PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)

- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

NYCHA 2.0 PERMANENT AFFORDABILITY COMMITMENT TOGETHER (PACT) REQUEST- REQUEST FOR QUALIFICATION - Request for Qualifications - PIN# 224842-2 - Due 4-23-21 at 2:00 P.M.

In December 2018, the Mayor's Office and the New York City Housing Authority (NYCHA), released NYCHA 2.0, a comprehensive plan to preserve the City's public housing. This 10-year plan will bring \$24 billion in vital repairs to New York City's aging public housing and ensure residents have the safe, decent, and affordable homes they deserve. An important strategy outlined in the NYCHA 2.0 plan is to leverage programs of the U.S. Department of Housing and Urban Development (HUD) to preserve existing public housing stock via NYCHA's preservation initiative called "PACT" – Permanent Affordability Commitment Together. As such, NYCHA is seeking applications outlining the qualifications of applicants' ability to finance, rehabilitate, facilitate property management, and provide social services delivery to support the conversion of developments from the public housing program under Section 9 of the U.S. Housing Act of 1937, as amended, to a voucher platform under Section 8 of the Act pursuant to RAD and the Section 18 and Part 200 disposition process.

This Request for Qualifications (RFQ) enables NYCHA to continue to streamline the PACT procurement process, by creating a pre-qualified list of potential partners for forthcoming PACT conversions. Developers, property managers, general contractors, and social service providers are welcomed and encouraged to apply as stand-alone entities. Developer, general contractor, property manager, and social service provider applicants must submit qualifying materials by April 23, 2021. Developer, general contractors, property manager, and social service provider applicants will be notified if they meet the required thresholds to qualify for NYCHA's pre-qualified list of partners. The list of developer, general contractor, property manager, and social service provider pre-qualified partners will be made available to the public. To remain prequalified, existing PACT partners must submit a revised questionnaire to NYCHA as detailed within the RFQ.

In order to be considered Proposers MUST electronically upload a single .pdf containing all components of the Proposal, which may not exceed 4G, into iSupplier. Instructions for registering for iSupplier can be found at: <http://www1.nyc.gov/site/nycha/business/isupplier-vendor-registration.page>. After Proposer registers for iSupplier, it typically takes 24 to 72 hours for Proposer's iSupplier profile to be approved. It is Proposer's sole responsibility to leave ample time to complete iSupplier registration and submit its Proposal through iSupplier before the Proposal Submission Deadline. NYCHA is not responsible for delays caused by technical difficulty or caused by any other occurrence. NYCHA will not accept Proposals via email or facsimile. The submission of attachments containing embedded documents or proprietary file extensions is prohibited. Each new applicant shall submit a full electric copy of your proposal through the iSupplier system in Adobe PDF format. Existing Pre-Qualified Partners are subject to different submission requirements, which are outlined in the RFQ.

Any vendor that is not currently registered with iSupplier must do so immediately. Any vendor that requires technical assistance in iSupplier registration and/or RFQ response submission, must contact Kim Young at the procurement email address Procurement@nycha.nyc.gov for assistance right away. Note: while navigating iSupplier ensure the pop off blocker is turned off. It is the sole responsibility of the responder to ensure iSupplier registration and response submission is completed by the RFQ closure date and time.

What laws govern the rulemaking process? DCWP must meet the requirements of Section 1043 of the Charter when promulgating or changing rules. This notice is made according to the requirements of Section 1043 of the Charter.

Statement of Basis and Purpose of Proposed Rules

The Department of Consumer and Worker Protection ("Department") proposes to add new rules to implement a recent state law amending provisions of the New York City Charter ("Charter") relating to the docketing of final decisions or orders and of default judgments in certain enforcement proceedings brought by the Department.

The state law, Chapter 205 of the Laws of 2020, amended Section 2203(h) of the Charter to allow the Department to docket final decisions and orders in civil court. This change allows final decisions and orders to be enforced without additional court proceedings, in the same manner as money judgments entered and docketed in civil lawsuits. The state law also allows a consumer or worker to request that the Department assign to him or her a final decision or order awarding him or her monetary damages, restitution, or other equitable relief. This assignment would allow the consumer or worker, rather than the Department, to docket and enforce the final decision or order.

The state law also allows a respondent who receives notice of a default judgment in certain enforcement proceedings brought by the Department to avoid the docketing of that judgment, by both requesting a stay of the default judgment for good cause shown and either requesting a new hearing or pleading guilty to the charges in the default judgment.

These proposed rules would implement the state law by:

- Creating a procedure to allow a consumer or worker to request the assignment of a final decision or order; and
- Creating a procedure to allow a respondent who receives notice of a default judgment in certain enforcement proceedings brought by the Department to avoid the docketing of that judgment, by both requesting a stay of the default judgment for good cause shown and either requesting a new hearing or pleading guilty to the charges in the default judgment.

Sections 1043 and 2203(f) of the Charter and Section 20-104(e) of the New York City Administrative Code authorize the Department to make this proposed rule.

New material is underlined.
[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Proposed Rule Amendments

Section 1. Subchapter A of Chapter 6 of Title 6 of the Rules of the City of New York is amended by adding two new sections 6-06 and 6-07 to read as follows:

§ 6-06 Assigning and Docketing Final Decisions or Orders.

If a final decision or order authorizes restitution, imposes an award of monetary damages, or provides equitable relief to a consumer or worker, the consumer or worker may request that the Department assign the final decision or order, or the portion of it that awards such restitution, monetary damages, or equitable relief, to the consumer or worker. To make such a request, the consumer or worker must complete the form available on the Department’s website and submit the form to the Department by mail or email within 180 days of the date on which the final decision or order was issued; provided, however, that the deadline to submit such a request shall be tolled while a judicial proceeding challenging the final decision or order is pending.

§ 6-07 Default Judgments.

A Respondent may, within 30 days of receiving notice from the Department that a final default judgment has been issued against the Respondent and that the Department intends to enter and docket that judgment, both (a) request a stay of the default judgment for good cause shown, and (b) either request a new hearing at OATH or plead guilty to the charges in the default judgment. To make such a request, the Respondent must complete the form available on the Department’s website and submit the form to the Department by mail or email. Before submitting such a request, however, the Respondent must first move to vacate the default judgment at OATH, pursuant to section 1-45 or section 6-21 of title 48 of the Rules of the City of New York, or any successor rule thereto.
