**STATEMENT BY MAYOR DE BLASIO ON JUDICIAL SIGN-OFF OF CITY'S
ACCESSIBLE TAXI PLAN**

****See attached for U.S. District Court Judge Daniels' comment on the settlement****

“This is a good day for a more accessible New York City. We are thankful to Judge Daniels for echoing the basic premise: this is simply the right thing to do. For New Yorkers living with disabilities, a more accessible taxi fleet will make it easier to be full participants in the life of this city.”
