AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their office, No. 209 Stewart Building, on Wednesday, October 23, 1895, at 3 o'clock P. M.

Present—Commissioners Duane, Tucker, Cannon and Green.

The Committee of Finance and Audit reported their examination and audit of bills contained Vouchers Nos. 10,601 to 10,617, inclusive, amounting to \$1,020.95.

On motion of Commissioner Tucker, the same were approved and ordered certified to the Commissioner Tucker, the same were approved and ordered certified to the

Comptroller for payment. The Construction or Executive Committee recommended the adoption of the following reso-

lutions:

Resolved, That the accompanying bill for taxes due School District No. 10, Town of Yorktown, Westchester County, New York, for the year 1895, amounting to thirty-one dollars and fourteen cents, is hereby approved and ordered certified to the Comptroller for payment.

Resolved, That the accompanying bill for taxes due School District No. 10, Town of Bedford, Westchester County, New York, for the year 1895, amounting to two hundred and forty-two dollars and nine cents, is hereby approved and ordered certified to the Comptroller for payment.

On motion of Commissioner Tucker, the same were adopted.

The Committee presented the following communication received from the Chief Engineer:

NEW YORK, October 22, 1805.

NEW YORK, October 23, 1895. To the Honorable the Committee on Construction :

To the Honorable the Committee on Construction:

Gentlemen—On September 13, 1895, you authorized me to extend to the repairs of roads near Purdy's Station, the contract made with Oscar Miersch, the expense under that head not to be beyond \$500. I have found since that a portion of the north road should also be taken care of, at an expense not exceeding \$200. As Mr. Miersch was going to disband his men, I was authorized by the President to direct him to go ahead with the work on the north road. This work is important, as the transfer of the roads to the town authorities should take place as soon as possible, and the roads should be put in good condition before that time.

This is to ask your approval of my action in the matter.

Yours respectfully,

A. FTELEY, Chief Engineer.

And recommended the adoption of the following resolution:

Resolved, That the action of the Chief Engineer in ordering Oscar Miersch to do certain work required to be done on a portion of a road near Purdy's Station, in addition to the work now being performed by him at that place, at an expense of not to exceed two hundred dollars, as above set forth, be and hereby is approved.

On motion of Commissioner Tucker, the same was adopted.

A communication was received from the Secretary, reporting that the sum of \$27.50 had been transmitted by him to the City Chamberlain, for the credit of the "Additional Water Fund," being proceeds of sale of reports of the Aqueduct Commissioners (1887–1895), and that his receipt therefor was on file.

On motion of Commissioner Cannon, the action of the Secretary was approved.

A communication was also received from the Secretary, reporting that the sum of \$30 had been transmitted by him to the City Chamberlain, for the credit of the "Additional Water Fund," being proceeds of sale to N. D. Shaw of buildings standing on Parcel No. 37, Reservoir "D," and that his receive therefor was on file

proceeds of sale to N. D. Shaw of buildings standing on Parcel No. 37, Reservoir "D," and that his receipt therefor was on file.

On motion of Commissioner Cannon, the action of the Secretary was approved.

A communication was also received from the Secretary, reporting that the sum of \$11,645,12 had been transmitted by him to the City Chamberlain, for the credit of the "Additional Water Fund," being net proceeds of sale of buildings, parts of buildings, sheds, fences, etc., standing within the lines of the land taken by the City of New York for the construction of the Jerome Park Reservoir, near Kingsbridge, in the Twenty-fourth Ward of the City of New York, and that his receipt therefor was on file.

On motion of Commissioner Cannon, the action of the Secretary was approved.

The Secretary gave notice of the filing of liens by James S. Fenton, amounting to \$147.50, and Gilbert Cloonan, amounting to \$76, both against William E. Nolan, contractor.

On motion of Commissioner Tucker, the same were ordered filed.

The Committee presented the following: LAW DEPARTMENT, OFFICE OF THE COUNSEL TO THE CORPORATION, NEW YORK,

Cotober 19, 1895.

Hon. James C. Duane, President, Aqueduct Commission:

Sir—Mr. E. T. Lovatt, as assignee of O'Brien & Clark, has submitted to the Board of Estimate a claim of which I inclose you a copy.

