PETITIONS AND COMMUNICATIONS.

No. 1960.

Carpenter, Baggot & Co., 17-21 William st., New York, October 9, 1912.

Chairman, Board of Aldermen, New York City:

Dear Sir—I have been having annoying experiences with taxicab drivers as to exorbitant charges, and have to-day written to the Bureau of Licenses on the subject, copy of which letter I enclose herewith for your information. Yours respectfully,
STERRETT TATE,
October 9, 1912.

Bureau of Licenses, New York City:

Gentlemen—I take the liberty of writing to ask for some information in regard to the ordinance and law which govern the taxicab charges in New York City. I feel that I have been held up twice within the last week, and a friend of mine has told me recently of an experience he had which shows that the taxicab owners and chauffeurs are nothing short of vultures, playing on any fare that they may pick up.

Last night I took a taxicab from the Liberty Theatre, on 42d st., went direct to my apartment in the Aphorpe, between 78th and 79th sts., on Broadway, which is about 37 blocks ride. When I arrived the driver demanded \$1.60, whereas ordinarily, if I take Mason & Seaman or the Yellow Taxicab, with which companies I have an account, the charge ranges to the theatre district from 90 cents to \$1.20.

Last week I took a taxicab from opposite the Winter Garden, 50th st. and Broadway, to my home, and the driver demanded \$1.60. His number was T-310. That ride was only about 29 blocks. If this is the correct fare provided for by the City Ordinance governing such fares, I have nothing more to say, but I can't understand why there would be such a discrepancy. It is not pleasant to feel that you are being gouged and held up simply because you have a lady with you, and a protest will probably not be made.

In the case of my experience last night the taxicab was No. T-186, and the chauffeur's name was James Edwards. The cab, he said, was owned by a man named Fisher, who had a garage at 156 W. 31st st., and when I complained of the fare he said that the clock registered that amount and if it was wrong it was none of his business. I want to make charges against both this driver and owner. I would like to know how I can proceed to do it. They don't deserve to be allowed a license on the street if they are running a dishonest meter, which any driver who is fit to have a chauffeur's license can tell immediately when the meter registers wrong. Our streets are given over largely to thousands of these cabs, the drivers of which make their living out of public patronage, and they should be forced at least to deal honestly with their fares. I had occasion once before to make a complaint, and hope this will have your every consideration.

Awaiting the pleasure of your reply, for which I thank you in advance, I am
Yours respectfully,
STERRETT TATE.

P. S.—Copy of this letter goes to his Honor the Mayor and to the Chairman of the Board of Aldermen.

Which was referred to the Special Committee on Taxicabs.

COMMUNICATIONS FROM CITY, COUNTY AND BOROUGH OFFICERS.

The Vice-Chairman laid before the Board the following communication from the Department of Water Supply, Gas and Electricity:

No. 1961.

The City of New York, Department of Water Supply, Gas and Electricity, Commissioner's Office, 13-21 Park Row, New York, October 8, 1912.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen:

Dear Sir—In the Department's estimate of 1912 provision was made for \$292,000 to be expended in the purchase of water and rental of hydrants from private companies operating in the Borough of Queens. In considering this item the Board of Estimate and Apportionment concluded that upon completion of certain works which it was believed the Department would undertake early in the year, the surplus supply from the Boroughs of Manhattan and The Bronx could be delivered to Queens, which would have operated in reducing the quantity purchased from the private companies in the latter borough. The Department was quite uncertain at that time as to the carrying out of these plans, as they were contingent upon the acceptance of conditions under which the East River Gas Company was to permit the City to install temporary water mains in the tunnel beneath the East River and Blackwells Island. The contract with the East River Gas Company has not yet been signed owing to delays outside of this Department and hence it is necessary to ask for the additional funds which we have formally requested from the Board of Estimate and Apportionment, but which were not granted.

The amount already expended for the purchase of water and for hydrant rentals up to and including the first eight months of this year, is \$1,002.98 more than was appropriated. Estimating the amount of water to be purchased for the remaining months, approximately \$65,000 will be required.

