Yours respectfully, R. A. C. SMITH, Commissioner of Docks.

This agreement, made the ninth day of December, in the year one thousand nine hundred and thirteen, by and between James McClenahan, of Port Chester, Westchester County, New York, party of the first part, and Robert A. Beginning at a point on the northerly side of West 209th street, distant one hundred and seventy-five (175) feet easterly from the corner formed by the intersection of the northerly side of West 209th street with the easterly side of Ninth avenue; thence running northerly parallel with Ninth avenue ninety-nine (99) feet eleven (11) inches; thence easterly parallel with West 209th street seventy-five (75) feet; thence northerly parallel with Ninth avenue ninety-nine (99) feet eleven (11) inches to the southerly side of West 210th street; thence easterly along the southerly side of 210th street one hundred and fifty (150) feet, more or less, to the Harlem River; thence southerly, thence northerly and thence westerly along the said Harlem River as the same winds and turns to said West 209th street; thence westerly along West 209th street forty (40) feet to the point of beginning.

Together with all riparian rights, if any, appurtenant thereto; and

Whereas The City of New York is the owner of the land under water in front of and adjoining the premises above described;

Now, therefore, in consideration of the premises, the mutual covenants hereinafter set forth and of the sum of one dollar, lawful money of the United States, by each to the other paid, receipt whereof is hereby acknowledged, it is mutually covenanted and agreed by and between the parties hereto:

One-half of the contract price of such dredging or removal shall be borne by The City of New York and one-half of the said contract price shall be paid by the said party of the first part to the said party of the second part within thirty (30) days after the completion of the work.

January 16, 1914.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—I am in receipt of a communication to the Commissioners of the Sinking Fund from the Commissioner of Docks, transmitting for approval an agreement executed between James McClenahan and the Commissioner of Docks, fixing, determining upon and establishing by agreement with the upland owner the line of high water in front of the property of said upland owner, situated between West 209th street and West 210th street, in the Borough of Manhattan, City of New York.

Under the terms of this agreement, McClenahan agrees to convey to The City of New York all his right, title and interest in that portion of the premises owned by him lying easterly of the line of high water mark, as shown on the map attached to the agreement, between West 209th and West 210th streets, Borough of Manhattan, together with all riparian and other rights appurtenant thereto, in exchange for a release from the City of its right, title and interest in and to that portion of the land under water lying westerly of the above mentioned high water mark.

The Commissioner of Docks agrees to issue a permit to McClenahan for the construction of a bulkhead along the line of high water as fixed, to be constructed in accordance with plans and specifications to be approved by the Department of Docks and Ferries, and at McClenahan's expense. The agreement further provides that the City, acting by the Commissioner of Docks, will, at its own expense, proceed to construct a pier, dock or wharf, at the foot of West 209th street, as outlined upon the map attached to the agreement, and will with all reasonable diligence dredge the land and land under water from the high water mark as established, easterly to the bulkhead or pierhead line heretofore established by the Secretary of War, so as to produce a water depth of at least fifteen (15) feet at low water over the entire area between West 209th and West 210th streets. One-half of the contract price of such dredging shall be borne by The City of New York and one-half of the contract price shall be paid by James McClenahan within thirty days after the completion of the work.

It is also provided in the agreement that after the construction of the bulkhead by James McClenahan, running from the northerly side of West 209th street to the southerly side of West 210th street, provided for on the map attached to the agreement, and after the creation of the basin by The City of New York and therein described, James McClenahan shall have at all times a reasonable right of ingress and egress through said basin and to the bulkhead to be constructed by him or his successors in interest.

I therefore respectfully recommend that the Commissioners of the Sinking Fund approve the agreement between the Commissioner of Docks and James McClenahan, fixing, determining upon and establishing with him as upland owner, the line of high water in front of the property owned by him as described in said agreement, and that they adopt a further resolution fixing the above line as the boundary line between the property owned by him and the property belonging to The City of New York, and that the Corporation Counsel be requested to prepare the necessary papers whereby The City of New York, in consideration of the sum of $101, and the additional charge of $12.50 for the preparation of the necessary papers, releases to James McClenahan its right, title and interest in and to that portion of the land under water lying westerly of the line of high water mark as fixed, determined upon and established in said agreement, and a conveyance whereby James McClenahan releases to The City of New York all his right, title and interest in and to land and land under water in that portion of the premises owned by him lying easterly of the said line of high water, as shown on the map attached to the above mentioned agreement, between West 209th street and West 210th street, Borough of Manhattan, together with all riparian and other rights appurtenant thereto.

