MESSAGES FROM HIS HONOR THE MAYOR.

The Vice-Chairman laid before the Board the following message from his Honor the Mayor:

No. 1838.

City of New York, Office of the Mayor, }
May 31, 1905 }

To the Honorable the Board of Aldermen:

Gentlemen—I return herewith, without my approval, a resolution passed by your Honorable Body May 16, 1905, entitled:

"Resolution requesting the Comptroller to pay Frank Rinschler for work done for Department of Public Charities."

It appears that on September 10, 1903, the Department of Public Charities entered into a contract with Frank Rinschler for the construction of a dormitory at the New York City Farm Colony in the Borough of Richmond, for the sum of \$48,525. Subsequently certain additions and modifications of the original plans called for some additional labor and materials, and several contracts for the same in amounts less than \$1,000 each, were awarded to Mr. Rinschler, although these contracts in the aggregate

exceeded the sum of \$1,000. I am informed that the Comptroller, acting upon the advice of the Corporation Counsel, has refused to pay this claim amounting to \$2,665 on the ground that the several contracts, involving in the aggregate an amount more than \$1,000, were not let after competitive bidding in accordance with the law, although there is no question but that the work has been fully performed by Mr. Rinschler.

This resolution authorizes and requests the Comptroller to pay the said claim of Frank Rinschler in the amount of \$2,665. I know of no power in the Board of Aldermen to settle and adjust claims against the City. If Mr. Rinschler has a legal claim against the City he has his remedy in an action in the courts. If, on the other hand, the law has been violated, there is no way by which the Board of Aldermen can pass an enabling resolution so as to allow Mr. Rinschler to collect this claim.

Under section 419 of the Charter the Board of Aldermen could undoubtedly have authorized the making of these contracts without public letting, but that section is hardly broad enough, in my opinion, to allow the adoption of a resolution legalizing a claim for work done under contracts which were let in violation of its provisions.

Respectfully,

GEO. B. McCLELLAN, Mayor.

The Committee on Finance, to whom was referred on April 25, 1905 (Minutes, page 216), the annexed communication from the President of the Borough of Richmond in favor of paying the claim of Frank Rinschler, \$2,265, for work done for the Department of Public Charities, respectfully

REPORT:

That, having examined the subject, they believe the proposed claim to be just. They therefore recommend that the annexed resolution be adopted.

President of the Borough of Richmond, }
New Brighton, N. Y., April 25, 1905. }

P. J. SCULLY, City Clerk and Clerk to the Board of Aldermen, City Hall, New York City:

Dear Mr. Scully—I hand to you herewith a communication from Mr. Frank Rinschler of this borough, addressed to the Board of Aldermen, asking the authorization of the Board of the payment to him by the Comptroller of his claim against the City in the total sum of \$2,265, for work and materials furnished the City after competitive bids invited by the Department of Charities.

Will you kindly see that the communication is presented to the Board at its meeting to-day? It will undoubtedly be referred in regular course to the Finance Committee, before which Mr. Rinschler will be glad to appear at its next meeting to give a more detailed explanation of his claim and furnish such proofs as the Committee may require.

Very truly yours,

GEORGE CROMWELL.

Stapleton, N. Y., April 24, 1905.

P. J. SCULLY, Esq., City Clerk, and Clerk of the Board of Aldermen, City Hall, New York, N. Y.:

Dear Sir—On September 10, 1903, I entered into contract with The City of New York, through its Department of Public Charities, for furnishing all the labor and materials required for the erection and completion of a new male dormitory at the New York City Farm Colony, Borough of Richmond, for the sum of \$48,525. While the work on the above contract was in progress competitive bids were invited "to furnish all labor and material as per plans and specifications drawn by the architects for concreting area and under walls, drain-pipes, bends, back filling, cement, plastering and bell traps." My bid for the same was the sum of \$845. Subsequently, on December 16, 1903, I was ordered to proceed with the work by letter from the Department of Public Charities, a copy of which is hereto annexed.