I attach hereto a summary of the water purchased monthly from two companies in the Borough of Queens, the consumption during the months of February, March, April and May being the basis upon which the Department calculates the amount required for the remainder of the year.

At stated periods the City is obliged to pay each of the private companies now supplying water in the Borough of Queens for the quantity delivered into our distribution mains, and to fulfill the obligations under these contracts I find it necessary to apply to the Board of Aldermen for special revenue bonds in the sum of \$65,000. The importance of the matter should be recognized and early consideration given this application. I, therefore, respectfully ask that this communication be presented at the next meeting of the Board of Aldermen. Yours truly,

HENRY S. THOMPSON, Commissioner.

The Vice-Chairman laid before the Board the following communication from the Fire Commissioner:

No. 1962.

Fire Department of The City of New York, Office of the Deputy Commissioner, Borough of Brooklyn, October 7, 1912.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen, City of New York:

Dear Sir—Application is hereby made to your honorable Board for permission to award to the George F. Driscoll Company, of No. 548 Union st., Brooklyn, without public letting, a contract for extra work to the amount of \$4,500, in connection with the construction of foundations for the new fire house now being erected at Metropolitan ave. and Varick st., Borough of Brooklyn, for which the said George F. Driscoll Company have the general contract. The extra work involved is made necessary by the condition of the soil which has just been discovered and which, in my opinion, justifies the action requested, and which condition could not be foreseen at the time of the letting of the general contract. The money for this work is available, but it is thought advisable to give the work to the George F. Driscoll Company, contractors for the building, without public letting, rather than to run the risk of dividing the responsibility for the safe construction of the structure, which might result if competitive bids were called for. Respectfully,

JOS. JOHNSON, Fire Commissioner.

Which was referred to the Committee on Public Letting.

The Vice-Chairman laid before the Board the following communication from the Commissioner of Correction:

No. 1963.

Department of Correction of the City of New York, Commissioner's Office, 148 East 20th st., New York, October 11, 1912.

The Honorable JOHN PURROY MITCHEL, President, Board of Aldermen, New York City:

Dear Sir—In the matter of the resolution adopted by the Board of Aldermen on September 24, 1912, relative to charge, or statement that the City practically starved court prisoners, and calling upon the Commissioner of Correction to correct such abuses, I would state that the Department of Correction is ready and anxious to do all it can for the comfort of prisoners committed to its care; but an investigation shows that the time for feeding the hungry should be before arraignment in court, and the proper place for doing so would be in the police stations, prior to the prisoners leaving same for the courts.

The prisoners do not come under the jurisdiction of the Department of Correction until after being committed.

I would, therefore, request your Board to adopt a resolution calling upon the Police Commissioner to do this very humane work. Very respectfully yours,

PATRICK A. WHITNEY, Commissioner.

Which was ordered on file.

The Vice-Chairman laid before the Board the following communication from the Trustees of Bellevue and Allied Hospitals:

No. 1964.

The Bellevue and Allied Hospitals, Office of the Board of Trustees, 1st ave. and 26th st., New York, October 15, 1912.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen, New York City:

Sir—At the last meeting of the Board of Aldermen the Finance Committee recommended an appropriation of \$25,000 on account of a request made by this Department for \$50,000 to meet a deficit in the appropriation for the current year. The sum of \$25,000 is inadequate and in order that contracts for supplies for the remainder of the year may be made at once it is requested that the full sum of \$50,000 asked for be appropriated. The attached statement by the Contract Clerk and Auditor, showing the deficit which will still exist if only \$25,000 should be appropriated, is furnished for the information of the Finance Committee. Yours very truly,

JOHN W. BRANNAN, President, Board of Trustees.

By Geo. O'Hanlon.

Bellevue and Allied Hospitals, Office of the General Medical Superintendent, Bellevue Hospital, 1st avenue and 26th street, New York City, October 11, 1912.