Will you kindly advise me, at your earliest convenience, whether this claim is approved by the Aqueduct Board, and if so whether it is prepared to recommend to the Board of Estimate that the property referred to in the communication should be purchased at the price specified.

I suppose that the Board of Estimate and Apportionment would be without jurisdiction in the matter, excepting under that provision of the Aqueduct Law, which authorizes the acquisition of property by private contract through the concurrent action of the Board of Aqueduct Commissioners and the Board of Estimate and Apportionment, and therefore if it is desirable to carry the arrangement into effect it would probably be necessary for the Aqueduct Commissioners to initiate the proceeding by passing a resolution approving of the purchase.

Yours very truly, FRANCIS M. SCOTT, Counsel to the Corporation.

October 23, 1895.

Hon. Francis M. Scott, Counsel to the Corporation:

Dear Sir—In answer to yours of October 19, I beg to inclose copy of a communication of the Chief Engineer of the Aqueduct Commissioners to the Committee on Construction in view of a letter addressed to the Aqueduct Commissioners by Mr. H. T. Dykman. This communication explains itself, and I do not see any reason why the Aqueduct Commissioners should not approve of it.

The communication of the Chief Engineer, which was dated November 19, 1890, was, on the motion of Commissioner Francis M. Scott, laid on the table.

I doubt that the statement made on the first page of Mr. Lovatt's claim was ever made in the form indicated: To the effect that O'Brien & Clark had been told by the Aqueduct Commissioners that the City would pay them for the whole of the land. I am not informed as to the statements that Mr. Dykman may have made.

The land is now partly covered by the material dumped from Shaft No. 13½, and is of no use to the City, the agents of which had on the contracy directed Messrs. O'Brien & Clark to do such dumping a few hundred feet away on the site of Shaft No. 13, there being a right-of-way between the two shafts.

between the two shafts.

between the two shafts.

Mr. Lovatt's claim is returned herewith.

A copy of the letter of Mr. Dykman on which the Chief Engineer's communication was based, is inclosed herewith.

Yours respectfully,

JAMES C. DUANE, President, Aqueduct Commissioners.

On motion of Commissioner Cannon, the same were ordered spread on the minutes and filed.

The Commissioners then adjourned.

EDWARD L. ALLEN, Secretary.

Adopted by Board of Aldermen, October 29, 1895. Approved by the Mayor, October 30, 1895.

To the Honorable the Common Council of the City of New York:

The petition of St. Luke's Hospital respectfully showeth:

1. That your petitioner is a benevolent corporation of the State of New York, incorporated under the Act of 1848, entitled "An Act for the incorporation of benevolent, charitable, scientific and missionary societies," and the acts amendatory thereof and supplementary thereto, and that it is the owner in fee of certain real estate in the City of New York, bounded on the east by Fifth avenue, on the north by Fifty-fifth street, on the west by a line distant three hundred feet westerly from Fifth avenue and drawn parallel thereto and on the south by Fifty-fourth street.

2. That your petitioner's title to the said premises is derived from the Mayor, Aldermen and Commonalty of the City of New York, as follows:

By deed dated May 10, 1848, and recorded in the Register's Office, May 12, 1848, in Liber 507 of Conveyances, page 1, the Mayor, Aldermen and Commonalty of the City of New York conveyed the plot in question to the Rector, Church Wardens and Vestrymen of the Anglo-American Free Church of St. George the Martyr, in the Diocese of New York. This deed r

that the parties of the first part have heretofore consented to convey to the parties of the second part the premises granted for the purposes and upon the conditions after mentioned; that the Rector, Church Wardens and Vestrymen of Trinity Church, in the City of New York, in consideration of the said grant, have by their indenture of even date, released and quit-claimed to the parties of the first part all their right, title and interest in law and equity, in and to the block of land bounded by Washington, West, Duane and Reade streets, in the City of New York, and thereupon in consideration of the premises and of one dollar gives, grants, aliens, releases and confirms the said parcel of land, describing it as part of the block known and distinguished as Block No. 73 of the common lands, and as being bounded "easterly by the Fifth avenue, southwardly by Fifty-third street, northwardly by Fifty-fourth street and westwardly by a line drawn three hundred feet west of Fifth avenue and parallel thereto." The habendum in fee "for the uses and purposes hereinafter provided, to wit: provided always and these presents are upon this express condition, that the said parties of the second part, their successors and assigns, shall and do, within three years from the date hereof, erect upon the said ground so conveyed to them a suitable building or buildings for a hospital and chapel for the accommodation of British emigrants; the plan of said buildings to be approved by the Mayor of the said city; and that the said parties of the second part, their successors and assigns, shall and do forever hereafter use and apply the premises hereby granted for the purpose of the hospital and chapel. In default or failure of which conditions, or either of them, or in case the land hereby granted shall cease to be used as and for the purposes of the said hospital and chapel for the accommodation of British emigrants, this present conveyance and every matter and clause herein contained shall be null and void; and the said parties of the f

herein contained to the contrary in anywise notwithstanding."

