CITY OF NEW YORK—COMMISSIONER OF STREET IMPROVEMENTS,  
TWENTY-THIRD AND TWENTY-FOURTH WARDS,  
No. 2622 THIRD AVENUE, CORNER 141ST STREET,  
COMMISSIONER'S OFFICE, May 2, 1894.

To the Honorable the Board of Estimate and Apportionment:

GENTLEMEN—I beg to call your attention to an act passed at the recent session of the Legislature, which has become a law.

"To provide for the completion of the repaving of Third avenue, from East One Hundred and Sixty-ninth street to the northern boundary line of the Twenty-third Ward in the City of New York."

It was intended originally to pave Third avenue as far north as One Hundred and Seventieth street, under the appropriation of \$200,000 authorized by chapter 305 of the Laws of 1892, entitled "An act to provide for the repaving of Third avenue, from the Harlem river to East One Hundred and Seventieth street, in the City of New York," but it was impossible to complete the repaving of Third avenue, north of One Hundred and Sixty-ninth street, within the limits of the appropriation (\$200,000) mentioned in chapter 305 of the Laws of 1892.

The Legislature of 1894 passed a supplementary act as above entitled, "To provide for the completion of the repaving of Third avenue, from East One Hundred and Sixty-ninth street to the northern boundary line of the Twenty-third Ward, in the City of New York," authorizing an expenditure of not more than \$30,000 "for the purpose of paying the expenses of completing the repaving of Third avenue, from the northern curb-line of East One Hundred and Sixty-ninth street to a point three hundred and twenty-six feet northerly of the northerly side line of East One Hundred and Seventieth street, being the northerly boundary line of the Twenty-third Ward of the City of New York."

The act of 1894, section 2, requires that the work to be done and the bonds to be issued shall be subject to the provisions and conditions specified in chapter 305 of the Laws of 1892, and in accordance with this requirement I hereby respectfully submit an approximate estimate for the paving of Third avenue, from East One Hundred and Sixty-ninth street to the northern boundary line of the Twenty-third Ward.

In your determining the kind of pavement that shall be laid, I suggest that the best and most economical would be granite block, the same as is now being laid on that portion of Third avenue under contract.

I respectfully request the adoption by your Honorable Board of a resolution that will enable me to proceed at the earliest possible moment with the repaving of that portion of Third avenue provided for in the above-mentioned act, which became a law this year.

Plan transmitted herewith.

Respectfully,

LOUIS F. HAFFEN, Commissioner.

NO. 100 EAST TWENTY-THIRD STREET, CORNER FOURTH AVENUE,  
NEW YORK, April 26, 1894.

To the Board of Estimate and Apportionment :

GENTLEMEN—I inclose a certified copy of chapter 336 of Laws of 1894, and also of chapter 25 of Laws of 1894, amended thereby, both of which acts were passed at the instance of this society at the present session of the Legislature, and have received the approval of the Governor.

May I ask that you will now kindly take prompt action for the payment to the society of the sum mentioned, \$30,000, for the present year, which is greatly needed to meet the emergencies of its work, which since the 1st January has been more than doubled by the very large number of children arrested and charged with crime, placed and retained in its custody by order of the courts. As to the time and manner of the payments, after the same shall have been duly sanctioned by your Honorable Body, I shall be glad to confer with the Comptroller if you shall so direct.

I have the honor to remain,

With great respect,

A true copy of report and resolution adopted by the Board of Education on April 4, 1894.

ARTHUR McMULLIN, Clerk.

Resolved, That, in pursuance of chapter 282 of the Laws of 1893, the Board of Estimate and Apportionment hereby approves of the issue of School-house Bonds, in the name of The Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to the amount of twenty-six dollars (\$26); and the Comptroller is hereby authorized and directed to issue the same, for such period as he may determine, but not longer than twenty years, bearing interest at a rate not exceeding three and one-half per cent. per annum; the proceeds of the sale of which bonds shall be applied in payment of the bill of the Lawyers' Engineering and Surveying Company, for a survey made of a proposed site for school purposes, at No. 268 Second street, as specified in the resolution relating thereto, adopted by the Board of Education April 4, 1894; and

Resolved, That the Commissioners of the Sinking Fund be requested to exempt the said stock from taxation by the City and County of New York, pursuant to an ordinance of the Common Council, approved by the Mayor October 2, 1880, and the provisions of section 137 of the New York City Consolidation Act of 1882.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
May, 1894.