Dr. GEORGE O'HANLON, Acting General Medical Superintendent:

Dear Sir—The following statement is submitted agreeable to our conversation regarding the action of the Finance Committee of the Board of Aldermen, recommending \$25,000 instead of \$50,000 Revenue Bond Funds requested by this Department as noted in the minutes on page No. 8064 of the City Record of October 10, copies of which are enclosed herewith:

221 General Supplies—1912:

		18,547 00
233 Purchase and Original Equipment of Apparatus, Machinery, Harness, Vehicles, except Automobiles, 1912:

Deficit October 10, 1912.....	3,795 07	
Special revenue bonds as proposed by Board of Aldermen.....	2,500 00	

This request for revenue bonds was based on the actual amount of supplies, etc., consumed or put into use in the first three months of the year 1912; since then it has developed that the high census has continued and it will be necessary for us to ask for funds in addition to the original request, but as agreed such action shall be deferred until the original request is disposed of. Respectfully yours,

Contract Clerk and Auditor.

Extracts from Minutes of Board of Aldermen, October 8, 1912.

No. 1458 (S. O. No. 108.)

The Committee on Finance, to which was referred on July 2, 1912 (Minutes, page 51), the annexed request of the Trustees of Bellevue and Allied Hospitals for \$50,000 special revenue bonds for supplies, respectfully

REPORTS:

That owing to the increased cost of supplies and the increased census expenditures have been made which could not be estimated when the Budget was made. It is evident that additional funds are needed, and while the Committee cannot determine exactly what allowance should be made it feels that one-half the request would be within the line of safety. It therefore recommends that the accompanying resolution be adopted.

Resolved, That in pursuance of the provisions of subdivisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of twenty-five thousand dollars (\$25,000), the proceeds whereof to be used by the Trustees of Bellevue and Allied Hospitals for the purpose of procuring supplies. All obligations contracted for hereunder to be incurred on or before December 31, 1912.

HENRY H. CURRAN, HENRY F. GRIMM, C. A. POST, BRYANT WILLARD, ROBERT F. DOWNING, JAMES HAMILTON, Committee on Finance.

Bellevue and Allied Hospitals, Office of the Board of Trustees, 1st avenue and 26th street, New York, June 24, 1912.

Hon. JOHN PURROY MITCHEL, President, Board of Aldermen, New York City:

Sir—The Trustees of Bellevue and Allied Hospitals have the honor to request the Board of Aldermen to authorize the issue of special revenue bonds not exceeding \$50,000, in amounts as follows:

221 Supplies and materials, operation.....	\$30,000 00
228 Fuel, operation	10,000 00
223 Purchase and original equipment of apparatus, machines, harness, vehicles, except automobiles, operation.....	5,000 00
234 Purchase of Furniture and Fittings, operation.....	5,000 00
	\$50,000 00

These sums are necessary to meet deficits in the appropriations named. A statement prepared by the General Medical Superintendent, giving in detail the reasons for the necessity of this request, is attached. Since the communication from Dr. O'Hanlon was received, however, contracts have been awarded for the supply of coal, and it would now appear that the deficit in the appropriation for fuel will only be \$10,000 instead of \$20,000, as indicated therein. Respectfully,

J. K. PAULDING, Secretary Board of Trustees.

Which was referred to the Committee on Finance.

The Vice-Chairman laid before the Board the following communications from the Board of Estimate and Apportionment:

Department of Finance, City of New York, Bureau of Municipal Investigation and Statistics, September 20, 1912.

To the Board of Estimate and Apportionment:

Gentlemen—On March 22 and May 13, 1912, the Commissioner of Bridges requested corporate stock in the sum of \$75,000 for the construction of elevators for the use of passengers and vehicles from the roadway of the Queensboro bridge to Blackwells Island, and also the amendments of an existing authorization for the construction of a terminal building, etc., at the Manhattan terminal of the Manhattan bridge so as to leave the total amount authorized for his Department unchanged.

In a report to your Board, under date of June 17, 1912, we set forth, in part, as follows:

In reference to the proposed elevators the Commissioner states the following:

"Plans were prepared and a contract let in 1903 for elevators for the two piers on Blackwells Island. The Commissioner of Bridges, however, in 1904, decided not to proceed with the work on these elevators for the reason that objection was then raised to the elevators by the authorities in charge of the prison on the island, and also for the reason that the location of the proposed elevators being outside the structure would make it necessary for the vehicles using them to cross at grade two of the railway tracks on the bridge. The roadway on the bridge is located in the centre of the structure, and there are two railway tracks on either side of the roadway.

