“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- *Win More Contracts, at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full

advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)

STATEMENT OF BASIS AND PURPOSE OF RULES

In 2014, the TLC approved rules that require For-Hire-Vehicle (FHV) bases to submit trip records to the TLC. This new data promotes fundamental agency priorities, including:

- Keeping passengers safe by informing the agency of the identity of the driver of a dispatched for-hire vehicle (we need the name of the driver and the corresponding license number to enforce safety and consumer protection regulations);
- Preventing driver fatigue in support of Vision Zero street safety program; and
- Ensuring that those drivers dispatched by High Volume For-Hire Bases receive the minimum pay provided for in TLC’s rules.

The proposed rules would strengthen the TLC’s ability to pursue these goals by prohibiting the following improper practices relating to trip record submissions:

- A Base failing to submit trip records in a timely fashion,
- A Base failing to submit complete trip records, and
- A Base submitting faulty or inaccurate trip data.

Further, these rules would establish new penalties for the violations listed above.

Finally, the proposed rules would increase certain data submission requirements to allow the TLC to enforce timeliness and other service standards of trips taken in Wheelchair Accessible Vehicles.

TLC’s authority for these rules is found in sections 2303 and 1043(a) of the New York City Charter and section 19-503 of the New York City Administrative Code.

New material is underlined.
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Paragraph (1) of subdivision (a) of section 59B-19 of Title 35 of the Rules of the City of New York is amended, paragraph (2) is renumbered paragraph (6), and such subdivision is amended by adding new paragraphs (2) through (5), to read as follows:

What laws govern the rulemaking process? The Commission must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rule

TLC rules permit the Chairperson to summarily suspend a Driver's License upon notice of the Driver's criminal arrest or citation if the Chairperson believes that the charges, if true, would demonstrate that continued licensure while awaiting a decision on the criminal charges would constitute a direct and substantial threat to public health or safety. TLC summarily suspends the license of a Driver who is charged with a felony or serious misdemeanor. This practice will not change under the proposed rule.

TLC rules provide that a driver whose license is summarily suspended may request a hearing before an administrative law judge ("ALJ") of the New York City Office of Administrative Trials and Hearings ("OATH"). Following the hearing, the ALJ makes a recommendation to the TLC Chairperson regarding continued suspension based on whether the Driver's continued licensure pending resolution of the criminal charges presents a public safety risk. The Chairperson reviews the recommendation and makes a final decision regarding the Driver's license suspension. The proposed rule provides for a quicker return of a license for those Drivers whose licensure during the pendency of the criminal proceeding is not deemed to be a direct and substantial threat to public health or safety. The timeframe for an OATH ALJ to issue a recommendation following the hearing is reduced from fifteen days to ten days, and the time for the TLC Chair to issue a final decision is reduced from seven days to five days. In accordance with *Nnebe v. Daus* (U.S. District Court, SDNY, No. 06-cv-4991(RJS), December 31, 2020), the timeframes are being compressed to ensure a speedier resolution of the hearing process, while still permitting sufficient time for careful adjudication.

TLC's authority for these rules is found in section 2303 of the New York City Charter and section 19-503 of the New York City Administrative Code.

Section 1. Paragraphs (6) and (8) of subdivision (d) of section 68-15 of Title 35 of the Rules of the City of New York are amended to read as follows:

- (d) Summary Suspension for Criminal Charges.
 - (6) The Recommended Decision shall be rendered within ten (10) business days from the close of the record of the Summary Suspension hearing. If the Recommended Decision is not rendered within this deadline, the suspension will immediately be lifted until the Chair's decision is rendered.
 - * * *
 - (8) (a) Except as further specified in subparagraph (b) of this paragraph, the Chairperson must render a decision on continued suspension within twenty (20) calendar days of the date of the Recommended Decision, but only after promptly providing the Respondent a copy of the Recommended Decision and an opportunity to respond to the Recommended Decision within ten (10) calendar days. If the Chairperson does not render a decision within the 20-day period, the suspension must be lifted until such action is taken by the Chairperson.
 - (b) Within seven (7) five (5) business days of receiving a Recommended Decision recommending that the suspension be lifted, the Chairperson must: (i) accept the recommendation and lift the suspension, or (ii) provide the Respondent notice that the Recommended Decision may be rejected or modified, and the reasons therefor, and ten (10) calendar days to respond in writing to such notice. The Chair must render a decision within five business days of receiving a response from the Respondent to such notice. If the Chair fails to meet these deadlines, the suspension will immediately be lifted until the Chair's decision is rendered.

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

What are we proposing? The Taxi and Limousine Commission ("TLC", "Commission") is proposing rules that would amend provisions throughout Title 35 of the Rules of the City of New York to classify the high-volume for-hire service ("HVFHS") license as a type of base license to be regulated separately from black car base licenses. This will eliminate the need for HVFHSs to hold any separate and additional base licenses, such as a black car base license, if they already hold a high-volume for-hire service license.

