CERTIFICATE 24247

RESOLVED That the Design Commission, having considered designs for the installation of a prototypical newsstand, 1871 Broadway, southwest corner of Broadway and West 62nd Street, Manhattan, submitted by the Department of Consumer Affairs and the Department of Transportation, represented by exhibits 6232-E, F & G of record in this matter, hereby rejects the same. The Commission notes that a newsstand proposed catty corner on the northeast corner of Broadway and West 62nd Street was rejected in December 2000 because of “the significant view corridor from the avenue towards Columbus Circle.” The Commission reiterates the impact a newsstand would have on this important view corridor.

CERTIFICATE 24379

RESOLVED That the Design Commission, having considered designs for the installation of a prototypical newsstand, 1886 Broadway, northeast corner of Broadway and West 62nd Street, Manhattan, submitted by the Department of Consumer Affairs and the Department of Transportation, represented by exhibits 6232-H, I & J of record in this matter, hereby rejects the same. The Commission notes that a newsstand proposed for this location was rejected in December 2000 because of "the significant view corridor from the avenue towards Columbus Circle." Given that site conditions have not changed, the Commission reiterates the impact a newsstand would have on this important view corridor.

CERTIFICATE 24360

RESOLVED That the Design Commission, having considered designs for the installation of a prototypical newsstand, 1271 Sixth Avenue, northwest corner of Sixth Avenue and West 50th Street, Manhattan, submitted by the Department of Consumer Affairs and the Department of Transportation, represented by exhibits 7051-A, B & C of record in this matter, hereby rejects the same in order to preserve the open views of the plaza, which includes *Cubed Curve* (1972) by William Crovello. The Commission notes that it is comfortable with the applicant's alternate newsstand location further north on Sixth Avenue, which does not block views, provided the width of the newsstand is narrowed to 5' (from 6').