"In order to overcome the objection of having the vehicles cross the railway tracks I have had tentative plans prepared for an elevator leading direct to the roadway. This would require an opening in the centre of the roadway about 10 feet wide and approximately 25 feet long. It is not believed that such opening would restrict the roadway travel on the bridge to any great extent. Provision will also be made for an elevator for pedestrians.

"The proposed improvement has been approved by the Commissioner of the Department of Public Charities, the Commissioner of the Department of Correction, and the President of the New York City Visiting Committee of the State Charities Aid Association.

"The Commissioner of the Department of Public Charities states that during 1911 1,045,705 passengers were carried to and from the island on the six boats of that Department, and that the cost of the boats for the year was \$1,553,857.60. He further states that if adequate elevator facilities to the island are installed three of the boats can be taken off at a saving of approximately \$70,000 per annum. If the maintenance cost of the proposed elevator was \$10,000, the annual saving to the City would be \$60,000.

"The construction of the proposed elevators will permit officials and visitors to the island to reach their destination without the present delay incident to interruption of the steamboat schedule by fog, ice, storms, etc., and will facilitate the transportation of hospital patients to and from the island, who are now transferred from ambulance to boat and again from boat to ambulance. The danger to the patients from exposure, therefore, would be materially decreased, and there would be a saving of time in emergency cases.

"We are now advised that both the proposed elevators in the Queensboro bridge cannot be constructed for the \$75,000 requested by the Commissioner, as revised estimates show that an increased amount will be necessary to provide for both freight and passenger service."

For the above reasons your Committee made no recommendation in the matter of elevators, pending further information on the question of total cost.

It was the original plan to install a combined freight and passenger elevator. This was found to be impracticable, and it is now planned to install two elevators, one for passengers and one for freight and vehicles. In a communication to the President of the Borough of Manhattan, under date of June 5, 1912, the Commissioner of Bridges stated that the estimated cost of the two elevators will be approximately \$107,000, divided as follows:

Freight elevator car and machinery.....	\$32,000 00
Shaft for same	43,000 00
Passenger elevator car and machinery.....	6,000 00
Shaft for same	26,000 00
Total	\$107,000 00

We recommend the adoption of the attached resolutions approving an authorization of \$107,000 for the construction and installation of the elevators, and a rescindment of \$107,000 on the authorization for improvement in connection with the Manhattan terminal of the Manhattan bridge, thereby leaving the total authorization for the Department unchanged.

Respectfully, WM. A. PRENDERGAST, Comptroller; JOHN PURROY MITCHEL, President, Board of Aldermen; GEORGE McANENY, President, Borough of Manhattan, Corporate Stock Budget Committee.

No. 1967.

Resolved, That, pursuant to the provisions of chapter 594 of the Laws of 1907, the Board of Estimate and Apportionment hereby approves of the issue of corporate stock of The City of New York, to an amount not exceeding six thousand dollars (\$6,000), being the City's share of a total of eight thousand dollars (\$8,000) for the expenses of the Bronx Parkway Commission for the year 1912, for topographical survey, and in connection with acquisition and improvement of lands donated to the commission, and when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller be and is hereby authorized to issue said corporate stock of The City of New York in the manner provided by section 169 of the Greater New York Charter, the proceeds thereof to the amount of the par value of the stock to be applied to the purposes aforesaid.

JOSEPH HAAG, Secretary.

Department of Finance, City of New York, Bureau of Municipal Investigation and Statistics, New York, October 5, 1912.

To the Board of Estimate and Apportionment of The City of New York:

Gentlemen—On August 23, 1912, the Bronx Parkway Commissioner requested \$6,000 in corporate stock for the purposes of the Commission for the balance of the year 1912. In connection therewith we report as follows:

On July 17, 1912, the Board of Estimate and Apportionment approved the acquisition of the lands for the Bronx River Parkway as provided by chapter 594 of the Laws of 1907, thereby authorizing the commission to carry out the provisions of the parkway law. The commission's request for \$6,000 for the balance of 1912 is made under section 16 of said Act.

