### BOARD OF EXAMINERS.

Board of Examiners, }  
July 17, 1906. }

Present—Messrs. Warren A. Conover, Charles Buek, Lewis Harding, Charles G. Smith, Edward F. Croker, Henry R. Marshall and William J. Fryer, Chairman.

Meeting called to order at 2 p. m.

On motion, minutes approved as read.

Mr. Buek, having reported, was excused by the Chairman.

Appeal 28 of 1906, New Building, 1906, premises south side of Halsey street, about 100 feet from corner of Bedford avenue, Brooklyn; Axel S. Hedman, architect and appellant.

That, according to Building Code, the building must be fireproof, the area being greater than that allowed for non-fireproof buildings.

Section 32 of the Building Code gives the Board of Examiners power to modify this section in relation to buildings three stories high or less.

To allow partitions and a non-fireproof roof, consisting of wood beams supported on yellow pine trussed girders.

The building will be only one story high. If fireproof, the cost too great, as it is only a temporary structure.

Mr. Axel S. Hedman appeared before the Board.

On motion, denied.

The Chairman presented and read a communication from the Metropolitan Life Insurance Company, relative to renewal of lease of offices occupied by the Board; whereupon, on motion,

Resolved, That the Chairman be and he hereby is authorized to take such steps as may be necessary to secure the renewal of lease of offices occupied by this Board for the term of one year from January 1, 1907.

Adjourned.

M. M. D. CLARK, Acting Clerk.

All such deposits shall be returned by the Comptroller to the persons making the same within three days after the decision has been rendered as to who is or are the highest bidder or bidders, except the deposit made by the highest bidder or bidders.

4. If said highest bidder or bidders shall refuse or neglect, within five days after service of written notice of the award to him or them, to pay to the City Chamberlain the amount of the Stock or Bonds awarded to him or them at its or their par value, together with the premium thereon, less the amount deposited by him or them, the amount or amounts of deposit thus made shall be forfeited to and retained by said City as liquidated damages for such neglect or refusal, and shall thereafter be paid into the Sinking Fund of The City of New York for the Redemption of the City Debt.

5. Upon the payment into the City Treasury by the persons whose bids are accepted of the amounts due for the Stock or Bonds awarded to them respectively, certificates thereof shall be issued to them in such denominations provided for by the Charter as they may desire.

6. It is required by the Charter of the City that "every bidder may be required to accept a portion of the whole amount of Bonds or Stock bid for by him at the same rate or proportional price as may be specified in his bid; and any bid which conflicts with this condition shall be rejected, provided, however, that any bidder offering to purchase all or any part of the Bonds offered for sale at a price at par or higher may also offer to purchase all or none of said Bonds at a different price, and if the Comptroller deems it to be in the interests of the City so to do, he may award the Bonds to the bidder offering the highest price for all or none of said Bonds; provided, however, that if the Comptroller deems it to be in the interests of the City so to do, he may reject all bids." Under this provision the condition that the bidder will accept only the whole amount of Stock or Bonds bid for by him, and not any part thereof, cannot be inserted in any bids, except those for "all or none" offered by bidders who have also bid for "all or any part" of the Stock or Bonds offered for sale.

7. The proposals, together with the security deposits, should be inclosed in a sealed envelope, indorsed "Proposals for Bonds of The City of New York," and said envelope inclosed in another sealed envelope addressed to the Comptroller of The City of New York.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done.