To the Board of Estimate and Apportionment:

At a meeting of this Board held March 28, 1894, there was referred to the Comptroller a resolution of the Board of Education, adopted March 7, 1894, requesting the approval of the Board of Estimate and Apportionment to the issue of School-house Bonds to the amount of \$10,302, which sum it is proposed to apply in payment of the contracts to be entered into by the School Trustees of the Twenty-second Ward with the lowest bidders on the several contracts for supplying the furniture for the new Grammar School Building, on the south side of West Forty-sixth street, between Sixth and Seventh avenues.

The whole work was divided into three items, and the specifications provide that "a separate estimate must be submitted for each item," and over each item is the announcement that "a separate proposal must be submitted for this work."

It appears that the Andrews School Furnishing Company, in addition to their itemized bids, also submitted a bulk bid of \$10,000 for the whole work, which the School Trustees rejected, on the ground that it was an irregular proceeding on the part of a contractor to submit more than one bid. This action was approved by the Finance Committee of the Board of Education. The bulk bid of the Andrews School Furnishing Company was \$302 less than the aggregate of the lowest bids on the several items.

As it appears that the action of the School Trustees and of the Board of Education was in accordance with the conditions under which proposals were invited, I offer for adoption the following resolution.

Respectfully,

ASHBEL P. FITCH, Comptroller.

Resolved, That, in pursuance of chapter 282 of the Laws of 1893, the Board of Estimate and Apportionment hereby approves of the issue of School-house Bonds, in the name of The Mayor, Aldermen and Commonalty of the City of New York, to be known as "Consolidated Stock of the City of New York," as provided by section 132 of the New York City Consolidation Act of 1882, to the amount of ten thousand three hundred and two dollars (\$10,302); and the Comptroller is hereby authorized and directed to issue the same, for such periods as he may determine, but not longer than twenty years, bearing interest at a rate not exceeding three and one-half per cent. per annum; the proceeds of the sale of which bonds shall be applied in payment of the contracts to be entered into by the School Trustees of the Twenty-second Ward with the contractors hereinafter named, for supplying the furniture for the new grammar school building on the south side of West Forty-sixth street, between Sixth and Seventh avenues, as specified in the resolution relating thereto, adopted by the Board of Education March 7, 1894, as follows:

Item 1. Andrews School Furnishing Company.....	\$1,189 00

" 3. Andrews School Furnishing Company.....	5,834 00

	\$10,302 00

—and

Resolved, That the Commissioners of the Sinking Fund be requested to exempt the said stock from taxation by the City and County of New York, pursuant to an ordinance of the Common Council approved by the Mayor October 2, 1880, and the provisions of section 137 of the New York City Consolidation Act of 1882.

SIR—I have the honor to make the following report:

On June 15, Cameron, driver of delivery wagon, received from Disinfecting Station for delivery, among other goods, the following property of Mrs. Lavery, 739 Fifth street:

Sheet.....	1

On his return to the Disinfecting Station, Cameron reported that on reaching the above address, the articles were missing, having been stolen from the wagon. In no other way can he account for their loss, having received them in good order in the morning on his first trip.

HEALTH DEPARTMENT,  
DIVISION OF PATHOLOGY, BACTERIOLOGY AND DISINFECTION,  
No. 42 BLEECKER STREET,  
NEW YORK, February 26, 1894.

CHAS. F. ROBERTS, M. D., Sanitary Superintendent:

SIR—It appears from the accompanying reports that certain articles belonging to Mrs. Lavery, of No. 739 Fifth street, were lost or stolen from one of the delivery wagons of this Department on June 15, 1893, and that said articles were in good condition.