When and where is the Hearing? The Commission will hold a public hearing on the proposed rule. The public hearing will take place at 10:00 a.m. on May 4, 2021. The public hearing will be held online using Zoom. There will be no in person public hearing. To view the public hearing, please access the live-stream video feed at www.nyc.gov/tlc. This public hearing will be live-streamed in Arabic, Bengali, Chinese Mandarin, Spanish, and Russian via a Zoom link to be posted on the TLC's website.

How do I comment on the proposed rules? Anyone can comment on the proposed rules by:

- **Website.** You can submit comments to the Taxi and Limousine Commission through the NYC rules website at www.nyc.gov/nycrules.
- **Email.** You can email comments to tlcrules@tlc.nyc.gov.
- **Mail.** You can mail comments to the Taxi and Limousine Commission, Office of Legal Affairs, 33 Beaver Street – 22nd Floor, New York, NY 10004.
- **Fax.** You can fax comments to the TLC at 212-676-1102.
- **By speaking at the hearing.** To sign up to speak and provide testimony, you must e-mail the TLC at tlcrules@tlc.nyc.gov or call 212-676-1135 by 5:00 p.m. on April 30, 2021. Speakers will not be able to sign up to testify the day of the hearing. Those who did not sign-up in advance to testify are welcome to view the live-stream of the meeting on TLC's website.

Is there a deadline to submit comments? Yes, you must submit comments by April 30, 2021.

Do you need assistance to participate in the Hearings? You must tell the Office of Legal Affairs if you need a reasonable accommodation of a disability at the hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 212-676-1135. You must tell us by April 30, 2021.

This location has the following accessibility option(s) available: Simultaneous transcription for people who are deaf or hard of hearing and audio only access.

Can I review the comments made on the proposed rules?

You can review the comments made online on the proposed rules by going to the website at www.nyc.gov/nycrules. A few days after the hearing, copies of all comments submitted online, copies of all written comments, and a summary of oral comments concerning the proposed rule will be available to the public at the Office of Legal Affairs.

What authorizes the Commission to make this rule? Sections 1043 and 2303 of the City Charter and Section 19-503 of the City Administrative Code authorize the Commission to make this proposed rule. This proposed rule was not included in the Commission's regulatory agenda for this Fiscal Year because the need for it was not contemplated when the Commission published the agenda.

Where can I find the Commission's rules? The Commission's rules are in Title 35 of the Rules of the City of New York.

What laws govern the rulemaking process? The Commission must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose

The Commission is proposing rules to streamline and improve TLC's licensing process, specifically as that process relates to high-volume for-hire services, which are businesses licensed by TLC that dispatch an average of 10,000 or more trips per day. Currently, holders of a high-volume license must also hold at least one for-hire base license. This creates an unnecessary administrative burden for both our licensees and TLC and blurs the line between different licensee categories. Further, this layered regulatory structure causes unnecessary duplication in our rules, making industry compliance and effective TLC regulation, oversight, and enforcement more difficult. These proposed rules would streamline the license structure by making the HVFHS license itself a type of base license, avoiding the regulatory and licensing redundancy of HVFHSs holding both a high-volume license and one or more separate base licenses such as a black car or livery base license.

These proposed rules also move certain existing requirements that apply only to high-volume for-hire services from the subchapter that relates to all for-hire bases to the subchapter that relates only to high-volume for-hire services. Because the HVFHS license will be a type of base license, HVFHS licensees will generally need to comply with base license requirements. However, the proposed rules specify where certain requirements pertaining to base licenses, such as the base license term and fee, will not apply to HVFHS licenses. Additionally, the proposed rules clarify that TLC will continue to use aggregate utilization rates in its driver pay formula until individual HVFHS utilization rates are posted on TLC's website and the HVFHSs are notified of such rates. Finally, these proposed rules make minor technical edits where appropriate to simplify and clarify existing rule language.

Beginning January 1, 2020, and continuing each calendar year thereafter, the dollar amounts in the per mile rates and per minute rates contained in this subdivision will be adjusted using the 12-month Percentage Change in the Consumer Price Index for Urban Wage Earners and Clerical Workers for the NY-NJ-PA metro area. The Consumer Price Index adjusted per mile and per minute rates will be posted on the Commission's website.

- (5) Hourly Payments. If a High-Volume For-Hire Service subject to this section pays drivers on an hourly basis, the payment the Driver receives for each hour the Driver accepts dispatches from the High-Volume For-Hire Service must be at least the sum of the Per Mile Rate for all miles the Driver transported Passengers during the hour, the Per Minute Rate for all minutes the Driver spent transporting Passengers during the hour, and the Shared Ride Bonus for each applicable pick up performed during the hour.