While the work on the above contract for \$48,525 was in progress competitive bids were also invited "to build and set up at male dormitory building, fourteen tables 3 by 12, and six tables 3 by 16, with iron or wooden standards 1½ top to be covered with zinc." My bid for the same was the sum of \$570. Subsequently, on August 26, 1904, I was ordered to proceed with the work by letter from the Department of Public Charities, a copy of which is hereto annexed.

While the work on the above contract was in progress competitive bids were also invited "to furnish all labor and material as per plans and specifications drawn by the architects for stone area wall with coping around the male dormitory at the New York City Farm Colony." My bid for the same was the sum of \$850. Subsequently, on December 16, 1903, I was ordered to proceed with the work by letter from the Department of Public Charities, a copy of which is hereto annexed.

The above work has been fully performed by me and I have as yet received no payment therefor. The said work was also duly passed upon and approved by the Inspectors of the Department of Finance. No part of the money due and owing me under the said orders has been paid and there is still due and owing the full amount of the three orders, to wit, the sum of \$2,265.

I beg respectfully to ask that the Board of Aldermen authorize the payment of the sum of \$2,265 on the above orders.

Very truly yours,

FRANK RINSCHLER.

Mr. FRANK RINSCHLER, P. O. Box 692, Stapleton, S. I.:

Dear Sir—Your proposition of December 12, 1903, to furnish all labor and material as per plans and specifications drawn by the architects for the stone area wall with coping around the Male Dormitory at the New York City Farm Colony, for the

Extra on contract.

Whereas, The Department of Public Charities did, on September 10, 1903, enter into a contract with Frank Rinschler to furnish all the labor and materials required for the erection and completion of a new male dormitory at the New York City Farm Colony, in the Borough of Richmond, for the sum of \$48,525; and

Whereas, Subsequent thereto and on December 16, 1903, and August 26, 1904 (as is more specifically shown in the hereto annexed communications), certain additions to, or modification and amendment of, the original plans and specifications for the improvement of the said New York City Farm Colony required additional labor and materials, the several contracts for which were awarded to the aforesaid Frank Rinschler, and which contracts in the aggregate exceed the sum of one thousand dollars; therefore

Resolved, That the Comptroller be and he is hereby authorized and requested to pay the claim of Frank Rinschler, amounting in total to the sum of two thousand two hundred and sixty-five dollars (\$2,265), the said sum to be payment in full for all labor and materials furnished in accordance with the provisions of the several additional contracts entered into between the Department of Public Charities and the said Frank Rinschler, under date of December 16, 1903, and August 26, 1904, for labor and materials furnished at the New York City Farm Colony, in the Borough of Richmond.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The Vice-Chairman laid before the Board the following message from his Honor the Mayor:

No. 1209.

City of New York, Office of the Mayor, }
June 5, 1905. }

To the Honorable the Board of Aldermen of The City of New York:

Gentlemen—I return herewith, without my approval, an ordinance entitled:

"An ordinance to prohibit exhibitions of dentistry in The City of New York."

It is provided in section 2 of the proposed ordinance that for each and every violation of its provisions, "the person so offending shall be deemed guilty of a minor offense and upon conviction thereof by any Magistrate, either upon confession or by competent testimony, shall be fined in the sum of ten dollars, or stand committed to the City Prison; such commitment, however, shall not exceed five days."

The term "minor offense" hardly seems to be the proper one to use in this connection. A violation of a City ordinance constitutes a misdemeanor, but it is not necessary that it should be characterized as such in the ordinance. The State alone has power to say what offenses shall be misdemeanors. It is sufficient in an ordinance of this nature to provide a suitable punishment for the violation of its provisions, leaving it to the law of the State to determine the degree of the offense.

Furthermore, I have serious doubt as to the validity of an ordinance of this kind. While the Board of Aldermen have the power to regulate the use of the streets for certain purposes, I question whether they have the right to discriminate against a particular trade or profession in this manner. If the exhibitions referred to in the proposed ordinance prove in any way offensive to the public decency or injurious to public health, they should without doubt be forbidden, but in that event the adoption of this ordinance is unnecessary, for in my opinion the municipal authorities have already ample power under the existing laws to suppress nuisances of that character.