The total amount required by the commission for the balance of 1912 is \$8,000, to be used for topographical surveying, engineering instruments and supplies, office furniture and fixtures, engineering expenses for surveys of lands donated by their owners to the commission, legal and title expenses in connection with acquiring title to these donated lands and for their preliminary improvement to a sanitary condition.

Under the provisions of chapter 594 of the Laws of 1907, The City of New York is required to pay three-fourths of the expenses of the commission and the county of Westchester one-fourth. The share to be paid by The City of New York to provide for the balance of 1912 is therefore \$6,000.

The amount requested is for expenses in connection with the acquisition of lands or for items in the nature of permanent improvements, properly chargeable to corporate stock.

We recommend the adoption of the attached resolution approving the request.

Respectfully,

WM. A. PRENDERGAST, Comptroller; President Board of Aldermen; GEORGE McANENY, President Borough of Manhattan, Corporate Stock Budget Committee.

A true copy of resolution adopted by the Board of Estimate and Apportionment, October 10, 1912.

JOSEPH HAAG, Secretary.

Department of Finance, City of New York, Bureau of Municipal Investigation and Statistics, October 7, 1912.

To the Board of Estimate and Apportionment:

Gentlemen—On September 24, 1912, the Commissioner of Bridges requested that action be taken on the items in his 1912-1913 corporate stock department estimate covering the engineering construction force, as follows:

Salaries and wages, engineering construction force.....	\$230,000 00
Contingent expenses, engineering construction force.....	10,000 00
	\$240,000 00

The request for salaries and wages is based upon approximately the total annual cost of employees chargeable to this fund as scheduled in the 1912 budget. These schedules, however, have been materially reduced by modification. The total payroll disbursements for the first nine months of 1912 were \$143,409.11, or approximately \$15,934.34 a month. On this basis the cost from October 1, 1912, to June 30, 1913, would be \$143,409.11. The balance in the account on October 1, 1912, approximated \$8,228.43, leaving anticipated additional requirements of \$135,180.68. The Commissioner, in his requested salary and wage schedules for 1913, has materially reduced the force of employees, and an additional allowance of \$130,000 for salaries and wages at this time appears ample.

The request for contingent expenses is \$10,000. On September 19, 1911, \$10,000 was authorized for this purpose. The total disbursements from this fund to October 1, 1912, amounted to \$9,616.36, leaving a balance of \$383.64. Charges for contingent expenses, supplies and materials and for maintenance of automobiles used by the engineering construction force have heretofore all been charged to this appropriation. Separate appropriation properly should be made as follows:

Contingencies	\$3,000 00
Supplies and materials	5,500 00
Maintenance of automobiles	1,500 00
	\$10,000 00

We recommend the adoption of the attached resolutions approving of appropriations in the sum of \$140,000, as indicated above. Respectfully,

WM. A. PRENDERGAST, Comptroller; J. PURROY MITCHEL, President Board of Aldermen; GEORGE McANENY, President, Borough of Manhattan, Corporate Stock Budget Committee.

Department of Docks and Ferries, City of New York, Pier "A," North River, September 23, 1912.

Hon. PERCY L. DAVIS, Chairman of the Committee on Salaries and Grades, Board of Aldermen, City Hall, Manhattan:

Sir—At a meeting of the Board of Estimate and Apportionment held July 11, 1912, a resolution was adopted recommending to the Board of Aldermen the establishment of the position of Real Estate Investigator for this Department, with salary at the rate of \$3,000 per annum, for one incumbent. This matter, we understand, is now before you.

This Department now has under consideration the matter of the vast improvements contemplated in Jamaica Bay, and in this connection it is most urgent that we have the services of the Real Estate Investigator for the various property matters constantly arising which require investigation and upon which this Department needs the advice of a man experienced in the locality.

