# PUBLIC NOTICE OF A SCOPING MEETING DRAFT ENVIRONMENTAL IMPACT STATEMENT (CEQR No. 14DCP188M)

**NOTICE IS HEREBY GIVEN** that pursuant to Section 5-07 of the Rules of Procedure for Environmental Review (CEQR) and 6 NYCRR 617.8 (State Environmental Quality Review) that the New York City Department of City Planning (DCP), acting on behalf of the City Planning Commission (CPC) as CEQR lead agency, has determined that a Draft Environmental Impact Statement (DEIS) is to be prepared for the Vanderbilt Corridor and One Vanderbilt project (CEQR No. 14DCP188M).

The CEQR lead agency hereby requests that the applicant prepare or have prepared, at their option, a Draft Environmental Impact Statement (DEIS) in accordance with 6 NYCRR 617.9(b) and Sections 6-08 and 6-12 of Executive Order No. 91 of 1977 as amended (City Environmental Quality Review).

A public scoping meeting has been scheduled for Wednesday, July 16th, 2014, at 3:30 P.M. and will be held at the New York **City Department of City Planning, Spector Hall, 22 Reade** Street, New York, NY, 10007. Written comments will be accepted by the lead agency until the close of business on Monday, July 28, 2014.

The applicants, the New York City Department of City Planning (DCP) and Green 317 Madison, LLC, are requesting a zoning text amendment, City Map change, and special permit pursuant to the proposed zoning text amendment (collectively, the "Proposed Action") affecting a five block area in East Midtown neighborhood between East 42nd and East 47th Streets of Manhattan Community District 5.

The Proposed Action includes a proposal by DCP for:

- Zoning text amendments to:
  - Create the "Vanderbilt Corridor" and a new special permit under which the City Planning Commission (CPC) may approved bonus floor area (the "Grand Central Public Realm Improvement Bonus") in connection with public space and transit improvements related to development within the Vanderbilt Corridor;
  - o Increase the maximum floor area ratio (FAR) from 21.6 to 30.0 for sites in the Vanderbilt Corridor utilizing the existing landmark transfer special permit available in the Grand Central Subdistrict; and
  - $\circ~$  Modify the uses permitted in the Vanderbilt Corridor to allow the development, conversion or enlargements of hotels only by a new special permit; and
- A City Map amendment to designate the portion of Vanderbilt Avenue between East 42nd and East 43rd Streets as a "public place" dedicated to pedestrian uses, to be owned by the City of New York under the jurisdiction of the New York City Department of Transportation (NYCDOT).

The Proposed Action also includes a proposal by Green 317 Madison, LLC, for:

Special permits proposed pursuant to the proposed Grand Central Public Realm Improvement Bonus and FAR transfer to facilitate the redevelopment of the block bounded by 43rd Street to the North, 42<sup>nd</sup> Street to the South, Madison Avenue to the East and Vanderbilt Street to the West. The special permits would involve public realm improvements in the surrounding area and the transfer of excess development rights from the New York City Landmark (NYCL) "Bowery Savings Bank" located at 110 East 42nd Street.

The Proposed Action would facilitate a proposal by Green 317 Madison, LLC to construct an approximately 1.8 million gross square foot (1,299,390 zoning square foot) 30.0 FAR mixed use building ("One Vanderbilt") containing a mix of uses including office, trading floors retail, restaurant, an enclosed public space at ground level, and rooftop amenity space. The proposed Vanderbilt Corridor includes five blocks along the west side of Vanderbilt Avenue between East 42nd and East 47th Streets - Block 1277 (Lots 20, 27, 46, and 52), Block 1278 (Lot 20),

Block 1279 (Lots 23, 24, 25, 28, 45 and 48), Block 1281 (Lot 21), and Block 1282 (Lot 21). The project area includes the five blocks of the Vanderbilt Corridor and the 12,820-square-foot portion of Vanderbilt Avenue between East 42nd and East 43rd Streets.

DCP is proposing the Vanderbilt Corridor text amendment in order to address the number of development sites along Vanderbilt Avenue that offer the opportunity to provide modern commercial space in the immediate vicinity of Grand Central in the near term, to create a mechanism for linking new commercial development to significant infrastructure improvements to the overall Grand Central area, and greater options for the transfer of unused landmark development rights. It is expected that the proposed One Vanderbilt building and related improvements would be completed by 2021. A conceptual analysis, based on an analysis year of 2033, will consider the potential redevelopment of the four blocks of the proposed Vanderbilt Corridor north of the One Vanderbilt site.

Copies of the Draft Scope of Work and the Environmental Assessment Statement may be obtained from the Environmental Assessment and Review Division, New York City Department of City Planning, 22 Reade Street, 4E, New York, NY 10007, Robert Dobruskin, AICP, Director (212) 720-3423; or from the Office of Environmental Coordination, 100 Gold Street, 2nd Floor, New York, NY 10038, Christopher Reo, Acting Director (212) 788-2937. The Draft Scope of Work and scoping protocol will also be made available for download at www.nyc.gov/planning. Public comments are requested with respect to issues to be addressed in the draft environmental impact statement.

# PROCUREMENT

# "Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

• Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.

# HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method:

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at http://www.nyc.gov/html/ hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

# **Participating NYC Agencies**

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community- based Services Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.
