AN ORDINANCE to prevent the Danger of Hydrophobia to any of the Inhabitants of the City of New York.

The Mayor, Aldermen, and Commonalty of the City of New York do ordain as follows:

Section 1. Hereafter it shall not be lawful to permit any dog to go abroad loose or at large in any of the public streets, lanes, alleys, highways, parks or places within the corporate limits of the City of New York, under a penalty of three dollars for each offense, to be recovered against the owner, possessor, or person who knowingly harbored such dog within three days previous to the time of such dog being so found going abroad loose or at large; and the Commissioners of Police are hereby authorized and directed to cause complaint to be made to the Corporation Attorney against the owner or possessor of every dog permitted to go loose or at large within the corporate limits, as aforesaid, for the recovery of the penalties prescribed in this ordinance; such penalties and all license fees, when collected, to be accounted for semi-monthly, and paid to the Comptroller of said city, and upon the requisition of the Mayor, to be applied towards the payment of enforcing the provisions of this ordinance. Nothing in this ordinance shall prevent any dog from going into any such street, lane, alley, highway, park or public place, provided such dog shall be held, by such owner or other person, securely by a cord or chain, to be not more than four feet long, fastened to a collar around the neck of the animal.

Sec. 2. Every owner, possessor, or person who harbors any dog shall take out a permit for each dog, at the Permit Bureau, paying the sum of two dollars (\$2) for the same. All permits, and renewals of the same, shall be dated from the first day of May in each and every year, and shall be for one year from date, and all renewals shall be one dollar (\$1). Said permit shall have the name of the owner and the number of the permit or license on it. Any dog so licensed must have a collar around his neck, with a metal tag attached, having the number of the license on it. And any dog so licensed must, when in the street, be held by such owner, or other person, secured by a cord, rope, or chain, not more than four feet in length; but the owner, at his option, may use, instead of the above, a muzzle, constructed so as to prevent the dog from biting. Any dog that is not so secured, although he is licensed, shall be captured the same as if no license was granted. No dog having a collar and

tag, with the number of his license on it around his neck, that may be in a wagon or other vehicle belonging to his owner, shall be captured. Any person appointed by his Honor the Mayor to capture dogs who shall permit any person to take one or more dogs from him for nothing, or for pay, shall be arrested, and taken before a police justice, and upon the facts being proven, the judge shall impose a fine of not less than \$10, or more than \$50, for each offense. Any person may make a complaint of persons having dogs unlicensed at the police stations, and the officer in command shall entertain the same; and all policemen on patrol duty must report all violations of this ordinance the same as any other violation of a Corporation ordinance. All such reports shall be transmitted to the Corporation Attorney, the same as for other violations of city ordinances, and in addition to the \$3 fine, shall be added all costs of suits for the recovery of the same as for any other violation of the city ordinances. The provisions of this section, except those relating to leading and muzzling dogs, shall not apply to dogs owned by non-residents, in remaining temporarily or in passing through this city, or to dogs brought into this city and entered for exhibition at any dog show or annual exhibition of dogs.

Sec. 3. The Mayor of the City of New York is hereby authorized and empowered to take such measures as he may deem most efficient to carry into effect the provisions of section 1 of this ordinance. All dogs found loose or at large, as aforesaid, shall be seized, captured and delivered by such persons as the Mayor shall designate, at a place to be provided and indicated by him, where such animals, if not within forty-eight hours thereafter claimed and redeemed by the owner or some other person, shall be killed and destroyed in such manner and by such persons as the Mayor shall designate.

Sec. 4. Any owner or other person who may claim such dog shall, before being placed in possession thereof, pay therefor the sum of three dollars. The provisions of this ordinance shall apply only to dogs owned or claimed by residents of this city; and any person who shall knowingly present any such dog, and claim payment for the capture thereof, which shall not be owned or captured within the corporate limits of this city, shall thereby incur a penalty of ten dollars.

Sec. 5. No person shall hinder or molest any person or persons so appointed by the Mayor while engaged in seizing or capturing and delivering any such dog as aforesaid, or any other person engaged in the performance of any duty enjoined by the provisions of this ordinance, under a penalty of not less than twenty-five nor more than one hundred dollars for every offense, to be sued for and recovered in the manner now provided by law or ordinance for the recovery of penalties for violations of the ordinances of the Common Council, on the complaint of the person so hindered or molested; the penalty, when recovered, to be accounted for, paid, and appropriated, as provided in section one of this ordinance. The Commissioners of Police are hereby authorized and required to cause the persons so engaged in the performance of any of the duties prescribed by this ordinance, to be protected from hindrance or molestation.

Sec. 6. Chapter XLIV. of the Revised Ordinances of 1866, and all other ordinances or parts of ordinances inconsistent or conflicting with the provisions of this ordinance, are hereby repealed.

Sec. 7. This ordinance shall take effect immediately.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and it unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GAS COMMISSION.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE, ROOM 19, CITY HALL,
NEW YORK, June 19, 1877.

PROPOSALS FOR FITTING UP AND LIGHTING PUBLIC LAMPS AT RIVERDALE IN THE TWENTY-FOURTH WARD.

