NOTICE

On Wednesday, July 10, 2019, at 10:00 A.M., at CUNY John Jay College of Criminal Justice, Gerald W. Lynch Theatre, located, at 524 West 59th Street, New York, NY in Midtown Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above public hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of Correction (DOC). DOC is proposing to implement a borough-based jail system as part of the City's continued commitment to create a modern, humane and safe justice system and close the jails on Rikers Island. This proposed project would establish four new detention facilities located in the Bronx (745 East 141st Street), Brooklyn (275 Atlantic Avenue), Manhattan (124-125 White Street), and Queens (126-02 82nd Avenue). Each of the proposed facilities would provide approximately 1,437 beds to house people in detention. In total, the proposed project would provide approximately 5,748 beds to accommodate an average daily population of 5,000 people in a system of four borough-based jails. The proposed project would ensure that each borough facility has ample support space for quality educational programming, recreation, therapeutic services, publicly accessible community space, and staff parking.

Written comments on the DEIS are requested and would be received and considered by DOC through Monday, July 22, 2019.

This hearing is being held, pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 18DOC001Y.

The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)

NYC SENTIMENT METER - Negotiated Acquisition - Other - PIN# 05619N0004 - Due 7-19-19 at 3:00 P.M.

The New York City Police Department ("NYPD" or "Department"), is seeking to enter into a contract for a Sentiment Meter, to measure indicators of public satisfaction with the NYPD. The NYPD seeks to use technology to enable the Department to use these indicators of public satisfaction to assess whether specific policy changes and interventions impact public confidence in police and the feeling of safety among residents of New York City. This technology will enable continuous and accurate local measurement of various indices of public sentiment in every neighborhood of New York City. The NYPD anticipates that introducing these measurements will be position the Department to hone the allocation of resources, setting of priorities, and deployment of programs to best meet the needs and expectations of New York City residents.

Specifically, the NYPD is looking for a set of scores that quantify multiple dimensions of community sentiment about policing (trust and perception of safety), at a fine granularity/level of detail for geography and time. These indices are designed to serve as performance management metrics, and they enable benchmarking both internally (neighborhood-by-neighborhood) and externally (City A vs. City B). Moreover, the NYPD is looking for a web-based data analysis platform that can be used to visualize the Sentiment Meter Indices alongside demographic and concern data, and allow for the generation of reports, alerts providing actionable insight around sentiment trends.

At this point, the NYPD knows of only one vendor that offers a Sentiment Meter to measure indicators of public satisfaction with the NYPD that meets all of the above requirements. This vendor is Elucid, Inc., located at 81 Prospect Street, Brooklyn, NY 11201. Thus, the

NYPD, intends to negotiate with Elucid, Inc., and any other qualified vendors that express interest in this procurement for the provision of a Sentiment Meter, to measure indicators of public satisfaction with the NYPD. The NYPD anticipates that the contract awarded through this procurement will commence on August 1, 2019 and expire on July 31, 2022.

The NYPD is processing this procurement through the Negotiated Acquisition source selection method, pursuant to § 3-04(b)(2) of the New York City Procurement Policy Board Rules ("PPB Rules"), after determining that (1) there is a time-sensitive situation where a vendor must be retained quickly because a compelling need for services exists that cannot be timely met through competitive sealed bidding or competitive sealed proposals, and (2) there is a limited number of vendors available and able to provide the required services. See Sections 3-04(b)(2)(i)(D) and 3-04(b)(2)(ii) of the PPB Rules.

Vendors who wish to express an interest in this procurement should contact Deputy ACCO Jordan Glickstein, at jordan.glickstein@nypd.org or submit a written request to: Deputy ACCO Jordan Glickstein, NYPD Contract Administration Unit, 90 Church Street, Suite 1206, New York, NY 10007. The Deadline for receipt of any such expressions of interest is July 19, 2019, at 3:00 P.M.

This procurement is subject to participation goals for MBEs and/or WBEs, as required by Section 6-129 of the New York City Administrative Code.

PROVISION OF VESSEL CLASSIFICATION SERVICES FOR THE NYCDOT STATEN ISLAND FERRY (SIF) FLEET OF

PASSENGER AND MISCELLANEOUS VESSELS - Sole Source - Available only from a single source - PIN#84119SISI323 - Due 7-17-19 at 2:00 P.M.

