63-20 SPECIAL BULK AND PARKING REGULATIONS

63-21 For mixed buildings in Commercial Districts containing FRESH food stores

The provisions of Section 35-31 (Maximum Floor Area Ratio for Mixed Buildings) relating to the maximum permitted #floor area ratio# for each permitted #use# shall apply, and the provisions relating to the total of all such #floor area ratios# shall be modified in accordance with the provisions of this Section. Where all non-#residential uses# in such #mixed

building# have a permitted #floor area ratio# equal to or less than that permitted for a #residential use#, the total #floor area# permitted for such #mixed building# may be increased by one square foot for each square foot of #FRESH food store floor area#, up to 20,000 square feet.

63-212
For mixed use buildings in Special Mixed Use Districts containing FRESH food stores

The provisions of Section 123-64 (Maximum Floor Area Ratio and Lot Coverage Requirements For Mixed Use Buildings) relating to the maximum permitted #floor area ratio# for each permitted #use# shall apply, and the provisions relating to the total of all such #floor area ratios# shall be modified in accordance with the provisions of this Section. 63-22
Authorization to Modify Maximum Building Height

For #mixed buildings# or #mixed use buildings# containing a #FRESH food store#, the City Planning Commission may authorize modifications to Sections 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts) and 123-66 (Height and Setback Regulations) to allow the applicable maximum building height to be increased by up to 15 feet, provided that the first #story# occupied by a #FRESH food store# has a minimum finished floor to finished ceiling height of 14 feet, and provided that such finished ceiling height is at least 14 feet above the #base plane# or #curb level#, as applicable.

In order to grant such authorizations, the Commission shall find that:

- such modifications are necessary to accommodate a first #story# utilized as a #FRESH food store#;
- the proposed modifications shall not adversely affect the essential scale and character of the adjacent buildings and any adjacent historic resources; and
- the proposed modifications will not unduly obstruct access to light and air of adjacent properties.

The Commission may prescribe additional appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

63-23
Special Transparency Requirements

For all #FRESH food stores#, the ground floor level of the #street wall# fronting upon a principal #street# shall be glazed with materials which may include show windows, glazed transoms or glazed portions of doors. Such glazing shall occupy at least 70 percent of the area of such ground floor level #street wall#, measured to a height of 10 feet above the level of the adjoining sidewalk. No less than 50 percent of the area of such ground floor level #street wall# shall be glazed with transparent materials and up to 20 percent of such area may be glazed with translucent materials.

Furthermore, for #buildings# with frontage on two or more #streets#, the Chairperson of the City Planning Commission may certify that the glazing requirements of this Section shall only be applicable to the #street wall# fronting upon the principal #street#, as determined by the Chairperson.

In addition, the Chairperson of the City Planning Commission may, by certification, allow a reduction in the glazing requirements of this Section, provided that the Chairperson finds that such #mixed building# or #mixed use building# is a recipient of #public funding# as defined in Section 23-911 (General Definitions). Such reduced glazing may occupy no less than 50 percent of the area of such ground floor level #street wall# and shall be glazed with transparent materials.

63-24
Security Gates

All security gates installed between the #street wall# and the #street line# (after effective date of amendment), that are swung, drawn or lowered to secure #FRESH food store# premises shall, when closed, permit visibility of at least 75 percent of the area covered by such gate when viewed from the #street#.

63-25
Required Accessory Off-street Parking Spaces in Certain Districts

- In C1-1, C1-2, C1-3, C2-1, C2-2, C2-3, and C4-3 Districts, the #accessory# off-street parking regulations in Section 3 6-20 (REQUIRED ACCESSORY OFF-STREET PARKING SPACES FOR COMMERCIAL OR COMMUNITY FACILITY USES) applicable to a C1-4 District shall apply to any #FRESH food store#.
- In the Borough of Brooklyn, in those portions of Community District 5 located south of Flatlands Avenue and east of the centerline prolongation of Schenck Avenue, a #FRESH food store# shall provide #accessory# off-street# parking spaces as required for #uses# in parking category B in the applicable #Commercial# and #Manufacturing Districts#.
- In C8-1, C8-2, M1-1, M1-2, and M1-3 Districts, a #FRESH food store# shall provide one parking space per 1,000 square feet of #floor area# or #cellar# space utilized for retailing, up to a maximum of 15,000 square feet. The underlying off-street parking regulations in Sections 3 6-20 or

44-20 shall apply to the #floor area# or #cellar# space, in excess of 15,000 square feet, utilized for retailing in such #FRESH food store#.

