06923Y0162-MAINTENANCE SERVICE OF 2 XEROX NUVERA MICR 100 & 144 PRINTERS, INCLUDING 3X7 EXTENDED SERVICE - Request for Information - PIN# 06923Y0162 - Due 11-30-22 at 4:00 P.M.

Office of Information Technology Services of the Department of Social Services, is requesting a Sole Source procurement, for maintenance of two Xerox Nuvera MICR 100 & 144 Printers. The period of service is 1/1/2023- 12/31/2023. The amount requested for FY23 is \$210,758.81.

Maintenance for MICR machines is needed, because they are being utilized for printing of MICR line on the checks, and the line is expected to be of a certain guaranteed quality that is pre-approved by banks. Therefore, it is imperative that these printers are being serviced and maintained efficiently so that we do not have to manually program these machines in order to complete any printing task; this reduces the risk of error because of the necessary parameters (e.g., page imposition, page ordering and trimming) and these are set automatically when a job enters the workflow. It also maximizes productivity by enabling prints to be output to stack carts at full rates print speed and is also cost- effective without the need for multiple, dedicated in-line finishing devices.

Xerox Corporation, is the sole source provider for Service and Maintenance for NYC HRA Xerox Nuvera 288 printers.

If you have any questions, please email "frazierjac@dss.nyc.gov" with the subject line "06923Y0162- Maintenance Service of 2 Xerox Nuvera MICR 100 & 144 Printers, including 3x7 Extended Service. #### Statement of Basis and Purpose of Proposed Rule

The Department of Consumer and Worker Protection ("DCWP" or "Department") is proposing to amend its rules about the authority it delegates to the Office of Administrative Trials and Hearings ("OATH").

Currently, the Department's rules require it to file all violations of laws and rules related to regulating relationships in the workplace or conferring rights or benefits on workers in the Trials Division at OATH. City Council has recently passed new laws that regulate such labor issues and also contain licensing requirements. These laws are codified in chapter 2 of title 20 of the Administrative Code. Some examples include local law 150 of 2021, which regulates and requires construction labor providers to be licensed, and local law 100 of 2021, which regulates and requires third-party food delivery services to be licensed. The Department is proposing amendments to allow violations of these licensing provisions to be filed in the Hearings Division at OATH even though they relate to labor law issues, because the Hearings Division provides for more streamlined and efficient adjudications, and the adjudication of these licensing violations typically does not warrant the lengthier fact-finding process conducted by the Trials Division.

Additionally, the Department's rules currently require it to issue a written decision no sooner than 60 days from issuance of an OATH recommended decision. However, OATH recently extended the deadline for parties to reopen a default decision after a failure to appear at OATH from 60 days to 75 days. See 48 RCNY 6-21. The Department is thus proposing an amendment to ensure the Department does not issue a written decision sooner than 75 days from issuance of an OATH recommended decision to ensure a written decision is not issued prior to the deadline for a party to reopen a proceeding at OATH.

Sections 1043, 2203(f), and 2203(h)(1) of the New York City Charter, and Sections 20-104(b), of the New York City Administrative Code authorize the Department to make these proposed amendments.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

#### § 6-02 Recommended Decisions.

- (a) OATH shall issue a recommended decision in the following cases:
- (1) all proceedings heard by the adjudicatory body authorized to conduct trials at OATH pursuant to 48 RCNY Chapter 1; and
- (2) all violations of the following statutes and of rules or regulations promulgated pursuant to such statutes: Article 13-F of the New York State Public Health Law; Article 11 of the New York State General Business Law; Article 5 of the New York State General Business Law; and Sections 192, 192-a, 192-b, and 192-c of Article 16 of the New York State Agriculture and Markets Law.
- (b) Upon issuance of OATH's recommended decision in the matter, the Commissioner or the Commissioner's authorized designee may adopt, reverse, or modify that recommended decision. Where the Commissioner or the Commissioner's authorized designee determines that the record in the underlying proceeding has not, in whole or in part, been fully developed, he or she may send the case or claim back for development of a complete record. If the Commissioner or Commissioner's authorized designee sends back a case or claim to OATH, OATH shall issue a recommended decision at the conclusion of the additional proceedings.
- (c) For all cases requiring a recommended decision pursuant to subdivision a of this section, the petition or summons must include a statement notifying the respondent that OATH will issue a recommended decision that the Commissioner or the Commissioner's authorized designee may adopt, reverse, modify, or send back to OATH in whole or in part for further proceedings.
- (d) Within thirty (30) days of the issuance of the recommended decision, any party to the proceeding may submit to the Commissioner by regular mail, email, or delivery to the Department at its main office, a written argument setting forth the reasons why the Commissioner should adopt, reverse, or modify the decision, or send the decision, in whole or in part, back to OATH for additional proceedings. The Commissioner may prescribe one or more forms to be used for submission of such argument, which may include a specific email and office address. The Commissioner or the Commissioner's authorized designee will consider any challenge made by any party provided that the party timely made its objection known to OATH and that the grounds for such challenge are limited to those set forth to OATH.
- (e) Not less than [sixty (60)] seventy-five (75) days after the issuance of the recommended decision, the Commissioner or the Commissioner's authorized designee will issue a written decision affirming, reversing or modifying the recommended decision, or remanding the matter back to OATH for further proceedings. Except as provided in subdivision f of this section, or with respect to written decisions that send back any part of a matter to OATH for additional proceedings, the Commissioner's decision adopting, reversing, or modifying the recommended decision shall constitute a final agency determination. The written decision from the Commissioner or the Commissioner's authorized designee will be based on a review of the recommended decision and may consider the trial record from OATH, written arguments submitted to the Department pursuant to subdivision d of this section, any motion papers or other written submissions filed at OATH, and any other OATH decisions bearing on the merits of the case.
- (f) If the Commissioner or the Commissioner's authorized designee adopts a recommended decision issued by OATH for a finding of default, and thereafter OATH finds sufficient grounds to vacate the default, the default and the Commissioner's original decision shall be vacated and a new hearing shall be allowed on all of the charges in the original notice of violation. The recommended decision resulting from such hearing will be subject to the provisions of this section.
- (g) Whenever the interests of justice so require, the Commissioner or the Commissioner's authorized designee may reopen, vacate, or modify any final determination, provided that such action may only be taken prior to the commencement of a judicial proceeding to review such determination. Notwithstanding the preceding sentence of this

subdivision, after the commencement of a judicial proceeding to review such determination, the Commissioner or the Commissioner's authorized designee may reopen, vacate, or modify any final determination upon the consent of the parties or judicial order.
