COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11 o'clock A. M., on Thursday, May 18, 1916.

Present at Roll Call: Frank L. Dowling, President, Board of Aldermen; Alexander Brough, Deputy and Acting Comptroller; Milo R. Maltbie, Chamberlain; Francis P. Kenney, Chairman, Finance Committee, Board of Aldermen.
His Honor, The Mayor, arrived later. (See Note.)

Dock Department—Assignments and Sublettings of All Leases to be Submitted to the Commissioners of the Sinking Fund for Approval.

The following was received from the President of the Board of Aldermen:

May 4, 1916.

To the Commissioners of the Sinking Fund:

Gentlemen—My attention has been called to the fact that the form of leases of wharf property now used by the Department of Docks and Ferries, contains a clause that the lessee shall not assign or sublet the demised premises without the consent in writing of the Commissioner of Docks.

This clause, while it does not appear so you can notice it in any of the recommendations of the Commissioner of Docks requesting approval of leases, is included in the last sentence of the recommendations which reads as follows:

"The remaining terms and conditions of the lease to be similar to those contained in the form of leases of wharf property now used by the Department of Docks and Ferries."

The policy of the city in leasing its water front property by private agreement instead of at public auction, was adopted so as to prevent the railroad companies obtaining a monopoly of the city's wharf property to the exclusion of the steamship lines, and to give the Commissioners of the Sinking Fund control of the city's water front property in order that the piers, etc., may be allotted to such commercial interests as in their judgment will be of greatest benefit to the city and the Port of New York generally.

For this reason it seems to me that any assignments or subletting of leases should only be made with the approval of the Commissioners of the Sinking Fund, by whose authority the lease was originally made.

I therefore recommend that this procedure be followed in future, and offer the attached resolution for adoption to carry the recommendation into effect.

Respectfully, FRANK L. DOWLING, President, Board of Aldermen.

The Commissioner of Docks appeared before the Board and suggested that before any action is taken in the matter, that an opinion be requested from the Corporation Counsel as to what rights lessees of shedded and unshedded piers and other water front property have under existing leases and to submit for the consideration of the Commissioners of the Sinking Fund a draft of clause to be inserted in future leases which will carry out the intentions of the Sinking Fund Commission in regard to the matter.

Discussion of the matter followed.

The following resolution was then offered for adoption.

Resolved, That the Commissioner of Docks be and is hereby directed to modify the form of leases now used by the Department of Docks and Ferries in so far as it relates to assignments and sublettings, so that any such assignment or subletting shall be subject to the approval of the Commissioners of the Sinking Fund. The modified form of lease as herein directed to be prepared and approved as to form by the Corporation Counsel, so that all future leases will contain a clause which will carry out the intent of this resolution; and be it further

Resolved, That the Commissioner of Docks be and is hereby directed to transmit to the Commissioners of the Sinking Fund for approval all assignments or sublettings of leases of wharf property belonging to the City of New York, and in no case to consent to any such assignment or subletting without the approval of this Board having first been obtained.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Comptroller, in a communication to your Board under date of May 16, 1914, recommended a renewal of this lease for a period of two years from July 1, 1914, at an annual rental of \$500, the same as now asked, and said report was approved and renewal authorized at a meeting of your Board held June 10, 1914.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Police Department—Renewal of Lease for, of Premises on Haven Avenue, Between 176th and 177th Streets, Borough of Manhattan.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 13th, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Police Department, in a communication to your Board under date of March 20, 1916, requests a renewal of the lease of the premises on the east side of Haven Avenue, between 176th and 177th Streets, Borough of Manhattan, occupied as a station house by the 42nd Precinct, for a period of one year from July 1, 1916, at an annual rental of \$5,000, and upon the same terms and conditions as contained in the existing lease.

The Comptroller, in a communication to your Board under date of June 16, 1914, recommended this lease for a period of two years from July 1, 1914, at a rental of \$5,000 per annum, the same as now asked, and said report was approved and lease authorized at a meeting of your Board held June 10, 1914.

I, therefore, respectfully recommend, the rent being reasonable and just and the same as previously paid, that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the premises on the easterly side of Haven Avenue, between West 176th and West 177th Streets, Borough of Manhattan, known on the tax maps as Lot 500, Block 2139, Section 8, for use of the Police Department, for a period of one year from July 1, 1916, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$5,000, payable quarterly; the lessor to pay taxes and water rates; the lessee to make such inside and outside alterations and repairs during occupancy, as it may deem necessary, and furnish heat, light and janitor service; the lessor to have the right to terminate the lease upon giving ninety days' written notice of their intention so to do, in which event, they shall refund to the City three months' rent, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Roxton Realty Company, 30 Nassau Street, Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City, of the premises on the easterly side of Haven Avenue, between West 176th and West 177th Streets, Borough of Manhattan, known on the tax maps as Lot 500, Block 2139, Section 8, for use of the Police Department, for a period of one year from July 1, 1916, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of Five thousand dollars (\$5,000), payable quarterly; the lessor to pay taxes and water rates; the lessee to make such inside and outside alterations and repairs during occupancy, as it may deem necessary, and furnish heat, light and janitor service; the lessor to have the right to terminate the lease upon giving ninety days' written notice of their intention so to do, in which event they shall refund to the City three months' rent, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Roxton Realty Company, the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

Department of Correction—Hiring by, of a House at Denton Crossroads, New Hampton, N. Y.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 11, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Department of Correction, in a communication to your Board under date of May 3, 1916, requests the hiring, without the necessity of entering into a lease, of an eleven-room house at Denton Crossroads, New Hampton, N. Y., for a period not to exceed six months from March 1, 1916, at a rental of \$25 a month. He states that the removal of the Reformatory from Hart's Island to New Hampton, and the large number of employees working in the construction camp, has forced them to provide temporary outside accommodations from March 1, 1916.

I therefore respectfully recommend, the rent being reasonable and just and the City being in possession, that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay rent at the rate of \$300 per annum, payable monthly, to Elroy Givens, Middletown, N. Y., for use of the eleven-room house at Denton Crossroads, New Hampton, N. Y., for use of the Department of Correction, for a period not exceeding six months from March 1, 1916, without the necessity of entering into a lease. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Elroy Givens, rental at the rate of Three hundred Dollars (\$300) per annum, payable monthly, for use by the Department of Correction, of the eleven-room house at Denton Cross Roads, New Hampton, New York, for a period not exceeding six

months from March 1, 1916—payment to be made without the necessity of entering into a lease.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

County Officials, Bronx County—Payment of Rent Authorized of Space Occupied by in the Bergen Building Annex at Tremont and Arthur Avenues.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 13, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On March 30, 1916, the Commissioners of the Sinking Fund adopted a resolution authorizing the Comptroller to pay to William C. Bergen without the necessity of entering into a lease therefor, rent for a period of not more than two months from March 1, 1916, at the rate of 75 cents per square foot per annum, for the space occupied in the modern fireproof building adjacent and adjoining to the present building known as the Bergen Building, located on the southeast corner of Tremont and Arthur Avenues, Borough of The Bronx, and more particularly set forth in said resolution.

A lease of the space occupied in this building was authorized on June 23, 1915, for a period of ten years from October 1, 1915, or as soon thereafter as the building is ready for occupancy. Owing to present war conditions, Mr. Bergen has not as yet been able to receive the materials necessary to entirely finish the jails to be erected in the building. The lease cannot be executed until the jails are constructed. It will therefore be necessary to authorize the payment of rent for the remaining portion of the building now occupied by the different departments, for a period of at least one month from May 1, 1916.

I therefore respectfully recommend the adoption of the attached resolution.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to William C. Bergen, without the necessity of entering into a lease therefor, rent for a period of not more than one month from May 1, 1916, at the rate of 75 cents per square foot per annum, for the following space in the modern fireproof building adjacent and adjoining to the present building known as the Bergen Building, located on the southeast corner of Tremont and Arthur Avenues, Borough of The Bronx, to be used as follows:

1,000 square feet in the front of the third floor, for the use of the Justices and Clerks of the Court of Special Sessions.

1,700 square feet in the front of the third floor, for the use of the County Court.

1,040 square feet in the front of the fourth floor, for use as a law library for the County officials.

1,660 square feet in the front of the fourth floor, for use of the County Clerk.

4,300 square feet in the rear of the fourth floor, for use of the County Court.

