OFFICES OF THE BOARD OF EDUCATION, NO. 146 GRAND STREET, BORDON OF MANDATTAN, October 29, 1898.

To the Board of Education :

The Commutes on France respectfully reports that the Committee on Buildings has advised that there will be required to the payment of the wages of Inspectors and Oranghtsmen employed upon new buildings not the last four months of the current year the sum of, approximately, \$13,000. The bond account appropriation for the purpose is exhausted, and, in view of the fact that it is generally understood that no more School-house Bonds will be issued during the present year, it becomes necessary to provide means of payment of these employees from some other source. In connection between the Committee would call attention to the importance of the continuation of the provided that the Committee would call attention to the importance of the continuation of the preparations of plans, specifications, etc., for new buildings, etc., to be commenced immediately following the period when the debt limit will have expired by the efflusion of time, or otherwise. Under the circumstances the Committee has concluded to recommend that a resolu-

otherwise. Under the circumstances the Committee has concluded to recommend that a resolution be presented to the Board of Estimate and Apportionment asking authority to expend such necessary sum from the General Repair Fund for the current year for the purposes hereinbefore indicated. This action is suggested for the reason that it was not originally contemplated that such an exponditure should be made from the particular fund named.

The following resolution is submitted for adoption;

Resolved, That the Board of Estimate and Apportionment be and it is hereby requested to authorize the payment of thirteen thousand dollars [\$13,000) from the Special School Fund for the current year and from the item contained therein entitled "General Repairs," Boroughs of Manhatian and The Brows, for the purpose of paying the wages of Draughtsmen and Inspecture supplyed in the preparation of plans, specifications, etc., or new school buildings, and to render applicable and "Constal Report Fund." for the purposes hereinbefore mentioned.

A time copy of report and resolution alopted by the Board of Education October 26, 1898.

And offered the following:

A. EMERSON PALMER, Secretary, Board of Education.

And offered the following:

Recolved, 'That the Board of Estimate and Apportionment hereby authorizes the payment am of the appropriation in the Special School Fund of the Board of Education for the year 1898 emitted "Control Reports, Broughts of Manfattan and The Brons," of the som of thirteen thansand didlars (\$17,000) for payment of attaces and wages of Draughtsmen and Inspecting employed in the preparation of plans, specifications, etc., of new school buildings.

Which was alleged by the following one:

Afternative—Tan Mayor, Comptroller, Corporation Counsel, President of the Council and President of the Department of Tans and Assessments—3.

DEPARTMENT OF WATER SUPPLY -COMMISSIONER'S OFFICE, No. 150 Nassau Street, New York, Navember 28, 1898.

Hon. ROBERT A. VAN WYCK, Mayor, Chairman, Board of Estimate and Appartionment:

DEAR SIR - According to the present pay-roll, there will be an unexpended balance of at least \$500 in the appropriation " Salaries - Office of the Deputy Commissioner for the Borough of Richmand, for 1895," which is needed for the work of lowering about 1,600 feet of water-mains of the City's pumping plant at Tompkin cycle, in consequence of changes in the street grades, and for other improvements on the property belonging to the property plant.

I therefore respectfully ask that your Board will transfer the sum of \$500 from that appropriation to the appropriation for "Pumping Stations—Salaries and Sapplies, Borough of Richmond, for 1898."

Very respectfully, WM. DALTON, Commissioner of Water Supply,

And offered the following:

Resolved, That the sum of five hundred dollars (5500) be and hereby is transferred from
the appropriation made to the Department of Water Supply for the year 1808 entitled.

"Salaries—Office of Deputy Commissioner, including salary of Deputy Commissioner at onethird of \$5,000, Burough of Richmand," the same being in excess of the amount required for
the purposes thereof, to the appropriation made to the said Department for the year 1808,
entitled "Pumping-stations—Salaries and Supplies, Borough of Richmond," the amount of
said appropriation being insufficient.

Which was adopted by the following vate: And offered the following :

Which was adopted by the following vate:
Atternative—The Mayor, Comparoller, Comparation Counsel, President of the Council and
President of the Department of Taxes and Assessments—5.

The Mayor presented the following :

DEPARTMENT OF WATER SUPPLY—COMMISSIONER'S OFFICE, No. 150 NASSAU STREET, NEW YORK, November 11, 1898.

Hon. ROBERT A. VAN WYCE, Mayor, Chairman Board of Estimate and Apportionment :

Hon. Robert A. VAN WYCS, Major, Chairman Heard of Estimate and Apparticularies:

Dear Six—On September 3, 1897, the authorates of the Village of College Point made a contract with the Snow Steam Pump Works for pamping machinety for the water supply of the village. Shortly after this water supply came under the charge of this Department, on January 1, 1808, it was ascertained that the pumping machinety could not be made available without additional large expenditure for grading and preparing the ground, excuvating and building foundations, placing water-mains and stop-cocks to connect the pumping plant with the distributing mains, and after incidental work. The Department had received notice that the pumping machinery was completed, but it could not undertake the additional work above referred to until it was specificated in the existed a sufficient balance of funds or appropriation applicable to the additional work.

that he understood from the Treasures that there would be a probable corples of \$7,000 or more in the "A Water Tower Pant," which was to be transferred outles "The pure Plant Extremes Food," making an ample balance to meet the requirement of contract when it would appear was 4nd proper to use such funds.

proper it use such finds.

Acting no this information, the Department proposaled in prepare plane and specifications for the additional work required, and after these ware completed, the article was advertised for public letting, which was held October in. The lane of all reservoirs in the letting was \$5,172.75. Before making an award on this bid, I deemed a proper to again awards, from the Comprodict the exact balance of fund available for the purpose, and, who have not the 2d formula he transmitted to me a copy of a report made to him in the matter by Mr. Li.C. Tate, Expert Accountant, showing that the funds applicable to the contract amount to the sum of only \$7,350 Mz.

Under these circumstances no award of contract zon be made or contract extrated, unless the find available is supplemented by a transfer. If therefore, respectively ask that your learn will transfer the sum of \$3,000 from the appropriation for "Supplying Water to Long Island City, B rough of Queens for 1868," from which the said amount can be spared, to the "Tumping Plant Extension Food for College Point, Borough of Queens," so as to enable me to make award of the contract, have the contract, executed and the work proceeded with, which is necessary not only to place and make awardable the pumping spackingry completed under the contract of September, 1897, but is also necessary to meet increased demands for water supply in that rection of the Borough of Queens. ough of Queens,

Very respectfully, ed) WM, IGALTON, Commissioner of Water Supply. (Signed)

And offered the following:

Resolved, That the sum of three thousand dollars (53,000) be and the same is berisky transferred from the appropriation made to the Department of Water Supply for the voir 1508, entitled "Supplying Water to Long Island City," the name being to occase of the amount required for the purposes and objects thereof, to an appropriation made to said Department for said year, for the Borough of Queens, entitled "Tampane Plant Laterson, College Point, Romagh of Queens"; the amount hereby transferred being made applicable in partial certification of contracts for said work.

Which was adopted by the following vane:
