Training for School based Staff on Safety Protocols

Below is a sample of trainings on safety protocols that are provided to school based staff. For the most part, trainings on safety protocols are built into the school's monthly meetings (staff professional development, Building Response Team meetings, Safety Team Meetings) and Task Force meetings that are facilitated by Borough Safety Directors. These meetings are attended by school leadership (i.e. principal and assistant principal) and school based staff (i.e. Dean, Guidance Counselor, Respect for All liaison, Parent coordinator, Building Response Team leader and members, School Safety Agent) and covered various safety protocols and procedures

Торіс	Description	Targeted Audience	Mandatory (Y/N)
	To ensure that all principals are trained to appropriately implement safety protocols and procedures as well as effectively respond		
	to emergencies, DOE provides a mandatory training focused on emergency readiness. Principals are trained in creating School		
	Safety Plans, Building Response Teams (BRT), General Response Protocols (GRP), the establishment of a Command Post, Missing		
	Student Protocols, Responding to Door Alarms, State mandated and NYCDOE drill requirements on the use of two-way radios, use		
	of Internet Protocol Digital Video Surveillance (IPDVS) system and Online Occurrence Reporting. This training is exclusively for		
	principals, and certificates of completion will be valid for two years. After two years, principals are required to participate in a		
Emergency Readiness for Principals	refresher course.	School Principals	Yes
	This training covers the development of the Building Response Team, the individual roles of each team member, review of the		
	General Response Protocols (lockdown, shelter in, evacuate), review of GRP materials available for schools, and when the GRP		
mergency Readiness for	would be used. In addition, this training covers the establishment of a Command Post, Missing Student Protocols, Responding to		
Building Response Teams		Building Response Team members	No
	Training covers emergency readiness and safety protocols to assist schools in maintaining safe and orderly school environments.		
		Assistant Principals, Building	
		Response Team Leaders, Guidance	
		Counselors, Parent Coordinators,	
morgonou Boodiness/Cofety Protocols		Deans, other school - based staff	No
Emergency Readiness/Safety Protocols		Deans, other school - based stall	No
	The Gang Prevention and Intervention Unit offers various trainings for school based staff and parents to provide understanding of		
	gang culture, including hate and cult groups, clues for identifying gang members, current geographic-based data and resource		
	information and to provide support staff with prevention and intervention counseling strategies, techniques and resources related		
	to gangs, hate groups and cults. In addition, workshops are offered for parents to provide them with the tools they need to help		
	their children stay out of gangs/hate groups/cults, avoid victimization, recognize high risk and affiliation behaviors and access		
Gang Prevention and Intervention	resources for assistance.	School - based staff, parents	No
		Principals and school - based staff	
	Training provided to school leadership and staff to provide them with information and resources on internet safety, cyberbullying	(i.e. AP, Dean, Parent Coordinator,	
Cyberbullying Prevention and Digital Citizenship	and how students can be responsible digital citizens.	Teachers), parent groups	No
		Principals and school - based staff