(d) The provisions of this Section shall not apply to:

- In the Borough of the Bronx, portions of Community District 7 and in the Borough of Manhattan, portions of Community District 12, as shown on Map 1 in Appendix B of this Chapter;
- In the Borough of Brooklyn, portions of Community District 5, as shown on Map 2 in Appendix B;
- In the Borough of Brooklyn, portions of Community Districts 16 and 17, as shown on Map 3 in Appendix B; and
- In the Borough of Queens, the #Special Downtown Jamaica District#.

63-30
CERTIFICATION FOR A FRESH FOOD STORE

Upon application, the Chairperson of the City Planning Commission shall certify that a food store #use# is a #FRESH food store#, provided that:

- drawings have been submitted to the Chairperson that clearly specify:
 - all #floor area# or #cellar# space utilized as a #FRESH food store#, showing in the form of an illustrative layout, that such designated space is designed and arranged to meet the requirements for food and non-food grocery products, pursuant to Section 63-01;
 - all #floor area# that will result from any permitted increase in #floor area#, pursuant to Section 63-21, including the location of such #floor area#;
 - the size, format and location of the required #sign#, pursuant to Section 63-12, including detailed information about dimensions of the #sign#, lettering, color and materials;
 - the location of the ground floor level #street wall# fronting upon a principal #street#, pursuant to Section 63-23;
- a signed lease or written commitment from the prospective operator of the #FRESH food store# has been provided in a form acceptable to the Chairperson for utilization of such #floor area# or #cellar# space and its operation as a #FRESH food store#; and
- a legal commitment, in the form of a declaration of restrictions has been executed, in a form acceptable to the Department of City Planning, binding upon the owner and its successor and assigns, and providing for continued utilization of all #floor area# or #cellar# space as a #FRESH food store#, the operation of which shall commence within a reasonable period following the issuance of a temporary certificate of occupancy for the #floor area# or #cellar# space to be utilized by the #FRESH food store#.

Such declaration of restrictions shall provide that the legal commitment for continued occupancy of the #floor area# or #cellar space# as a #FRESH food store# shall not apply during any:

- six (6) month period from the date such #floor area# or #cellar# space is vacated by the operator, provided that the owner timely notifies the Department of City Planning of such vacancy in accordance with the requirements of the restrictive declaration; or
- event of force majeure, as determined by the Chairperson.

The filing and recordation of the declaration of restrictions in the Office of the City Register of the City of New York against all tax lots comprising the #FRESH food store#, and receipt of proof of recordation of such declaration in a form acceptable to the Department, shall be a precondition to the issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# under this Chapter.

In granting the certification, the Chairperson may specify that minor changes in store layout consistent with the definition of a #FRESH food store# in Section 63-01 shall not warrant further certification pursuant to this Section.

No later than the date on which an application for certification pursuant to this Section is first submitted, a copy of the drawings submitted pursuant to paragraph (a) of this Section shall be submitted by the applicant to the affected Community Board, which shall have 45 days to review said application. The Chairperson shall not issue a certification for an application during the Community Board review period, unless the Community Board has submitted to the Chairperson comments regarding such proposal or informs the Chairperson that the Community Board has no comments.