7,000 square feet (the entire fifth floor), for use of the District Attorney.

7,000 square feet (the entire sixth floor), for use of the Surrogate.

2,700 square feet in the front of the seventh floor, for use of the Commissioner of Jurors.

4,300 square feet in the rear of the seventh floor, for use of the Coroner and the Court of Special Sessions.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

County Court, Bronx County—Assignment to, of Space in the Bergen Building Annex at Tremont and Arthur Avenues, Borough of The Bronx.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 15, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On June 23, 1915, the Commissioners of the Sinking Fund adopted a resolution authorizing a lease from William C. Bergen of 47,965 square feet of floor space in the modern fireproof building to be constructed adjacent to the Bergen Building, located on the southeasterly corner of Tremont and Arthur Avenues, Borough of The Bronx, for use of the different departments, more particularly set forth in the resolution. This lease was executed on October 11, 1915.

Since that time it has been deemed advisable to make some changes in the location of the various departments. The 1,700 square feet of space which was set apart for use as a library can be more conveniently used by the County Court, and the 1,040 square feet designated for use of the District Attorney as a Grand Jury Room can be used for library purposes.

I therefore respectfully recommend that the Commissioners of the Sinking Fund assign to the County Court 1,700 square feet of space in the front of the third floor in the addition to the Bergen Building at Tremont and Arthur Avenues, Borough of The Bronx, and 1,040 square feet of space in the front of the fourth floor of said building, to be used as a library.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby assign to the County Court of Bronx County, 1,700 square feet of space in front of the third floor in the addition to the Bergen Building at Tremont and Arthur Avenues, Borough of The Bronx, and 1,040 square feet of space in the front of the fourth floor of said building, for the use as a library.

The report was accepted and the resolution adopted, all members present voting in the affirmative.

President, Borough of Brooklyn—Approval of Action of, in Allowing the Lord Construction Company to Occupy Certain Land on Neptune Avenue Near Stillwell Avenue, in the Borough of Brooklyn.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 15, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The City is the owner of a strip of land averaging about 20 feet in width, running northerly from the northerly line of Neptune Avenue to Coney Island Creek, some distance easterly of Stillwell Avenue, Borough of Brooklyn. The Lord Construction Company is at present constructing an elevated railroad terminal at Coney Island and has erected temporary tracks alongside of and adjacent to the strip above mentioned.

The President of the Borough of Brooklyn, in a communication under date of May 5, 1916, states that it will be of much benefit to the City if Surf Avenue is relieved, during the busy season of Coney Island, from the storage of material and the obviation of the necessity of the use of Surf Avenue by the Lord Construction Company, and that the only question involved was as to the compensation that should be paid for the use of the strip above mentioned.

Inasmuch as the City is very anxious to have the terminal completed as quickly as possible, and the City relieved of any damages during the construction thereof, the use of this strip by the contractor is mutually advantageous both to him and to the City, and the charge therefor should be nominal, providing the contractor furnishes a bond indemnifying the City from any damages that may be incurred for the use thereof. The amount of this bond should be at least \$10,000.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund approve the action of the President of the Borough of Brooklyn in allowing occupation by the Lord Construction Company of a certain strip of land owned by the City of New York, located about 170 feet easterly from the intersection of the northerly line of Neptune Avenue and the easterly line of Stillwell Avenue, Borough of Brooklyn, and running northerly to the southerly line of Coney Island Creek, having an average width of 20 feet, for a period not to exceed one year from May 18, 1916; the Lord Construction Company to pay to the City the sum of one hundred dollars (\$100) for the use and occupation thereof, such use and occupation to be at all times subject to whatever rules and regulations may be imposed by the President of the Borough of Brooklyn; the Lord Construction Company to file a bond in the sum of Ten thousand dollars (\$10,000), which bond shall be approved by the Comptroller as to sufficiency, indemnifying the City from any loss or damage that may result from the use of the above mentioned premises by the Lord Construction Company. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Armory Board—Permission Granted to Issue an Open Market Order in the Sum of \$25.00 to Cut an Outlet Over the Armorer's Room in the 8th Coast Defence Command Armory, Jerome Avenue and Kingsbridge Road, Borough of The Bronx.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 11, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On May 1, 1916, the Secretary of the Armory Board requested permission to issue an open market order to the Architectural Metal Works for furnishing the necessary labor and material to cut an outlet over the Armorer's room leading to the lower roof adjoining, in the 8th Coast Defence Command Armory, Jerome Avenue and Kingsbridge Road, the Bronx. The outlet to be 8 inches by 8 inches through the brick parapet, on an angle as directed, and the work to be done at an estimated cost of \$35.00.

The inside leader from the hip roof over the Armorer's quarters was frozen during the past winter and burst on account of the building not being heated.

Instead of repairing the leader it is proposed to cut an opening through the parapet wall in order that the water may be discharged onto an adjoining flat roof about 2 feet lower. This opening to be lined with copper and the inlet to the present leader to be closed up.

It will cost less to do this than to repair the present leader and will prevent any possible recurrence of this leader freezing.

The cost of doing the work, however, should not exceed the sum of \$25.

It is proposed to pay the cost of this work from the Corporate Stock fund, entitled "C. A. B.—2B, Army Fund, Eighth Coast Artillery District, erection of completed armory, including architect's fees," authorized by the Commissioners of the Sinking Fund as follows:

December 18, 1911.....	\$1,150,000
December 17, 1913.....	29,000

Total \$1,179,000

Several Contracts and open market orders aggregating \$1,148,166.98 have been registered against this fund (C. A. B.—2B), leaving an unencumbered balance of \$30,833.02.

The charge of \$25 being reasonable, I advise the adoption of the attached resolution approving the request. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve the expenditure and grant permission to the Armory Board to issue an open market order in a sum not to exceed Twenty-five Dollars (\$25.00), to cut an outlet over the Armorer's room, leading to the lower roof, adjoining in the new 8th Coast Defence Command Armory, Jerome Avenue and Kingsbridge Road, The Bronx. This outlet to be eight (8) inches by eight (8) inches through the brick parapet, on angle as directed, to be lined with copper and the inlet to the present leader to be closed; the cost to be charged to corporate stock fund, entitled "C. A. B.—2B, Army Fund, Eighth Coast Artillery District, Erection of completed armory including architect fees."

Refund of \$18.02 to P. J. McLiney, Being Amount of Wharfage Advanced on Steamer "James Everard."

The Deputy and Acting Comptroller presented the following report and offered the following resolution.

May 12, 1916.

Hon. Commissioners of the Sinking Fund:

Gentlemen—Application has been made by the Department of Docks and Ferries in behalf of P. J. McLiney, employed as Dockmaster in said department, for amount of wharfage advanced by him.

It appears that the steamer "James Everard" was berthed at the pier foot of 62nd Street, East River, Borough of Manhattan, from December 15th, 1915, to December 31st, 1915, seventeen days at \$1.06 per day, amounting to \$18.02.

The Dockmaster, P. J. McLiney, punched tickets for this boat daily and turned in the amount from personal funds to the Department of Docks and Ferries, thinking he would be able to collect the wharfage from the owner of the boat, but the boat was libelled before the Dockmaster could exact payment.

The amount of wharfage owing, \$18.02, by the owner of the boat was collected by the Corporation Counsel's office and deposited with the City Chamberlain to the credit of account S 667 A.

The dockmaster deposited the amount of wharfage advanced by him as follows: December 21, wharfage from December 15 to 20, 6 days, \$6.36; December 28, wharfage from December 21 to 27, 7 days, \$7.42; January 5, 1916, wharfage from December 28 to 31, 4 days, \$4.24.

The wharfage, \$18.02, was duly deposited to the credit of the City Chamberlain for the account of the Sinking Fund for the Redemption of City Debt No. 1.

It is recommended by the Department of Docks and Ferries that the amount of wharfage, \$18.02, advanced by P. J. McLiney be returned to him.

Attached is a resolution for adoption. Your very truly,

ALEX. BROUGH, Deputy and Acting Comptroller.

April 28, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The City is the owner of a certain parcel of land located on the northerly side of Eastern Parkway, 200 feet east of Underhill Avenue, Borough of Brooklyn, being a plot 100x183 feet.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund adopt the attached resolution. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That pursuant to the provisions of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize and order a sale at public auction of all that certain piece or parcel of land, situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 11, 1916.

