HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

AGENCY RULES

CONFLICTS OF INTEREST BOARD

■ NOTICE

Notice of Adoption of Final Rules

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE NEW YORK CITY CONFLICTS OF INTEREST BOARD by Sections 1043 and 2603(a) of the City Charter, that the Conflicts of Interest Board has adopted Board Rules that amend Board Rules Section 1-13(e) by clarifying which documents will be publicly posted.

The proposed Rules were published in the <u>City Record</u> on September 24, 2019, and a public hearing was held on October 25, 2019. No testimony was received and one comment was submitted. The Conflicts of Interest Board now adopts the following Rules.

Statement of Basis and Purpose

The Conflicts of Interest Board (the "Board") has amended subdivision (e) of Board Rules § 1-13. The process set forth in subdivision (e) was recently incorporated into a rule that went into effect on March 10, 2019. This subdivision provides a mechanism for an agency to assign a public servant: (a) to use City time and City resources to perform work for a not-for-profit entity that serves a City purpose; and (b) to be involved, if approved by the Board, in that notfor-profit's City business. As part of this process, for each designation or request, the Board will post one document on its website; the new revisions clarify which of two possible documents will be posted.

If the public servant is designated by an agency head pursuant to Board Rules § 1-13(e)(1) to use City time and City resources to perform work for a not-for-profit, but the public servant will not be involved in the not-for-profit's City business, then the Board will post

only the agency head's letter making that designation. If the agency head's designation under Board Rules § 1-13(e)(1) also requests approval from the Board for the public servant to be involved in the City business dealings of a not-for-profit pursuant to Board Rules § 1-13(e)(2), then only the Board's letter approving that request will be posted by the Board on its website. The agency head's letter to the Board requesting that approval pursuant to Section 1-13(e)(2) remain confidential for two reasons: first, the Board will treat these requests the same as it does similar requests from agency heads for waivers of the moonlighting restrictions for agency employees; second, the Board's determination will include all relevant information, including, of necessity, a statement of the agency head's designation made pursuant to Section 1-13(e)(1).

<u>Text of the Proposed Rule</u>

<u>New material is underlined.</u> [Deleted material is in brackets.]

Section 1. Subdivision (e) of Section 1-13 of Chapter 1 of Title 53 of the Rules of the City of New York is amended to read as follows:

(e) (1) An agency head may designate a public servant to perform work on behalf of a not-for-profit corporation, association, or other such entity that operates on a not-for-profit basis, including serving as a board member or other position with fiduciary responsibilities provided that:

(i) there is a demonstrated nexus between the proposed [activity] <u>work</u>, the public servant's City job, and the mission of the public servant's agency; [and]

(ii) such work furthers the agency's mission and is not undertaken primarily for the benefit or interests of the notfor-profit;

[(ii)] (iii) the designated public servant takes no part in the entity's business dealings with the City at the entity or at his or her agency, except that Council Members may sponsor and vote on discretionary funding for the entity; and

[(iii)] (iv) within 30 days the written designation is disclosed to the Conflicts of Interest Board [and will be posted on the Board's website].

(2) A public servant designated in accordance with paragraph (1) of this subdivision may take part in such entity's business dealings with the City at the entity and/or at his or her agency if, after written approval [of] by the agency head, the Board determines that there is a demonstrated nexus between the proposed participation, the public servant's City job, and the mission of the public servant's agency[;] and that such participation furthers the agency's mission and is not undertaken primarily for the benefit or interests of the not-for-profit entity.

(3) <u>The Board will post designations of public servants made</u> pursuant to paragraph (1) on its website. When an agency makes a request pursuant to paragraph (2) of this subdivision for a public servant both to perform work on behalf of a not-for-profit entity and be involved in that entity's City business, only the Board's determination will be posted on its website.

(4) The designation made pursuant to paragraph (1) and approval made pursuant to paragraph (2) of this subdivision must be by the head of the agency served by the public servant, or by a deputy mayor if the public servant is an agency head. A public servant who is an elected official, including a district attorney, is the agency head for the public servants employed by the official's agency or office. A public servant who is an elected official, including a district attorney, number official, including a district attorney official, including a district attorney official, including a district attorney, and public servant who is an elected official, including a district attorney, may provide the designation pursuant to paragraph (1) and the agency head approval pursuant to paragraph (2) for him or herself.
