VI. Selection (Hiring and Promotion)

Please review Section VI of your FY 2025 Diversity, Equity, Inclusion and EEO Plan and describe your activities for this quarter below:

Please list additional **Selection Strategies and Initiatives** which you set/declared in your FY 2025 Diversity, Equity, Inclusion and EEO Plan (e.g., use of structured interview, EEO or APO representatives observing interviews, review of placements, review of e-hire applicant data).

Please describe the steps that your agency has taken to meet these objectives.

1. Career Counseling: Advising employees of opportunities for promotion and career development; Notification of promotion/transfer opportunities.

Through career counseling and related services, DEP employees were provided skills and resources for career growth and development in a civil service setting. This program also fosters transparency around available positions within the agency to meet future organizational needs.

2. Reviewing the methods by which candidates are selected for appointment, promotion, or to fill vacancies (new hires), especially for mid- and high-level discretionary positions.

DEP continued to review the methods by which candidates were selected for appointment, promotion, or to fill vacancies (new hires), especially for mid- and high-level discretionary positions. A diverse panel—including bureau hiring managers, HR personnel, an EEO liaison, and EEO representatives—conducts structured interviews where each applicant is asked

identical questions and scored to determine the best-qualified candidate for the position. If scores are tied, a second round of interviews is conducted.

3. Describe the role of agency EEO Officer and other EEO staff in the selection of candidates for appointment or promotion (pre- and post-appointment).

DEP's EEO Officer partners with the agency's Human Resources in the hiring/selection process by reviewing applicant resumes and cover letters, ensuring a diverse talent pool, reviewing vacancy announcements, and structured interview questions, and verifying that structured interviews are conducted by a diverse selection panel.

4. Analyzing the impact of layoffs or terminations on racial, gender and age groups.

DEP adheres to the DCAS Layoff Procedure as guidance for any necessary layoffs, terminations, or demotions due to legitimate business or operational reasons. The agency will assess the impact of these actions on racial, ethnic, gender, and age groups, as well as on individuals with disabilities. If a disproportionate impact is found, documentation will confirm that decisions were based on objective criteria and justified by business necessity. Layoff or termination decisions will involve the Agency Personnel Officer, EEO Officer, and General Counsel, and will adhere to seniority requirements per civil service law (for competitive titles) and union agreements (for non-competitive and labor class titles).