City Revenue.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—A request has been received from the President of the Borough of The Bronx for the removal of the encroachments on Damage Parcel No. 2 within the lines of Blondell Avenue, between Ponton Avenue and Westchester Avenue, in the Borough of The Bronx, to permit the construction of a sewer.

This encroachment consists of part of a frame barn, the estimated removal value of which is \$10, which amount should be realized by its sale.

I, therefore, request that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by sections 205 and 1553 of the Revised Charter, adopt a resolution authorizing and ordering that the said encroachment be offered for sale at the upset or minimum price named above, and also authorizing and ordering the President of the Borough of The Bronx to demolish and remove this encroachment if it is not sold at the said upset price, as an encumbrance upon a public street, and such a resolution is herewith transmitted. Yours respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The President of the Borough of The Bronx, has requested the removal of an encroachment lying within the lines of Blondell Avenue, between Ponton Avenue and Westchester Avenue, in the Borough of The Bronx, and

Whereas, If this improvement is offered for sale at an upset price, it would probably realize a fair return in proportion to the award given, it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids Damage Parcel No. 2, consisting of part of a frame barn lying within the lines of Blondell Avenue, between Ponton Avenue and Westchester Avenue, in the Borough of The Bronx, at the upset or minimum price of \$10.00, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at meetings held October 4, 1910 and January 18, 1916, and the President of the Borough of The Bronx is hereby authorized and ordered to demolish and remove this encroachment if it does not realize the said upset price, as an encumbrance upon a public highway, in the manner provided by Section 205 of the Revised Charter, as amended by Charter 398 of the Laws of 1909.

Ravenswood Presbyterian Church—Petition of, for the Cancellation of Certain Assessments.

Laid over.

East 187th Street United Presbyterian Church of New York City—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 10, 1916.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—East 187th St. United Presbyterian Church of New York City has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as section 11, block 3022, lot 48.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were or might hereafter become a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about March 19, 1915; that a building is in course of construction and intended in good faith to be used for religious purposes exclusively. That said property is exempt from local taxation for the year 1916.

It appears from an examination of the assessment rolls that the assessed valuation of said property for the year 1916 is \$6,500.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the department, namely:

Assessments.

"Regulating, etc., 187th St., Valentine to Marion Ave. (confirmed June 29; entered June 30, 1915), No. 7, block 3022, lot 48, \$610.53.

"Acquiring title to Fordham Road from Harlem River Terrace to Webster Ave., etc." (confirmed Feb. 11; entered Mar. 13, 1916), No. 1720, block 3022, lot 48, \$102.19.

Although the first assessment, above set forth, accrued and became a lien in the year 1915, in which year the property was not marked "exempt" from taxation on the records of the Department of Taxes and Assessments for the reason that it had not been owned by said corporation on the date when the taxable status of property for said year was fixed, nevertheless, having acquired the property prior to the date of entry and confirmation of such assessment, its ownership and intended use thereof is such as to create the right to an exemption at and prior to the time when the assessment accrued and became a lien thereon.

The records of this department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property herein described.

The total amount involved as principal in the above assessments is \$712.72. The property affected by these assessments is located in the Borough of The Bronx on the northerly side of E. 187th St., from Tiebout Ave. to Stevens Place.

The president of the Board of Trustees, Mr. Edward F. Hammel, in response to a request, has submitted a financial statement for the period from April 1, 1914, to September 30, 1915, showing the total receipts from all sources to be \$2,118.57 and the expenditures for all objects, \$2,118.57, leaving no balance.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I, therefore, certify my approval of the application of E. 187th St. United Presbyterian Church of New York City, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by East 187th St. United Presbyterian Church, New York City, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected, and that the same is not under contract of sale.

The Reformed Protestant Dutch Church of the Township of New Utrecht in Kings County—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution.

May 10, 1916.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—The Reformed Protestant Dutch Church of the Township of New Utrecht in Kings County has presented to you a petition for the cancellation of certain assessments for public improvements, affecting premises in the Borough of Brooklyn, designated on the official tax map as section 19, block 6327, lots 10 and 65 (now known as lot 10).

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about January 10, 1828; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for church purposes.

It appears from an examination of the Assessment Rolls that lot 10 has been exempt from local taxation for the year 1892 and since and lot 65 (now part of lot 10) exempt in 1905 and since and the assessed valuation for the year 1915 was \$55,500.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

"Regulating, grading, curbing, etc., on 83rd St., between 18th and 21st Aves." (ent. Dec. 2, 1912). No. 2, Section 19, Block 6327, Lot 10, \$276.20.

"Sewer, 19th Ave., from 79th to 85th St." (ent. July 2, 1913). No. 41, Section 19, Block 6327, Lot 10, \$205.60.

1915, section 19, block 6327, lot 65 (now 10).....	1 37

The records of this division show awards made for parcels damage No. 25K and No. 29K, in the proceeding to open 84th Street, from First Avenue to Fourth Avenue, etc., in the Borough of Brooklyn, to the Reformed Protestant Dutch Church of New Utrecht, which awards with interest amounted to \$493.97, and were paid by the Department of Finance on July 17, 1913.

The Commissioners of the Sinking Fund, by resolution dated January 15, 1913, recommended that liens aggregating \$2,749.35 affecting this property be cancelled upon the payment of \$503.97, the amount of the award plus the sum of \$10 (Minutes of 1913, page 75). The sum of \$503.97, as directed by the resolution of January 15, 1913, was paid to the Deputy Collector of Assessments and Arrears, Borough of Brooklyn, on February 11, 1916.

The records of this department show no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$495.27. The property affected by these assessments is located in the Borough of Brooklyn, 30th Wards, Lots 10 and 65 (now known as Lot 10), 83d to 84th Streets east of 18th Avenue.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I therefore certify my approval of the application of the Reformed Protestant Dutch Church of the Township of New Utrecht in Kings County, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of the sum of \$10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10.00), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Reformed Protestant Dutch Church of the Township of New Utrecht in Kings County, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale.

Wakefield Grace Methodist Episcopal Church—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 10, 1916.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Wakefield Grace Methodist Episcopal Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as block 5113, lots 36, 29 and 31.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired lot 31 about the year 1888; lot 36 in May, 1913, and lot 29 in the year 1911; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used, lots 36 and 31 exclusively for church purposes, and lot 29 exclusively for a dwelling for the pastor.

It appears from an examination of the Assessment Rolls that lots 31 and 36 have been exempt from local taxation for the year 1913 and since, and lot 29 is assessed as a parsonage and enjoys partial exemption, and the assessed valuation for the year 1916 is \$30,500.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessment.

"Bronx Boulevard Opening from Old Boston Post Road to E. 242nd St."

(confirmed Jan. 12, entered Feb. 26th, 1914):

No. 5814, block 5113, lot 36.....	\$12 22
5815, block 5113, lot 31.....	32 40

The petitioner includes in its application the above assessment against lot 29, block 5113, amounting to \$15.25.

It appears that said lot No. 29 was acquired about the year 1911, and has been partially exempt from taxation. It adjoins the Church on White Plains Ave. As this parsonage is not entitled to exemption under article 1, section 4, subdivision 7 of the Tax Law, required by section 221A of the Charter, the Commissioners of the Sinking Fund are without power to grant the relief sought, the application should be denied, therefore, so far as it relates to lot 29, block 5113.

The records of this Department show that the sum of \$1,400 was paid on March 18, 1913, to the Washingtonville Methodist Episcopal Church for damages occasioned by the change of grade "White Plains Road" to Damage Parcel No. 57.

The sinking fund commission on January 29, 1913, cancelled assessments affecting lot 31 in block 5113, which is one of the parcels in this petition, upon the payment of \$631, of which amount \$621 would represent the balance of the award above set forth, which would remain after deducting therefrom \$769, the actual cost of the work made necessary by the change of grade (page 148, Minutes, 1913).

The records of this Department do not show any lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$44.62. The property affected by these assessments is located in the Borough of The Bronx, corner White Plains Road and Penfield Avenue.

The pastor, Rev. Hubert D. Jones, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$2,204.09, and the expenditures for all objects, \$2,203.34, leaving a balance of 75 cents.

In addition, such financial statement shows unpaid bills aggregating \$381.35.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I therefore certify my approval of the application of Wakefield Grace Methodist Episcopal Church, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10.00) the Commissioners of the Sinking Fund by unanimous vote hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Wakefield Grace Methodist Episcopal Church in the Borough of The Bronx, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale.

