## AGENCY RULES

## HEALTH AND MENTAL HYGIENE

### ■ NOTICE

### Notice of Adoption of Repeal and Re-enactment of Chapter 5 of Title 24 of the Rules of the City New York Regarding Pet Shops

A Notice of Public Hearing and Opportunity to Comment on a proposal by the Department of Health and Mental Hygiene (“Department”) to repeal and replace Chapter 5 of Title 24 of the Rules of the City of New York, regarding pet shops, was published in the City Record on November 3, 2025. A virtual public hearing was held on December 5, 2025. No one testified at the hearing. Six written comments were

received online that stated their support of the rule. Following review of the written comments, the Department did not make changes in response to the comments submitted; no changes were requested. However, upon further review, the Department decided to revise the rule in two parts to better match the New York City Administrative Code (“Administrative Code”) and the New York State General Business Law (“General Business Law”): section 5-03 is revised to include a prohibition on “display” and “giv[ing] away”, as the ban in Administrative Code section 17-1702 includes those actions and section 5-06 is amended to also include a prohibition on “displaying” and “leasing” to match Administrative Code section 17-1702 and New York State General Business Law section 753-f.

### Statement of Basis and Purpose

Section 753-f of the General Business Law, which prohibits retail pet shops in New York State from selling or otherwise transferring, including by renting, bartering or auctioning, dogs, cats and rabbits, took effect on December 15, 2024. Before the state law took effect, the sale of rabbits and guinea pigs by pet shops in the City was already prohibited. Following the effective date of the state law, the New York City Council enacted Local Law 132 of 2024, which amended section 17-1702(b) of the Administrative Code to also prohibit the sale of dogs and cats in pet shops and to repeal provisions relating to required information, recordkeeping, and minimum standards in pet shops and applications for pet shop permits. The local law took retroactive effect on December 15, 2024. Both the local and state laws allow pet shops to provide space to certain non-profit animal rescue groups and animal shelters, to showcase dogs, cats or rabbits owned by such organizations for the purpose of adoption.

Chapter 5 of Title 24 of the Rules of the City of New York currently contains rules that govern the sale of dogs and cats by pet shops. The state and local laws prohibiting the sale of dogs and cats render almost all the provisions of the current Chapter 5 inapplicable as of December 15, 2024. Therefore, the Department is repealing Chapter 5 and replacing it with a new Chapter 5 as described in the summary below of the new sections.

### § 5-01. Scope and applicability.

This section describes the scope and applicability of Chapter 5.

### § 5-02. Definitions.

This section defines terms used in this Chapter.

### § 5-03. Prohibition.

This section describes the prohibition against the sale or transfer of dogs, cats, rabbits and guinea pigs in pet shops.

### § 5-04. Disposition of and restrictions on permits.

This section provides that non-expired permits that authorized the sale of cats or dogs are null and void effective December 15, 2024. It clarifies that a permitted pet shop that sells animals other than dogs, cats, rabbits or guinea pigs may continue to sell animals allowed by such shop’s permit.

### § 5-05. Adoption promotions with certain non-profits.

This section replaces section 5-05 “Adoption promotions at pet shops” but largely preserves the substance of that section. The section allows a pet shop to have adoption promotions in collaboration with certain non-profit organizations, such as animal rescue groups and animal shelters. The section outlines the administrative requirements for using its facility for adoption promotions. It keeps the exemption allowing pet shops to host animal shelter or animal rescue group offering dogs or cats as long as the pet shop does not have an ownership interest in the animals available for adoption.

### § 5-06. Enforcement.

Section 5-06 addresses enforcement measures the Department may take, including animal seizure and forfeiture, against those who are violating the prohibition against the sale or transfer of dogs, cats, rabbits or guinea pigs. These measures substantively mirror the enforcement authority the Department has regarding pet shops pursuant to sections 17-1707 and 17-1708 of the Administrative Code.

The amendment is as follows.

Note: Matter to be deleted is in [brackets]

Matter underlined is new.

“Must” and “shall” are used interchangeably for mandatory requirements.

**Section 1.** Chapter 5 of Title 24 of the Rules of the City of New York, relating to the retail sale of cats and dogs, is REPEALED.

**§ 2.** Title 24 of the Rules of the City of New York is amended by adding a new Chapter 5, to read as follows:

### § 5-01. Scope and applicability.

This Chapter contains rules applicable to pet shops as defined in New York City Administrative Code section 17-371 or successor provision.

### § 5-02. Definitions.

When used in this Chapter, the following terms have the following meanings:

"Animal rescue group" has the same meaning as in section 17-802 of the Administrative Code.

"Animal shelter" has the same meaning as in section 17-802 of the Administrative Code.

"Cat" has the same meaning as in section 161.02 of the Health Code.

"Dog" has the same meaning as in section 161.02 of the Health Code.

"Health Code" means the New York City Health Code.

"Pet shop" has the same meaning as in section 17-371 of the Administrative Code.

"Small animal" has the same meaning as in section 161.02 of the Health Code.

### § 5-03. Prohibition.

No pet shop may display, sell, lease, offer to lease, offer to sell, barter, auction, give away or otherwise transfer ownership of any dog, cat, guinea pig or rabbit.

### § 5-04. Disposition of and restrictions on permits.

(a) *Permit authorizing sale of dogs or cats.* Any permit issued by the Department authorizing the permittee to sell or offer for sale of dogs or cats lapsed by operation of law effective December 15, 2024 and is null and void.