It is proposed to employ Mr. Nelson B. Kilmer as soon as the position is available. Mr. Kilmer has the endorsement of the Jamaica Bay Improvement Association, as well as the endorsement of the other commercial bodies interested in this Jamaica Bay development, and he is evidently fitted to meet the City's requirements.

I therefore urge that this resolution of the Board of Estimate and Apportionment have your early attention and ask favorable action thereon.

Mr. Brush of your Committee suggested that I write to you in this matter.

Yours very truly,

CALVIN TOMKINS, Commissioner of Docks.

Department of Docks and Ferries, City of New York, Pier "A," North River, New York, October 11, 1912.

Hon. PERCY DAVIS, Alderman, Chairman of Committee on Salaries and Offices:

Dear Sir—I had arranged to meet your Committee at 1.30, in compliance with your notice, at City Hall to-day and personally lay before you the reasons for establishing the position of Real Estate Investigator for the Department of Docks and Ferries (No. 1675).

I have been unexpectedly called to Newark on urgent business and cannot attend. Mr. Harrington, Secretary, will represent me.

It is vital to the City's interest that this office should be created. The Federal Government is now dredging for the Jamaica Bay improvement, and the City's contract for dredging the interior channel is just about to be awarded.

We must proceed without delay to the acquisition of the real estate and special investigation for the Department is absolutely necessary, otherwise the work will be seriously prejudiced and delayed.

I will greatly appreciate it if you will secure favorable action in this matter.

Yours respectfully,

CALVIN TOMKINS, Commissioner of Docks.

Dictated by Commissioner, but signed after leaving office.

No. 1973.

By Alderman Wilmot—
Whereas, The various heads of the different departments of the City in preparing their annual budgets most generally request increased appropriations for the purpose of defraying the expenses of increasing salaries to themselves and the higher paid employees in their department, but never consider the great needs of their under-paid per diem employees, with some few favored exceptions, and

Whereas, The Association of Inspectors of Pipe Laying, Pipes and Hydrants of the Department of Water Supply, Gas and Electricity have for years been endeavoring to bring about an equalization of salaries paid to them owing to the fact that although all Inspectors have the same title, have passed the same examination and most generally do the same work, the difference in compensation is from \$150 to \$600 per annum, and

Whereas, Said Association has submitted to this body a proposed schedule of graded salaries based upon seniority in service, merit and fitness, and

Whereas, Section 56 of the Charter gives the power to the Board of Aldermen to fix and regulate the salaries of all City employees, therefore be it

Resolved, That we heartily approve of the inclosed schedule of graded salaries herewith submitted and favor the adoption of same and the same is hereby adopted; and be it further

Resolved, That we recommend the issue of corporate stock to such an amount as may be necessary to defray the increased expenses in paying the salaries of such employees benefited by the above resolution.

No. 1986.

By Alderman McCourt—

Whereas, The Board of Aldermen did, on May 7, 1912, adopt the following preamble and resolution:

"Whereas, The Board of Health of the Department of Health of The City of New York did, on March 21, 1911, provide by the adoption of section 189 of the Sanitary Code, that 'the use of a common drinking cup or receptacle for drinking water in any public place or in any public institution * * * is hereby prohibited,' which very meritorious provision was supplemented by an act of the Legislature of 1912 and concurred in by the legislatures of at least twenty-eight other states of the union, thereby proving conclusively the idea embraced in this provision has found general favor; therefore

"Resolved, That in the interests of public health and life and to the end that the widespread dissemination of the disease breeding germ which lurks in water generally used for potable purposes may be minimized to its fullest, particularly now that the warm season is approaching, during which these germs propagate, the Board of Health be and it is hereby requested and urged to enforce with all the power at its command the fullest observance of section 189 of the Sanitary Code and such other provisions of law as may bear on the question," and

Whereas, The enforcement of said ordinances, if heeded by the Board of Health, has not been observed in most of the places of public assemblage in The City of New York, notably in the theatres, and

Whereas, The observance of the provisions of said ordinance is not restricted to any season, and at this particular time of the year all places of public assemblage will be in full operation, therefore, be it again

Resolved, That the Board of Health be requested to prosecute with all the vigor at its command an enforcement of the requirements of the aforementioned ordinance in the interest of the life and health of the people of the community, which said Board so far has splendidly safeguarded.

