Paragraph 111 is hereby amended by adding at the end thereof these words: "A plumber proposing to do work in a borough other than that in which he is registered shall present his certificate at the office of the Bureau of Buildings in that borough before commencing work, so that the fact of his having been properly registered may be recorded.

Section 79. Substitute the following:

'Section 79. A fresh-air inlet must be connected with the house drain just inside of the house-trap; where under ground, it will be of extra heavy cast iron. It must extend to the outer air and finish with a return bend at least one foot above the grade and ten feet away from any window or cold air box. When this arrangement is not possible, the fresh-air inlet must open into the side of a box not less than eighteen inches square, placed below the sidewalk at the curb. The bottom of the box must be eighteen inches below the under side of the fresh-air inlet pipe. The box may be of cast iron, or it may be constructed with eight inch walls of brick or flagstone laid in hydraulic cement. The box must be covered by a flagstone fitted with removable metal grating, leaded into the stone, having openings equal in area to the area of the fresh-air inlet, and not less than one-half inch in their least dimension. The fresh-air inlet must be of the same size as the drain up to four inches; for five inch and six inch drains it must not be less than four inches in diameter; for seven inch and eight inch drains not less than six inches in diameter; and for larger drains not less than eight inches in diameter, the removable portion of grate to be at least eight by twelve inches in area. An automatic device approved by the Superintendent of Buildings may be used, when set in a manner satisfactory to the said Superintendent.

BOARD OF CITY RECORD.

CITY HALL, MONDAY, 2 P. M., March 10, 1902.

The Hons. Seth Low, Mayor; George L. Rives, Corporation Counsel, and Edward M. Grout, Comptroller, the officers designated by section 1526, chapter 466, Laws of 1901, as the Board of City Record, met this day.

The minutes of the last meeting of March 3, 1902, were read and approved, as were also the minutes of a special meeting of the Board held March 6th for the purpose of opening bids received, after advertising, for printing, lithographing and blank

The Supervisor submitted Report No. 20, on Borough Papers-Their Circulation,

etc. The Supervisor also submitted a communication from the Law Department in reference to the insertion of advertising in the Corporation papers, wherefrom it appeared that the Corporation papers were not required by law to print notices of meetings concerning local improvements. The communication is as follows:

(Copy.)

LAW DEPARTMENT, OFFICE OF THE CORPORATION COUNSEL, NEW YORK, March 4, 1902.

PHILIP COWEN, Esq., Supervisor of the City Record:

Philip Cowen, Esq., Supervisor of the City Record:

Sir—I am in receipt of your communication of February 28, inclosing advertisements concerning local improvements in the Prospect Heights District and the Bushwick District, sent to you by the President of the Borough of Brooklyn, and also advertisement of the sale at auction, to be held under the direction of the Commissioner of Public Works of the Borough of Brooklyn, and requesting information as to whether these notices and advertisements are required to be nublished in the corporation newspapers of the Borough of Brooklyn.

Section 432 of The Greater New York Charter provides that it shall be the duty of the President of the Borough, when a petition for a local improvement within the jurisdiction of a local board has been received by him, to appoint a time for a meeting of the proper local board not more than fifteen days thereafter, at which meeting such petition will be submitted by him to the said Board, and that he shall cause a copy to be published in the Crry Recoap, containing, amongst other things, a statement of the time and place when there will be a meeting of the Local Board, at which meeting said petition will be submitted by him to said Board, which time shall not be less than ten days after the publication of the notice.

Section 1553 of the Charter provides that:

"All property sold other than land under water shall be sold at auction, after previous public notice, under the superintendence of the appropriate head of department."

"All publications required by this act shall, unless otherwise provided, be published in the Crry Recoap, and one publication therein shall be sufficient, unless it is herein otherwise prescribed."

"Said Crry Recoap, and the newspapers now by law designated as Corporation newspapers

"Said CITY RECORD, and the newspapers now by law designated as Corporation newspapers in the present City of Brooklyn, shall be the only papers to be included within the term Corporation newspapers as the same is used anywhere in this act."

"All advertising required to be done for the city, except as in this act otherwise specially provided, and all notices required by law or ordinance to be published in corporation papers, shall be inserted, at the public expense, only in the CITY RECORD. " Where such notices and advertisements respect matters occurring within or relating to the Borough of Brooklyn, they shall also be published in such newspapers as are now by law designated as corporation newspapers in the Borough of Brooklyn."

You will see from these sections from which I have quoted that there is a distinction made between advertising required to be done for the city and notices required by law or ordinances to be published.

