Alderman Strack moved that Alderman Cavanagh be appointed Temporary Chairman. The Clerk put the question whether the Board would agree with said motion. Which was decided in the affirmative.

COMMUNICATIONS FROM THE COUNSEL TO THE CORPORATION.

The Temporary Chairman laid before the Board the following:

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, January 29, 1881.

F. J. TWOMEY, Esq., Clerk of the Common Council:

DEAR SIR—I have the honor to acknowledge the receipt of a copy of your communication, stating that the Board of Aldermen desire my opinion as to the number of votes required by the charter to elect a President of the Board of Aldermen.

In answer to a request of the Mayor, I have prepared and communicated to him my opinion upon the subject, a copy of which he will transmit to the Board.

Yours respectfully,

W. C. WHITNEY, Counsel to the Corporation.

The Temporary Chairman also laid before the Board the following:

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, January 25, 1881.

JOHN TRACEY, Esq., Chief Clerk of the Mayor:

SIR—I have received your letter of this date, communicating the request of the Mayor for my opinion "As to whether, under the provisions of section 6 of chapter 335 of the Laws of 1873, the votes of a majority of all the members elected, or only those of a majority of the members present and voting, are necessary to the choice of a President of the Board of Aldermen."

The charter, section 5, chapter 335 of the Laws of 1873, provides that a majority of the Board of Aldermen shall constitute a quorum. Section 6 provides that the Board shall "choose a President from its own members, by a call of the names of the members of the Board, upon which call each member shall announce his choice."

The charter provides that the votes of a certain proportion of the members elected to the Board shall be necessary for certain specified purposes; for example, a vote of a majority of all the members elected is necessary to pass an ordinance or resolution.

Also, in case an ordinance or resolution involves expenditure of money, or the laying of an assessment, the votes of three-fourths of all the members elected are necessary to its passage.

For expenditure of moneys for a celebration or procession the votes of four-fifths of all the members elected are necessary.

Also, to remove from office a President of the Board, the vote of four-fifths of all the members elected is necessary.

No special provision however is made in the charter in relation to the number of votes necessary to the election of a President, and the case is therefore governed by the general rules applicable to Boards.

By the general provision of the Revised Statutes it is provided that, "whenever a duty has been or shall be enjoined by law upon three or more persons or officers, and one or more of them shall have died, or shall have become mentally incapacitated to act, or shall refuse or neglect to attend a meeting of such persons upon reasonable personal notice thereof, then the action of a majority of the whole number appointed shall be binding and effective for all the purposes for which they were appointed, unless special provision is otherwise made in existing laws."

(R. S., section 29, page 862, vol. 3, 6th ed., Banks Brothers.)

So that a majority are competent, in the absence of statutory prohibition to the contrary, to discharge the functions given to a Board, provided all have been notified properly to be present; and further, at common law, and under the decisions of this State, when a majority of a Board are present, under circumstances entitling them to act for the Board, a majority of those present can perform every valid act which the Board are authorized to perform, unless special statutory provision to the contrary is found. The rule is found stated in Kyd on Corporations, Vol. 1, page 401, as follows:

"It cannot be disputed that wherever a certain number are incorporated, a major part of them may do any corporate act. So if all be summoned, and part appear, a major part of those that appear, may do a corporate act, though nothing be mentioned in the charter of the major part."

This proposition is quoted from Lord Chancellor Hardwicke.

The rule is recognized in the case ex parte Willcocks, 7 Cow., 409, as follows:

"The general rule also is that to make a quorum of a select and definite body of men possessing the power to elect, a majority at least must be present, and then a majority of the quorum may decide."

In Coles vs. the Trustees of Williamsburg, 10 Wend., 659, speaking with reference to a board of five trustees of a village, Chief Justice Nelson says:

"The act requires three out of the five, or a majority, to make a quorum. If there were but three present, then the votes of two, being a majority, would be valid."

I am, therefore, of the opinion that a President may be chosen by the votes of a majority of the members present, and constituting a quorum of the Board.

I am, sir, yours respectfully,

W. C. WHITNEY, Counsel to the Corporation.

The communications were read and ordered on file.

The Temporary Chairman then instructed the Clerk to call the roll of members, as provided in section 6 of chapter 335, Laws of 1873, when each one was to announce his choice for President of the Board.

Which proceeding resulted as follows:

For Alderman Joseph J. McAvoy—Aldermen Cavanagh, Keenan, B. Kenney, Murphy, Power, Sauer, Sheils, and Strack—8.

For Alderman William Sauer—Aldermen P. Kenney, Kirk, McAvoy, and Slevin—4.

For Alderman Henry C. Perley—Alderman McClave—1.

The Commission created by chapter 550 of the Laws of 1880, to revise, vacate, or modify assessments for local improvements in the City of New York, met pursuant to adjournment.

Present—All the members, viz.: Commissioners Edward Cooper (Chairman), John Kelly, Allan Campbell, George H. Andrews, and Daniel Lord, Jr.

The minutes of the meeting held December 21, 1880, were read and approved.

The Clerk presented copies of the CITY RECORD and "Daily Register" of January 18, 1881, showing due publication of notice of the present meeting.

The Clerk stated that he had been unable to procure the assignment of a suitable room in any of the city buildings, for the use of the Commission.

Commissioner Kelly offered the following resolution, which was adopted:

Resolved, That the Commission lease for its use the front room in the second story of the building No. 27 Chambers street, from the first of January to the thirtieth of September, 1881, at a rent of one thousand dollars for the term, on condition that the Commission or its assigns shall have the right to use the said room free of rent from October 1 to December 31, 1881; and that Commissioner Campbell be authorized to execute the lease on behalf of the Commission.