The New York City Department of Transportation (NYCDOT), intends to enter into a sole source agreement with ABS for the provision of vessel classification services for the NYCDOT Staten Island Ferry (SIF) Fleet of passenger and miscellaneous vessels.

On October 2018, the Agency Chief Contracting Office's office determined, in accordance with Section 3-05(b) of the Procurement Policy Board Rules, that ABS is the only classification society that can issue vessel certification documentation demonstrating compliance with these rules. This includes initial certificates and ongoing compliance verified by in-service surveys. Accordingly, ABS must be the classification society to perform these ongoing surveys and classification activities. ABS is a marine classification society. The purpose of a marine classification society, is to provide classification and statutory services and assistance to the Maritime industry and regulatory bodies with regard to maritime safety and pollution prevention. The objective of ship classification is to verify the structural strength and integrity of essential parts of a ship's hull and its appendages, and the reliability and function of the propulsion and steering systems, power generation, and other essential features and auxiliary systems. A vessel that has been designed and built to the appropriate rules of a society may apply for a certificate of classification from that society following completion of relevant surveys. For vessels in service, the classification society carries out surveys to verify that the vessel remains in compliance with the rules of the society. These rules have been established in concert with other international classification societies and are held in common. All SIF vessels, including passenger ferries and miscellaneous vessels, are designed and built in accordance with the relevant ABS Rules for Steel Vessel Construction.

Vendors may express interest in providing this service by contacting Josiane Destra-Louis, New York Department of Transportation, Agency Chief Contracting Officer's Office, 55 Water Street, 8th Floor, New York, NY 10041, no later than July 17, 2019, at 2:00 P.M.

STATEMENT OF BASIS AND PURPOSE

Local Law No. 48 of 2019 amended the New York City Administrative Code to permit the creation of legal defense trusts to pay for enumerated expenses related to certain legal liabilities incurred by public servants. This law, codified at Chapter 11 of Title 3 of the New York City Administrative Code, is entitled "Legal Defense Trusts" ("Chapter 11"), and it sets forth requirements about the types of legal defense trusts that may be created, the manner in which such trusts must be registered with the Conflicts of Interest Board ("Board"), the source and amount of the contributions the trust may accept, how trust funds may be utilized, and reporting requirements for donations and expenditures. The Board is charged with administering, enforcing, and promulgating rules necessary to implement Chapter 11.

These proposed rules would implement Chapter 11 and be codified as a new Chapter 5 of Title 53 of the Rules of the City of New York ("Board Rules"). To clarify and assist with compliance with the requirements set forth in Chapter 11, the proposed rules would: (1) define "in-kind donation" and "pro bono assistance"; (2) establish how the Board would aggregate contributions; (3) identify specific documents and information that must be submitted to the Board as part of the reporting requirements of Administrative Code § 3-1103; (4) establish reporting requirements related to the dissolution of legal defense trusts; (5) establish the manner in which information and documents must be submitted; and (6) establish document retention requirements.

Set forth below is a more detailed description of the rules being proposed.

Section 5-01: This proposed section would define "in-kind donation" and "pro bono assistance." The proposed definition of "in-kind donation" would include any donation of any value, but exclude routine and incidental personal expenses paid by a trustee or volunteer clerical staff for the administration of the trust, such as the use of a personal laptop or a trustee paying for his or her own travel expenses. Such personal expenses of the trustee(s), including the value of travel, meals, or the use of space in connection with the administration of the trust, are not expenditures payable or reportable by the trust pursuant to Administrative Code § 3-1102(f)(1)(b) when they are not billed to or paid by the trust.

The proposed definition of "pro bono assistance" would include only professional services, such as legal, accounting, and fundraising services. The proposed definition would exclude work done by a trustee for the purpose of administering the trust, such as preparing the trust agreement and submissions to the Board, maintaining required records, or communicating with beneficiaries and government agencies, as well as work done by clerical volunteers, such as folding letters for a mass mailing.

Section 5-02: This proposed section would require the aggregation of donations for both the \$5,000 donation limit and for the \$100 reporting threshold. In the interests of preventing the use of cash to circumvent or otherwise evade scrutiny on the source of contributions, proposed Board Rules § 5-03(b) would prohibit the acceptance of cash totaling \$100 or more from a single donor.