I have no means of estimating the exact value of said articles, but should judge that accompanying estimate is fairly correct.

I therefore respectfully recommend that proper compensation for the articles enumerated be made to Mrs. Lavery.

Respectfully submitted,

(Signed) HERMANN M. BIGGS,  
Pathologist and Director of the Bacteriological Laboratory.

HEALTH DEPARTMENT—No. 301 MOTT STREET,  
NEW YORK, March 9, 1894.

CHAS. F. ROBERTS, M. D., Sanitary Superintendent:

SIR—Regarding the claim of Mrs. Lavery for goods lost, referred again to me for further information, I would respectfully report that further investigation has developed no new facts. The goods were undoubtedly lost or stolen from the wagon. Parcels can be easily stolen from the wagon while the driver is away delivering other parcels of goods. The wagon now in use cannot be closed in any way to prevent this. The goods are reported to have been in good condition. I would therefore recommend that compensation to the amount of \$23 be allowed to Mrs. Lavery for the goods lost.

(Signed)

Very respectfully,

HERMANN M. BIGGS.

The Comptroller presented the following:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
May 3, 1894.

To the Board of Estimate and Apportionment:

I present herewith a bill of George Tomes for a commission of 20 per cent. on \$523.85, being the amount of the sales of various articles left over from the celebration of the Four Hundredth Anniversary of the Discovery of America. Mr. Tomes' bill is in accordance with the agreement made with the Executive Committee of the Committee of One Hundred, appointed in pursuance of chapter 331, of the Laws of 1892, extracts from the minutes of which Committee are also presented herewith.

I transmit also a copy of a communication from the Corporation Counsel to Mr. George J. Gould, advising him that the objections which have been heretofore urged against certain bills incurred by the Columbian Celebration Committee by the Board of Estimate and Apportionment do not appear to lie against this claim, and that the gentlemen composing the Auditing Committee would be justified in approving the bill at the sum of one hundred and four dollars and seventy-seven cents. This having been done, I offer for your consideration the following resolution.

Respectfully,

ASHBEL P. FITCH, Comptroller.

Resolved, That, in pursuance of the provisions of chapter 331 of the Laws of 1892, as amended by chapter 33 of the Laws of 1893, this Board does hereby audit and allow the claim of George Tomes for a commission of twenty per cent. (20 per cent.) on the sale of various articles left over from the celebration of the Four Hundredth Anniversary of the Discovery of America, at one hundred and four dollars and seventy-seven cents (\$104.77), and said amount to be paid from the proceeds of bonds heretofore issued.

Which was adopted by the following vote:

Affirmative—The Mayor, Comptroller, President of the Department of Taxes and Assessments and Counsel to the Corporation—4.

The Comptroller presented the following:

TRINITY BUILDING, No. 111 BROADWAY,  
NEW YORK, April 20, 1894.

To the Honorable the Board of Estimate and Apportionment of the City of New York:

GENTLEMEN—Referring to the former communication which the Committee of the Vestry of St. Mark's Church had the honor of addressing to you, in regard to the asphalt of the open square in front of the church (at the junction of Second avenue, Stuyvesant and Tenth streets), I am desired by the Vestry to transmit for your consideration a diagram showing the location, and how the crosswalks at the junction of Stuyvesant and Tenth streets would form a natural boundary for the asphalt, to which have been added some suggestions which the Vestry think might well be considered by your Honorable Body in determining whether this open space should be asphalted. Your attention is particularly called to the fact that a portion of this open space is very badly in need of repaving, there being some sunken places, which have been marked on the diagram by crosses.

I have the honor to remain, very respectfully, yours,

JOHN BROOKS LEAVETT,  
For the Vestry of St. Mark's Church.

Referred to the Comptroller.

On motion, the Board adjourned.

E. P. BARKER, Secretary.

### TO CONTRACTORS.

**SEALED PROPOSALS FOR FURNISHING THE**  
materials and labor and doing the work required  
for constructing and erecting a building for an engine  
company, on the south side of One Hundred and Thirty-  
seventh street, 231 feet east of Alexander avenue, will  
be received by the Board of Commissioners of the Fire  
Department, at the office of said Department, Nos.  
157 and 159 East Sixty-seventh street, in the City of New  
York, until 10 o'clock A. M., Wednesday, May 23, 1894,  
at which time and place they will be publicly opened  
by the head of said Department and read.