Union Evangelical Church, Corona, L. I.—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 10, 1916.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Union Evangelical Church, Corona, L. I., has presented to you a petition for the cancellation of certain assessments for public improvements, affecting premises in the Borough of Queens, designated on the official tax map as ward 2, block 855, lot 36; block 282, lot 38, and block 856, lot 4.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about the years 1874 and 1908; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for church purposes.

It appears from an examination of the Assessment Rolls that lot 36 has been exempt from local taxation for the year 1899 and since, and lots 38 and 4 for 1909 and since, and the assessed valuation for the year 1916 is \$22,300 for all.

It further appears from the records of the Bureau for the Collection of Assess-

ments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

No. 4263, ward 2, block 855, lot 36.....	32 00
No. 4279, ward 2, block 856, lot 4.....	19 40

The records of this department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$91.40. The property affected by these assessments is located in the Borough of Queens, Louna Ave.

The Treasurer, Mr. James McCron, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$2,294.71 and the expenditures for all objects, \$2,195.68, leaving a balance of \$99.03.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I, therefore, certify my approval of the application of the Union Evangelical Church, Corona, L. I., pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10 provided that, at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10.00), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Union Evangelical Church, Corona, L. The S. R. Smith Infirmary—Petition of, for the Cancellation of Certain Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

April 14, 1916.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—The S. R. Smith Infirmary has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Richmond, designated on the official tax map as ward 1, district 2, plot 6, block 5, lot 1.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about the year 1887; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a public hospital.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation for the year 1908, and since, and the assessed valuation for the year 1915 is \$178,500.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

"Paving, etc., Castleton Ave., from Brighton Ave. to Cebra Ave." (ent. June 16, 1916). No. 100, Ward 1, District 2, plot 6, block 5, lot 1, \$621.46.

"Crosswalks, Webster Ave." (ent. Apr. 18, 1911). No. 1, Ward 1, District 2, plot 6, block 5, lot 1, \$24.45.

The records of this department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$645.91. The property affected by these assessments is located in the Borough of Richmond, on block bounded by Castleton, Stanley and Webster Avenues, Tompkinsville.

The President of the Board of Trustees, William L. DeBost, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$69,119.82 and the expenditures for all objects \$88,373.45, leaving a deficit of \$19,253.63.

In this statement it is shown that during 1915 there were 18,673 days of treatment for paid patients, the loss on these was 58 cents per day, or \$10,830.14; there were 19,212 days of treatment for charity patients, for which the City made an allowance and on which there was a loss of \$1.25 per day, or \$24,015; there were 3,153 days of free treatment, on which the loss was \$2.25 per day, or \$6,868.25.

The loss on patients was	\$41,713 39
The total cost of operation was	88,373 45

It appears from the foregoing that the proportion of the free work of the hospital to the pay work is approximately .47314 free work and .52686 paid work.

On this basis an equitable adjustment of the matter will be to cancel the aggregate amount of the open charges, to wit, \$645.91, upon the payment by the petitioner of 52 per cent. thereof.

It appearing therefore that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said liens above mentioned accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the proportionate part of such liens which I have refused to certify for cancellation, and I therefore certify my approval of the application of the S. R. Smith Infirmary to the extent that I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend the liens above set forth be cancelled upon the payment of three hundred and twenty-five 87-100 dollars (\$325.87), provided that payment be made within sixty days from the date of the resolution authorizing such payment, and provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of three hundred and twenty-five

dollars and eighty-seven cents (\$325.87), within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the S. R. Smith Infirmary, in the Borough of Richmond, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected, and that the same is not under contract of sale.

May 17, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Police Department, in a communication to your Board under date of April 28, 1916, requests a lease of the premises at 237

West 135th Street, Manhattan, for a period of two years, with the privilege of renewal for a further term of one year, at an annual rental of \$2,100.

The premises proposed to be leased consist of a five-story brick apartment house, located on the north side of West 135th Street, distant 225 feet east of Eighth Avenue. The building is 25 feet by 87 feet on a lot 25 feet by 99 feet 11 inches, and adjoins the building at 239 West 135th Street, now used by the Police Department as the 38th Precinct, and which latter premises are inadequate to properly house the force attached to this precinct.

The property proposed to be leased has been appraised by the Division of Real Estate of this Department at \$21,000, and the rent is at the rate of 10 per cent. of said appraisal.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the premises No. 237 West 135th Street, Borough of Manhattan, for use of the Police Department, for a period from June 1, 1916, to May 1, 1917, with privilege of two renewals of one year each, upon the same terms and conditions, at an annual rental of \$2,100, payable quarterly; the lessor to pay taxes, make all exterior and interior repairs during this lease or any renewal thereof, except such as may be caused by the negligence or carelessness of the Police Department, or any of its employees; the lessor to provide and install electric lighting wiring and fixtures throughout the first floor and basement, as required by the Police Commissioner, and cause to be painted at once the exterior woodwork and cornice work; the lessor to allow the lessee the privilege of cutting the walls in the demised premises and connecting same with adjoining premises at No. 239 West 135th Street; also to remove partitions, plumbing fixtures, etc., on condition that the partitions and fixtures so removed will be restored to their original condition at the termination of lease or any renewal thereof, ordinary wear and tear excepted. The lessee to be allowed to remove the wall paper in all of the rooms without any requirement to replace it. Lessee to pay water rates, furnish electric light, gas and janitor service. Lessor, Michael Pisapia, 1927 Broadway, Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Michael Pisapia, of premises No. 237 West 135th Street, Borough of Manhattan, for use of the Police Department, for a period from June 1, 1916 to May 1, 1917, with the privilege of two renewals of one year each, upon the same terms and conditions, at an annual rental of Twenty-one hundred dollars (\$2,100), payable quarterly; the lessor to pay taxes, make all exterior and interior repairs during this lease or any renewal thereof, except such as may be caused by the negligence or carelessness of the Police Department or any of its employees; the lessor to provide and install electric lighting wiring and fixtures throughout the first floor and basement as required by the Police Commissioner, and cause to be painted at once, the exterior woodwork and cornice work; the lessor to allow the lessee the privilege of cutting the walls in the demised premises and connecting same with adjoining premises at No. 239 West 135th Street; also to remove partitions, plumbing fixtures, etc., on condition that the partitions and fixtures so removed will be restored to their original condition at the termination of the lease or any renewal thereof, ordinary wear and tear excepted. The lessee to be allowed to remove the wall paper in all of the rooms without any requirement to replace it. The Lessee to pay water rates, furnish electric light, gas and janitor service; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

Police Department—Lease for, of Premises on Sherman Street Between Jamaica and Ridgewood Avenues, Richmond Hill, Borough of Queens.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 17, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Police Department, in a communication to your Board under date of April 29, 1916, requests the leasing of the stable property on the easterly side of Sherman Street, between Jamaica and Ridgewood Avenues, Richmond Hill, Borough of Queens, for a period of one year from June 1, 1916, at an annual rental of \$1,200, subject to renewal for one year at an annual rental of \$1,000.

It is proposed to use these premises for a new mounted precinct, to be known as the 283rd Precinct, and to stable forty-eight horses here immediately, and fifty-one ultimately, thus doing away with the present system of boarding horses, and which the Fourth Deputy Commissioner says will result in a saving to the City of \$1,000 to \$1,200 a year.

These premises consist of a plot of land fronting 80 feet on Sherman Street by about 175 feet in depth, with a frame office 17 feet 6 inches by 31 feet, a frame stable with thirty-six plain and two box stalls, and an open frame building 17 feet 6 inches by 98 feet 6 inches, which is to be enclosed, ceiled, concrete floor laid and stalls erected.

These premises, when put in repair, will be worth about \$8,100, and the rental of \$1,000 is 12 per cent. of the appraised value, but on the basis of rent per stall, the rate is not excessive. This is the only available property in the vicinity which could be used for stable purposes.

The owners at first demanded a rental of \$1,200, but after negotiations by the Division of Real Estate of the Department of Finance, agreed to a rental of \$1,000.