Respectfully,

GEO. B. McCLELLAN, Mayor.

The Committee on Streets, Highways and Sewers, to whom was referred on February 21, 1905 (Minutes, page 889), the annexed ordinance in favor of prohibiting the exhibition of dentistry upon the streets of the City, respectfully

REPORT:

That, having examined the subject, they return the proposed ordinance to the Board without recommendation.

FRANK L. DOWLING, PATRICK CHAMBERS, ANDREW J. DOYLE, ARTHUR H. MURPHY, CHARLES W. CULKIN, JOSEPH SCHLOSS, ANDREW M. GILLEN, Committee on Streets, Highways and Sewers.

(Papers referred to in preceding Report.)

The Committee on Laws and Legislation, to whom was referred on November 29, 1904 (Minutes, page 740), the annexed ordinance in favor of prohibiting the exhibition of dentistry on the streets in The City of New York, respectfully

REPORT:

That, having examined the subject, they believe the word "misdemeanor" in the third line of section 2 should be stricken out and the words "minor offense" substituted in lieu thereof, with this amendment.

They recommend that the said ordinance as amended be adopted.

AN ORDINANCE to prohibit exhibitions of dentistry in The City of New York.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. Hereafter it shall be unlawful for any dentist or other person practicing dentistry, to ply his profession, in any of its branches, either for exhibition or for hire, in any of the streets, thoroughfares or public places of The City of New York.

Sec. 2. For each and every violation of the provisions of this ordinance the person so offending shall be deemed guilty of a minor offense, and upon conviction thereof by any Magistrate, either upon confession or by competent testimony, shall be fined in the sum of ten dollars, or stand committed to the City Prison; such commitment, however, shall not exceed five days.

ISAAC MARKS, WILLIAM E. MORRIS, JAMES COWDEN MEYERS, JAMES W. REDMOND, DANIEL E. SICKLES, JOHN V. COGGEY, WILLIAM J. BOYHAN, J. RICHARD KEVIN, CHARLES W. CULKIN, Committee on Laws and Legislation.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

PETITIONS AND COMMUNICATIONS.

No. 1999.

Southern New York Volunteer Firemen's Association, }
New York, May 31, 1905. }

To the Honorable Committee on Fire of the Board of Aldermen:

Gentlemen—At a meeting of the Board of Aldermen, held on the 16th inst., resolutions were presented relative to confirming several persons as members of volunteer fire companies in the boroughs of Queens and Richmond, which resolutions were referred to your Honorable Committee.

At a meeting of the board of officers and directors of the Southern New York Volunteer Firemen's Association, held on the 27th inst., its attention was called to the fact that the Board of Aldermen is requested to confirm persons as members of volunteer fire companies who are non-residents of the boroughs mentioned, and have never performed fire duty in the said boroughs.

As the confirmation of these people would work an injustice to the regular volunteers who have performed, or are now performing, active duty, a committee of three was appointed to confer with your Honorable Committee on the matter, and I respectfully ask that no action be taken on the same until a hearing is had.

Will you kindly let me know at your earliest convenience when and where your Honorable Committee will meet to consider the matter.

Respectfully,

JAMES J. BYRNES, President.

Hon. JOSEPH P. SCULLY, Esq., City Clerk, Borough of Manhattan, New York:

Dear Mr. Scully—I beg to inclose herewith a list of the members elected to the Murray Hill Hose Company 4 of Flushing since January 1, 1898, and a list of the members discharged since that date, showing date of election as well as date of discharge, and will ask you to kindly have the same presented at the next meeting of the Board of Aldermen and approved.

I presume Alderman James from our district will handle this, but I sent it to you as the proper officer to whom it should be directed.

I might add here, in view of the publicity which has been given to some volunteer companies, that there is not one on the list who resides outside of the old limits of the Village of Flushing, and there is not now nor has there ever been a single member of the company who is not a bona fide resident within the limits of the Village of Flushing a member of this company.

I trust that this matter will receive consideration at the next meeting of the Board.

Yours very truly,

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
