The number of lodgings furnished by the "Refuge," corner Avenue D and Tenth street, for the quarter ending March 31, 1877, was 25,964. This number, added to those furnished at the several stations, makes a total of 53,985, a decrease from the corresponding quarter last year of 24,803. This large difference would seem to indicate that indigency has decreased correspondingly, and that poverty and its consequent suffering has been much less than is generally supposed. But it is believed that a vigorous enforcement of the laws against vagrancy has had the effect to deter the habitual lodger from applying for lodgings more than once at the same station. Many tramps have been forced to leave the city by reason of this enforcement, and in order to evade the arrest almost certain to follow repeated applications for lodging.

The number of arrests for vagrancy during the quarter covered by this report, was 1,123. For the corresponding quarter last year, 548, an increase of 575.

TERMS OF SALE.

Twenty per cent. on the yearly rent bid for each parcel to be paid to the Collector of City Revenue at the time and place of sale; and the successful bidder will be required, at the same time, to have an obligation executed by two sureties, to be approved by the Comptroller, for carrying into effect the terms of sale.

Twenty per cent., when paid, will be credited on the first quarter's rent; or forfeited, if the lessee does not execute the lease and bond within fifteen days after the sale; and the Comptroller shall be authorized, at his option, to resell the premises bid off by those failing to comply with the terms as above; and the party so failing to comply to be liable for any deficiency that may result from such resale.

No person will be received as lessee or surety who is delinquent on any former lease from the Corporation. No bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation. (Sec. 99 of Charter of 1873.)

The leases will contain the usual covenants and conditions, reserving to the Corporation the right to cancel the lease whenever the premises may be required by them for public purposes.

All repairs will be made at the expense of the lessees, and no deduction whatever will be allowed for damage by reason of any sickness or epidemic that may prevail in the city during the continuance of the lease.

The lessees will be required to give a bond for double the amount of the annual rent, with two sureties, to be approved by the Comptroller, conditioned for the payment of the rent quarter-yearly, and the fulfillment on their part of the covenants of the lease.
