HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

URBAN DEVELOPMENT ACTION AREA PROJECT

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of Brooklyn:

Address	Block/Lot(s)
1900 Park Place	1468/56 (Formerly p/o Lot 56, Lots 58 and 60)
416 Thomas S. Boyland Street	1468/63 (Formerly p/o Lot 56, Lots 63 and 64)

Under the New Infill Homeownership Opportunities Program (NIHOP), HPD promotes the new construction of one- to three-family homes and small buildings with condominium and cooperative units to foster mixed-income communities by providing affordable homeownership opportunities targeted to New York City's workforce community.

Under NIHOP, housing development fund company sponsors purchase City-Owned land for one dollar per tax lot and construct one- to three-family homes or buildings containing condominium or cooperative units. The sponsor also delivers a note and mortgage for the difference between the appraised value of the land and the purchase price ("Land Debt"). Construction financing may be provided through loans from the City ("City Subsidy"), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides tax exemption for the homes.

Upon completion, the sponsor sells the homes to eligible purchasers who have agreed to owner-occupy for a minimum of twenty years. The Land Debt and City Subsidy, if any, are apportioned pro rata to each home and may be unsecured at the time of sale based on the home's post-construction appraised value. Purchasers repay the Land Debt and City Subsidy, if any, attributable to their homes by delivering a note and a mortgage and/or conditional grant agreement to the City. The sum evidenced by the note and secured by the security instruments will be reduced to zero after twenty years of owner occupancy. Initial purchasers and subsequent owners are required to make payments to the City out of resale or refinancing profits.

This submission is a proposed amendment ("Amended Project") to a project previously approved by the Mayor on January 6, 2010 (Cal. No. 9) ("Original Project"). The Amended Project changes the name of the Sponsor from New York City Partnership Housing Development Fund Company, Inc. to Habitat for Humanity Latent Thomas Boyland Street Housing Development Fund Corporation and changes the housing program from the New Foundations Program to the New Infill Homeownership Opportunities Program, but is otherwise the same as the Original Project.

Under the Amended Project, Habitat for Humanity Latent Thomas Boyland Street Housing Development Fund Corporation ("Sponsor") will purchase the Disposition Area under the New Infill Homeownership Opportunities Program. HPD proposes to sell the Disposition Area to the Sponsor at the nominal price of one dollar per tax lot. Upon conveyance, the Sponsor will also deliver a note and mortgage for the difference between the appraised value of the land and the purchase price ("Land Debt"). The Sponsor will then construct up to three (3) buildings containing a total of up to 25 condominium units for sale to low-income purchasers.

The Land Debt and City Subsidy, if any, will be apportioned pro rata to each home and may be unsecured at the time of sale based on the home's post-construction appraised value. Purchasers will repay the Land Debt and City Subsidy, if any, attributable to their homes by delivering a note and mortgage and/or conditional grant agreement to the City. The sum evidenced by the note and secured by the security instruments will be reduced to zero after twenty years of owner occupancy. Initial purchasers and subsequent owners will be required to make payments to the City out of resale or refinancing profits.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination at the Office of HPD, 100 Gold Street, Room 5-A4, New York, NY on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on December 21, 2016, at 1 Centre Street, Manhattan, Mezzanine at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Disposition Area pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, 253

Broadway, Room 915, New York, NY 10007, (212) 788-7490, no later than Seven (7) business days prior to the public hearing. TDD users should call Verizon relay services.

● *Win More Contracts at nyc.gov/competetowin*

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

Statement of Basis and Purpose of Proposed Rule

Chapter 396 of the Laws of 2016, enacted on October 21, 2016, establishes two new provisions of law: Section 212 of the New York State Multiple Dwellings Law, and Section 27-287.1 of the Administrative Code of the City of New York (the City's Building Code). Both provisions prohibit the advertising of dwelling units in a Class A multiple dwelling, as defined in the Multiple Dwelling Law, for any purpose or use other than permanent residential occupancy. This prohibition applies to all forms of advertising, including electronic and printed materials, television, and radio. The statute specifies that it is to be enforced in New York City by the Mayor's Office of Special Enforcement.

The purpose of this proposed rule is to implement Chapter 396 of the Laws of 2016 by specifying the penalties for violation of the statutory prohibition. Persons found to have violated the prohibition will be fined \$1,000 for the first violation, \$5,000 for the second violation and \$7,500 for the third and subsequent violations. Like all violations of the City's Building Code, notices of violation relating to the new prohibition will be returnable at the Environmental Control Board.

The authority of the Mayor's Office of Special Enforcement for these rules is found in Section 1043 of the New York City Charter and Section 27-287.1 of the New York City Administrative Code.

New material is underlined.