This proposed section would also clarify that in-kind donations and pro bono services may only be accepted for the purpose of administering the trust pursuant to Administrative Code § 3-1102(f)(1) (b). This would establish that a legal defense fund can only accept in-kind donations or pro bono services for which it could have permissibly made expenditures to acquire.

Section 5-03: This proposed section would implement the reporting requirements of Administrative Code § 3-1103. Proposed Board Rules §§ 5-04(a)(2) and 5-04(b)(2) would require the trustee(s) to submit electronic copies of the listed documents to ensure compliance with the law's limitations on the source of donations, donation limits, and permissible expenditures.

Section 5-04: This proposed section would establish reporting requirements for the termination of legal defense trusts. Upon dissolution of a legal defense trust, the trustee(s) would be required to submit the listed documents and information to confirm compliance with Administrative Code § 3-1104.

Section 5-05: This proposed section would require submission of all documents and information required by these rules using the reporting website maintained by the Board.

Section 5-06: This proposed section would establish record retention procedures by which the Board would ensure compliance with the requirements of Chapter 11.

New material is underlined.

Section 1. Title 53 of the Rules of the City of New York is amended by adding a new Chapter 5, entitled "Legal Defense Trusts" to read as follows:

CHAPTER 5 LEGAL DEFENSE TRUSTS

§ 5-01 Definitions.

"In-kind donation" means any donation of any value, other than money, such as the use of space, materials, supplies, or perishables. The donation value of an in-kind donation will be established by a reasonable estimate of that portion of its fair market value that is not paid or reimbursed by the trust. Personal expenses paid by the trustee(s) or volunteer clerical staff for the purpose of administering the trust are not in-kind donations.

"Pro bono assistance" means the provision of professional services, including but not limited to legal, accounting, and fundraising services. The donation value of pro bono assistance will be established by a reasonable estimate of that portion of its fair market value that is not paid or reimbursed by the trust. Pro bono assistance does not include uncompensated work by the trustee(s) for the purpose of administering the trust or volunteer clerical assistance.

§ 5-02 Donations.

- (a) Multiple donations made by a person shall be aggregated for the purposes of the:
 - (1) \$5,000 donation limit established in Administrative Code § 3-1102(e)(1); and
 - (2) \$100 reporting threshold established in Administrative Code § 3-1103(a)(1).
- (b) A legal defense trust may not accept cash totaling \$100 or more from a single donor.
- (c) A legal defense trust may not accept a donation without having received the signed disclosure document from the donor as required by Administrative Code § 3-1102(e)(3).
- (d) In-kind donations and pro bono assistance may only be accepted for the purposes of administering the trust, pursuant to Administrative Code § 3-1102(f)(1)(b).

§ 5-03 Reporting and Disclosure.

- (a) In addition to the information required by Administrative Code § 3-1103(a)(1) regarding the reporting of donations, the trustee(s) must:
 - (1) Disclose
 - (i) the description and use of any in-kind donation and any pro bono assistance accepted; and
 - (ii) the date and amount of any refund to a donor.

(2) Submit the following documents:

 - (ii) a copy of the receipt, check, or other document establishing that a refund, if any, was made by the legal defense trust;
 - (iii) a copy of the receipt or other written record establishing the value of in-kind donations or pro bono assistance; and
 - (iv) a copy of the donor's signed disclosure document.
- (b) In addition to the information required by Administrative Code § 3-1103(a)(2) regarding the reporting of expenditures, the trustee(s) must:
 - (1) Disclose
 - (i) the date the expense was incurred;
 - (ii) the date the expense was paid; and
 - (iii) the amount, if any, returned to the trust pursuant to Administrative Code § 3-1102(f)(4).
 - (2) Submit the following documents:
 - (i) a copy of the itemized receipt for each expense; and
 - (ii) a copy of the check or other document establishing that the expenditure was paid by the legal defense trust.
 - (c) Quarterly reports submitted by the legal defense trust must include all bank, credit card, and merchant account statements received by the trust during the reporting period.

§ 5-04 Dissolution.