I therefore respectfully recommend, the rent being reasonable and just under the circumstances, that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the stable and office premises on the easterly side of Sherman Street, between Jamaica and Ridgewood Avenues, Richmond Hill, Borough of Queens, being designated on the tax maps as Lot 72, Block 232, Ward 4, for use of the Police Department, for a period of one year from June 1, 1916, with the privilege of renewal for an additional year, upon the same terms and conditions, as an annual rental of \$1,000, payable quarterly; the lessor to pay taxes and alter the open building into an additional stable, lay concrete floor and erect stalls, ceil building on inside and enclose all four sides in the present stable; supply new stall slats, new drain covers, new gutter bridges, new top iron stall guards and new iron mangers throughout; put the water supply line, plumbing and drains in the building in first class condition and connect with cess pool; thoroughly clean and paint the office inside; put the roofs of all the buildings in first class condition and paint all the buildings on the outside; make inside and outside repairs, except such as may be caused by the negligence or carelessness of the Department or any of its employees; lessee to pay water rates and furnish heat, light and caretaker. Lessor, Alex. Campbell Milk Co., 802 Fulton Street, Brooklyn. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the Alexander Campbell Milk Company of the stable and office premises on the easterly side of Sherman Street, between Jamaica and Ridgewood Avenues, Richmond Hill, Borough of Queens, being designated on the tax maps as Lot 72, Block 232, Ward 4, for use of the Police Department, for a period of one year from June 1, 1916, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of one thousand dollars (\$1,000), payable quarterly; the lessor to pay taxes and alter the open building into an additional stable, lay concrete floor and erect stalls; seal building on inside and enclose all four sides. In the present stable, supply new stall slats, new drain covers, new gutter bridges, new top iron stall guards and new iron mangers throughout; put the water supply line, plumbing and drains in the building in first class condition and connect with cesspool; thoroughly clean and paint the office inside; put the roofs of all the buildings in first class condition and paint all the buildings on the outside; make inside and outside repairs, except such as may be caused by the negligence or carelessness of the Department or any of its employees; lessee to pay water rates and furnish heat, light and caretaker; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

After hearing the Commissioner of Docks the following resolution was offered for adoption:

Resolved, That the resolution adopted by this Board at meeting held December 29, 1915, approving of and consenting to the execution by the Commissioner of Docks, of a lease to Furness, Withy & Co., Ltd., a corporation organized under the laws of the Kingdom of England, and having its office in the State of New York at 42 Broadway, City of New York, of the following described property: Parcel "A," Pier at the foot of West 55th Street, North River, Borough of Manhattan, about seven hundred (700) feet long and sixty (60) feet wide. Parcel "B," Bulkhead commencing at a point one hundred and sixty-seven hundredths (100.67) feet north of the northerly line of West 55th Street extended, and running thence southerly a distance of two hundred and sixty-one and seven-hundredths (261.07) feet, together with the marginal wharf, street or place extending inshore a distance of fifty (50) feet therefrom.

—be and the same is hereby amended by correcting the description of Parcel B so that it will read as follows:

"Parcel B—The bulkhead commencing at a point 100.17 feet north of the northerly line of West 55th Street extended, and running thence southerly a distance of 260.83 feet, together with the marginal street, wharf or place extending inshore a distance of 50 feet therefrom."

Which resolution was unanimously adopted.

Board of Education—Application of, for an Exchange of Land and Premises on Allen Street Formerly Occupied as Public School 144, for Lots on West 139th Street, in the Borough of Manhattan.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 18, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—There has been referred to me for consideration a copy of a report and resolutions adopted by the Board of Education on January 26, 1916, wherein your Board is requested to take such action as may be necessary and proper to acquire the five lots known as Lots 47, 48, 49, 50 and 51 in Block 1736 on the tax maps of the Borough of Manhattan, two of which, Numbers 50 and 51, are now occupied by the Department of Education under a lease in exchange for the following described lands and premises on Allen Street, formerly occupied as Public School 144, Borough of Manhattan:

Beginning at a point on the easterly line of Allen Street, distant 75 feet southerly from the southerly line of Hester Street, and running thence easterly and parallel with Hester Street 75 feet 6 inches; thence southerly 98 feet; thence westerly and again parallel with Hester Street 75 feet 3 1/2 inches to the easterly line of Allen Street; thence northerly along the easterly line of Allen Street 98 feet to the point or place of beginning, be the said several dimensions more or less.—and that when title to the five lots above mentioned shall have been acquired by the City of New York, the same be assigned to the Department of Education for school purposes.

It appears that the Committee on Buildings of the Board of Education has had under consideration for some time the matter of acquiring these lots on West 139th Street, adjacent to the Vocational School for Boys (two of which are at present under lease by the Department of Education, an automobile shop having been erected thereon by the boys of the school), with the idea of erecting a factory and loft type of building thereon, which could be utilized for the storage of old furniture and possibly for discarded books, offering the pupils an opportunity for instruction in furniture repairing and bookbinding and providing suitable storage facilities for the Boroughs of Manhattan and The Bronx, where there is no available storage space at present.

In connection therewith, the Board of Education determined to surrender the property on Allen Street, formerly occupied as Public School 144, now used exclusively for storage purposes, provided the necessary arrangements could be made for the exchange thereof for the above mentioned lots on West 139th Street.

The vacant land on West 139th Street, in the opinion of the Appraiser of Real Estate of the Department of Finance, is not worth more than \$30,000, and that portion of the school property on Allen Street which the Board of Education proposes to surrender to your Board, the land is reasonably worth the sum of \$52,500, without giving any consideration to any additional value the building may add to the land.

The owner of the premises situated on West 139th Street values his property at \$45,000 and will not consider any other proposition than an even exchange for the Allen Street property.

It is apparent that an exchange of this kind could never be authorized by your Board and it would be useless to appoint appraisers, in view of the position taken by the owner of the 139th Street premises. I therefore respectfully recommend that your Board adopt a resolution rejecting the proposition submitted by the Board of Education. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the application of the Board of Education for an exchange of property owned by the City on Allen Street, in the Borough of Manhattan, formerly occupied as Public School 144, for five lots on West 139th Street, in the Borough of Manhattan, adjacent to the Vocational School for Boys, be and the same is hereby denied.

The report was accepted and the resolution unanimously adopted.

President, Borough of The Bronx—Turning Over by, of a Parcel of Land Extending 200 Feet Along the Southern Boulevard (East 133rd St.) and 135 Feet Along Willis Avenue, Borough of The Bronx.

April 11, 1916.

Hon. WILLIAM A. PRENDERGAST, Comptroller, Municipal Building, Manhattan, New York City:

Dear Sir—Further concerning my favor of March 15th, addressed to Hon. Alexander Brough, Deputy and Acting Comptroller, in regard to the communication from the Commissioner of Parks, Borough of The Bronx, addressed to the Secretary of the Sinking Fund Commission, suggesting that, inasmuch as the property situated at Willis Avenue and 132d Street had not been developed into a farmers' market as proposed, the premises might be transferred back to the Department of Parks in order that it might be used for playground purposes,—recent developments clearly indicate that the parties interested in the establishment of the above mentioned market at this point will be unable to accomplish their purpose, and it is unwise to allow this property to longer remain unused, awaiting the establishment of this market.

I am, therefore, entirely willing that this property should be transferred from my jurisdiction, for such purpose as the Sinking Fund Commission may think best to use it.

This refers to a parcel of land extending 200 feet along Southern Boulevard and 135 feet along Willis Avenue, which was formerly under the jurisdiction of the Park Department; and to another parcel under the Southern Boulevard approach to the Willis Avenue Bridge over the Harlem River, being a strip about 65 feet wide and 203 feet long, located at the northeasterly corner of Willis Avenue and 132d Street. I would call your attention to the fact that the parcel of land under the Southern Boulevard approach to the Willis Avenue Bridge is under the jurisdiction of the Bridge Department and was used by the office of the Borough President of The

Bronx under a temporary permit from the Department of Bridges.
Very truly yours, DOUGLAS MATHEWSON, President of the Borough of The Bronx.
Filed. See disposition of following:

Park Department, Bronx—Assignment to, of a Parcel of Land Extending 200 Feet Along the Southern Boulevard (East 133rd St.) and 135 Feet Along Willis Avenue in the Borough of The Bronx.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

May 18, 1916.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The President of the Borough of The Bronx, in a communication to your Board under date of April 11, 1916, surrenders to the Commissioners of the Sinking Fund a parcel of land in the Borough of The Bronx, extending 200 feet along Southern Boulevard (East 133d Street), and 135 feet along Willis Avenue, with the suggestion that it be transferred to the jurisdiction of the Department of Parks, Borough of The Bronx.

