#### BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL, NEW YORK, MONDAY, 2 P. M., November 28, 1898.

The Hons. Robert A. Van Wyck, Mayor; Bird S. Coler, Comptroller, and John Whalen, Corporation Counsel, the officers designated by section 1526, chapter 378, Laws of 1897, met

this day.

The minutes of the meetings of November 23, 1898, were approved as printed.

The Supervisor of the City Record presented a request from the Secretary of the Department of Education for authority to publish a notice in reference to the New York Training School for Teachers.

On motion of the Mayor and by the consurrent action of an tale manager following resolution was adopted:

Resolved, That the School Board be and hereby is authorized to advertise the said notice in reference to the New York Training School for Teachers in the following papers:

"New York Herald."

"New York Times."

"New York Times."

"New York World."

"New York World."

"New York Morgen Jaurnal."

"New Yorker Staats-Zeitung."

"New York Commercial Advertiser."

"Westehester Independent."

"Washatran and Bronz Advocate."

"New York Mail and Espress." On motion of the Mayor and by the concurrent action of all the members of the Board, the

"School."
"New York Times."
"New York Warld."
"New York Warld."
"New Yorker Morgen Journal."
"New York San."
"New York Daily News."
"Harlem Local Reporter."
"New York Tribune."

"New York Tribune."

The Supervisor also presented a request from the Commissioner of Water Supply for authority to publish brief abstracts of advertisement now appearing in the CTTY RECORD, calling for bids for contracts for coal for pumping-stations in the Barough of Queens.

On motion of the Corporation Counsel and by the concurrent action of all the members of the Board, the following resolution was adopted:

Resolved, That the Commissioner of Water Supply be and he hereby is authorized to publish in the "Flushing Journal" of Flushing, Long Island, and in the "Long Island City Daily Star" brief notices calling attention to advertisement now appearing in the CITY RECORD, calling for bids for contracts for coal, etc., for the pumping-stations in the Borough of Queens.

On motion of the Mayor and by the concurrent action of all the members of the Board, the following was adopted:

Resolved, That this Board approve the Annual Requisitions received from the various departments, bureaus, courts and county officers of the several counties included in the city of Greater New York for the year 1899, as revised by the Supervisor of the City Record, and that the said Supervisor be directed to prepare and print, with the approval of the Corporation Counsel, estimates and countracts for furnishing supplies of stationery, blank books, printed, lithographed and stamped blank forms, and the Indices or the Health Department, as called for during the entiring year, and

and stamped blank forms, and the Indices of the Realth Department, as called for during the ensuing year; and

Resolved. That the Supervisor of the City Record be directed to prepare the customary forms of salvertisement of said contracts and estimates for insertion in the City Records.

On motion of the Mayor, and by the concurrent action of all the members of the Board, the list of Official Papers (pursuant to the provision of section 1526, chapter 378, Laws of 1897) was revised and the "Teish American" was eliminated and the "Harlem Local Reporter" substituted therefor Adjourned.

WILLIAM A. BUTLER, Secretary.

#### DEPARTMENT OF DOCKS AND FERRIES.

At a regular meeting of the Board of Docks held Friday, October 28, 1898, at 2 o'clock r. M. Present—President Gram and Commissioner Meyer.

Absent—Commissioner Murphy.

The minutes of the meeting held October 21, 1898, were approved.

Messrs Charles A, Schieren, Alexander R, Smith and Counsel Fairchild, of the Commerce Commission of the State of New York, appeared in relation to the decline of commerce of The City of New York. They were informed that the Board would be glad at any time to co-operate with their Commission in the consideration of matters looking toward an increase in the commerce of the city.

The communication from the Fenneylyania Kalboad Company in relation to the establishment of a freight station in the Wallabout Basin, Borough of Brooklyn, was taken from the table, placed in the and on motion, the following resolutions were adopted:

Resolved, That by virtue of the power and authority vested in this Board, and in pursuance of the statutes in such cases made and provided, this Board hereby agrees to lease, assign and to farm-let in the Fermylvania Rafinoad Company all and singular the wharfage which may arise accrue or become due, in the manner and at the rates prescribed by law, for the use and occupation of the following described wharf property, it wit:

A pier to be built in the Wallabout Basin, Borough of Brooklyn, being the second pier south of the warrance to Kem Avenue Hasin and Wallabout place, together with one-half the builkheads on either side of said pier, as shown on the "General Plan for the Improvement of the Wallabout Lands, as authorized by shapter 229 of the Laws of 1897," on file in the office of the Engineer-inchief of this Department; the lease to be for a term of ten years from the date said pier and builkhead are completed and ready for occupation, with privilege of renewal for a further term of ten years; the rental of the premises as above described for the first renewal term, ten per cent advance, namely, 515,200 per annum, payable quarterly in advance as above.

and for the first renewal term, ten per cent, advance, namely, \$15,200 per annum, payable quaterly in advance as above.