- (a) If the trustee(s) returns donations on dissolution of a legal defense trust, the trustee(s) must submit in the last disclosure report pursuant to Administrative Code § 3-1103:
 - (1) the name and address of each donor receiving a refund;
 - (2) the amount of the refund;
 - (3) the date of the refund; and
 - (4) a copy of the check or other document establishing that the refund was made.
- (b) If the trustee(s) transfers donations to a charitable organization upon dissolution of a legal defense trust, the trustee(s) must submit in the last disclosure report submitted pursuant to Administrative Code § 3-1103:
 - (1) the name and address of each charitable organization receiving a transfer;
 - (2) the amount of the transfer;

 - (4) a copy of the check or other document establishing that the transfer was made.

§ 5-05 Electronic Submission of Compliance Documents.

■ NOTICE

Notice of Adoption of Rules Pursuant to the Emergency Procedures of Section 1043(i)(1) of the New York City Charter

Pursuant to the emergency procedures set forth in Section 1043(i) of the New York City Charter ("Charter") and pursuant to the rulemaking authority granted to the Department of Finance ("DOF") by Vehicle and Traffic Law ("VTL") Section 237, Administrative Code Section 19-203, and Charter Sections 1043 and 1504, DOF adopts the following emergency rule relating to the monetary penalty for violations of the New York City Bus Lane Restriction Program as established by VTL Section 1111-c. This rule will take effect immediately.

Statement of Basis and Purpose of Emergency Rule

On June 24, 2019 the Governor signed into law Chapter 39 of the Laws of 2019. This act amends VTL Section 1111-c(e) relating to the monetary penalty imposed upon an owner of a motor vehicle for a violation of a bus lane restriction within a bus rapid transit program, from an amount not to exceed \$115.00 to an amount not to exceed \$50.00. Section 3 of Chapter 39 provides that it shall take effect immediately and that "[e]ffective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized and directed to be made and completed on or before such effective date."

VTL Section 1111-c(e) provides that an owner liable for a violation of a bus lane restriction imposed on any route within a bus rapid transit program shall be liable for monetary penalties in accordance with a schedule of fines and penalties promulgated by the New York City Parking Violations Bureau, which is authorized by Administrative Code Section 19-203.

In order to comply with this act, this emergency rule amends the monetary penalty for each violation of VTL 1111-c from \$115.00 to \$50.00 as set forth in Subdivision (a) of Section 39-18 of Title 19 of the Rules of the City of New York.

This rule is authorized by VTL Section 237, Administrative Code Section 19-203, and Charter Sections 1043 and 1504. Pursuant to Charter Section 1043(d)(4), this rule does not require analysis by the Office of Operations.

New material is underlined.

[Deleted material is in brackets.]

Subdivision (a) of Section 39-18 of Title 19 of the Rules of the City of New York is amended to read as follows:

Liability. The liability of an owner, pursuant to § 1111-c of the vehicle and traffic law shall be ~~[\$115.00]~~ \$50.00.

Finding Pursuant to New York City Charter Section 1043(i)

On June 24, 2019, the Governor signed into law Chapter 39 of the Laws of 2019. This act amends VTL Section 1111-c(e) relating to the monetary penalty imposed upon an owner of a motor vehicle for a violation of a bus lane restriction within a bus rapid transit program from an amount not to exceed \$115.00 to an amount not to exceed \$50.00. Section 3 of the act provides that it shall take effect immediately and that "[e]ffective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized and directed to be made and completed on or before such effective date."

VTL Section 1111-c(e) provides that an owner liable for a violation of a bus lane restriction imposed on any route within a bus rapid transit program shall be liable for monetary penalties in accordance with a schedule of fines and penalties promulgated by the parking violations bureau of the City of New York, which is authorized by Administrative Code Section 19-203.

In order to comply with this act, this emergency rule amends the monetary penalty for violations of VTL 1111-c from \$115.00 to \$50.00 as set forth in Subdivision (a) of Section 39-18 of Title 19 of the Rules of the City of New York.

Therefore, pursuant to Subdivision (i) of Charter Section 1043, I find that the adoption of this rule on an emergency basis is necessary to comply with an act passed by the Legislature and signed into law by the Governor. This emergency rule will take effect immediately upon its adoption and will remain in effect for not more than 120 days while DOF commences rulemaking for the purpose of promulgating a permanent rule. During that time, DOF will continue to engage in discussions with other affected City agencies about the permanent rulemaking.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
