B.— The price must be written in the bid and also stated in figures, and all estimates will be considered as mf. rmal which do not contain bids for all items for which bids are called herein. Permission will not be give for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioners of the fort Washington Ridge Road to reject any or all bids which they may deem projudicial to the bublic interests. No bid will be accepted from, or contract awar ed to, any person who is in arrears to the Cor-poration upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the Corporation.

as surety or otherwise upon any obligation to the Corporation. Each estimate shall be accompanied by the con-sent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation of the City of New York any difference between the sum to which he would be entitled on its completion and that which the said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a house-holder or freeholder in the City of New York, and is over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be determined by the Comptroller of the city of New York.

The successful bidder will be strictly held to the time bid for the completion of the work and to the conditions of the Specifications. The Surveyor's estimate of the nature and extent of the work to be done and materials to be furnished is as follows:

follows: 7,077 cubic yards of earth excavation. 8,000 cubic yards of rock excavation. 3,000 cubic yards of rock excavation. 7,472 cubic yards of dry masonry. N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible *in advance*, are approximate only, bidders are required to submit their estimate upon the following express conditions, which shall apply to and become part of every estimate received.