Commissioner Kelly also offered the following resolution, which was adopted:

Resolved, That the Clerk be directed to fit up the said room, and for this purpose he be authorized to purchase the necessary furniture; but before purchasing any furniture he be directed to call on the Commissioner of Public Works and ascertain if any furniture belonging to the city can be loaned for the use of the Commission.

On motion of Commissioner Campbell, it was

Resolved, That no expenditure for any purpose be made by the Clerk without the authority of the Commission first obtained, and that all bills for expenses so incurred be submitted to the Commission for approval.

On motion of Commissioner Kelly, it was

Resolved, That the Clerk be empowered to purchase for the use of the Commission, stationery and printing to an amount not exceeding ten dollars.

The Chairman, Commissioner Cooper, inquired whether, under the rules, any notices of hearing had been served.

The Corporation Counsel, by his representative, Mr. J. A. Beall, stated that several notices of hearing had been served on him.

The Clerk stated that proof of the service, on the Corporation Counsel, of several notices of hearing had been filed with him.

On motion of Mr. H. L. Sprague, of counsel in the matter of the petition of Hiram A. Crane (No. 26 on calendar), the Corporation Counsel not objecting, the further hearing of this case was adjourned to the first meeting after the expiration of three weeks.

On motion of Mr. W. J. A. McGrath, attorney in the matter of the petitions of James Prior and Latimer Bailey (Nos. 320 and 644 on calendar), noticed for present meeting, the Corporation Counsel not objecting, the hearing in these cases was postponed to the next meeting.

Mr. Robert Chapman asked the privilege of filing with the Commission several petitions of property-owners affecting the assessments for the Morningside Park opening, confirmed July 28, 1870; the One Hundred and Tenth street widening, confirmed September 3, 1873; and the Riverside Park opening, confirmed August 2, 1872.

After hearing the Corporation Counsel, by his representative, Mr. J. A. Beall, in opposition, the Chairman, Commissioner Cooper, on behalf of the Commissioners, stated that the petitions referred to would not be received, for the reason that the Commission had no jurisdiction in the matter of assessments confirmed by the court (for what are known as street openings), but only as to such assessments as are confirmed by the Board for the Revision and Correction of Assessments.

The Chairman, Commissioner Cooper, inquired if there were any other persons present who had any matter to bring before the Commission.

None were present.

15. Labor of removing all of the pier and bulkhead near the foot of Old Slip, E. R., and of removing all the old material from the premises.

N. B.—As the above mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2nd. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for the several classes of work before mentioned, which shall be actually performed, at the prices for the same respectively, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the 1st day of July, 1881, and the damages to be paid by the contractor, for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

All the old material taken from the pier and bulkhead to be removed, will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in their estimates a price per cubic yard, for doing each class of dredging above mentioned, also a price for doing the whole of the work mentioned and described above as Class 3. By these prices, the bids will be tested. These prices are to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing each of the three classes of this work.

Should the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or estimate, or if, after acceptance, he or they shall refuse or neglect to execute the contract and give the proper security for forty-eight (48) hours after notice that the same is ready for execution, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. *Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.*

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York, and to Moses Taylor and others, owners of the easterly half of said pier, one-half to each, any difference between the sum to which said person would be entitled on its completion, and that which said Corporation and said owners may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work to be done in each class by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, and Moses Taylor and others, owners of the easterly half of said pier, represented by David Whipple, as agent, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York, or of Moses Taylor and others, represented by David Whipple, as agent, owners of the easterly half of said pier.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,
County Court-house (Chambers street entrance).

DEPARTMENT OF PUBLIC PARKS.

DEPARTMENT OF PUBLIC PARKS,
36 UNION SQUARE,
NEW YORK, January 21, 1881.

BIDS OR ESTIMATES FOR EACH OF THE following named works, to wit:

1. For furnishing all the labor, tools, and materials, and doing all the mason and granite work.

2. For furnishing all the labor, tools, and materials, and doing all the iron work to be done in the construction of fifteen parks in Fourth avenue, between Seventy-third street and Eighty-eighth street, in the City of New York, will be received by the Department of Public Parks, until nine and a half o'clock A. M., of Wednesday, the 2d day of February, 1881, at which time and place the estimates received will be publicly opened by the head of said Department and read.

The person making any bid or estimate must furnish the same, enclosed in a sealed envelope, to the head of said Department of Public Parks, at its office, on or before the day and hour above mentioned.

The envelope must be endorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

For the nature and extent of the work, reference must be made to the specifications and drawings on file in the office of the Department.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is or is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, of the same rank and condition of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

The amount in which security will be required for the performance of the several contracts is as follows:

For No. 1. Above-mentioned mason and granite work..... \$7,000 00

For No. 2. Above-mentioned iron-work..... 2,000 00

Bidders must satisfy themselves by personal examination of the location of the proposed work, and the plans and drawings, and by such other means as they may prefer as to the nature and extent of this work, and shall not at any time after the submission of an estimate assert that there was any misunderstanding in regard to the nature, or amount of work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Department of Public Parks, and in substantial accordance with the specifications for the work and the plans therein referred to. No extra compensation beyond the amount to be bid or specified by the lowest bidder, shall be due and payable for the entire work.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement, if it should deem it for the interest of the city so to do, and to readvertise until satisfactory bids or proposals shall be received.

But the contracts, when awarded, will be awarded to the lowest bidders.

Blank forms for proposals and forms of contract, which the successful bidders will be required to execute, can be had at the office of the Secretary, and the plans can be seen, and information relative to them can be had, at the office of the Superintending Architect, 36 Union square.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A. M., of Friday, the 4th day of February, 1881. The person or persons making any bid or estimate must furnish the same in a sealed envelope, indorsed "Bid or Estimate for Dry Goods, Groceries, etc.," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such time and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects free and without collusion or fraud; and that the bidder is a member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles

included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
