the hall that we may look over the situation together. I am sure you will be convinced that it will be for the financial advantage of the city that we have the appropriation granted to build a hall. If this is not done, we will have to seek accommodations outside of the present hall, which would be a great disadvantage to the working of the department.

Of course, you are aware that the City owns the ground, and the plans have already been drawn and approved by the Board of Estimate and Apportionment, for this new and necessary building, and I urge you as best I can to look into the matter and see if your judgment will not accord with mine and, if it does, if you will not grant this relief which is most necessary to the Board of Education.

Hoping for a favorable reply, I am, most sincerely yours,  
JOSEPH J. LITTLE,  
Chairman, Building Committee, Board of Education.

Laid over.

M., on Monday, October 12, 1896, at which time and hour they will be publicly opened:

No. 1. FOR REGULATING, GRADING, SETTING CURB-STONES, FLAGGING THE SIDE WALKS, LAYING CROSSWALKS AND PLACING FENCES IN FRANKLIN AVENUE, from Third avenue to Crotona Park.

No. 2. FOR REGULATING, GRADING, SETTING CURB-STONES, FLAGGING THE SIDE WALKS, LAYING CROSSWALKS AND PLACING FENCES IN LIND AVENUE, from Wolf street to Aqueduct avenue.

No. 3. FOR CONSTRUCTING SEWERS AND APPURTENANCES IN EAST ONE HUNDRED AND EIGHTY-EIGHTH STREET, between Third avenue and Bathgate avenue, AND IN EAST ONE HUNDRED AND EIGHTY-NINTH STREET, between Third avenue and Washington avenue, WITH BRANCHES IN WASHINGTON AVENUE, between Third avenue and Pelham avenue.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each bid or estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for his faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety, in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the City.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at this office.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making

an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or in the work to which it relates, or in any portion of the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting, the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in a sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

**PROPOSALS FOR ESTIMATES FOR MATERIALS AND WORK IN FURNISHING GAS AND ELECTRIC LIGHT FIXTURES, IRON RAILINGS, ETC., FOR AN ARMORY BUILDING ONE HUNDRED AND SEVENTY-FIVE FEET TWO AND ONE QUARTER INCHES WESTERLY FROM SIXTH AVENUE, AND EXTENDING FROM FOURTEENTH STREET TO FIFTEENTH STREET, IN THE CITY AND COUNTY OF NEW YORK, will be received by the Armory Board, at the MAYOR'S OFFICE, CITY HALL, UNTIL 10 O'CLOCK A. M., WEDNESDAY, THE 14TH DAY OF OCTOBER, 1896, at which time and place they will be publicly opened and read by said Board.**

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the President of said Armory Board, indorsed "Estimate for Furnishing Gas and Electric Light Fixtures, Iron Railings, etc., for the Ninth Regiment Armory Building on the northerly side of Fourteenth street, west of Sixth avenue," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, in the amount of THREE THOUSAND DOLLARS (\$3,000).

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making any estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly inter-

ested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of ONE HUNDRED AND FIFTY DOLLARS (\$150). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Board who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use a blank prepared for that purpose by the Board, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be seen upon application at the office of Cable and Sargent, Associate Architects, No. 18 Broadway, New York City.

The Board reserves the right to reject any or all estimates not deemed beneficial to or for the public interest.

Plans may be examined and specifications and blank forms for bids or estimates obtained by application to E. A. Sargent, Architect, at his office, No. 18 Broadway, New York City.

**PROPOSALS FOR ESTIMATES FOR MATERIALS AND WORK IN FURNISHING THE FURNITURE, OPERA CHAIRS, PUMP, TOOLS, WINDOW SHADES, PAINTING, ETC., FOR AN ARMORY BUILDING ONE HUNDRED AND SEVENTY-FIVE FEET TWO AND ONE QUARTER INCHES WESTERLY FROM SIXTH AVENUE AND EXTENDING FROM FOURTEENTH STREET TO FIFTEENTH STREET, IN THE CITY AND COUNTY OF NEW YORK, will be received by the Armory Board at the MAYOR'S OFFICE, CITY HALL, UNTIL 10 O'CLOCK A. M., WEDNESDAY, THE FOURTEENTH DAY OF OCTOBER, 1896, at which time and place they will be publicly opened and read by said Board.**

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the President of said Armory Board, indorsed "Estimate for Furnishing Materials and Work in furnishing the Furniture, Opera Chairs, Pump, Tools, Window Shades, Painting, etc., for an Armory building on the northerly side of Fourteenth street, west of Sixth avenue," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the amount of FIVE THOUSAND DOLLARS (\$5,000).

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2. Bidders will be required to complete the entire work to the satisfaction of the Armory Board and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract

will be readvertised and relet and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making any estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof, which estimate must be verified by the oath, in writing, of the party making the estimate that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of TWO HUNDRED AND FIFTY DOLLARS (\$250). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Board who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use a blank prepared for that purpose by the Board, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be seen upon application at the office of Cable and Sargent, Associate Architects, E. A. Sargent, No. 18 Broadway, Architects, New York City.

The Board reserves the right to reject any or all estimates not deemed beneficial to or for the public interest.

Plans may be examined and specifications and blank forms for bids or estimates obtained by application to E. A. Sargent, Architect, at his office, No. 18 Broadway, New York City.

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of work to be done.

No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of execution of the contract, and all the work to be done under the contract is to be fully completed on or before the 20th day of November, 1896, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the whole of the work to be done in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimate for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of failure or neglect so to do he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state the fact; also that the estimate is made without any consultation, connection or agreement with, and the amount thereof has not been disclosed to, any other person or persons making an estimate for the same purpose, and is not higher than the lowest regular market price for the same kind of labor or material, and is in all respects fair and without collusion or fraud; that no combination or pool exists of which the bidder is a member or in which the bidder is directly or indirectly interested or of which the bidder has knowledge, either personal or otherwise, to bid a certain price or not less than a certain price for said labor or material, or to keep others from bidding thereon; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or any other officer or employee of the Corporation of the City of New York, or any of its departments, is directly or indirectly interested in this estimate or in the supplies or work to which it relates, or in any portion of the profits thereof, and has not been given, offered or promised, either directly or indirectly, any pecuniary or other consideration by the bidder or anyone in his behalf with a view to influencing the action or judgment of such officer or employee in this or any other transaction heretofore had with this Department, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.*

In case a bid shall be submitted by or in behalf of any corporation, it must be signed in the name of such corporation by some duly authorized officer or agent thereof, who shall also subscribe his own name and office. If practicable the seal of the corporation should also be affixed.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from or contract awarded to any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

In case there are two or more bids at the same price, which price is the lowest price bid, the contract, if awarded, will be awarded by lot to one of the lowest bidders.

**THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTERESTS OF THE CORPORATION OF THE CITY OF NEW YORK.**

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the

manner of payment for the work, can be obtained upon application therefor at the office of the Department.

No claim or demand will be considered or allowed by the Department for any loss or deprivation of wharfage or otherwise, resulting from or occasioned by any delay on account or by reason of the premises, or any part thereof, being occupied for or on account of any repairs, rebuilding or dredging.

The upset price of the parcels or premises exposed or offered for sale will be announced by the auctioneer at the time of sale.