§59D-22(a)	Fine: \$500 per instance of under payment. In addition to the penalty payable to the Commission, the Hearing Officer must order the High-Volume For-Hire Service to pay restitution to the Driver, equal to the amount not paid to the Driver in violation of this rule.	Appearance REQUIRED
------------	--	---------------------

(b) Utilization Rate: The Commission will assess, and post on its

website, the Utilization Rate for each High-Volume For-Hire Service subject to this section every six months.

- (1) Initial Utilization Rate. Prior to the Commission assessing and posting on its website the Utilization Rate for each High-Volume For-Hire Service and notifying each High-Volume For-Hire Service of such High-Volume For-Hire Service's Utilization Rate, the Utilization Rate for all High-Volume For-Hire Services will be the aggregate Utilization Rate of all High-Volume For-Hire Services, as calculated by the Commission. A High-Volume For-Hire Service may petition the Commission to calculate a Utilization Rate specific to that High-Volume For-Hire Service prior to the expiration of the Initial Utilization Rate period, but in no event will a High-Volume For-Hire Service have a Utilization Rate lower than the aggregate Utilization Rate of all High-Volume For-Hire Services for the Initial Utilization Rate period.
- (c) Daily Average Trip Volumes: The daily average trip volume for each High-Volume For-Hire Service will be assessed every six months.
- (d) Evaluation by the Commission. No less than annually, the Commission will review Driver, Vehicle Owner, and High-Volume For-Hire Service expenses, Driver earnings, the impact on Utilization Rates of Drivers making themselves available to accept dispatches from multiple Bases or High-Volume For-Hire Services, service levels, and any other information it deems relevant to determine if adjustments need to be made to the rates set forth in subdivision (a) of this section.

OFFICE OF THE MAYOR

■ NOTICE

EXECUTIVE ORDER No. 66

NEW YORK CITY RACIAL JUSTICE COMMISSION

WHEREAS, New York City is establishing the New York City Racial Justice Commission (the "Commission"), the first commission of its kind in America, to push forward changes to the City's Charter based on racial justice and equity; and

WHEREAS, the Commission is expected to focus on significant structural changes to the powers, structures, and processes of New York City government that underlie sources of inequity; and

WHEREAS, the Commission will be informed by the Administration's

existing and ongoing work, including the Taskforce on Racial Inclusion and Equity, and a vision grounded in the recognition that structures of slavery, segregation and anti-Black racism have created centuries and informed institutional systems that impact all New Yorkers; and

WHEREAS, the Commission will seize the transformative potential of this moment in history to identify the structural changes and significant policy reforms that will advance racial justice and equity and begin to dismantle structural racism for all New Yorkers; and

WHEREAS, the Commission will seek to produce a guide to shape the path forward towards a fair, equitable, and just New York City; and

NOW, THEREFORE, by the power vested in me as the Mayor of the City of New York, it is hereby ordered:

Section 1. Establishment of Commission. The New York City Charter Revision Commission, which has been appointed pursuant to Section 36(4) of the Municipal Home Rule Law, is hereby also established and empowered to act as the New York City Racial Justice Commission, and the composition of the two commissions shall be deemed to be the same.

§ 2. Powers of Commission. In addition to its powers and functions pursuant to Section 36 of the Municipal Home Rule Law and any other applicable law, the Commission shall have the following powers and functions:

- a. to produce a formal report, with recommendations, that includes proposed policy and programmatic changes to the powers, structures, and processes of New York City government that underlie sources of inequity. Such report and recommendations shall in all respects be prepared consistent with this Order and Section 36 of the Municipal Home Rule Law;
- b. to include in its final report, or in other reports and recommendations as the Commission may deem appropriate, proposed policy and programmatic changes that the Commission has not included in its referendum proposals, because (i) the Commission has determined that they should otherwise be implemented locally without a referendum, (ii) the Commission has determined that they should be considered for placement on the ballot in a future referendum; (iii) they require action at the State or federal level; or (iv) they require voluntary action by private individuals or organizations;
- c. to collect and disseminate the information and resources necessary to identify the changes and reforms that will advance racial justice and equity and further the work of dismantling structural racism; and
- d. to hold public hearings, meetings and forums, or other events, and to take other actions, as the Commission determines to be appropriate, in furtherance of its mission.

§ 3. Cooperation. Agencies shall cooperate with the Commission in the exercise of its powers and responsibilities, including providing information and offering assistance in the carrying out of its functions.

§ 4. This Order shall take effect immediately and shall expire on the date of expiration of the terms of office of the members of the Commission pursuant to Section 36(6)(e) of the Municipal Home Rule Law, provided that if such terms expire in 2021 pursuant to such section the Commission shall continue as the New York City Racial Justice Commission and thereafter may exercise any powers and functions conferred by this Order, other than those conferred exclusively by virtue of its appointment pursuant to Section 36 of the Municipal Home Rule Law, through December 31, 2021.

Bill de Blasio,
MAYOR

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
