PETITIONS.

By Alderman John Murray—

Petition of residents in the upper part of the city for sundry street improvements, particularly crosswalks.

To the Board of Aldermen of the City of New York:

The undersigned respectfully petition your Honorable Board to adopt such measures as will bring some relief to the travelers in the streets of Washington Heights from the necessity of walking or driving through mud.

Crosswalks are needed almost everywhere up here. The gravel, sand or loam that is on top of the macadamized roads on Tenth and St. Nicholas avenues is so deep that when it is dry the avenues are excessively dusty; when it is wet they are ankle deep in mud; and when the mud is frozen it is impossible to drive faster than a walk over their rough surfaces with safety. Our health, our comfort and our happiness are endangered, "in a manner, so to speak."

Our petition is that the mud be hoed, scraped or shoveled off the aforesaid avenues, to wit:

From St. Nicholas avenue, between One Hundred and Forty-fifth and One Hundred and Fifty-fifth streets.

From Tenth avenue, between One Hundred and Fifty-fifth and One Hundred and Sixty-fifth street.

And that crosswalks be placed as follows:

East side of Tenth avenue, across One Hundred and Fifty-sixth street.

East side of Tenth avenue, across One Hundred and Fifty-seventh street.

East side of Tenth avenue, across One Hundred and Fifty-eighth street.

East side of Tenth avenue, across One Hundred and Fifty-ninth street.

East side of Tenth avenue, across One Hundred and Sixty-second street.

East side of Tenth avenue, across One Hundred and Sixty-third street.

East side of Tenth avenue, across One Hundred and Sixty-fourth street.

East side of Tenth avenue, across One Hundred and Sixty-fifth street.

East side of Tenth avenue, across Kingsbridge road.

West side of Tenth avenue, across One Hundred and Fifty-sixth street.

West side of Tenth avenue, across One Hundred and Fifty-seventh street.

West side of Tenth avenue, across One Hundred and Fifty-ninth street.

West side of Tenth avenue, across One Hundred and Sixty-fourth street.

West side of Tenth avenue, across One Hundred and Sixty-fifth street.

West side of Tenth avenue, across Kingsbridge road.

Across Tenth avenue, at north side of One Hundred and Sixty-second street diagonally to northwesterly junction of Tenth avenue and Kingsbridge road.

Also, that the flagging of sidewalks be repaired on the west side of Tenth avenue, a few feet north of One Hundred and Fifty-ninth street. Two or three flags have been removed by somebody and for three or four years we have had to walk around or through a mudhole at this point. Also, flagging at northwest corner Tenth avenue and One Hundred and Fifty-first street.

We respectfully, as aforesaid, ask for relief as above stated.

By Alderman Dowling—

Whereas, Beyond question the wharves, piers and bulkheads built in the waters on the shores of this island (with the exception of a few heretofore bought from the City by private parties) are owned, in fee, by the Corporation of the City of New York; that the Department of Docks is but an agency created by acts of the State Legislature (by many claimed illegally) to manage this property for and on behalf of its owners, and every dollar collected or expended by the said Department is for and on behalf of the Mayor, Aldermen and Commonalty of the City of New York, and is so set forth on the bills, receipts, leases, etc., given and taken by this Department for rents, privileges, etc.; and

Whereas, A communication was received from that Department, signed by its President, dated February 10, 1887, in reply to a resolution of inquiry passed by this Board, which contains the following: "It seems worthy of a passing notice to state that the foregoing information is given to your Honorable Body as a matter of courtesy from the Board of Docks to a co-ordinate branch of the city government, and not as a duty imposed upon this Board under the peremptory and hasty demand for which your resolution appears to call;" from which it appears the said Department, so far from considering itself the agent of the City Corporation, claims equal powers, not only in respect to the structures on the water front of the city, but in all governmental powers of the Corporation, as the compound word "co-ordinate," in the sense in which it is used, certainly means "equal powers" and "equal jurisdiction;" and as it is equally within the power of that Department, at its own good will and pleasure to declare the owners of the property to be a subordinate body, as it is by some of its acts now doing by indirection, in extending its jurisdiction over the carriageways of some of the paved public thoroughfares of this city; be it therefore

Resolved, That the Legislature of the State, now in session, be and is hereby earnestly

requested, on behalf of the Mayor, Aldermen and Commonalty of the City of New York, to take such action as in its wisdom may be necessary to confine the control and jurisdiction of the Department of Docks, in the City of New York, exclusively to the water front of the city, only, including all structures erected outside of and including the bulkhead-line on the North, East and Harlem rivers, in order that a conflict of jurisdiction between these two "co-ordinate" branches of the City Government may be avoided; and be it further

Resolved, That a copy of the foregoing preamble and resolution be transmitted to the Senator representing the Fifth Senate District, the Hon. M. C. Murphy, for presentation in the State Legislature.

Alderman Dowling moved the adoption of the resolutions.

By Alderman Mooney—

Whereas, The time has evidently come when it is necessary to remove the documents of the Register's Office from the Hall of Records, and to turn that historic building to other uses; and,

Whereas, The Brooklyn Bridge directors, who have gradually encroached upon Park Row, Centre street, and the sidewalk of the City Hall Park, now demand the removal of this building as an alleged obstruction to the Bridge approaches, which they, in connection with the Elevated railway, have obstructed by elevated bridges and steps; therefore, be it

Resolved, That the Board of Aldermen of the City of New York does hereby place on record its opposition to the demolition of a structure which has become endeared to all New Yorkers by its associations with the days of the Revolution, and as having been the scene of the imprisonment of General Ethan Allen and hundreds of patriots, officers and soldiers, and a land-mark of the history of the metropolis for nearly a century and a half.

Resolved, That this Board recommend that whenever the Hall of Records shall become vacant by removal of the Register's Office, it shall be made a Museum of Historical Relics, to which all citizens shall be invited to contribute memorials of early Dutch and Colonial days, and of the wars for Independence, 1812, and subsequent wars, and which, under proper restriction, shall forever remain free to all visitors.

JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
Room 127, Stewart Building,
CHAMBERS STREET AND BROADWAY,
NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc. etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
Commissioner of Jurors.

HENRY D. PURROY,
RICHARD CROKER,
ELWARD SMITH,
Commissioners.

HEADQUARTERS FIRE DEPARTMENT,
157 AND 159 EAST SIXTY-SEVENTH STREET,
NEW YORK, February 19, 1887.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING fifteen thousand (15,000) feet of 2½-inch Peerless Manufacturing Company's (P) Brand seamless fabric, four-ply rubber hose, with standard couplings attached, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 157 and 159 East Sixty-seventh street, in the City of New York, until 11 o'clock A. M., Wednesday, March 9, 1887, at which time and place they will be publicly opened by the head of said Department and read.

Special attention is directed to the test of the hose by the Fire Department and the guarantee of the hose by the contractor, required by the specifications.

No estimate will be received or considered after the hour named.

For information as to the description of the hose, bidders are referred to the specifications which form part of these proposals.

The form of the agreement, with specifications, and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The hose is to be delivered at the Repair shops of the Fire Department (Nos. 130 and 132 West Third street) on or before the ninetieth (90th) day after the execution of the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (25) dollars per day.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the supply to which it relates.

The Fire Department reserves the right to decline any

and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of eight thousand (8,000) dollars; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount four hundred dollars (\$400). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.