The Commissioner of the Department of Parks of the Borough of The Bronx has requested the Commissioners of the Sinking Fund to authorize such transfer.

I therefore respectfully recommend that the Commissioners of the Sinking Fund transfer to the jurisdiction of the Department of Parks, Borough of The Bronx, the parcel of land in the Borough of The Bronx, at the southeast corner of Willis Avenue and Southern Boulevard (East 133d Street), bounded and described as follows:

Beginning at the corner formed by the intersection of the southerly side of Southern Boulevard (East 133d Street) and the easterly side of Willis Avenue; running thence easterly along the southerly side of Southern Boulevard (East 133d Street) 200 feet; running thence southerly and parallel with Willis Avenue 135 feet; running thence westerly and parallel with Southern Boulevard (East 133d Street) 200 feet; running thence northerly along Willis Avenue 135 feet to the point or place of beginning. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The President of the Borough of The Bronx in a communication dated April 11, 1916, having turned over as no longer required the property hereinafter described, it is

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, the Commissioners of the Sinking Fund hereby assign to the Department of Parks, Borough of The Bronx, the parcel of land in the Borough of The Bronx, at the southeast corner of Willis Avenue and Southern Boulevard (East 133d Street), bounded and described as follows:

Beginning at the corner formed by the intersection of the southerly side of Southern Boulevard (East 133d Street) and the easterly side of Willis Avenue; running thence easterly along the southerly side of Southern Boulevard (East 133d Street) 200 feet; running thence southerly and parallel with Willis Avenue 135 feet; running thence westerly and parallel with Southern Boulevard (East 133d Street) 200 feet; running thence northerly along Willis Avenue 135 feet to the point or place of beginning.

The report was accepted and the resolution unanimously adopted.

Municipal Building—Occupation of Space in, by the Mayor's Committee on Municipal Courses of Instruction.

The President of the Board of Aldermen asked for information as to the authority under which the school under the auspices of the Mayor's Committee on Municipal Courses of Instruction was occupying space in the Municipal Building.

A discussion of the matter followed.

The following resolution was then offered for adoption.

Resolved, That the Director of Municipal Courses of Instruction be and is hereby requested to report to the Commissioners of the Sinking Fund, the amount of space occupied by the school under the auspices of the Mayor's Committee on Municipal Courses of Instruction in Clerical Subjects in the Municipal Building, the nature of the courses of instruction given, and the results achieved from the giving of such courses.

*Corrected by redistributing deaths according to borough of residence.

†The Federal Bureau of the Census having concluded not to use for estimating the population of New York the figures as returned by the State census of 1915, notified this Department on Feb. 10, 1916, that future estimates of the population of the cities and states within the United States would be based upon the returns of the Federal censuses of 1900 and 1910, this Department has reached the conclusion to adopt the arithmetical method in use by the Bureau of the Census and to estimate the population of the boroughs and city for this and subsequent years in this manner.

‡The presence of several large institutions, the great majority of whose inmates are non-residents of the city, increases considerably the death rate of this Borough.

"(a) The Company shall construct a bridge or archway of sufficient width and capacity to accommodate the sixteen (16) tracks hereby authorized and also the two (2) main line tracks of the Company, now laid and existing on the surface of Hamilton Street, between Fulton and South Streets. Said bridge or archway shall have a span of at least thirty-two (32) feet and a clearance of at least fourteen (14) feet over the surface of Hamilton Street at the centre line thereof. For the purpose of constructing said bridge or archway with the prescribed clearance the Company shall depress the surface of Hamilton Street as now existing between Fulton and South Streets. The method of constructing said bridge or archway and of depressing the street grades shall be subject to the approval of the Board and the Company shall submit to the Board for its approval plans showing the method of such work. The grades of said bridge or archway and of Hamilton Street shall be as shown on the map and profile attached to and made part of this contract or as may be hereafter fixed by the Board.

"(b) That portion of Hamilton Street under the bridge or archway and for a distance of fifty (50) feet outside the same at either end thereof shall be well and sufficiently lighted at the expense of the Company during such hours of the day and night and by such lighting

system as may be prescribed by the President of the Borough of Queens and to his entire satisfaction.

"(c) Hamilton Street for its entire length from Fulton Street to South Street, the depression of which is made necessary by the construction of the said bridge or archway, shall be provided by the Company with such suitable and adequate drainage system, with proper outlets therefor, as may be prescribed by the President of the Borough of Queens, and to his entire satisfaction. And the Company shall pave the surface of Hamilton Street for its entire length from Fulton to South Streets, including its intersection with such streets, with such material as may be prescribed by the President of the Borough of Queens.

"(d) The work of constructing the said bridge or archway, changing the street grades and the drainage system, providing drainage outlets and paving the street, as above provided, shall be done at the sole cost and expense of the Company. The Company shall also, at its own entire cost and expense, and for the entire term of this contract, whether original or renewal, maintain the said bridge or archway and the piers and abutments thereof in good order and repair.

"(e) The construction of said bridge or archway shall be completed in no event later than the day two (2) years after the date of the execution of this contract by the Mayor. During the period of such two (2) years and pending the construction of said bridge or archway the Company may construct, maintain and operate the tracks hereby authorized across Hamilton Street, at the same grade as the surface of said street; provided, however, that the Board may by resolution direct the removal of such tracks from the surface of Hamilton Street and the construction of the bridge or archway across said street before the expiration of such two-year period.

"The Company shall complete the construction of the bridge or archway hereinbefore provided for on or before the expiration of the two-year period or within the time fixed by the Board, should the Board direct the prior removal of the surface tracks, and the Company shall, before such expiration, or within such time, as the case may be, remove from the surface of Hamilton Street the sixteen (16) tracks hereby authorized, and the said two (2) main line tracks and thereafter maintain and operate the same upon said bridge or archway, subject to the terms and conditions of this contract.

"Should the Company fail or neglect to complete the construction of the said bridge or archway within the two-year period hereinbefore specified, or within the period fixed by the Board, should it direct the prior removal of the surface tracks, as the case may be, or should the Company, within the same time, fail to remove from the surface of Hamilton Street the sixteen (16) tracks hereby authorized and also the said two (2) main line tracks, the right and privilege hereby granted to construct, maintain and operate sixteen (16) tracks across Hamilton Street shall cease and determine upon the termination of such two-year period, or on the date fixed for the prior removal of the surface tracks.

"Should the Company not take advantage of the privilege to construct, maintain and operate the tracks hereby authorized upon the surface of Hamilton Street, as hereinbefore provided, and fail to complete the construction of the said bridge or archway within two (2) years from the date of the execution of this contract by the Mayor, as hereinbefore provided, the right and privilege hereby granted to construct, maintain and operate sixteen (16) tracks across Hamilton Street shall cease and determine upon the termination of such two-year period."

"WHEREAS, Section 2, Tenth, of said contract provided as follows:

"Tenth—Tracks across Farmers Avenue. "The three (3) tracks hereby authorized across Farmers Avenue shall be constructed and maintained over and above the surface of such avenue in the manner and subject to the terms and conditions hereinafter named:

"(a) The Company shall construct a bridge of sufficient width and capacity to accommodate the three (3) tracks hereby authorized, and also the two (2) main line tracks of the Company now laid and existing across Farmers Avenue on the surface thereof, carrying said Farmers Avenue under said bridge at the width shown on the tentative plan for this territory, and upon the completion of said bridge, shall remove from the surface of said Farmers Avenue, the three (3) unauthorized tracks and the said two (2) main line tracks now constructed thereon, and shall thereafter maintain the said tracks on said bridge.

"(b) Said bridge shall be constructed with a clearance of at least fourteen (14) feet over the surface of Farmers Avenue. For the purpose of constructing said bridge with the prescribed clearance, the Company shall perform all the work of changing the street grades and the drainage system and of providing the drainage outlets made necessary by the construction of said bridge, and shall also replace or restore the street pavement which may be disturbed during such work; all to be done under the supervision and subject to the approval of the President of the Borough of Queens. The method of constructing said bridge and changing the street grades shall be subject to the approval of the Board. Before commencing work, the Company shall submit to the Board for its approval a plan showing the methods of such work. The grade of said bridge and of Farmers Avenue shall be as shown on the map and profile attached to and made a part of this contract or as may be hereafter fixed by the Board.

