BOARD OF CITY RECORD.

MAYOR'S OFFICE—CITY HALL, New York, Thursday, September 17, 1896, 11 A.M.
The Hons, William L. Strong, Mayor, William L. Turner, Acting Counsel to the Corporation, and General C. H. T. Collis, Commissioner of Public Works, the officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meetings of July 29 and August 11 were read and approved.
The following was presented:

To the Honorable the Mayor, Counsel to the Corporation and Commissioner of Public Works, composing the Board of City Record:

Gentlemen—Immediately after the appointment, in March, 1895, of the undersigned as Supervisor of the City Record, an examination of the financial condition of the Department was made by the Commissioners of Accounts. The report of the said Commissioners bears date March 30, 1895, and it stated that if the arrearages and obligations were met there would be, of the \$200,000 appropriated for printing, stationery and blank books, but \$4,000 left available for the remaining nine months of the year. This sum would have been altogether inadequate. Consequently sufficient funds were kept in reserve to pay for filling the requisitions for needed supplies, and gradually the bills in arrears were met as far as possible.

I was able to arrange so that \$29,000 of the charges incurred but not paid by the former administration were liquidated, and at the same time to fill proper demands made upon the Department during the year 1895.

The appropriation for 1806 was divided as follows:

ment during the year 1895.

The appropriation for 1896 was divided as follows: Printing, stationery and blank books. \$200,000 oo Publication of the CITY RECORD, including the preparation and printing of the registry of voters.

CITY RECORD—Salaries and Contingencies. 67,000 00

The appropriation for printing, stationery and blank books was the same as in 1895. The appropriation for the CITY RECORD was reduced \$5,000, and that for contingencies was increased \$1,000 over the previous year to provide for a Secretary and Stenographer.

Soon after I began the examination of the bills in arrears I found that other charges for which statements had not been rendered were outstanding. After considerable effort, I secured bills for all unsettled claims and found, to my surprise, that up to January I, 1896, these unpaid arrearages aggregated upward of \$90,000 exclusive of the \$29,000 paid in 1895. These bills are being examined and paid as fast as practicable and consistent with the condition of and probable demands upon the funds of the Department. At the close of 1896 the office will probably be able to show that it has met all demands for work done and supplies furnished during the past two

years, and that it has wiped out \$80,000 of inherited debt. This has been rendered possible by the fact that the annual contracts, which cover the largest portion of the expenditures of the Department, were let this year at a great reduction from the aggregate of the preceding year, mainly, as I judge, from the fact that the competition was free and open, for the quantities of books, blanks and articles of stationery called for this year were considerably in excess of the quantities called for in 1805. called for in 1895.

I give the comparative statement :

	1895.	1896.
Prioting and lithographing	\$32,830 00	\$23,047 06
Books,,,,,	40,068 71	21,476 26
CITY RECORD	72,000 00	47,000 00 (estimated).
Stationery	34,415 45	18,138 61

In addition to the contracts for 1896, some of the supplies for the Department of Public Works and the County Clerk were procured by direct order to the approximate amount of \$1,000. The contract for printing the CITY RECORD runs to the end of 1896, and the aggregate for its publication is estimated at \$47,000. The other contracts have been substantially filled at the

publication is estimated at \$47,000. The other contracts have been substantially filled at the figures given.

The Legislature, during its session of 1897, may add to the demands upon the City Record Department by annexation legislation, by the creation of new departments, bureaux or courts, or by putting additional work upon existing departments. No estimate can be made for these contingencies. During 1896 two new District Courts were created by the Legislature, and several other changes made in the laws, especially those relating to the County Clerk and to the Department of Public Health, which added to the expenses for printing, stationery and blank books.

With the present prevailing conditions, and no heavy extra demands, I believe that all expenses for the items of printing, stationery and blank books for 1897, as well as the balance of arrearages, can be met by an appropriation of \$195,000.

The contract for printing the CITY RECORD was made in 1896 on different lines from those prevailing heretofore. It has proved much more favorable to the City than contracts made in any former years. I estimate that the CITY RECORD can be published in 1897, if no unusually great demands be made upon its columns, for \$47,000, which is \$25,000 less than the sum provided in the estimate of 1895, and \$20,000 below the amount appropriated for 1896.

For salaries and contingencies, I suggest an additional amount of \$300 to meet the cost of the telephone which has been put in the office, and the use of which has facilitated the transaction of business, and for messenger and other service.

I therefore submit the following as the estimate of the sums that will be required for this

I therefore submit the following as the estimate of the sums that will be required for this Department during the year 1897:
Publication of the CITY RECORD, including the preparation and printing of the Registry of Voters, and any arrearages.

For all printing, stationery and blank books needed by the Common Council and the Department and certain Courts, and including the cost of publishing the Calendars of Courts, and for any arrearages.

I sincerely desire to follow the suggestion of the Mayor and reduce expenditures to the most economical basis consistent with proper public service, and I regret that the accumulation of habilities, contracted before any of the present members of the Board of City Record assumed office, prevents a greater reduction in the estimates than the \$24,700 hereby recommended.

JOHN A. SLEICHER, Supervisor of City Record.

On motion of the Commissioner of Public Works the following was unantmously adopted:
Resolved, That the departmental estimates of the amount required to pay the expenses of
the Department of the CITY RECORD for the year 1897, as submitted by the Secretary of this
Board, and approved by this Board, be forwarded to the Board of Estimate and Apportionment,

The resignation of Daniel A. Bruner, bookbinder, was received and accepted, and, on motion of the Commissioner of Public Works and by the concurrent vote of all present, the Supervisor of the City Record was directed to appoint William H. Levit, of No. 29 State street, City, to fill the vacancy, the appointment to take effect on Monday, September 21, and to be considered a reinstatement and to be made only with the approval of the City Civil Service Boards. The compensation of Mr. Levitt was fixed at the rate of \$3.50 per diem.

A request from Alderman Goodman for an exchange of unbound copies for a bound copy of the City Record was granted on motion of the Commissioner of Public Works.

Record for "Printing, Stationery and Blank Books" for 1896.

A communication from Jo-eph Fehr, James Shannessy and John McMahon, bookbinders, asking for an increase of pay at the rate of \$100 per month, was received, and, on motion of the Commissioner of Public Works, consideration of the same was postponed.

The Secretary of the Board submitted a resolution of the Common Council adopted June 30, requesting the Board of City Record to offer to the Greater New York Commission the columns of the CITY RECORD in which to publish regularly the minutes of the meetings as they are held from time to time; also a resolution by the same, adopted August 4, requesting the Board of City Record to grant to the General Committee, representing the legislative bodies of territory composing the future Greater New York, sufficient space in the CITY RECORD for the publication of the minutes of the said General Committee.

On motion of the Acting Counsel to the Corporation, the matter was referred to the Mayor.

A request from the President of the Fire Department for confirmation of the action of the Board of Fire Commissioners in advertising in the "Herald," "Advance," "Union," "Suburban" and "Morning Advertiser," for proposals to rent a suitable house for an engine company in the former Village of Westchester, was, on motion of the Acting Counsel to the Corporation, granted by the concurrent vote of all present.

A letter from John Cassidy, blank-book manufacturer, accompanied by affidavits, was presented to refute the charge made to the Board of City Record that his shop was a non-union establishment. It was ordered filed.

On motion of the Commissioner of Public Works, the following was adopted by the concurrent vote of all present.