PROPOSALS FOR FURNISHING THE GAS OR OTHER ILLUMINATING MATERIAL FOR, AND LIGHTING EXTINGUISHING, CLEANING, FITTING-UP AND MAINTAINING PUBLIC LAMPS AT RIVERDALE IN THE TWENTY-FOURTH WARD OF THE CITY OF NEW YORK, FORMERLY IN THE TOWN OF KINGSBRIDGE FOR THE PERIOD FROM JULY 16, 1877, TO DECEMBER 31, 1877.

Proposals for the above, made in accordance with section 73, chapter 335, Laws of 1873, and Revised Ordinances of 1859, chapter 8, article 2, and enclosed in a sealed envelope endorsed "Proposals for furnishing the illuminating material for, and lighting, extinguishing, cleaning, repairing and maintaining the public lamps," with the name of the party making the same written thereon, will be received at the office of the Commissioner of Public Works, until 12 o'clock M. of Monday, July 2, 1877, at which place and hour they will be publicly opened and read.

Bidders are required to state in their proposals their names and places of residence; the names of all persons interested with them; and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making an estimate for the above supplies and work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. When more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he or they would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the above work, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; that he has offered himself as a surety in good faith, and with the intention to execute the bond required by article 2, chapter 8, of the Revised Ordinances of 1859, organizing the Municipal Government of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the sureties offered to be determined by the Comptroller.

Bidders are required to state in their proposals what kind of material they propose to furnish.

Bidders are also required to state the price for which they will furnish the illuminating material for each lamp, including the lighting, extinguishing, cleaning, repairing, reglazing, and painting lamp-posts and lamps, replacing the cocks, tubes, burners, crossheads, lamp-irons, and lanterns thereto, for the period from July 16, 1877, to December 31, 1877, both days inclusive; stating the price for the above named period of five and one-half months, for each lamp.

Bidders are also required to state a price for which they will fit up and repair lamp-posts.

The bidders are required to write out the amount of their bids in their estimates, in addition to inserting the same in figures.

The number of lamps to be contracted for is from 50 to 75.

The lamps are to burn on an average of 1,855 hours and fifty minutes each, per term.

The burners are to be of a capacity to burn three cubic feet of gas per hour under a pressure of one inch, and in case the illuminating material shall be other than coal-gas, then the burners to be used for such illuminating material shall give a light (by Photometrical test), equal to the light given by the gas-burners now in use in the public lamps in the City of New York. Should any alteration of, or any attachment be required to any portion of the lamps for which proposals are made, such alterations shall be done, and attachments placed on the lamps without expense to the City.

The amount of security required is \$2,500.00.

The award of the contract will be made as soon as practicable after the opening of the bids.

Should the person or persons to whom the contract is so awarded neglect or refuse to accept to contract within forty-eight hours after written notice that the same has been awarded to his bid or proposal, or if he accept but does not execute the contract and give the proper security, it may be re-advertised and relet as above provided.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Mayor, Comptroller, and Commissioner of Public Works.

The right is reserved to assign and designate to any bidder the number and location of the lamps for which proposals are received, and to increase or diminish the numbers.

The right is reserved to determine and designate, after the proposals are opened, what illuminating material shall be used in the public lamps, or any portion of them, during the period above mentioned; also to decline any or all proposals if deemed for the interests of the Corporation; and no proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

Ten days time will be allowed after the execution of the contract for the erection of the lamps, but no payment will be made for the time so allowed, nor except for the time during which all the requirements mentioned in the specifications shall have been fully performed.

CORPORATION SALE OF THE FRANCHISE OF THE FERRY FROM BULKHEAD AT THE FOOT OF WHITEHALL STREET, NEW YORK, TO THE FOOT OF SIXTY-FIFTH STREET, BAY RIDGE, IN THE TOWN OF NEW UTRECHT, LONG ISLAND.

THE FRANCHISE OF THE FERRY FROM THE bulkhead at the foot of Whitehall street, New York, to the foot of Sixty-fifth street, Bay Ridge, in the Town of New Utrecht, Long Island, established by the Mayor, Aldermen, and Commonalty of the City of New York, on June 4, 1877, will be sold at public auction, to the highest bidder, at the office of the Comptroller of the City of New York, on Saturday, June 30, 1877, at 12 o'clock, noon, for the period of ten years, from July 1, 1877. The form of the lease required to be executed by the highest bidder can be seen at the Comptroller's office, on and after June 28, 1877.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect or refuse to execute a lease according to said form for ten days after the sale, his bid will, at the option of the Comptroller, be rejected.

The minimum rate for which the ferry franchise or license to operate ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. of the gross receipts for ferriage that shall hereafter accrue at each separate ferry, collected at the landing place in the City of New York, such percentage to be paid quarterly to the Corporation, and a covenant will be contained in each lease requiring the lessee to make and deliver to the Comptroller of the City of New York, quarterly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also, that the lessee shall keep regular books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage on the gross receipts collected at the landing place in the City of New York.

All moneys received for the conveyance of passengers, animals, vehicles, or freight from New York to Bay Ridge to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such five per cent. is to be calculated and paid.

No bid less than five per cent. on such gross receipts will be entertained.

Security, satisfactory to the Comptroller will be required for the punctual performance by the lessee of the covenants of the lease of the franchise in their behalf.

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund.