63-31
Requirements for Certificate of Occupancy

No certificate of occupancy shall be issued for any portion of the #development# or #enlargement# identified in the

drawings submitted pursuant to paragraph (a) (2) of Section 63-30 until a temporary certificate of occupancy has been issued for the #FRESH food store# space. No final certificate of occupancy shall be issued for any such portion of the #development# or #enlargement# identified in such drawings until the #FRESH food store# space has been completed in accordance with the drawings submitted pursuant to paragraph (a) (1) of Section 63-30 and a final certificate of occupancy has been issued for the #FRESH food store# space. The declaration of restrictions shall be noted on any temporary or final certificate of occupancy for the #building#.

63-40
CERTIFICATION FOR CHANGE OF USE OF A FRESH FOOD STORE

A #FRESH food store# for which a certification has been issued pursuant to Section 63-30 may be changed to any #use# permitted by the underlying district upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off-street parking spaces under the applicable district regulations.

If a certification pursuant to this Section is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section 63-30 shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

63-50
AUTHORIZATION FOR BULK AND PARKING MODIFICATIONS

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts, when a change of #use# of a #FRESH food store# for which a certification has been issued pursuant to Section 63-30, would create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off-street parking spaces under the applicable district regulations, provided that such #use# is permitted by the underlying districts.

In order to grant such authorization, the Commission shall find that:

- due to the market conditions prevalent at the time of the application, there is no reasonable possibility that the operation of a #FRESH food store# will bring a reasonable return;
- the applicant, the operator or a prior operator of such #FRESH food store# has not created, or contributed to, such unfavorable market conditions;
- the applicant, the operator or a prior operator of such #FRESH food store# has undertaken commercially reasonable efforts to secure a new operator, and demonstrates to the City Planning Commission that such efforts have been unsuccessful;
- any proposed #non-compliance# or increase in the degree of #non-compliance# will not be incompatible with or adversely affect adjacent #uses# including #uses# within the building; and
- any reduction of required #accessory# off-street parking shall not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian movement.

If such authorization is granted, a notice of cancellation, in a form acceptable to the Department of City Planning, of the declaration of restrictions recorded pursuant to Section 63-30, shall be executed and recorded in the Office of the City Register of the City of New York against all tax lots comprising the former #FRESH food store#.

In issuing authorizations under this Section, the Commission may impose conditions and safeguards, to minimize adverse impacts on the character of the surrounding area.

63-60
COMPLIANCE

No later than June 30 of the year, beginning in the first calendar year following the calendar year in which certification was made and at three year intervals thereafter, the Chairperson shall be provided with an affidavit, in a form acceptable to the Department of City Planning, regarding compliance with the requirements of the declaration of restrictions and the regulations of this Chapter, as of a date of inspection which shall be no earlier than June 1st of the year in which the affidavit is filed. Such affidavit shall be provided by the owner(s) of the tax lot(s) on which the #FRESH food store# is located. Such affidavit shall include, without limitation.

- A copy of the original #FRESH food store# certification letter and if applicable, any approval letter pertaining to any other authorization or certification pursuant to this Chapter;
- A statement that the #floor area# or #cellar# space that was certified to be operated as a #FRESH food store# continues to be operated as such in accordance with the declaration of restrictions; and
- Photographs documenting the condition of the #FRESH food store# at the time of inspection, sufficient to clearly show all #floor area# or #cellar# space operated as #FRESH food store#.

Failure to comply with a condition or restriction in an authorization or certification granted pursuant this Chapter or with approved plans related thereto, or failure to submit a

