NOTICE

On Wednesday, November 6, 2024, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by The New York City Economic Development Corporation (NYCEDC), the Office of the Chief Medical Examiner (OCME), and the New York City Department of Citywide Administrative Services (DCAS) (collectively, the Applicants), in affiliation with the New York City Health and Hospitals Corporation (H+H), New York City Public Schools (NYCPS), the New York City School Construction Authority (SCA), and the City University of New York (CUNY). The Applicants are seeking a series of land use actions including a zoning map amendment; a zoning text amendment to Appendix F of the New York City Zoning Resolution (ZR); special permits pursuant to ZR Section 74-171 and 75-901; Dispositions, acquisitions, and site selections; and a City Map Change related to the demapping of the East 25th Street replacement bridge (the "Proposed Actions") from the City Planning Commission. The area subject to the Proposed Actions is generally bounded by East 25th Street to the south, First Avenue to the west, FDR Drive to the east, and the northern edge of the former East 26th Street, and encompasses the southern, approximately 4.75-acre portion of Manhattan Block 962, Lot 100 (the Development Site) located at 425 East 25th Street in the Kips Bay area of Manhattan Community District 6. The Proposed Actions, along with other discretionary approvals, would facilitate the development of the Science Park and Research Campus (SPARC) Kips Bay project, which would transform Hunter College's antiquated Brookdale Campus into approximately 2.19 million gross square feet (gsf) of state-of-the-art academic, healthcare, and life sciences and retail space and public realm improvements (the Proposed Project).

The proposed project would also require other discretionary approvals including the use of City capital funding to construct the new CUNY building, New York State financing for the development of the proposed project, and the siting of CUNY and NYCPS facilities, which are not subject to ULURP. The Build Year is 2031.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 PM on Monday, November 18, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- **Win More Contracts, at nyc.gov/competetowin**

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

LEASING OPPORTUNITIES FOR NYCHA LAUNDRY ROOMS

The New York City Housing Authority (NYCHA) seeks laundry service vendors to lease and operate NYCHA building-based laundry rooms. With over 50 NYCHA laundry facilities across the five boroughs, this is an excellent opportunity for laundry vendors to expand their operations while serving a pre-established clientele of NYCHA residents. NYCHA laundry rooms vary in size, with some rooms holding a few machines and others holding over two dozen.

Interested parties should review NYCHA's Laundry Room Leasing website (<https://www.nyc.gov/site/nycha/business/laundryleasing.page>) for more information on the Laundry Room Operator application process and a listing of current laundry facility availabilities. Applications will be submitted to NYCHA via email or mail as outlined in the application form found on the Laundry Room Leasing website.

Please note: Applications are accepted on a rolling basis until rooms are filled. Interested parties may also indicate general interest using the Laundry Room Leasing website. The submission of an application does not guarantee a leasing agreement.

JANITORIAL AND CLEANING SERVICES - Sole Source - Other - PIN#02524S0005001 - AMT: \$150,772.00 - TO: ABM Industry Groups LLC, One Liberty Plaza, 7th Floor, New York, NY 10006.

Contract to provide janitorial and cleaning services for two floors at the Law Department's 260 East 161 Street location on behalf of Facilities. PIN 02524X001046.

This procurement is being processed as a Sole Source Procurement because ABM Industry Groups ("ABM") is the only cleaning service vendor that Lincoln Property Company ("LPC") will allow to clean the building. LPC manages the building. ABM secured the cleaning contract with LPC for the cleaning of the entire building. ABM is currently charging LPC tax for the cleaning cost of the building. LPC could not absorb the tax costs for the two leased floors so it reached out to the NYC Law Department to transfer the cleaning contract directly to the Law Department. The Law Department was advised by ABM that it must be in contract with them directly for ABM to accept the Law Department's tax exempt status. Although the Law Department received 11 expressions of interest, none of the interested vendors were able to produce an exclusive contract with the building management company. This procurement is a sole source because of the contract between the Vendor ABM and the building management company, not because of the nature of cleaning services in general.

amend the rules to correct typographical errors and modernize outdated references.

