The amount payable on the estimate is \$2,847.74. Also an estimate on Janitor's cottage included in the contract of Mahony Brothers, the payment for which is \$1,158.75.

Which was carried by the following vote:

Affirmative—Commissioners Ryan, Ten Eyck, Power and Windolph—4.

Engineer's Report No. 6, explaining the accompanying bill of L. A. Shove, of Brewster, N. Y., for work done for the Aqueduct Commissioners from January 6, 1897, to March 5, 1898, was laid before the Board, and, upon motion of Commissioner Ten Eyck, the matter was referred to the Secretary with instructions to prepare a voucher for the same.

Commissioner Ten Eyck moved that checks drawn by Peter F. Meyer & Co., representing the sale of certain buildings on lands owned by the Aqueduct Commissioners on the Croton River Division of the New Aqueduct, and made payable to the Aqueduct Commissioners, should be signed by the President and Secretary, and turned over to the City Chamberlain.

The matter of the application of Coleman, Ryan & Brown, contractors for the construction of the New Croton Dam, for the consent of the Commissioners to the assignment of the contract for said work to Coleman, Breuchaud & Coleman, was taken up and the following communication from the Corporation Counsel was read:

LAW DEPARTMENT,  
OFFICE OF THE CORPORATION COUNSEL,  
NEW YORK, July 19, 1898.

Aqueduct Commissioners:

SIRS—I am in receipt of a communication from your Secretary under date of July 14, 1898, transmitting a resolution adopted by the Board to the effect that the transfer or assignment asked for by Messrs. Coleman, Ryan & Brown, contractors, for the construction of the New Croton Dam be agreed to, and that the above resolution, together with the several assignments and all other papers in the matter be transmitted to the Corporation Counsel with a request for his opinion as to their sufficiency.

A copy of the resolution, together with the other papers are herewith inclosed.

Section I on page 35 of the contract for the construction of the New Croton Dam at Cornell Site on Croton river, so far as the same relates to the question of assignment is as follows:

"I. And the said party of the second part hereby further agrees to give his personal attention constantly to the faithful prosecution of the work, and that he will not assign or sublet the work, or any part thereof, without the previous written consent of the Aqueduct Commissioners indorsed on this agreement, but will keep the same under his personal control, and will not assign, by power of attorney or otherwise, any of the moneys payable under this agreement, unless by and with the like consent of said Commissioners to be signified in like manner; that no right under this contract, nor any moneys due or to become due hereunder, shall be asserted against the Aqueduct Commissioners, or any person acting under them, or The Mayor, Aldermen and Commonalty of The City of New York, or any department, officer or officers thereof, by reason of any of the so-called assignments, in law or equity, of this contract or any part thereof, unless such assignment shall have been authorized by the written consent of said Aqueduct Commissioners indorsed on this agreement."

By the provisions of said section the Aqueduct Commissioners are authorized to consent to any assignments either of the contract or of the retained percentages as specified in said section.

By the various assignments transmitted in said communication the interests of the various parties to the retained percentages prior to July 1, 1897, and prior to March 1, 1898, and subsequent to March 1, 1898, and the interests in the said contract were vested, as stated in the copy of the resolution inclosed in said communication.

I am of the opinion that the several assignments in question are sufficient to vest the various interests in the parties to whom the same were delivered.

I herewith return the papers transmitted to me.

Respectfully yours,

CHAS. BLANDY, Acting Corporation Counsel.

Commissioner Ten Eyck thereupon offered the following:

Whereas, The Aqueduct Commissioners have been informed by James S. Coleman that the contract for the construction of the New Croton Dam at Cornell site, on Croton river, made and entered into by him with The Mayor, Aldermen and Commonalty of The City of New York, dated August 31, 1892, which, on or about January 1, 1895, by the consent of this Board, became the property of the firm of Coleman, Ryan & Brown (and which, by transfers, is now owned as follows: One-third thereof by said James S. Coleman have formed a co-partnership under the firm name of Coleman, Breuchaud & Coleman to complete the said contract, which firm is to be entitled to all of the moneys due and to become due under said contract from and after the first day of March, 1898; and

Whereas, The Aqueduct Commissioners are content to consent to the said assignments and transfers by which said contract is vested in the said firm of Coleman, Breuchaud & Coleman;

Resolved, That the Aqueduct Commissioners do hereby assent and consent to the assignments and transfers of the aforesaid contract and the present vesting of the ownership of said contract, whereby the ownership of said contract and rights is now vested in James S. Coleman, Jules Breuchaud and Bernard F. Coleman, constituting the firm of Coleman, Breuchaud & Coleman, one-third of the percentages retained by the City from August 31, 1892, to March 1, 1898, being owned by James S. Coleman; one-third of said retained percentages from August 31, 1892, to July 1, 1897, being owned by Cornelius J. The roll was called, with the following result:

Present—Thomas J. Brady, Commissioner of Buildings for the Boroughs of Manhattan and The Bronx, in the chair, and Messrs. Bonner, Dobbs, Conover, Moore, Fryer and O'Reilly.  
Absent—Messrs. Post and McMillan.