[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Title 43 of the Rules of the City of New York is amended by adding a new Chapter 15, to read as follows:

CHAPTER 15

\$15-01	Certain Advertising Prohibited
\$15-02	Definition
\$15-03	Penalties

It is unlawful to advertise occupancy and use of dwelling units in a Class A multiple dwelling for occupancy that would violate Subdivision Eight of Section Four of the New York State Multiple Dwelling Law, defining a "Class A" multiple dwelling as a multiple dwelling that is occupied for permanent residence purposes.

§15-02 Definition.

For purposes of this chapter, the term "advertise" means any form of communication, promotion or solicitation, including but not limited to direct mail, newspapers, magazines, flyers, handbills, television commercials, radio, signage, direct mail, websites, text messages or similar displays, intended or used to induce, encourage or persuade the public to enter into a contract for goods and/or services.

NOTE:

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E85, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

COMMUNITY DEVELOPMENT BLOCK GRANT DISASTER RECOVERY (CDBG-DR)

COMBINED FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

This Notice shall satisfy two separate but related procedural requirements for activities to be undertaken by the City of New York.

REQUEST FOR RELEASE OF FUNDS

On or about December 5, 2016, the City of New York (the City) anticipates submitting a request to the U. S. Department of Housing and Urban Development (HUD) for the release of CDBG-DR funds authorized by the "Disaster Relief Appropriations Act, 2013" (Public Law 113-2) to improve the resiliency of the Staten Island University South Campus Hospital against flood events. In response to Hurricane Sandy, Northwell Health formulated a hazard mitigation strategy to harden their South Campus Central Utility Plant and related mechanical equipment. Hardening techniques include use of a hardscape berm, concrete pads, contouring of pavement and installation of permanent pumps. Proposed hazard mitigation work includes replacement of critical site infrastructure located at the Central Utility Plant, including the campus' main generators, installing a third boiler and installing a new chiller. Estimated CDBG-DR funding will total \$6,000,000.00.

FINDING OF NO SIGNIFICANT IMPACT

New York City Office of Management and Budget (OMB), as the City's Responsible Entity (RE) for environmental reviews conducted under the CDBG-DR Program, has determined that the proposed project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) and Environmental Assessment (EA) on file with Mr. Calvin Johnson, Assistant Director, New York City Office of Management and Budget, 255 Greenwich Street, 7th Floor, New York, NY 10007, (212) 788-6024 and may be examined or copied on weekdays between 10:00 A.M. and 5:00 P.M. The document may also be found at http://www.nyc.gov/html/cdbg/html/environmental_notices/environmental_notices_resilience.shtml.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments to NYCOMB at the address listed above. All comments received by close of business December 4, 2016, will be considered by OMB prior to requesting the release of funds. Those wishing to comment should specify which part of this Notice they are addressing.

RELEASE OF FUNDS

NYCOMB certifies to HUD that Dean Fuleihan in his capacity as Certifying Officer of the CDBG-DR Program consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows OMB to use CDBG-DR funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will consider objections to its release of funds and the NYCOMB's certification for a period of fifteen days following its actual receipt of the request only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of OMB; (b) OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to: Tennille Parker, Disaster Recovery and Special Issues Division, Office of Block Grant Assistant, HUD, 451 7th Street South West, Room 7272, Washington, DC 20410. Potential objectors should contact HUD to verify the actual last day of the objection period.

YOUTH AND COMMUNITY DEVELOPMENT

■ NOTICE

The Department of Youth and Community Development (DYCD) will look to release our upcoming Organizational Development Request for Proposals (RFP), EPIN: 2601710002, using the Innovative Procurement method, Section 3-12 of the Procurement Policy Board Rules. This will allow for DYCD to release and manage a professional services RFP through the Health and Human Services (HHS) Accelerator system.

The RFP will seek qualified vendors to provide capacity building support to DYCD-funded organizations in New York City. It is anticipated the funding amount for the RFP will be \$823,359.00 annually to be allocated amongst four service options for a three year contract term.

DYCD has found the HHS Accelerator system to be an efficient way of managing the RFP process for human client service RFPs. DYCD believes releasing a professional services RFP would allow for similar efficiencies to be made available. It is anticipated that this proposed method will be implemented early winter and will be evaluated to determine whether it is in the City's best interest to codify the method used within the PPB rules after contracts, as a result of this RFP, have been registered.

The RFP released will follow Section 3-16, the HHS Accelerator method, of the PPB rules. Therefore, providers interested in proposing to this RFP will need to be prequalified in the HHS Accelerator system for the service area Capacity Building in order to receive the solicitation and to propose.

DYCD would like to give this opportunity to accept comments and expressions of interest on this proposed method. Comments and expressions of interest may be emailed no later than December 23, 2016, to ACCO@dycd.nyc.gov. Please enter "Innovative Procurement" in the subject line.