Separate bids or proposals must be made for each  
building.  
No estimate will be received or considered after the  
hour named.

For information as to the amount and kind of work to  
be done, bidders are referred to the specifications and  
drawings which form part of these proposals.

The form of the agreement and the specifications,  
showing the manner of payment for the work, and  
forms of proposals, may be obtained and the plans may  
be seen at the office of the Department.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.  
The work is to be completed and delivered within one  
hundred and fifty (150) working days after the execution  
of the contract.

The damages to be paid by the contractor for each  
day that the contract may be unfulfilled after the time  
specified for the completion thereof shall have expired  
are fixed and liquidated at twenty (20) dollars.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Any person making an estimate for the work shall  
present the same in a sealed envelope to said Board, at  
said office, on or before the day and hour above named,  
which envelope shall be indorsed with the name or names  
of the person or persons presenting the same, the date of  
its presentation, and a statement of the work to which  
it relates.

The Fire Department reserves the right to decline any  
and all bids or estimates, if deemed to be for the public  
interest. No bid or estimate will be accepted from, or  
contract awarded to, any person who is in arrears to the  
Corporation upon debt or contract, or who is a  
defaulter, as surety or otherwise, upon any obligation to  
the Corporation.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested, it  
shall distinctly state that fact; that it is made without  
any connection with any other person making an estimate  
for the same purpose, and is in all respects fair  
and without collusion or fraud; and that no member of  
the Common Council, head of a department, chief of a  
bureau, deputy thereof or clerk therein, or other  
officer of the Corporation is directly or indirectly inter-  
ested therein, or in the supplies or work to which it  
relates, or in any portion of the profits thereof. The  
bid or estimate must be verified by the oath, in writing,  
of the party or parties making the estimate, that the  
several matters stated therein are in all respects true.  
Where more than one person is interested, it is requisite  
that the verification be made and subscribed by all the  
parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders of  
the City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as sureties for its  
faithful performance in the sum of ten thousand  
(\$10,000) dollars; and that if he shall omit or refuse  
to execute the same, they will pay to the Corporation  
any difference between the sum to which he would  
be entitled on its completion and that which the  
Corporation may be obliged to pay to the person  
or persons to whom the contract may be awarded  
at any subsequent letting; the amount in each case to  
be calculated upon the estimated amount of the work by  
which the bids are tested. The consent above men-  
tioned shall be accompanied by the oath or affirmation,  
in writing, of each of the persons signing the same, that  
he is a householder or freeholder in the City of New  
York, and is worth the amount of the security required  
for the completion of this contract, over and above  
all his debts of every nature, and over and above his  
liabilities as bail, surety or otherwise; and that he  
has offered himself as surety in good faith and with  
the intention to execute the bond required by law.  
The adequacy and sufficiency of the security offered is

to be approved by the Comptroller of the City of New  
York before the award is made and prior to the signing  
of the contract.

No estimate will be considered unless accompanied  
by either a certified check upon one of the banks of the  
City of New York, drawn to the order of the Com-  
ptroller, or money to the amount of five hundred (\$500)  
dollars. Such check or money must not be inclosed in  
the sealed envelope containing the estimate, but must be  
handed to the officer or clerk of the Department  
who has charge of the estimate-box, and no estimate  
can be deposited in said box until such check or money  
has been examined by said officer or clerk and found to be  
correct. All such deposits, except that of the success-  
ful bidder, will be returned to the persons making the  
same, within three days after the contract is awarded.  
If the successful bidder shall refuse or neglect, within  
five days after notice that the contract has been  
awarded to him, to execute the same, the amount of the  
deposit made by him shall be forfeited and retained  
by the City of New York as liquidated damages for  
such neglect or refusal, but if he shall execute the con-  
tract within the time aforesaid, the amount of his  
deposit will be returned to him.