The Comptroller in a communication to your Board under date of January 24, 1913, recommended a lease of these premises for a period of one year from April 1, 1913, at a rental of $354 a year, the same as now asked, and said report was approved and lease authorized at a meeting of your Board held January 29, 1913.

Deeming the rent reasonable and just and it being the same as heretofore paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store and cellar premises at No. 239 Graham avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from April 1, 1914, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of $354 a year, payable quarterly, the lessor to pay taxes and water rates, furnish heat and light and make outside repairs, and to permit the lessee to make such slight interior repairs and alterations as it may deem necessary, the lessee to furnish janitor service and to make such interior alterations and repairs as it may deem necessary. Lessor, A. F. Degutz, 243 Graham avenue, Borough of Brooklyn.

Respectfully, ALEX BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the store and cellar in premises at No. 239 Graham avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from April 1, 1914, with the privilege of renewal for an additional year upon the same terms and conditions, at a rental of three hundred and fifty-four dollars ($354) a year, payable quarterly; the lessor to pay taxes and water rates, furnish heat and light and make outside repairs, and to permit the lessee to make such slight interior repairs and alterations as it may deem necessary; the lessee to furnish janitor service and to make such interior alterations and repairs as it may deem necessary; lessor, A. F. Degutz; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a lease to the City, of premises No. 145 Lawrence street, Borough of Brooklyn, for use of the Department of Health:

March 10, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication from the Secretary of the Board of Health, stating that on January 27, 1914, the Board of Health adopted a resolution requesting the Commissioners of the Sinking Fund to authorize a lease from James E. Mullarky and Mary A. Mullarky, of premises No. 145 Lawrence street, Borough of Brooklyn, for use of the Department of Health as a children's clinic, for a period of five years from May 1, 1914, at an annual rental of $1,200, payable quarterly.

These premises are to take the place of the clinic now located at No. 124 Lawrence street, which is to be abandoned on May 1, because of its inadaptability for the purposes of a children's clinic.

The premises proposed to be leased consist of a brick building three and one-half stories and basement with cellar. The lot is about 20 feet 8 inches by 107 feet 6 inches, and building is 20 feet 8 inches by 55 feet. The owner originally asked $1,200 per annum for this building, but after negotiating with the Division of Real Estate of this Department, he agreed to rent it for $1,100 a year, providing that the City would pay for heat, light and janitor service.

The assessed valuation of these premises are: Land, $6,200; building, $4,300; total, $10,500.

The appraised value as fixed by the Division of Real Estate of this Department for the entire property is $12,500. The rent, therefore, is at the rate of 8 per cent. of the appraised value.

I therefore respectfully recommend, the rent being reasonable and just, that the Commissioners of the Sinking Fund authorize a lease of the premises No. 145 Lawrence street, Borough of Brooklyn, for use of the Department of Health, for a period of five years from May 1, 1914, at an annual rental of $1,100, payable quarterly; the owner to remove front cross partitions and partitions forming closets between the large front and rear rooms on third floor, to increase the length of front room; arrange rear hall room on third floor with toilet, bath and wash basin; hang door to front of sink closet in hall on third floor; cut window from toilet room to bathrom on second floor; window to be provided with movable sash; set and connect wash basin (to be furnished by the Department of Health) in large room, second floor; set and connect wash basin (to be furnished by the Department of Health) in closet in rear of large front room, second floor; remove existing toilet from inner room in basement; cause general repairs to be made to furnace in cellar and kitchen range in basement, and cause all minor repairs to be made to plumbing fixtures; provide suitable and sufficient gas fixtures, together with additional outlets for hall lighting, at mantle in large rear room on second floor for sterilizer, and at chimney in kitchen in basement for hot plate. The cellar stairs to be raised to proper position and to be repaired. Remove all wall paper from all walls and ceilings throughout the premises, and paint all walls and ceilings and woodwork throughout with white paint; replace all broken window glass; make such roof repairs, outside repairs and painting to the demised premises as shall be required during the term of the lease, and pay taxes and water rates; the City to pay for light, heat and janitor service, and make such interior alterations and repairs as it may deem necessary during the term of the lease. Lessor, James E. Mullarky and Mary A. Mullarky (J. H. Mullarky, No. 40 7th avenue, Brooklyn, Agent).

