# BOARD OF EDUCATION.

WEDNESDAY, October 18, 1876.

The Board of Education held a stated session at the Hall of the Board, corner of Grand and

The Board of Education held a stated session at the Hall of the Board, corner of Grand and Elm streets, on Wednesday afternoon, 18th inst., at 4 o'clock P. M. Present—Wm. Wood, Esq., President, and Commissioners Baker, Beardslee, Dowd, Fuller, Goulding, Halsted, Hazeltine, Kane, Klamroth, Mathewson, Place, Traud, Walker, West, Wetmore, and Wilkins – 17. Absent—Commissioners Caylus, Kelly, Schell, and Vermilye—4.

The minutes of the session held on the 4th inst. were approved. The President laid before the Board communications from the Trustees of the several wards, as follows

From the Sixth, Eleventh, and Twenty-second Wards, asking to excuse the absence of teachers ; and from the Thirteenth and Twenty-third Wards, relative to appointment of teachers. Referred to the Committee on Teachers.

From the Sixteenth Ward, asking for the payment of sundry bills, amount, \$714.07. Referred to the Finance Committee.

From the Nineteenth Ward, to appoint two additional Evening School Teachers. Referred to the

Committee on Evening Schools. From the Tenth, Nineteenth, and Twenty-third Wards, relative to furniture for several class rooms, etc. Referred to the Committee on School Furniture.

From the Nineteenth Ward, asking that answers be returned to certain applications from the Ward Trustees. Referred to the Committee on By-Laws, etc.

The President laid before the Board the report of the City Superintendent for the month of September. Entered in the minutes.

The President laid before the Board the following communications :

The opinion of Judge Folger on the question of the "corporate control and disbursement" of the school moneys by the Board of Education, as follows :

#### COURT OF APPEALS.

The PEOPLE, ex rel. ROOT et al., Respondents,

J. NELSON TAPPAN, City Chamberlain of the City of New York, Appellant. G. P. ANDREWS, for Appellant. W. HERRING, for Respondent.

FOLGER, J.

It is not alleged by the appellant, either upon the papers in the appeal book, or in argument before us, that the claim of the relator was not for some necessary incidental expense of the Board of Education, or some such other expense as might be necessarily incurred by the Board in pursuance of certain statutes.

Before the year 1873 that Board was authorized to draw from the moneys which should be raised for the purposes of public education such sums as should be required for the purpose of defraying the incidental or other expenses above spoken of.

Y, OCTOBER 24, 1876.NUMER 1,024.

Now, the relators do not show that they have tendered to the appellant a warrant drawn upon the treasury by the Comptroller, and countersigned by the Mayor; they have not brought the Cham-berlain within the exigencies of the law, and he may not be compelled to honor and pay the draft drawn upon him in behalf of the Board of Education.

The order appealed from should be reversed, and the motion of the relators for a mandamus should be denied. "All concur."

against ANDREW H. GREEN, Comptroller, Appellant.

G. P. ANDREWS, for Appellant. W. HERRING, for Respondents.

G. P. ANDREWS, for Appellant. W. HERRING, for Respondents. FOLGER, J. The views expressed in the kindred case of The People vs. Tappan are decisive of this. No moneys can be taken from the city treasury save by the check of the Chamberlain, upon the warrant of the Comptroller, countersigned by the Mayor. No such warrant can be so signed and countersigned save upon vouchers for the expenditure of the amount named therein. The papers do not show that any vouchers of that sort were presented to the Comptroller. He was not therefore compellable to draw and sign a warrant.

The order appealed from should be reversed. "All concur."

#### H. E. SICKELS, Reporter.

(A copy.) Ordered, That said decisions be entered in full in the minutes.

The President laid before the Board the following communications :

From G. Tiemann & Co., relative to medals awarded at the Chili International Exposition, Santiago, 1875, to the Board of Education.

Ordered, That the President and Clerk acknowledge and return thanks to the Chilian Govern-ment for their award.

From Miss Annie M. Hoffman, Principal of Female Department Grammar School No. 69, rela-tive to her salary. Referred to the Committee on By-Laws, etc. From G. M. Solomon, to be appointed Superintendent of the Truant House. Referred to the Committee on By-Laws, etc.

From James G. De Palos, in reference to gas regulation. Referred to the Committee on Evening Schools.

From Thomas J. Rae, relative to the Babcock Fire Extinguisher. Referred to the Committee on Buildings.

From Francis Heidenis, relative to the action of the Trustees of the Twelfth Ward in his case. Referred to the Committee on Teachers. From Mary J. C. O'Brien, asking for appointment as Professor of Elocution in the Normal College. Referred to the Committee on Normal College. From L. J. Mell, asking for appointment as Janitor. Referred to the Committee on Buildings.

Laws of 1851, chap. 386, § 2, sub. 5. "1854, "101, pp. 235-239. The mode in which such sums should be drawn is not specified in these acts, though as to the drawing of sums for certain other expenditures, it is particularly directed that the drafts be made by the President of the Board, and countersigned by the Clerk of the Board, and addressed to the Chamberlain.

by the President of the Board, and countersigned by the Clerk of the Board, and addressed to the Chamberlain. Laws of 1851, *supra*, §§ 15, 16. We may infer that it was the practice of the Board to draw all drafts in this way. We see no reason, therefore, why the appellant ought not to have met the draft in this case with prompt payment, unless there is some subsequent provision of law which forbids him to do so. There are pointed out to us certain provisions which it is claimed do this. In chap. 757 of Laws of 1873, p. 1123, § 8, it is enacted that wages and salaries, including payment for the Board of Education, may be made upon pay-rolls, upon which each person named thereon shall separately receipt for the amount paid to such person, and in every case of payment upon a pay-roll, the warrant for the aggregate amount of wages and salaries included therein may be made payable to the superintendent, principal, teacher, foreman, or other officer designated for the purpose. The utmost that can be claimed for this clause of that statute, with any show of reason, is that payment of " wages and salaries" for the Board of Education may be thus made. It seems to be not a clause of compulsion, regarding payments to be made thus, but a clause of ease, permitting payment to be made to many, by the means of a single pay-roll, and one warrant to the head one of the number, for the aggregate dues to all. The scope of the language takes in nothing but payments of that kind, to wit, wages and salaries, and the phraseology is not applicable to payments of a sum to one individual or firm for one kind of mdebtedness having no relation in time or amount with many or any other. Obviously, it is not applicable to a case like that in hand. Under section 112 of the New York City Charter of 1873 (Laws of that year, p. 517), as amended the same year (Laws of that year, p. 1126, § 20), the Board of Education is required to send

From H. W. Ellsworth, to have his "Steps to Bookkeeping" put on the list of supplies. Re-ferred to the Committee on Course of Study and School Books.

From S. N. Cohen, of the N. Y. Staats Zeitung, relative to Miss E. A. Martin, Principal of nary Department Grammar School No. 27, and the alarm of fire arising from the escape of steam Primary Department in her Department.

Commissioner Klamroth offered the following resolution :

Resolved, That this Board appreciates and commends the brave conduct of Miss E. A. Martin, Principal of Primary Department Grammar School No. 27, in East Forty-second street, her presence of mind, good judgment, and prompt and energetic action on the occasion of an alarm of fire in her Department, on October 5, 1876, by means of which a great calamity, and possibly the loss of many lives, was averted ; and that the Clerk of this Board be requested to transmit to Miss E. A. Martin a copy of this resolution. Adopted.

Commissioner Beardslee presented an amendment to the By-laws, which was referred to the Committee on By-laws, etc.

Reports of Standing Committees were presented, as follows :
