“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general

service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

SCHOOL-BASED MENTAL HEALTH PREVENTION AND INTERVENTION PROGRAM FOR HIGH NEED SCHOOLS
- Request for Proposals - PIN#R1181040 - Due 4-7-17 at 1:00 P.M.

The New York City Department of Education (DOE) on behalf of the Office of School Health (OSH) intends to conduct an Expedited Competitive Solicitation (ECS) seeking proposals from qualified organizations to provide school-based mental health prevention, treatment and crisis intervention services and related supplemental services to students in 49 High Need Schools and their families.

The DOE's Office of School Health (OSH) has a history of working in partnership with the New York City Department of Health and Mental Hygiene (DOHMH) to offer innovative interventions for New York City High Need Schools (HNS). One such program is the School Mental Health Prevention and Intervention Program (SMHPIP), which works with school leaders to support the implementation and expansion of mental health services provided to all students at HNS using a multiple-service approach to improve both school climate and the services to students with emotional, behavioral, and mental health needs. These implementations and expansions will build on OSH's partnership with clinics, hospitals, educational institutions, and/or Community-Based Organizations to provide teachers with more options, increase student access to mental health services, and include greater family engagement through community referrals, family therapy, parent workshops, and trainings. The goal of this program is to increase opportunities for children with emotional and behavioral difficulties and their families to receive high-quality mental health services in the school setting.

The SMHPIP's multiple-service model consists of Selective, Targeted, and Universal Interventions to school-age children (ages 5-18) and their families, that include, but are not limited to: identification of students who have emotional and behavioral difficulties; improving access to clinical services and appropriate treatment on-site or in the community; offer training and consultation to school personnel in order to help them effectively manage complex behavior problems; promote and support the social and emotional needs of all students; effective use of Pupil Personnel Team Integration or other referral meetings with key stakeholders; participation in the development and implementation of a school crisis intervention plan; linkages to community resources; and completion of monthly data reports required by OSH.

This ECS may result in requirements contract agreements with multiple vendors that meet the needs, specifications, and requirements of the ECS. The awarded contracts will be for a base term of two (2) years. It is anticipated that services will commence on or about September 2017. Detailed service descriptions and requirements are provided in the ECS solicitation.

PROPOSALS MUST BE RECEIVED BY NO LATER THAN 1:00 P.M. EST, April 7, 2017. To download the solicitation, go to <https://vendorportal.nycenet.edu/vendorportal/login.aspx>. The DOE's mission is to provide equal access to procurement opportunities for all qualified vendors, including MWBEs, from all segments of the community. The DOE works to enhance the

Construction/Construction Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION (“DPR” AND/OR “PARKS”) PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS

DPR is seeking to evaluate and pre-qualify a list of general contractors (a “PQL”) exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract (“General Construction”).

By establishing contractor’s qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business Enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

*Firms that are in the process of becoming a New York City-Certified M/WBE, may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.