Respectfully, ALEX BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from James E. Mullarky and Mary A. Mullarky, of the premises No. 145 Lawrence street, Borough of Brooklyn, for use of the Department of Health, for a period of five years from May 1, 1914, at an annual rental of eleven hundred dollars ($1,100) payable quarterly; the owner to remove front cross partitions and partitions forming closets between the large front and rear rooms on the third floor, to increase the length of front room; arrange rear hall room on third floor with toilet, bath and wash basin; hang door to front of sink closet in hall on third floor; cut window from toilet room to bathroom on second floor, window to be provided with movable sash; set and connect wash basin (to be furnished by the Department of Health) in large rear room, second floor; set and connect wash basin (to be furnished by the Department of Health) in closet in rear of large front room, second floor; remove existing toilet from inner room in basement; cause general repairs to be made to furnace in cellar and kitchen range in basement, and cause all minor repairs to be made to plumbing fixtures; provide suitable and sufficient gas fixtures, together with additional outlets for hall lighting at mantle in large rear room on second floor for sterilizer, and at chimney in kitchen in basement for hot plate. The cellar stairs to be raised to proper position and to be repaired. Remove all wall paper from all walls and ceilings throughout the premises, and paint all walls and ceilings and woodwork throughout with white paint; replace all broken window glass; make such roof repairs, outside repairs and painting to the demised premises as shall be required during the term of the lease, and pay taxes and water rates; the City to pay for light, heat and janitor service and make such interior alterations and repairs as it may deem necessary during the term of the lease; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the assignment of one horse to the Department of Health:

February 26, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On February 17, 1914, the Board of Health requested the Commissioners of the Sinking Fund to assign a horse from the Street Cleaning Bureau under the President of the Borough of Richmond, to the Department of Health, for antitoxin purposes. On January 28, 1914, the President of the Borough of Richmond turned this horse over to your Commission as no longer required by his Department.

A Veterinarian of the Department of Finance has examined the horse and found it suitable for use in the production of antitoxin.

The proposed transfer is in compliance with the provisions of section 205 of the Greater New York Charter.

I recommend the adoption of the attached resolution granting the request.

Respectfully, WM. A. PRENDERGAST, Comptroller.

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Department of Health, for antitoxin purposes, the horse turned over to the Commissioners of the Sinking Fund by the President of the Borough of Richmond, under date of January 28, 1914, as no longer required by his Department.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the payment of rental of rooms occupied by the United States Life Saving Corps, at No. 24 Danforth street, Brooklyn, and in the Pulitzer Building, Nos. 53-63 Park Row, Manhattan:

March 6, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Mr. Charles E. Raynor, Superintendent of the United States Volunteer Life Savings Corps, in a communication dated February 9, 1914, requests that your Board adopt a resolution whereby the Comptroller may be authorized to pay the rent of the storhouse premises for use of said United States Volunteer Life Saving Corps, without the necessity of a lease, for a period of three months from January 1, 1914, pending the final determination as to the allotment of space for the said United States Volunteer Life Savings Corps in the new Municipal Building.

Also that provision be made by the adoption of the necessary resolution whereby the Comptroller may be authorized under chapter 606 of the Laws of New York, 1904, to pay for the rent of the administrative offices of the United States Volunteer Life Savings Corps, without the necessity of entering into a lease, for a period of three months from January 1, 1914.

The United States Volunteer Life Saving Corps at the present time is using a portion of the premises known as No. 24 Danforth street, Borough of Brooklyn, for the storage of paraphernalia in connection with their work as a life saving corps, at the rate of $5 a month.