Resolved, That permission be and hereby is granted the Pennsylvania Kailroad Company to erect a ched on the above described pier; also to erect a shed on the above described bulkhead for a distance of fifty feet inchore from the bulkhead line; said sheds to be erected under the direction and supervision of the Engineer-in-Chief of this Department, in accordance with glans and specifications to be submitted to and approved by the Board governing the Department of Docks and Ferries; said sheds to revert to and become the property of The City of New York, free from all encumbrances of every kind whatsoever, upon the expiration or sooner termination of such lease or renewal thereof.

such lease or renewal thereof.

The above resolutions shall be of no force or effect unless the Pennsylvania Railroad Company

shall, within ten days after receipt hereof, accept, in writing, the terms and conditions thereof, and agree to execute a lease when called upon to do so, containing the usual covenants and conditions embodied in the leases of wharf property now used by this Department.

The following communications were tabled for one week :

The following communications were tabled for one week:

From the National Steamship Company—In relation to its application for a lease of the bulkheads adjoining Pier, new 33, North river.

From the Southern Pacific Company—Requesting, a renewal lease of the bulkhead northerly of Pier, new 25, North river.

The communication from Hon, William B. Hurd, Jr., County Judge of Kings County—Advising that the license to the Jamaica Bay Ferry Company to run a terry from Canarsie to Barren Island was granted under sections 170 and 174, chapter 508 of the Laws of 1890, was referred to the Corporation Counsel for advice as to what action this Board should take in the matter.

The communication from the Engineer-in-Chief in relation to the improvement of the channel between Quarantine and Sandy Hook, by the United States Government, was referred to the

President.

The report of the Engineer-in-Chief on Secretary's Order No. 18531, in relation to the application of Maurice Fitzgerald for permission to place a temporary damping-board on the south end of the bulkhead at Wallabout Basin, Borough of Brooklyn, was referred to the Treasurer.

The communications from the Pennsylvania Railroad Company, the Hudson River Line and the Mary Powell Steamboat Company, requesting that Pier, new 31, North river, he not extended beyond the pierhead line of 1860, were referred to the Engineer in Chief to examine and report.

The following permits were granted, to continue during the pleasure of the Board:

The women's Auxiliary of the Church Temperance Society, to maintain a portable lunch wagon on the new-made land foot of West Twenty-fourth street, westerly of Twelfth avenue.

John J. Dailey, to drive about 40 piles in front of the crib work at the southerly end of Riker's Island, the work to be done under the supervision of the Engineer-in-Chief.

The following permits were granted, the work to be done under the supervision of the Engineer-in-Chief:

inser-in-Chief:
The New York Steam Company, to dredge in the slips adjoining Pier, old 6, North river.
George B. Murphy, to repair water pipe at Pier, new 40. North river; all pavement to be
id by the force of this Department, at the cost and expense of said permittee.
The Brooklyn Ferry Company of New York, to dredge under the ferry beinge at the foot of

Broadway, Brooklyn.
The following permits were granted on the usual terms:
Penn-ylvania Railroad Company, to make general repairs to the ferry premises foot of West
Thirteenth and West Twenty-third streets, North river, and at the foot of Fulton street, Borough
of Brooklyn; and to the piers foot of West Thirty-seventh and West Thirty-eighth streets,
Borough of Manhattan, and foot of North Fourth and North Fifth streets, Borough of Brooklyn, during the ensuing six months.

The Brooklyn Ferry Company of New York, to make general repairs to the ferry premises

foot of Roosevelt, Grand and East Twenty-third streets, Borough of Manhattan, and at the foot of Grand and from South Sixth to South Ninth streets, Borough of Brooklyn, during the ensuing

Merritt & Chapman Derrick and Wracking Company, to land one reel of wire at the bulkhead four of Twenty-eighth street, East river.

The following communications were ordered on file:

From the Board of Fublic Improvements—Requesting permission to make blue print copies of maps showing the improvements along the water front on the North and East rivers. Secretary directed to notify said Board that if one of its Engineers be sent to this office an opportunity will

thrected to notify said Board that if one of its Engineers be sent to this dince an opportunity will be afforded him to make copies of such maps.

From the Land Department—Stating that the hearing in the matter of the application of the Brooklyn and Rockaway Beach Railread Company for a grant of land under water in Jamaica Hay has been postponed without date. Secretary directed to so notify the Corporation Counsel.

From the Roomingdale Boat Club—Requesting permission to rebuild bout-house font One Hundred and Second street, North river.

On motion, permission was granted to rebuild said boat-house, in so far as the jurisdiction of this Department was the land of the permission.

On monon, permission was granted to reduced said boat-house, as of are as the particular of this Department extends thereat, the work to be done in accordance with plant and specifications to be first submitted to and approved by the Engineer-in-Chief of this Department.

From Doernberg & Goodman—Requesting permission to unload lumber at the pier foot of Eighth street, East river.

On motion, said application was denied, and all permits heretofore granted to use said pier were revoked, the premises being in a dangerous condition.

From the Consolidated Ice Company—Declining to consent to use of the bulkhead Piers, new 24 and 25, North river, for the dumping of snow and ice thereform during the ensuing winter. Secretary directed to so notify the Department of Street Cleaning.