The description in this deed incorrectly describes part of the block No. 73 of the common lands thereby conveyed as bounded southwardly by Fifty-third street instead of Fifty-fourth street, and northwardly by Fifty-fourth street instead of Fifty-fifth street. By resolution of the Board of Aldermen passed May 12, 1851, concurred in by the Board of Assistant Aldermen May 19, 1851, and approved by the Mayor May 20, 1851, the Corporation Counsel was directed to prepare the necessary papers to correct these errors, and a deed was executed by the City, dated and proved March 16, 1852, and recorded in the Register's Office March 8, 1853, in Liber 631 of Conveyances, page 56, and also recorded in the Comptroller's Office in Book A of Deeds, page 369, again conveying the said part of lot No. 73 of the common lands to the Rector, Church Wardens and Vestrymen of the Anglo-American Free Church of Saint George the Martyr by a correct description, upon all the "provisoes, conditions, acts, performance and stipulations on their part," contained in the former deed. By the same resolution, approved May 20, 1851, the time fixed by the Common Council to enable the Anglo-American Free Church of St. George the Martyr to build its hospital and chapel was extended for two additional years, from May 1, 1851.

In or about the month of August, 1851, the said Church of St. George the Martyr presented to the Common Council of the City of New York a petition dated August 1, 1851, stating that the incorporation of St. Luke's Hospital, your said petitioner, had made proposals to the said church by which its object would be to a great extent secured. That the said church was desirous of having the said parcel of land transferred to your petitioner, and that the corporation of Trinity Church consented to and approved of such transfer and praying that the parcel of land "so agreed to be transferred" to it might be "conveyed and granted to" your petitioner. This application was referred to the Committee on the Law Department of the Board of Aldermen, which reported that, as St. Luke's Hospital was to be open to the indigent poor of all nations, the prayer of the petition should be granted, and that "it should to some extent be under the supervision of the City authorities, which may be done by making the Mayor and the Presidents of the two Boards of the Common Council ex officio members of the Board of Trustees or Managers of said Hospital, and that said buildings should be erected within a certain specific period." The action of the Board of Aldermen was concurred in by the Board of Assistants, and the application resulted in the passage by the Common Council of the following resolutions:

"Resolved, That the piece, parcel or plot of ground situated on the Fifth avenue, between

age by the Common Council of the following resolutions:

"Resolved, That the piece, parcel or plot of ground situated on the Fifth avenue, between Fifty-fourth and Fifty-fifth streets, and heretofore agreed to be granted to the Rector, Wardens and Vestrymen of the Church of St. George the Martyr, be transferred to the incorporation of St. Luke's Hospital, on their procuring the assent thereto in writing of the Rector, Church Wardens and Vestrymen of Trinity Church, in the City of New York, under their seal, and depositing the same with the Comptroller of the City of New York, and executing to the Mayor, Aldermen and Commonalty of the City of New York an instrument covenanting that such building shall be erected and completed within two years from the passage of these resolutions, in default of which said lands shall revert to the City, and will constitute and appoint the Mayor and the Presidents of the two Boards of the Common Council ex officio, for the time being, members of the Board of Trustees and Managers of the said Hospital.

and Managers of the said Hospital.

"Resolved, That the Comptroller be charged with carrying into effect these resolutions."

These resolutions were passed by the Board of Assistant Aldermen on November 17 and by the Board of Aldermen November 18, and were approved by the Mayor November 20, 1851.

