HOUSING AND COMMUNITY RENEWAL

PUBLIC HEARINGS

Public Notice is Hereby Given pursuant to §26-405a(9) of the New York City Rent and Rehabilitation Law that the New York State Division of Housing and Community Renewal (DHCR) will conduct a public hearing to be held at 250 Broadway, 19th floor, New York State Assembly Hearing Room, New York, NY 10007 on Thursday, November 16, 2023 for the purpose of collecting information relating to all factors which the DHCR may consider in establishing a Maximum Base Rent (MBR) for rent controlled housing accommodations located in the City of New York for the 2024-2025 biennial MBR cycle. It should be noted the 2019 Housing Stability and Tenant Protection Act (HSTPA) impacts the formula for calculating Maximum Collectible Rent (MCR) increases. The 5-year averaging of 1-year rent guidelines results in significantly lower annual increases in the MCR than the prior formula, which allowed up to a 7.5% annual increase in the MCR over 2 years until the MBR is reached. The morning session of the hearing will be held from 10:00 A.M. to 12:30 P.M.; the afternoon session will run from 2:00 P.M. to 4:30 P.M.

Pre-registration of speakers is advised. Those who wish to pre-register may contact the office of Christopher Padrón, Executive Assistant, at (718) 262-4822 or email Christopher.padrón@hcr.ny.gov and state the time they wish to speak at the hearing and whom they represent. Pre-registered speakers who have reserved a time to speak will be heard at approximately that time. Speakers who register the day of the

hearing will be heard in the order of registration at those times not already reserved by pre-registered speakers. Speaking time will be limited to five minutes in order to give as many people as possible the opportunity to be heard. Speakers should be prepared to submit copies of their remarks to the DHCR official presiding over the hearing. The hearing will conclude when all registered speakers in attendance at the hearing have been heard. DHCR will also accept written testimony submitted prior to the end of the hearing. Submissions may also be sent in advance to Christopher Padrón, Executive Assistant, 6th Floor, Division of Housing and Community Renewal, Gertz Plaza, 92-31 Union Hall Street, Jamaica, NY 11433. To obtain a report on the DHCR recommendation for the 2018-2019 MBR cycle, interested parties should call (718) 262-4822 or email Christopher.padrón@hcr.ny.gov

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established four (4) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting and Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis).

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

ENVIRONMENTAL PROTECTION

NOTICE

PUBLIC NOTICE

**Federal Emergency Management Agency
In accordance with 44 CFR §9.8 for Executive Order 11988
Proposed Pumping Station Improvements
Bay Terrace, Queens County, New York**

Notification is hereby given to the public of the intent of the Department of Homeland Security-Federal Emergency Management Agency (DHS-FEMA) to provide federal funding to the New York City Department of Environmental Protection (NYC DEP) as subrecipient for a new elevated support building (superstructure) to house the electrical distribution for an existing pump station through the Hazard Mitigation Grant Program (HMGP). The purpose of HMGP is for communities to develop hazard mitigation plans and rebuild in a way that reduces, or mitigates, future disaster losses. This notification is given in accordance with Executive Order 11988 (Floodplain Management) 44 CFR Part 9, regulations for implementing EO 11988 and the National Historic Preservation Act (NHPA). The Proposed Action is located at the southeast intersection of the Clearview Expressway and the Cross Island Expressway, Bay Terrace, Queens County, NY (40.78805, -73.789503).

The proposed scope of work consists of elevating the proposed superstructure to 17.5 feet NAVD88 which is at the base flood elevation (BFE), as indicated by best available flood map data, plus at least three (3) feet of freeboard for this Critical Action. Raising the superstructure will allow for continuity of operations at the existing pump station during flood events.

This action would take place within the 100-year floodplain. Alternatives considered include: 1) no action, 2) proposed alternative, which is the proposed elevated superstructure or 3) alternate construction. FEMA has determined that building the proposed elevated superstructure is the most practicable alternative to ensure continuity of operations to support the existing pump station. FEMA has also determined that investment of funds to reduce flood risk is in the public interest.

Comments about this project, potential alternatives, and floodplain impacts may be submitted in writing within 15 days of the date of this publication to: U.S. Department of Homeland Security, Federal Emergency Management Agency – Region 2 – Environmental Planning and Historic Preservation, Mitigation Division, One World Trade Center, Suite 53, New York, NY 10007 or via email to FEMAR2COMMENT@fema.dhs.gov. If substantive comments are received, FEMA will evaluate and address the comments as part of the environmental documentation for this project.