In regard to advertising required to be done for the city which respects matters occurring

In regard to advertising required to be done for the city which respects matters occurring within or relating to the Borough of Brooklyn, it should be published in the corporation newspapers in the Borough of Brooklyn. Where notices respecting matters occurring in or relating to the Borough of Brooklyn exclusively are required by law or ordinances to be published in corporation papers, they should also be published in the corporation newspapers of Brooklyn.

In regard, however, to notices which are not required specially to be published in corporation papers, but which, under any law or ordinance, are required to be published in the City Record,

papers, but which, under any law or ordinance, are required to be published in the City Record, or which are merely required to be published without any specific direction as to what papers they shall be published in, a publication in the City Record is sufficient.

As, therefore, the advertisement of the sale of horses by the Commissioner of Public Works of the Borough of Brooklyn is advertising required to be done for the city and respects matters occurring within or relating to the Borough of Brooklyn, it should be inserted in the corporation newspapers of the Borough of Brooklyn.

As the notices of the meeting concerning local improvements are required by the act merety to be published in the City Record they need not be published in the Brooklyn corporation papers, and one publication in the City Record is sufficient.

Respectfully yours.

G. L. RIVES, Corporation Counsel.

On motion it was resolved to make the question of the selection of borough papers a special order for the next meeting. The Mayor, however, suggested that as Mr. Henry A. Gumbleton, representing the President of the Borough of The Bronx, was present, he might be heard upon the subject in a general way.

Mr. Gumbleton stated that the resolution of the Board of Local Improvements, recommending the insertion in the local papers of notices concerning the Borough, favored the selection of the two papers of largest circulation, and as such he suggested the North Side News and the Bronx Borough Record.

The Comptroller moved that the North Side News and the Bronx Borough Record be designated for the publication of short notices of Local Board improvements in the Borough of The Bronx. By short notices was meant not the full notices which are published in the Crry Record, but simply short notices calling attention to the date of the meeting and to the CITY RECORD advertisement.

The motion was adopted unanimously. The Comptroller made the same motion in regard to the five Corporation papers of Brooklyn with reference to publishing Local Board notices, which, under the Charter, they are not required to print. The Comptroller stated that he meant simply the publication of short notices of the hearings and not the full-length notices.

Unanimously carried. The selection for the Borough of Richmond was then taken up, and Mr. Cromwell, President of the Borough, was asked concerning the local publications. He expressed himself in favor of the Staten Islander and the Staten Island World, and in reply to questions by members of the Board, he stated that it was his impression, after

examination into the matter, that these papers would reach a wider range than any other two papers that could be selected. On motion of the Mayor, the Staten Islander and the Staten Island World were designated for the publication of short notices of Local Board improvements in the

Borough of Richmond. The motion was carried unanimously.

The selecting of papers for the Borough of Queens was then taken up, and President Cassidy, of that Borough, who was present, was asked to suggest one paper for general circulation and one for each of the two improvement districts, one including Long Island City and Newtown and the other Flushing, Jamaica and the Rockaways. Mr. Cassidy suggested that the heads of departments should select the papers for the different advertising that was required from time to time.

The Long Island Star, Newtown Register, Jamaica Standard and the Flushing Journal were mentioned by members of the Board, but the selection of the last named

was opposed by President Cassidy.

The Comptroller moved to lay over the selection of papers for the Borough of

the fact that only the short notices were intended by this resolution and not the full notices that appear in the CITY RECORD.

The Supervisor next submitted a tabulation of the bids opened, after advertising,

on March 6th, for printing, lithographing and blank books.

The bid of William P. Mitchell, not having been summed up as required by the terms of the proposals, permission had been given him to submit a brief to the Corporation Counsel, which he did, stating that he failed to add up his prices because the bids were to be awarded by items, and he bid only on a limited number of them. The Board agreed to waive said irregularity, and the Comptroller moved that the contract be awarded by items to the lowest bidders. Unanimously carried.

It appeared that but four items would go to Mr. Mitchell, and the Comptroller stated that if he declined to take them they should be given to the next lowest bidder. The Comptroller moved that the Supervisor advertise the contract for the express

work of the City Record office, and that notices thereof be sent to all the persons who have made application for the work.

The following letter was submitted from A. J. Cameron, Foreman of the Bookbinders, with reference to a new examination by the Civil Service Commission:

The Hon. Board of City Record:

DEAR SIRS-Yesterday I learned for the first time that the eligible list from the competitive promotion examination for CITY RECORD Bookbinders, held December 16, 1901, had not been prepared because the Municipal Civil Service Commission had not received from the Supervisor or the Board of City Record any certificate as to "efficiency, character and conduct."

That certificate is to-day filed with said Commission, and if an eligible list results therefrom satisfactory to your Board, there should be no need for the new examination asked for by your Board upon my request of 17th ult. Said request of mine emanated from my ignorance at that time of the situation.