Thereupon the Mayor, Aldermen and Commonalty made a deed to your petitioner, reciting the said resolution, that the terms and conditions mentioned therein had been fully complied with, and in consideration of the premises and of one dollar, granting, bargaining, selling, aliening, remising, releasing, conveying and confirming the said plot of land, properly describing it, "to have and to hold all and singular the above-mentioned and described premises, together with the appurtenances, unto the said parties of the second part" (your petitioner) "their successors and assigns forever, upon condition that the terms and stipulations in said resolution contained are forever hereafter fully complied with by said parties of the second part."

3. That your petitioner desires to sell the said plot of land in order to pay for the erection and completion of new hospital buildings upon the property which it has bought between Morningside avenue, Amsterdam avenue, One Hundred and Thirteenth street and One Hundred and Fourteenth street, in the City of New York, and that it has entered into contracts for the sale of certain parcels of the said plot of land, but that some question has arisen as to its right to convey the same for other than the said plot of land, but that some question has arisen as to its right to convey the same for other than the said plot of land, but that some question has arisen as to its right to convey the same for other than hospital uses on the ground that the deed last above mentioned, although it contains words of release, does not specifically release the plot in question from the conditions and covenants imposed by the first deed by the Corporation to the Rector, Church Wardens and Vestrymen of the Anglo-American Free Church of St. George the Martyr, in the Diocese of New York. Your petitioner is advised that this objection is not well taken; that the deed from the City to your petitioner operated as a release of the said conditions and covenants and that the title of your petitioner to the property in question is made perfect by adverse possession. Your petitioner, however, is desirous of avoiding the expense and delay of a law suit to determine these questions.

4. The removal of your petitioner from its present site will be of great advantage to the City

for the following reasons:

(a) Your petitioner's present hospital is antiquated and inadequate for its needs and your petitioner finds it impossible to carry on its great and beneficent work without much greater facilities, which it will be unable to acquire unless it can sell its present site, the price of which is necessary to meet the heavy disbursements incidental to removal and the completion of suitable buildings at Morningside, which are now in course of erection.

(b) As long as it remains the property of your petitioner the plot in question is exempt from taxation. Its sale, therefore, will increase the taxable valuation of the real estate of the City by upwards of two million dollars. This will be an absolute gain to the City, for the property at Morningside, having been purchased by your petitioner in 1892, is already exempt from taxation by virtue of the provisions of subdivision 8 of section 824 of chapter 410 of the Laws of 1882, commonly called the Consolidation Act.

It is further submitted that your petitioner, on account of its many free beds and great charitable work, is deserving of the assistance of the Corporation. Moreover, although the land in question cease to be actually used for hospital purposes, the proceeds thereof will be devoted to such uses, and the sale of the Fifty-fourth street site and purchase of the Morningside site is to all intents and purposes not so much a disposal of the plot in question as its removal from a part of the city which is becoming so crowded and where land is in so great demand that it would be impossible for your petitioner to obtain the room necessary for its increased needs to a part of the city much better adapted to its work, and where it has already acquired a site which is eminently suitable.

Wherefore, Your petitioner prays that the Common Council pass a resolution directing the City authorities to execute to your petitioner a release and quit-claim of the plot in question, in a form to be approved by the Counsel to the Corporation, releasing the said plot from the conditions and covenants imposed by the first deed thereof to the Rector, Church Wardens and Vestrymen of the Anglo-American Free Church of St. George the Martyr, in the Diocese of New York, and referred to and renewed in the second deed to the same parties.

Dated New York, October 8, 1895.
ST. LUKE'S HOSPITAL, by Geo. Macculloch Miller, President.

J. P. Morgan, Jr., Secretary.

Whereas, A certain piece and parcel of land situated on Fifth avenue, between Fifty-fourth and Fifty-fifth streets, being part of the block known and distinguished as Block Number Seventy-three (73) of the Common Lands, was heretofore granted by the Mayor, Aldermen and Commonalty of the City of New York, by deed dated May 10, 1848, and recorded in the Register's office May 12, 1848, Liber 507 of Conveyances, page 1, wherein and whereby the said property was conveyed to the Rector, Church Wardens and Vestrymen of the Anglo-American Free Church of St. George the Martyr, in the Diocese of New York, upon certain conditions therein set forth, and subsequently thereto a further deed was executed by the City, dated and proved March 16, 1852, and recorded in the Register's office March 8, 1853, in Liber 631 of Conveyances, at page 56, correcting a misdescription in the former deed, and again conveying the said part of Lot Number Seventy-three of