No. 1991.

By Alderman Herbst—

Hon. ABRAM HERBST, Alderman:

Dear Sir—We, the undersigned property owners, residents and tenants on and in the vicinity of Arthur ave. and E. 187th st., Bronx, respectfully petition the Board of Aldermen of The City of New York, That a push cart and peddlers' market be established in Arthur ave., from 184th st. to 188th st. (3 blocks, there being no 185th st.), and on E. 187th st., between Hoffman st. and Belmont ave. (3 blocks), this section of streets mentioned being in the heart and centre of a thickly populated Italian district. We, the undersigned, believe that if the peddlers and push-cart merchants are allowed to stand in these streets, unmolested by the police, the high cost of living will be reduced greatly, as thousands of poor people who buy in very small quantities and are unable to buy at or even find the so-called other "markets" will be much benefited.

LOUIS PABANGELO, 2378 Arthur ave.; GIOVANNI SACCAMANNO, 2373 Arthur ave.; ALEXANDER SALEMY, 2352 Arthur ave.; FRANK PITRONE, 2335 Arthur ave.; SALUTO COREILLO, 2354 Arthur ave.; G. LAURITIANO, 2380 Arthur ave.; G. RAGGI, 2349 Arthur ave.; FILONNENA KURABILE, 2383 Arthur ave.; SALVATORE LEFIORE, 2398 Arthur ave.

Dear Sir—Replying to yours of October 9 I beg to state that the petitions sent you were intended as an application, etc., to allow pushcarts to stand at the curb, in the streets mentioned—as it is now, they are liable to arrest. They stand there now to some extent and are arrested frequently by reason of an ordinance which prohibits them to stand, I think, over ten minutes. This ordinance can be suspended for certain specific localities. Alderman Weill is doing something in this line for Wendover ave., and it was himself who personally suggested that the petition be sent to you. Alderman Weill, I think, favors the pushcart street market. Thanking you, etc., I remain respectfully,

WM. STONEBRIDGE.

P. S.—We contend that the Board has the same right to help the pushcart merchant as they have to grant taxicab stand and newsstand privileges.

to wit: To construct sewers and apurtenances in Amsterdam ave. between 179th and 181st sts.; in 181st st. between Amsterdam ave. and Laurel Hill Terrace; and in Laurel Hill Terrace between 181st st. and Amsterdam ave. at 188th st. Which was adopted.

The President presented for the consideration of the Board the matter of paving the service street forming the widening of Riverside Drive between 158th and 165th sts.

Laid over pending the installation of subsurface structures.

The President presented for the consideration of the Board the matter of constructing a sewer in the service street forming the widening of Riverside Drive between 158th and 165th sts.

Mr. George C. Wheeler, representing the Loyal L. Smith Estate, appeared and stated that adequate sewer facilities could be afforded by the constructing of sewers in the intersecting streets.

The matter was thereupon laid over for two weeks.

The President presented for the consideration of the Board the question of rescinding the resolution adopted on November 28, 1911, recommending the laying out of a tunnel street extending from Bennett ave. to Riverside Drive at about 190th st.

The following appeared in opposition to any action which would delay the construction of the tunnel: Mr. Jonas Libbey, Mr. Lorth, Mr. Treat, Mr. Frederick Mathesius.

Mr. Felleman appeared in favor of the rescission.

The President stated that the tunnel could not be constructed until additional legislation was enacted, and that no time would be saved by having the street incorporated on the City map at this time.

The resolution of November 28, 1911, was thereupon rescinded.

The President presented for the consideration of the Board the matter of constructing a stairway from Haven ave. to Riverside Drive at about 169th st. where the City has already acquired an easement for City purposes.

On motion of Alderman Boschen, resolution adopted October 3d, 1911, for paving 173d st. from Broadway to Ft. Washington ave., was rescinded, it appearing from a statement made by Mr. George C. NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a

certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-ends, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement, to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