The United States Volunteer Life Saving Corps has been occupying since January 1, 1914, room 1001 in the Pulitzer Building, 53 to 63 Park Row, Manhattan, and for which rental at the rate of $56.67 a month is charged. The room is used as administrative offices and contains approximately 400 square feet. I am informed by the Superintendent, Mr. Raynor, that they are going to remove temporarily from room 1001 to room 601 on the sixth floor of the same building at once. This room contains approximately the same area of square feet as room 1001, and will be charged for at the same rate, $56.67 a month.

In view of the conditions above recited, and pending final determination as to whether the United States Volunteer Life Savings Corps is to be allotted space in the new Municipal Building, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the payment to Charles E. Raynor of rent for a portion of the premises known as No. 24 Danforth street, Borough of Brooklyn, used for storage purposes by the United States Volunteer Life Saving Corps, at the rate of $5 a month, on a month to month basis, for a period not exceeding six months from January 1, 1914, without the necessity of entering into a lease.

Also that the Comptroller be authorized to pay to the Press Publishing Company the rent of room 601 on the sixth floor of the Pulitzer Building, 53 to 63 Park Row, Borough of Manhattan, used as administrative offices for the United States Volunteer Life Saving Corps, at the rate of $56.67 a month, on a month to month basis, for a period not exceeding six months from January 1, 1914, without the necessity of entering into a lease. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Charles E. Raynor rent for the portion of premises known as No. 24 Danforth street, Borough of Brooklyn, used for storage purposes by the United States Volunteer Life Saving Corps, at the rate of five dollars ($5) a month, on a month to month basis, for a period not exceeding six months, from January 1, 1914, without the necessity of entering into a lease.

Resolved, That the Comptroller be and is hereby authorized to pay to the Press Publishing Company the rent of room 601 on the sixth floor of the Pulitzer Building, 53 to 63 Park row, Borough of Manhattan, used as administrative offices for the United States Volunteer Life Saving Corps, at the rate of fifty-six dollars and sixty-seven cents ($56.67) a month, on a month to month basis, for a period not exceeding six months from January 1, 1914, without the necessity of entering into a lease.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to lease of plot of land on the westerly bank of the Bronx River, 129 feet southerly from Garrison avenue, Borough of The Bronx, for use of the President of the Borough of The Bronx:

February 26, 1914.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The President of the Borough of The Bronx, in a communication dated January 30, 1914, addressed to the Comptroller, requests that the Sinking Fund Commission authorize a lease of the plot of land, 100 by 100 feet, on the westerly bank of the Bronx River, beginning at a point about 129 feet southerly from Garrison avenue, in the Borough of The Bronx, for a period of five years, at an annual rental of $1,800, with the option to the City for a renewal for a further term of three or five years upon the same terms and conditions. He states that the purpose of leasing this property is to erect thereon an asphalt plant, the purchase of which was provided for in this year's Budget.

The owners of the premises in question will erect a substantial bulkhead, where not already erected, for the entire 100 feet, and will maintain the same during the period of the lease, and will also agree to level off the plot where necessary, and provide proper exits and entrances on Edgewater road.

The appraised value of this property is $23,000; the rent of $1,800 is therefore a trifle less than 8 per cent. on the appraised value.

The rent being reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the following described premises for use of the President of the Borough of The Bronx:

All that certain lot, piece or parcel or land, situate, lying and being in the Borough of The Bronx, City of New York, bounded and described as follows:

—for a period of five years from April 1, 1914, at an annual rental of $1,800, payable quarterly; the lessor to erect a substantial bulkhead, where not already erected, for the entire 100 feet, and maintain the same during the period of the lease, and to level off the plot where necessary, and provide proper exits and entrances on Edgewater road; also to pay for taxes on the land only, without regard to the improvements which are placed on the property by the City; the City to pay for the water used on the premises; the lease to contain a provision, that the plant and appurtenances which the City may erect on the premises shall remain the property of the City and may be removed by the City at the expiration of the lease or any renewal thereof; the lessor to give an option to the City for a renewal of this lease for a further period of three or five years upon the same terms and conditions. Lessor, McConnell Coal and Ice Manufacturing Company, Garrison avenue and Bronx River, Borough of The Bronx, City of New York. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from the McConnell Coal and Ice Manufacturing Company, of the following described premises, for use of the President of the Borough of The Bronx:

All that certain, lot, piece or parcel of land, situate, lying and being in the Borough of The Bronx, City of New York, bounded and described as follows:

Beginning at a point situate 50 feet east of the easterly line of Edgewater road, measured on a line drawn at right angles to the said easterly line of Edgewater road from a point on the said easterly line of Edgewater road distant 128.92 feet south from the intersection of the said easterly line of Edgewater road with the southerly line of Garrison avenue; thence running southerly and parallel with Edgewater road 100 feet; thence easterly at right angles to Edgewater road, 115 feet to the Bronx River; thence northerly along the Bronx River about 100 feet to a line drawn at right angles to the Edgewater road through the point of beginning; thence westerly along said line 109 feet, more or less, to the point or place of beginning, together with a right of way 20 feet wide leading from the property herein described to Edgewater road, this right of way being adjacent to and north of the land hereby leased,

—for a period of five years from April 1, 1914, at an annual rental of eighteen hundred dollars ($1,800), payable quarterly; the lessor to erect a substantial bulkhead, where not already erected, for the entire 100 feet, and maintain the same during the period of the lease, and to level off the plot where necessary, and provide proper exits and entrances on Edgewater road; also to pay for taxes on the land only, without regard to the improvements which are placed on the property by the City; the City to pay for the water used on the premises; the lease to contain a provision that the plan and appurtenances which the City may erect on the premises shall remain the property of the City and may be removed by the City at the expiration of the lease or any renewal thereof; the lessor to give an option to the City for a renewal of this lease for a further period of three or five years upon the same terms and conditions; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

March 6th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

I therefore respectfully recommend, the rent being reasonable and just and the same as heretofore paid, that the Commissioners of the Sinking Fund authorize the Comptroller to pay rent to the Pullman Holding Company, Loton H. Slawson Company, agents, 17 Madison avenue, Borough of Manhattan, without the necessity of entering into a lease for Rooms 904, 905 and 906 in the building No. 17 Madison avenue, Borough of Manhattan, for use of the Special Committee of the Board of Estimate and Apportionment appointed to make a study of the Departments of Health, Charities and Bellevue and Allied Hospitals, at the rate of $1,000 per annum, for a period from January 1, 1914, to January 10, 1914, and that they adopt a further resolution authorizing the Comptroller to pay rent to the Pullman Holding Company, Loton H. Slawson Company, agents, 17 Madison avenue, at the rate of $40 per month, payable monthly, for Rooms 901 and 902 in the building No. 17 Madison avenue, Borough of Manhattan, for use of the Special Committee of the Board of Estimate and Apportionment appointed to make a study of the Departments of Health, Charities and Bellevue and Allied Hospitals, for a period not exceeding three months from January 1, 1914, without the necessity of entering into a lease therefor. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

The Deputy and Acting Comptroller presented the following reports and offered the following resolution relative to a lease of Ward's Island to the State of New York:

February 28th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Pursuant to chapter 139 of the Laws of 1908, entitled "An Act to authorize The City of New York to lease Ward's Island to the State of New York," as amended by chapter 696 of the Laws of 1913, The City of New York is authorized to lease to the State at an annual rental of $1 the island known as Ward's Island, now owned by The City of New York and occupied and used by the State of New York for the care and treatment of the insane. This act met with the approval of the City.

The lease proposed is to be for a term of fifty years from November 19, 1912. In accordance with the provisions of this act, the State Hospital Commission is authorized to construct such new buildings and make such improvements to the existing buildings on Ward's Island as may be authorized by the State Legislature. The lease is also to contain a provision that in the event of its termination or expiration the City shall pay to the State the value at the time of such termination or expiration of all the buildings that may have been erected and all the improvements that may have been made by the State on the premises as to which the lease is terminated during the ten years immediately preceding the termination or expiration of such lease. The amount so paid is to be determined by appraisement of five competent disinterested persons, two of whom shall be named by the Governor of the State of New York, two by the Mayor of The City of New York and the fifth by the four persons so named.