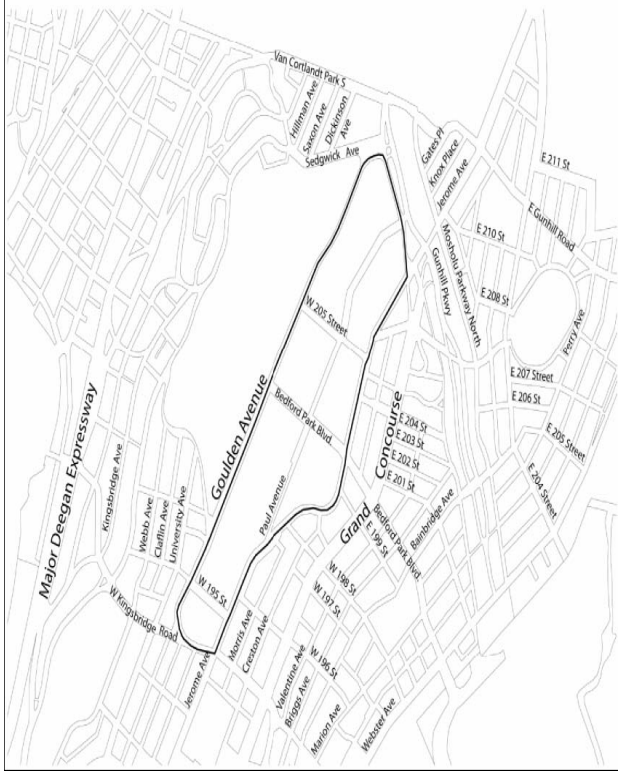

required compliance report, shall constitute a violation of this Resolution and may constitute the basis for denial or revocation of a building permit or certificate of occupancy, or for a revocation or such authorization or certification, and for all other applicable remedies.

AGENCY RULES

CONSUMER AFFAIRS

NOTICE

NOTICE OF ADOPTION

Notice of Adoption of Rule Relating to the Purchase or Use of Badges or Other Insignia and the Destruction of Identification Documents by Former Licensees.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 20-104(b) of Chapter 1, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department promulgates and adopts a rule relating to the purchase or use of badges or other insignia and the destruction of identification documents by former licensees.

These amendments were proposed and published on September 3, 2009. The required public hearing was held on October 6, 2009.

All the material is underlined since the entire text is new.

RULE

Section 1. Chapter 1 of Title 6 of the Rules of the City of New York is amended by adding new sections 1-17 and 1-18 to read as follows:

§1-17 Wearing of Badge Prohibited. No licensee or employee or agent of such licensee shall purchase, procure, or have made, or shall wear, display, carry, possess or exhibit any badge, insignia, shield, medal, decoration or facsimile thereof that in any way denotes, suggests, implies or could lead anyone to believe it confers or represents its wearer has an official or governmental status, except when required to do so by law or rule, nor shall a licensee in any way permit, authorize, encourage, acquiesce or consent to, any employee or agent doing so.

§1-18 Surrender of Identification Documents Issued by the Department. Whenever any licensee has not renewed a license upon its expiration, such former licensee shall, within not later than 10 business days after the expiration of such license, destroy all license and identification documents that have been issued to such licensee and to any of its employees or agents.

Statement of Basis and Purpose: Section 20-104 (b) of the

Administrative Code of the City of New York authorizes the Commissioner to adopt such rules as he or she deems necessary to carry out the powers and duties of the Department; to prevent and remedy fraud, misrepresentation, deceit and unconscionable dealing; and to promote fair trade practices by those engaged in licensed activities.

The practice of using false identification badges and insignia is becoming widespread among licensees who use such identification to represent that they are acting in official capacities and have official approval for actions they undertake as licensee activities.

The use of such unauthorized forms of identification, resembling official identification and easily be mistaken as genuine, is fraudulent. It uses the official status the identification confers to discourage consumers from disputing the demands licensees make as a condition for performing services. The use of such false identification also tends to discredit government agencies which are represented as having issued it.

To remedy and prevent the fraud and misrepresentation that result from the use of false badges and insignia, the Department adopts a rule that prohibits licensees from using any form of identification other than the official documents the Department issues to licensees and to their employees. These documents are to be used to identify licensees to the public when they engage in the licensed activity for which the identification documents are issued. These documents are clearly labeled to identify their purpose and to prevent them from being used to confer official governmental status on the user.

To further prevent the misuse of the official identification documents that are issued to licensees, the Department's rule will require licensees to destroy such documentation promptly after the expiration of the license under which the documents were issued. The expiration of the license also invalidates the identification documents.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>

- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