I thank the Board and the Supervisor for the kindness shown me. I have informed the Municipal Civil Service Commission that I should ask, as I now respectfully do, your permission to withdraw my request of 17th ult. for the reasons stated above, and have requested said Commission to issue my rating resulting from said examination of December 16, 1901.

Respectfully,

ALEXANDER J. CAMERON.

New York, March 6, 1902.

March 6, 1902.

On motion of the Mayor the request of Mr. Cameron was complied with. The Supervisor submitted the opinion of the Corporation Counsel as to the right of heads of Departments to direct, without first obtaining permission of the Board, the insertion of brief notices in the official papers of proposals advertised by them in the CITY RECORD.

Hon. Seru Low, Chairman, Board of City Receord.

Sir-I am in receipt of a communication from Philip Cowen, Esq., Supervisor of the City Record, bearing date February 21, requesting me to advise him whether the various departments of the city government have the right to insert without the consent of the Board of City Record, in newspapers other than the City Record and the corporation papers "brief advertisements calling attention to any contracts intended to be awarded * * referring for full information to said City Record."

City Record."

Mr. Cowen states in his letter that from an examination of the Charter, and especially of the sections which he mentioned, he has reached the conclusion that no such advertisement can be done without the consent of the Board of City Record.

In answer to this communication I have to say that I have examined the Charter, and find some difficulty in reaching a conclusion in regard to the matter.

In fact, it is a subject upon which the Charter is entirely silent, and I do not think that the sections mentioned by Mr. Cowen can be used for the purposes of determining the question.

An examination of section 15.5 shows, I think, that such advertisements can be inserted in the newspapers without the prior authorization of your Board.

The provision of the section in question is:

"There may be inserted in two morning and two evening, and two weekly or semi-weekly papers published in the English language, and in one paper published in the German language, all in said city, to be designated at any time by said Board of City Record, brief advertisements calling attention to any contracts intended to be awarded or bonds to be sold, and referring for full information to said City Record; said designation of such newspapers to continue in effect until another or different designation shall be made by said Board."

There is nothing in this language which restricts to the Board of City Record the power of inserting "brief advertisements." On the contrary, I think by implication the phraseology employed leads to the conclusion that the authority of the Board is not necessary for such insertion.

The section recited gives to the Board the power to designate certain newspapers, and this designation is to continue in effect until another designation shall be made by the Board.

If the duty of inserting the "brief advertisements" was confided to the Board alone, or if the Board was to determine whether or not they should be inserted, there would be no necessity for a designation of newspapers.

For it is apparent that if the Board was to act alone, a designation by the Board would be entirely unnecessary.

In such case the statute would have provided that the advertisements should not be inserted in

more than a specified number of newspapers.

As I understand the section, the "brief advertisements" mentioned therein are to be inserted by the heads of departments in the usual manner, but in only such newspapers as may be designated by the Board of City Record.

Respectfully yours, G. L. RIVES. Corporation Counsel.

The Supervisor asked if it was optional for the heads of Departments to advertise in a few of the papers only, inasmuch as it was often an unwise expenditure to advertise in some of the official papers certain things bid for, and some of the heads of Departments had asked the question. As an instance, the Supervisor submitted the request of the President of the Borough for advertising coal.

On motion of the Corporation Counsel it was moved to advertise for the bids for

5,500 tons of White Ash Coal in the daily papers only and not in any weekly papers.

Unanimously carried.

The Board then adjourned to meet Monday next. PHILIP COWEN, Secretary.

BOARD OF CITY RECORD.

THURSDAY, March 13, 1902.

A special meeting of the Board of City Record was held this day at 11.30 a. m. in the office of the Mayor to open the bids submitted after the advertisement for furnishing stationery, blank books, printing, etc. There were present Hon. Seth Low, the Mayor, and Mr. James W. Stevenson, Deputy Comptroller, representing the Comptroller, comprising a majority of the Board of City Record. Proof of publication of the advertisement in the CITY RECORD was submitted.

The bids, all of which were accompanied by the prescribed deposit, were as follows: L. W. Ahrens Stationery Company, \$15,624.80; Jordan Stationery Company, \$12,859.09; Edward Kimpton, \$15,502.72; J. W. Pratt & Co., \$1,750.17; M. B. Bratter Company, \$905.85; T. B. Sidebotham, \$1,084.98; M. B. Bratter Company, \$1,532.38; J. Cassidy, \$2,390.80; S. T. Smith Company, \$95.90; U. S. Trading Company, \$8,990.60, and the Metropolitan Printing Company. The last mentioned bid, which was not footed up by schedules, and was irregular to that extent, amounted to \$4,277.75.

The meeting then adjourned.

PHILIP COWEN, Secretary.