Should the person or persons to whom the contract  
may be awarded neglect or refuse to accept the contract  
within five days after written notice that the same has  
been awarded to his or their bid or proposal, or if he or  
they accept but do not execute the contract and give  
the proper security, he or they shall be considered  
as having abandoned it and as in default to the Corpora-  
tion, and the contract will be readvertised and relet as  
provided by law.

freight, etc., and the total amount of the rental shall not  
be less than fifteen thousand dollars (\$15,000) per annum,

The lessee will be required to provide improved facili-  
ties for the safe and more convenient landing of pas-

The lessee of the ferry will also be required to give a  
bond in double the amount of the yearly rental with two  
sufficient sureties approved by the Comptroller, and

and conditions of the lease, which will be such as are  
required by law, and the ordinance of the Common  
Council relating to ferries, and usually contained in  
ferry leases, which conditions shall be approved by the  
Counsel to the Corporation.

The lease will contain a covenant providing for the  
purchase, by any person or corporation other than the  
purchaser at the present sale, that may acquire said  
ferry franchise after the expiration of said term, at a fair  
appraised valuation of the boats, buildings and other  
property of the former lessee, actually necessary for the  
purpose of said ferry or franchise and the surrender  
and yielding up of the premises by the lessee, if  
the lessee shall not become the purchaser of the fran-  
chise for another term, which appraisal shall be made  
in the usual way before advertising a lease for a new  
term of the franchise, at least three months prior to  
the termination of the lease; provided that the Mayor,

shall not in any event be deemed to covenant to purchase  
said property.

The rates of ferriage and charges for vehicles and  
freight shall not exceed the rates now charged.

The form of lease which the purchaser will be required  
to execute can be seen at the office of the Comptroller.

The right to reject any bid is reserved, if deemed by

the work and the name of the bidder indorsed thereon,  
also the number of the work, as in the advertisement,  
will be received by the Commissioner of Street Improve-  
ments of the Twenty-third and Twenty-fourth Wards,  
at his office, No. 262 Third Avenue, corner of One  
Hundred and Forty-first street, until 3 o'clock P. M. on  
Thursday, May 17, 1894, at which place and hour  
they will be publicly opened:

No. 1. FOR REGULATING, GRADING, SETTING CURB-STONES, FLAGGING THE SIDEWALKS, AND LAYING CROSSWALKS IN ONE HUNDRED AND SEVENTEENTH STREET, from Prospect Avenue to Bristow Street.

No. 2. FOR CONSTRUCTING SEWER AND APPURTENANCES IN TRINITY AVENUE, between One Hundred and Sixty-third and One Hundred and Sixty-fourth streets.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate, or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

The Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards reserves the right to reject all bids received for any particular work if he deems it for the best interests of the city.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at this office.

#### TO CONTRACTORS.

**BIDS OR ESTIMATES, INCLOSED IN A** sealed envelope, with the title of the work and the name of the bidder indorsed thereon, also the number of the work as in the advertisement, will be received at this office until 12 o'clock M., on Wednesday, May 9, 1894, at which place and hour they will be publicly opened by the head of the Department.

- No. 1. FOR SEWER IN FIRST AVENUE, between Sixty-eighth and Sixty-ninth streets.
- No. 2. FOR SEWER IN SECOND AVENUE, between Sixty-seventh and Sixty-eighth streets.
- No. 3. FOR SEWER IN ONE HUNDRED AND THIRTY-THIRD STREET, between Twelfth avenue and Boulevard.
- No. 4. FOR SEWER IN WASHINGTON STREET, between North Moore and Franklin streets.
- No. 5. FOR FURNISHING MATERIALS AND PERFORMING WORK IN REPAIRING AND PAINTING THE ROOFS OF THE TWENTY-SECOND REGIMENT ARMY.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, and the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the

amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety, in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

**THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.**

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Rooms 9 and 14, No. 31 Chambers street.

#### TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

**ATTENTION IS CALLED TO THE RECENT** act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereupon liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works