The minutes of July 19, 1898, were read and, on motion, approved.

Petitions were then submitted for approval, as follows:

Plan 444, New Buildings, 1898—Petition to allow the construction of an entrance through building No. 113 Boulevard, entrance to be constructed thoroughly fireproof, side walls to be built of brick and floor and ceiling to be constructed of steel I beams; also to allow the connection of east side court with foyer; also to allow the construction of concrete arches instead of hollow brick, all as shown on drawings and as stated in petition; Nos. 119 to 125 West Sixty-fifth street and No. 113 Boulevard. Petitioners, Werner & Windolph. Reconsidered and laid over to next meeting.

Plan 557, New Buildings, 1898—Petition to allow the erection of a coal-hoisting apparatus constructed of yellow pine timber, bolted together with 1-inch bolts, and boiler room to be inclosed and covered with iron, as shown on plan and as stated in petition; east side East End avenue, from Eighty-first to Eighty-second streets. Petitioner, Edward Wenz. Approved, on recommendation of Messrs. Bonner and O'Reilly.

of the rent first accruing under the lease when executed,  
or will be forfeited to the Department if the purchaser  
refuses or neglects to execute the lease with good and  
sufficient security, to be approved by the Board of Docks,  
within ten days after being notified that the lease is

bond or obligation jointly and severally with the

faithful performance of all the covenants and conditions  
of the lease.

The lease will contain the usual covenants and condi-

bridges and other fixtures of the landing places, and in  
the event of any damage to the bulkheads or piers from  
collision by the ferry-boats or otherwise, from any acci-  
dent or negligence on their part, they will immediately  
repair and restore said wharf property to its previous  
conditions, free of cost to The City of New York; that if  
at any time during the term of the lease the Board of  
Docks shall require any of the wharf property used for  
ferry purposes in order to proceed with the water-front  
improvements in the vicinity of the ferry landings, the  
said lessees shall surrender and vacate the premises,  
without any claim upon the City for any damages what-  
ever, upon written notice being given to the lessees three  
months in advance of the intention of said Board;  
that such notice shall specify by the general terms of  
description or by reference to the plans and specifications  
of the proposed work of improvement the character of the  
alterations and improvements to be made in regard to  
said water-front, affecting the property and rights hereby  
authorized to be demised, and upon receiving such notice  
the lessees may elect to terminate the lease of said  
ferry privileges or franchises by serving notice  
of such election upon the Board of Docks within  
one month after receiving the notice from the Board

of Docks of its intention to improve the water-  
front in the vicinity of the ferry landings; also, that in

The quality of the Hospital Supplies must conform in every respect to the specifications and samples, and bidders are cautioned to examine both specifications and samples of the articles required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners, or be provided for by the specifications.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Bookkeeper and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

No empty packages are to be returned to bidders or contractors except such as are designated in the specifications.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Engineers' Supplies," with his or their name or names and address, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, or his duly authorized agent, and read.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1892.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. (No deposit or bonds required on bids under One Thousand Dollars.) Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates. Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

All bids must be based upon the descriptions furnished or samples exhibited by this Department, and not on samples furnished by the bidder.

Samples will be on exhibition at the office of Supervising Engineer, foot of East Twenty-sixth street, during office hours, until the bids are opened.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Supervising Engineer, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Dry Goods, etc., etc." with his or their name or names and the date of presentation to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, or his duly authorized agent, and read.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation and the contract will be readvertised and relet, as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates, and are cautioned against referring to any samples or specifications other than those furnished by the Department. Such reference as a cause for rejecting bids whereon they are written, and will in no case govern the action of the Department officers in passing upon tenders.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Each article when delivered shall have a tag attached bearing line number.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

JOHN W. KELLER, President,  
 ADOLPH SMILG, Jr., Commissioner,  
 JAMES FEENEY, Commissioner,  
 Department of Public Charities.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

The Board of Police reserves the right to reject all the bids received if deemed for the best interest of the City so to do, and to readvertise until satisfactory bids or proposals shall be received.