Statement of Basis and Purpose of Proposed Rule

On June 23, 2022, the United States Supreme Court ruled in *N.Y. State Rifle & Pistol Ass'n v. Bruen*, 142 S. Ct. 2111 (2022), that the State of New York's "proper cause" requirement for obtaining a concealed carry firearm license was an unconstitutional restriction on an individual's Second Amendment right to bear arms for self-defense. Since the issuance of that decision, New York City has revised its licensing regulations to remain consistent with current case law pertaining to handgun licensing and continues to do so in response to evolving Second Amendment jurisprudence, including the Supreme Court's decision in *United States v. Rahimi*, 602 U.S. __ (2024).

Current NYPD rules do not contain formal procedures for concealed carry handgun license applicants who do not reside in New York State, are not principally employed within New York City, and do not have their principal place of business in New York City. A process by which non-State residents can apply for a carry license will ensure that the City is able to properly regulate handgun ownership within NYC while also complying with the *Bruen* decision. This rule sets forth standards to submit and evaluate applications for carry licenses made by these individuals, hereinafter called "non-resident" applicants. This rule also

amends and clarifies the process of purchasing and adding firearms to an existing New York City firearms license and amends the rules to correct typographical errors and modernize outdated references.

On August 12, 2024, NYPD adopted rule amendments on an emergency basis pursuant to Charter section 1043(i) to immediately implement an operative concealed carry licensing process for non-resident applicants. Those emergency rule amendments inadvertently expired on October 11, 2024, pursuant to Charter section 1043(i)(2). On October 16, 2024, NYPD published notice of a proposed rule that would make substantially similar changes as those that were adopted on an emergency basis on August 12, 2024. Such notice inaccurately stated that the August 12, 2024 emergency rule was extended for 60 days pursuant to Charter section 1043(i).

On October 23, 2024, the NYPD adopted on an emergency basis pursuant to Charter section 1043(i) rule amendments that were substantially similar to the emergency rule amendments that were adopted on August 12, 2024 and expired on October 11, 2024, in order to immediately implement an operative concealed carry licensing process for non-resident applicants. This emergency rule was necessary to address an imminent threat to safety and property by allowing New York City to continue maintaining a licensing scheme that preserves public safety within the City while ensuring that gun license applications are evaluated in a manner consistent with the Supreme Court's ruling in *Bruen*. NYPD hereby withdraws the notice of proposed rule published on October 16, 2024.

Pursuant to Charter section 1043(i), an emergency rule remains in effect only for 60 days unless the applicable agency proposes to promulgate a final rule within such 60-day period. This final rule process affords an opportunity for notice and comment by the public. Pursuant to this Charter provision, the relevant agency may extend the effectiveness of the emergency rule for an additional 60 days to a total of 120 days while the procedures necessary to promulgate a permanent rule.

The NYPD hereby extends the effectiveness of the October 23, 2024 emergency rule for an additional 60 days and further proposes here a permanent rule, which includes provisions that are substantially similar to the October 23, 2024 emergency rule, as well as additional amendments.

Section 1 would amend subdivision (i) of section 1-03 to correct a typographical error.

Section 2 would amend subdivision (p) of section 1-05 to make it consistent with section 10-311 of the Administrative Code by providing the complete text of the notice required to be provided by manufacturers, licensed importers, or licensed dealers of firearms during the disposal of a rifle and/or shotgun.

Section 3 would amend subdivision (k) of section 2-05 to make it consistent with section 10-311 of the Administrative Code by providing the complete text of the notice required to be provided by manufacturers, licensed importers, or licensed dealers of firearms during the disposal of a rifle and/or shotgun.

- Subdivision (a) is amended to use gender neutral terminology;
- Subdivision (b) is amended to reference the correct License Division unit, use gender neutral terminology, increase the length of time an applicant has to appeal the disapproval of their application, and clarify what items must be included in a request for appeal.

Section 7 would amend section 3-05 as follows:

- Re-title section 3-05 to provide clarity as to a Permittee's reporting responsibilities to the License Division;
- Subdivision (a) would change the process by which a Permittee maintains compliance with their reporting obligations to the License Division. Additionally, the section is amended to include the issuance of an extreme risk protection order as a situation which must be reported to the License Division. Lastly, it standardizes the term used to reference an individual who has been issued a rifle/shotgun permit;
- Subdivision (c) is amended to use gender neutral terminology and correct the contact information for the appropriate unit of the License Division;
- Subdivision (d) amends the process to challenge the interim suspension and/or revocation of a permit by adding additional methods by which a Permittee can request relief; and