From the Treasurer-

From the Treasurer—

1st, Recommending that the compensation to be charged for the use of the new made land in the vicinity of Franklin street, North river, for the sale of Christmas trees during the coming aeason be fixed at the rate of \$45 for miside plots and \$50 for corner plots, payable in advance to the Dock Master. Recommendation adopted.

2d. Recommending that the claim against George C. Murphy for top wharfage on sand stored on the Pier toot of West One Hundred and Fifty-eighth street be settled for the sum of \$20, and that said Murphy be notified that hereafter the regular rate of wharfage must be paid on all sand left on the pier. Recommendation adopted.

From the Deck Superinterview.

all sand left on the pier. Recommendation adopted.

From the Dock Superintendent—

1st. Report for the week ending October 22, 1898.

2d. In relation to the assignment of piers and bulkbeads for the damping of clear snow and ice during the ensuing winter.

The final and the file of the

persisted upon debt or confirmed, or who as a defaulter, as surery or eitherwise, epon any distinguistion to the Corporation.

The award of the contract will be made as soon as percentile, after the co-man of the hid.

19therry was the repaired to be made from time to time and to such quantities as may be directed by the said Liounnessioners.

Any hidder for this mostract most be known to be ground in and well perpaired for the locaness, and must have attractery to the most of the fact may be made as a sure of the percent of persons in whom the mostract may be made as all the percent of persons in whom the most of may be prevailed will be required to the activity for the performance of the cuttact, for his or third found, we have a most mode of the percent of the performance of the cuttact, for his or third found, who have a more confined a surely and to be been performed to the form of the first and the first and the same of the activity of the form of the first and the first and the first and the same of the same that and the first and the same of the same performs and the first mode without any connection with any other person to be minerally different and without collision or fraint, and that me needed of the Manifelph A sendily, bed of a department, checked a horsest, department, of the Corporation, as directly or independs on the many portion of the praint thereof. The lift or assume that one person which it is a second many portion of the praint the sound to which a restance, or many portion of the praint the sound to which a restance, or many portion of the praint the sound on white, of the party or parties making the estimate, that is a second many to the praint the sound on which a restance of the party or parties making the estimate, that is a second of the praint the sound of the party or parties that the sound of the many of the party of the formers. In which the sound of the party of the barriers of the sound of the soun

the venue arrows be made and antiscribed by all for parties interested.

Each lad or extreme shall be accompanied by the consecut, in writing of two homselvides or or to independ on the City of New York, with their respective place of business or evidence, to the effect that at the entire be awarded to the person making the estimate, they will, on its being so awarded, become bound as far an entire or or is faithful performance; and that it be shall out to refuse to execute the show, they will pay to the Corporation only office one between the sum to which he would be mitted on its manifestor and that which the Corporation may be obliged to pay to the person of pursons to whom the context may be twarded. which the Corporation may be obliged to pay to the person or persons to whom the content may be awarded at any subsequent leviding, the encount in each ase to be calculated upon the estimated amount of the supplies by which the bast are tested. The concent atores, measured shall be accompanied by the oath or affirmation, in withing of each of the persons signing the same, that he is increasingle to the persons signing the same, that he is increasingle to the contract, over and shave affect the completion of this contract, over and shave affect the completion of this contract, over and shave affect the completion of this contract, over and shave affect the completion of this contract, over and shave affect the completion or nearly in good total, and with the mannon to execute the found required by law, if the contract shall be awarded to the person or persons for whom he constant is become surery. The adequary and sufficiency of the security object to be supproved by the Comproduct of the Cuty of New York.

No bid as explorate will be considered unless accompanied by when a remined check coon one of the State or National Backs of The Clay of New York, drawn to the order of the Companier, and the security sequence for the Companier, is under the security sequence for the Limitation of the security sequence for the kinding performance of the contract. Such thesis or morey must win the included at the affect of riers of the Department in has charge of the estimate base, and no estimate has been examined by said officer or the latent of the contract in his charge of the estimate bary and the check or money has been examined by said officer or the

riert and found to be current. All such deposits, escapation of the successful hidder, will be recovered to the persons making the same within three days after the crotract is awarded. If the successful hidder had refuse
is making, within his days strengther that the contract
has been awarded to how, in excente the same, the
amount of the deposit made by him shall be forfered to
and retained by The City of New York as Signidated
domains for such regions or retinal; but if he shall
execute the contract within the time absressed the
smount of his stensit will be returned to him.
Should the person or persons to whom the contract
may be awarded region or refuse to accept the commantifful to be days after written estimated to the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not seekents the contract and give the
proper security, he is they shall be considered as maying
abundance it and as in default to the l'exporation, and
the contract will be readystrised and role as provided
by law.

Designed to the Composition on the Compo-

the contract will be readyerned and Point as previously law.

Paymon will be made by a requisition on the Compresitor, in accordance with the terms of the contract, or from time to thus, as the Commissioners may determine.

The delth of the contract, for using specifications, and showing the manes of boymest, can be obtained at the again of the Inper-most, No. 20 Ein place, throwlyn, and bidder are continued to examine each and all of the secretain carriedly, a the hand of Public Charless will lead upon the absolute enforcement in every part culas.