(b) *Permit authorizing the sale of small animals other than dogs and cats.* The holder of a permit issued pursuant to section 161.09 of the Health Code must not sell or offer for sale animals other than small animals authorized by such permit and for which possession is not prohibited by section 161.01 of the Health Code and transfer is not prohibited by section 5-03 of this chapter.

### § 5-05. Adoption promotions with certain non-profits.

(a) A person or entity operating an establishment selling or offering for sale small animals other than dogs, cats, rabbits, and guinea pigs, may allow an animal shelter or non-profit animal rescue group to use its facilities to offer animals for adoption provided that it satisfies the following requirements:

(1) Must obtain a copy of either a valid permit issued to the animal shelter by the Commissioner pursuant to section 161.09 of the Health Code, or proof of the animal rescue group's incorporated not-for-profit status.

(2) Whenever the animal shelter or animal rescue group is offering animals for adoption at the establishment, the establishment must have on site, and available for inspection upon request, a copy of the animal shelter's permit or animal rescue group's registration with the New York State Department of Agriculture and Markets Registered Rescues and Shelters List, and the animal shelter's or animal rescue group's proof of not-for-profit status, and the animal shelter or animal rescue group's registration of such status and exemption from the definition of "pet dealer", issued by the New York State Department of Agriculture and Markets pursuant to section 408 of the New York State Agriculture and Markets Law.

(b) A pet shop is not required to comply with the requirements of sections 5-03 and 5-04 of this Chapter regarding any dog or cat offered for adoption by an animal shelter or animal rescue group using such pet shop's facilities, provided that such pet shop does not have an ownership interest in such animal.

### § 5-06. Enforcement.

(a) *Summons and penalty.*

(1) Any person or entity found to be displaying, offering for sale, leasing, delivering, bartering, auctioning, giving away or transferring a dog, cat, rabbit or guinea pig in violation of section 5-03 of this Chapter will be issued a summons subject to a penalty of \$500 per day and per animal.

(2) Any person or entity found to be in violation of section 5-04(b) of this Chapter shall be issued a summons subject to a penalty of \$500.

(b) *Seizure.* The Department may seize any dog, cat, rabbit or guinea pig found on premises operated as a pet shop or other entity that is prohibited from selling, leasing, offering to sell or lease, barter, auction or otherwise transfer these animals.

(c) *Forfeiture.* Any dog, cat, rabbit or guinea pig seized pursuant to this section is subject to forfeiture after notice and hearing unless the Department, in its sole discretion, allows the owner to reclaim the animal. If the Department allows the owner to reclaim the animal, it may impose any terms and conditions to reclamation it deems appropriate.

(d) *Impoundment and disposition.* The Department may provide for the appropriate disposition of any dog, cat, rabbit or guinea pig seized pursuant to this section. Such disposition may include impoundment at an animal shelter or by an animal rescue group.

(e) *Expenses.* The Department may impose upon the owner of any

animal seized pursuant to this section a fee for the Department's expenses incurred in connection with seizing or impounding such animal.

(f) *Authorized agents.* Employees or designees of the Department and officers of the NYPD are authorized to enforce the provisions of this Chapter.

## HOMELESS SERVICES

### ■ NOTICE

#### NOTICE OF ADOPTION OF EMERGENCY RULE REPEALING THE LOW BARRIER BED PLACEMENT PROCESS RULE

Pursuant to the authority of the Commissioner of the New York City Department of Homeless Services (DHS), under sections 389, 612 and 1043(i) of the New York City Charter, notice is hereby given of the adoption of the following emergency rule, effective immediately, repealing the Low Barrier Bed Placement Process to be replaced by a new rule to be proposed at a later date.

#### Statement of Basis and Purpose of Emergency Rule

The Department of Homeless Services ("DHS" or the "Department") provides temporary emergency shelter to homeless New York City residents in accordance with State and local law. DHS implements regulations and court orders with the goal of moving shelter residents into permanent housing in the community as quickly as possible. DHS's Street Homeless Solutions ("SHS") provides a range of services to help individuals experiencing street homelessness transition into transitional or permanent housing and address behavioral health, substance use, and other issues.

DHS amends Title 31 of the Rules of the City of New York by repealing Chapter 6 which established criteria for placement of unsheltered homeless adults into low-barrier transitional housing. DHS is repealing this rule on an emergency basis to prevent the imminent harm that would occur if the rule proposed at the end of a prior Administration goes into effect before the new Administration can promulgate an alternative rule to address the urgent needs of individuals experiencing unsheltered homelessness.

The Department's authority for this is found in sections 389, 612, and 1043 of the Charter.

Section 1. Chapter 6 of Title 31 of the Rules of the City of New York, relating to placement in low-barrier transitional housing, is REPEALED.

#### Required Finding Pursuant to New York City Charter Section 1043(i)(1)

IT IS HEREBY CERTIFIED that the immediate effectiveness of this emergency rule repealing the soon to be effective low barrier bed placement process rule is necessary to prevent the imminent harm that would occur if the rule proposed at the end of a prior Administration goes into effect before the new Administration can promulgate an alternative rule to address the urgent needs of individuals experiencing unsheltered homelessness.

Pursuant to Section 1043(i)(1) of the Charter, the emergency rule will remain in effect for 60 days while DHS prepares a permanent rule.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule repealing the low barrier bed placement process is necessary to address an imminent harm.
