CERTIFICATE 23904

RESOLVED That the Design Commission, having considered designs for the construction of an outdoor Amur Leopard exhibition, including the installation of interpretive signage, as part of Phase IIA of the master plan, Staten Island Zoo, Clarence T. Barrett Park, 614 Broadway, Staten Island, submitted by the Department of Design and Construction, the Department of Cultural Affairs and the Department of Parks & Recreation, represented by exhibits 4196-CI, CJ, CK, CL, CM & CN of record in this matter, hereby gives to the same unanimous final approval with the understanding that (1) the final text and layout of the signage will be submitted for review prior to fabrication; and (2) future consideration of the design of the individual phases is contingent upon the agencies working with the Staten Island Zoo's staff to incorporate the other needs identified in their Animal Collections Plan, including the vertical transfer of animals other than the leopards and the aging aquariums, into the master plan, which should then be submitted for committee review. Commissioner Nielsen recused herself.

Final approval is conditioned upon commencement of work before May 17, 2012 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.