"(c) The Company shall commence and complete the work of constructing said bridge and of changing the street grades and drainage system, as above provided, within one (1) year after the date of the execution of this contract by the Mayor, and shall within the same period remove from the surface of Farmers Avenue the three (3) unauthorized tracks and the two (2) main line tracks now constructed thereon; otherwise the right and privilege hereby granted to construct, maintain and operate three (3) tracks across Farmers Avenue shall cease and determine, unless said period shall be extended, as hereinafter provided.

"(d) The Company shall bear the entire cost and expense of constructing said bridge, changing the street grades and the drainage system, providing drainage outlets and replacing or restoring the street pavement, as above provided, and shall also pay all damages to property owners, resulting from change of street grades, except as to such portion of such cost and such damages as would relate to or result from the elimination of the crossing at grade of the two (2) existing main line tracks. Said last named portion shall be apportioned in the manner provided by the Railroad Law for the elimination of existing grade crossings, except that in no event shall the City's share of such portion exceed the sum of forty-eight thousand five hundred dollars (\$48,500), and the Company agrees to assume and repay to the City any sum in excess of the said forty-eight thousand five hundred dollars (\$48,500), which the City may be required to pay as its share of such portion. The Company shall at its own entire cost and expense, for the entire

term of this contract, whether original or renewal, maintain the said bridge and the piers and abutments thereof in good order and repair."

"and WHEREAS, Section 2, Seventeenth, in the second paragraph thereof, provided as follows:

"It is provided that the periods herein fixed for completing the reconstruction of the bridge across South Street and performing the work in connection therewith, and for completing the construction of the bridge across Farmers Avenue, removing the surface tracks from the said avenue and performing the work in connection therewith, may be extended by the Board, but the total extension of time in the case of either of said streets shall not exceed in the aggregate one (1) year, and provided further that when the commencement or completion of such construction or reconstruction shall be prevented by legal proceedings in any court, or by works of public improvement, or from other causes not within the control of the Company, the time for the commencement or completion of such construction may be extended for the period of such prevention, but no delay shall be allowed for unless the court proceedings shall be diligently prosecuted by the Company; and provided further that in no case shall such delay be deemed to begin until the Company shall have given notice to the Board of any such court proceedings or other occasion of delay and delivered to the Board copies of any injunction or other orders and the papers upon which the same shall have been granted; and unless, upon the request of the Board, the Company shall, in writing, consent that the Board, either in its own name as a party or in the name of the City as a party, may intervene in any such proceedings."

"and WHEREAS, Pursuant to section 2, Sixth, as above, the period for the completion of construction of the bridge across Hamilton Street and the work in connection therewith is about to expire—i. e., on May 4, 1916; and

WHEREAS, Pursuant to section 2, Tenth, as above, the time for the completion of construction of the bridge across Farmers Avenue and the work in connection therewith expired on May 4, 1915; and pursuant to Section 2, Seventeenth, as above, the Board, on the application of the Company and by resolution adopted April 30, 1915, and approved by the Mayor May 4, 1915, granted an extension of time up to and including May 4, 1916, within which to complete the construction of the bridge across Farmers Avenue and the work in connection therewith, which period is about to expire; and

During the period prior to August 1, 1916, and pending the construction of said bridge or archway, the Company may construct, maintain and operate the tracks hereby authorized across Hamilton Street at the same grade as the surface of said street; provided, however, that the Board may, by resolution, direct the removal of such tracks from the surface of Hamilton Street and the construction of a bridge or archway across said street before August 1, 1916.

The Company shall complete the construction of the bridge or archway hereinabove provided for on or before August 1, 1916, or within the time fixed by the Board, should the Board direct the prior removal of the surface tracks and the Company shall, on or before such date, or within such time, as the case may be, remove from the surface of Hamilton Street the sixteen (16) tracks hereby authorized and also the two (2) main line tracks and thereafter maintain and operate the same upon said bridge or archway, subject to the terms and conditions of this contract.

Should the Company fail or neglect to complete the construction of the said bridge or archway on or before August 1, 1916, or within the period fixed by the Board, should it direct the prior removal of the surface tracks, as the case may be, or should the Company within the same time fail to remove from the surface of Hamilton Street the sixteen (16) tracks hereby authorized and also the said two (2) main line tracks, the right and privilege hereby granted to construct, maintain and operate sixteen (16) tracks across Hamilton Street shall cease and determine on and after August 1, 1916, or on and after the date fixed for the prior removal of the surface tracks.

Should the Company not take advantage of the privilege to construct, maintain and operate the tracks hereby authorized upon the surface of Hamilton Street as hereinbefore provided, and fail to complete construction of the said bridge or archway on or before August 1, 1916, the right and privilege hereby granted to construct, maintain and operate sixteen (16) tracks across Hamilton Street shall cease and determine on and after August 1, 1916.

Second: Paragraph "(c)" of Section 2, Tenth, of said contract of May 4, 1914, is hereby amended to read as follows:

"(c) The Company shall commence and complete the work of constructing said bridge and of changing the street grades and drainage system, as above provided, on or before August 1, 1916, and shall within the same period remove from the surface of Farmers Avenue the three (3) unauthorized tracks and the two (2) main line tracks now constructed thereon; otherwise the right and privilege hereby granted to construct, maintain and operate three (3) tracks across Farmers Avenue shall cease and determine on and after August 1, 1916.

And provided further that in no case shall such delay be deemed to begin until the Company shall have given notice to the Board of any such court proceedings or other occasion of delay and delivered to the Board copies of any injunction or other orders

and the papers upon which the same shall have been granted, and unless, upon the request of the Board, the Company shall, in writing, consent that the Board, either in its own name as a party or in the name of the City as a party, may intervene in any such proceedings."

Section 2. It is mutually understood and agreed that, except as herein expressly provided, nothing in this contract contained shall be deemed to affect in any manner the provisions of the contract entered into between the City and the Company, dated May 4, 1914, as amended by said resolution adopted by the Board April 30, 1915, and approved by the Mayor May 4, 1915, and the Company hereby promises, covenants and agrees, on its part and behalf, to conform to and abide by and perform all the terms, conditions and requirements in such contract of May 4, 1914, as modified by said resolution, and as further modified or altered by the provisions of this instrument.

—signed by T. A. Adams, President, a copy of which is hereto annexed and made a part of this contract.

Section 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right to construct, maintain and operate said conduits shall be held and enjoyed by the Company for the term of fifteen (15) years from August 1, 1916, with the privilege of renewal of said contract for the further period of ten (10) years upon a fair revaluation of such right and privilege.

If the company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding ten (10) years shall be reasonable and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract and if the parties shall not forthwith agree upon what is reasonable then the parties shall enter into a written agreement fixing such annual rate and at such amount as shall be determined by three disinterested persons selected in the following manner:

One disinterested person shall be chosen by the Board; one disinterested person shall be chosen by the Company; these two shall choose a third disinterested person, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of the original term of this contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained shall be fixed and determined by the Board, and shall be conclusive upon both parties, but no annual sum shall in any event be less than the sum required to be paid for the last year of the original term of this contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jointly by the City and the Company each paying one-half thereof.

Second—The Company shall pay to the City for the privilege hereby granted the following sums of money:

(a) The sum of one thousand dollars (\$1,000) in cash within one (1) month after the date on which this contract is signed by the Mayor and before anything is done in exercise of the privilege hereby granted.

(b) During the first term of five years, an annual sum which shall be equal to two (2) per cent. of its gross annual receipts, but which sum shall not be less than two hundred and fifty dollars (\$250).

During the second term of five years, an annual sum which shall be equal to four (4) per cent. of its gross annual receipts, but which sum shall not be less than four hundred dollars (\$400).

During the third term of five years, an annual sum which shall be equal to four (4) per cent. of its gross annual receipts, but which sum shall not be less than six hundred dollars (\$600).

All annual charges as above shall be paid into the Treasury of the City on February 1 of each year and shall be for the amount due to December 31, next preceding. Provided that the first annual payment shall be only for that proportion of the first annual charge as the time between August 1, 1916, and December 31, 1916, shall bear to the whole of one year.

Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal) notwithstanding any clause in any statute or in the charter of any other company providing for payments for refrigerating rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or of any part thereof or of any of the streets, avenues or highways included within the district hereby described or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all conditions of this contract, and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, and in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

Fifth—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever either by the act of the Company, or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in anywise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents of this contract, or if the same be renewed, or upon the termination or forfeiture of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the conduits, pipes and appurtenances of the company constructed pursuant to this contract within the streets, avenues, highways and other property of the City shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at the termination of this contract as above, the Board shall so order by resolution, the Company shall upon thirty (30) days' notice from the Board, remove any and all of its conduits and appurtenances constructed pursuant to this contract and the said streets, avenues, highways and other property of the City shall be restored to their original condition at the sole cost and expense of the Company.

Seventh—The grant of this privilege is subject to whatever right, title or interest the owners of abutting property or others may have in and to the streets, avenues, highways and other property of the City in which the Company is hereby authorized to operate.

Eighth—All construction which shall be made under this grant shall be done in a manner solely upon the terms and conditions hereafter to be imposed by the President of the Borough of Manhattan and the Commissioner of Water Supply, Gas and Electricity, or their respective successors in authority. The said Company shall submit a working plan of construction to the said President and to the said Commissioner, which shall include and show in detail the method of construction of said conduit lines, connections, manholes and other appurtenances, and the mode of protection of all subsurface construction under the street in which the Company is hereby authorized to operate.

Ninth—Any alteration to the sewerage or drainage system, or to any other subsurface or any surface structures in the streets, avenues, highways and other property of the City, required on account of the construction or operation of the conduits of the Company, shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

Tenth—It is agreed that the right hereby granted shall not be in preference or in hindrance to public work of the City, and should the said conduits in any way interfere with the construction or maintenance of public works in the streets, avenues, highways and other property of the City, whosoever the same is done by the City directly or by a contractor for the City, the Company shall, at its own expense, protect or move the conduits and appurtenances in the

manner directed by the City officials having jurisdiction over such public work.

Eleventh—The Company shall bear the expense of keeping in repair for one year after it has been replaced, all pavement which may at any time be removed by said Company, either for the purpose of construction or for repairing of the conduit line and its appurtenances.

The work of removal shall be done whenever the street is being repaved and within such reasonable time as may be fixed by the President of the Borough of Manhattan and under his supervision. In case of the Company's failure to comply with the above provision, the Borough President shall remove the conduits, pipes and appurtenances at the Company's expense.

Fourteenth—The Company shall cause a test to be made of the pipes to be contained within the conduits hereby authorized whenever required by and under the supervision of the Commissioner of Water Supply, Gas and Electricity. The conditions of such test shall be as follows:

(a) If the test be made in the foundry where the pipes are manufactured, such pipes shall be subjected to a pressure of three hundred (300) pounds per square inch.

(b) If the test be made in the field, of pipes in use or ready for use, such pipes shall be subjected to a pressure of two hundred (200) pounds per square inch.

A certificate showing that such a test has been made without injury to the pipes shall be executed by an officer of the Company, and indorsed by the Commissioner of Water Supply, Gas and Electricity, and filed with the Board.

Fifteenth—The Company shall not charge consumers more than the following rates for refrigeration to be furnished to boxes properly insulated at a temperature of not lower than 32 degrees Fahrenheit.

These rates to apply to boxes located not above the first floor of any building.

During the term of this contract the Board shall have absolute power to regulate the maximum and minimum rates for all refrigeration, and the Company agrees to abide by such rates provided that such rates shall be reasonable and fair.

The Company shall not be required, however, to furnish refrigeration to applicants before October 1, 1916, nor to applicants whose premises are located above the first floor of any building.

Seventeenth—A correct map shall be furnished to the Board by the Company on the first day of February, 1917, showing the exact location of all conduit lines and manholes constructed, with reference to the street lines, the curb lines and the street surface, together with a statement of the total length of such conduit. On the same date of each succeeding year, during the term of this contract, a supplementary map shall be furnished to the Board showing all conduits laid during the preceding year.

Provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice to show cause why such resolution declaring the contract forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Twenty-second—If the Company shall fail to give efficient public service at rates not exceeding those herein or hereafter fixed, or fail to maintain its conduits and appurtenances as herein provided in good condition throughout the whole term of this contract, the Board may give notice to the Company specifying any default on the part of the Company, and requiring the Company to remedy the same within a reasonable time; and upon failure of the Company to remedy such default within a reasonable time, the Company shall, for each day thereafter during which the default or defect remains, pay to the City the sum of fifty dollars (\$50) as fixed or liquidated damages, or the Board, in case such conduits or appurtenances which may affect the surface of the street shall not be put in good condition within a reasonable time after notice by the Board as aforesaid, shall have the right to make all needed repairs at the expense of the Company, in which case the Company shall pay to the City the amount of the cost of such repairs, with legal interest thereon, all of which sums may be deducted from the fund hereinafter provided for.

Twenty-third—The Company shall assume all liability to persons or property by reason of the construction or operation of the conduits authorized by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by reason of any acts or defaults of the Company.

Twenty-fourth—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights conferred hereby, shall deposit with the Comptroller of the City the sum of Two thousand five hundred dollars (\$2,500), either in money or securities to be approved by him, which fund shall be security for the performance by the Company of all of the terms and conditions of this contract and compliance with all orders of the Board, acting under the powers herein reserved, especially those which relate to the payment of the annual charges for the privilege hereby granted, the rendering of efficient public service at rates not exceeding those herein or hereafter fixed, the removal of unused conduits and pipes, the restoration and repairs of the street pavement and the maintenance of the property in good condition throughout the whole term of this contract, and in case of default in the performance by the Company of such terms and conditions, or compliance with such orders, or either or any of them, the City shall have the right to cause the work to be done and the materials to be furnished for the performance thereof after due notice, and shall collect the reasonable cost thereof from the said fund without legal proceedings; or after default in the payment of the annual charges, shall collect the same, with interest, from the said fund after ten (10) days' notice to the Company; or in case of failure to observe the said terms and conditions of this contract, or its neglect or refusal to comply with any notice or direction of the Board, or other municipal officials, given or made pursuant to the terms of the contract, or under the authority of any laws or ordinances now or hereafter in force, in such case and in any of these events, the Company shall (except where other sums are fixed by this contract) pay to the City the sum of one hundred dollars (\$100), for each violation as liquidated damages for such failure, which sums may be deducted from said fund.

The procedure for the imposition and collection of the liquidated damages provided for in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be required to pay such liquidated damages in accordance with the foregoing provisions. If the Company fails to make an appearance, or after a hearing appears in the judgment of the Board to be in fault, said Board shall forthwith require the payment of said sums herein provided for, or where the damages are not liquidated by the terms of this contract such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw such amount from the security fund deposited with him. The finding of the Board as to the amount to be paid by the Company shall be final and can only be attacked on the ground of fraud or mistake. In case of any drafts made upon the security fund, the Company shall, upon ten (10) days' notice in writing, pay to the City a sum sufficient to restore said security fund to the original amount of two thousand five hundred dollars (\$2,500), and in default thereof, this contract shall be canceled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City.

These provisions for the recovery of such damages are in addition to the right to forfeit the franchise, conferred by section 3, subdivision Twenty-first, of this contract.

Twenty-fifth—The grant of this franchise, so far as it shall include or affect the so-called Gansevoort Market Lands in the block bounded by Little West 12th Street, Washington Street, Gansevoort Street, West Street and Tenth Avenue, is and shall be subject to such other or further conditions, restrictions, agreement or consent as the Comptroller of the City may see fit to impose or require, pursuant to the authority and control over such lands vested in him by the Charter of the City.

Twenty-sixth—The words "notice" or "direction," wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when

above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Twenty-seventh—The words "streets or avenues" and "streets and avenues" wherever used in this contract shall be deemed to mean streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title or over which the public has an easement included in the district hereinabove described, and under the surface of or in which authority is hereby given to the Company to construct or maintain its conduits.

Twenty-eighth—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned, shall be transferred by law to any other Board, authority, officer or officers, then and in such case such other Board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

SECTION 4. The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such buildings by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls and foundations and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that this work has been properly performed.

The permit for all openings in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against sale from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting bricks, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and worked to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

"No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be re-located or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be re-located or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made."

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and be it further

The bid or estimate must be verified by the oath in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

No bid or estimate will be considered unless as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the proposals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application thereto at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