By a series of conveyances, in 1851 and 1852, various parcels of this island were conveyed to The City of New York. In accordance with section 8, chapter 531 of the Laws of 1892, as amended by chapter 528 of the Laws of 1893, the Commissioners of Emigration conveyed to The City of New York by deed dated July 18, 1893, all the lands on Great Barn or Ward's Island that had been acquired by such Commissioners in their official capacity, together with the buildings thereon and the appurtenances, etc., the City to hold such of said lands and buildings as are situated on Ward's Island "for general charitable purposes and uses." The consideration named in the deed was $1,000,000, to be paid by the City as specified in the act. By section 2 of the same act it was provided that if The City of New York "shall at any time hereafter transfer said lands and buildings, or any part thereof, to the State under the provisions of chapter 126 of the Laws of 1890, the consideration to be paid therefor by the State shall be the sum of $1,000,000; or in case only a portion of these lands and buildings is transferred, then an equitable portion of said amount * * *."

In 1896 the Legislature passed an act (chapter 2, Laws of 1896) entitled "An Act for the conversion of the New York City asylums for the insane into a State hospital, and to establish the Manhattan State Hospital." By section 2 of this act it was provided in part as follows:

"The Mayor, Aldermen and Commonalty of The City of New York are hereby authorized and directed to lease to the State of New York at an annual rental of $1 the island known as Ward's Island, now owned by The City of New York, together with all the buildings and improvements thereon, and the equipment * * *. The said lease shall continue and remain in full force and effect until the same shall either be surrendered by the State or terminated by The City of New York, as hereinafter provided * * *. The said lease may be surrendered at any time by the State or the same may be terminated by The City of New York by fifteen years' notice in writing, signed by the Mayor of said City, to the Comptroller of the State * * *."

In virtue of this act, possession was taken by the State authorities of Ward's Island (excepting ten acres of land under water owned by private persons). On November 19, 1897, there was served on the State Comptroller a notice signed by Honorable William L. Strong, the then Mayor of The City of New York, terminating the lease made under the Act of 1896, at the expiration of fifteen years from the date of such notice, namely, November 19, 1912.

In 1908 the Legislature passed an act (chapter 139, Laws of 1908) entitled "An Act to authorize The City of New York to lease Ward's Island to the State of New York," which was amended by chapter 696 of the Laws of 1913. It is in accordance with this act that the proposed lease is to be made.

Unless such lease to the State of Ward's Island is authorized, it would necessitate the purchase by the State of New York of other properties for the housing of the insane.

The following is a statement concerning the number of patients, number of employees and expense of maintaining the Manhattan State Hospital on Ward's Island:

Average number of patients maintained	4,600
Average number of officers and employees	822
Salaries and wages paid yearly	$340,000 00
Yearly expense of maintenance of patients	512,000 00
Yearly expense of maintaining ferries	32,442 51
Total yearly expense	$884,442 51

The State of New York has already expended for improvement and repair of buildings and for new buildings on Ward's Island the sum of $1,228,494.60.

Upon the termination or expiration of the proposed lease, all of this will become City property. The patients committed to this hospital are from the Counties of New York and Richmond. Most of them come from the Bellevue City hospital. In addition thereto, there are also the following number of patients from the Counties of New York and Richmond in other State institutions for the insane, viz.:

In the State hospital on Long Island	2,400
In the State hospitals in other portions of the State	3,949
The expense for maintaining patients committed from the Counties of New York and Richmond in hospitals other than the Manhattan State Hospital amounts to	$1,274,885 92
Add to this the sum paid for maintaining the Manhattan State Hospital, to wit	884,442 51
The total amount now being paid yearly by the State of New York for the insane from New York and Richmond Counties is	$2,159,328 43

It is argued by the Attorney-General of the State of New York that, if the Manhattan State Hospital and the other institutions for the insane maintained by the County of New York had not been taken over by the State, under chapter 2 of the Laws of 1896, the above mentioned sum of $2,159,328.43, now being paid by the State by annual appropriation of the Legislature, would be paid almost entirely by the County of New York, inasmuch as the number of patients confined therein from other counties are very insignificant in comparison. In this connection it has been argued that The City of New York is paying a much larger share of this expense, as it does a large share of all the expense of maintaining the State government. The State Comptroller estimates that the County of New York pays 52 per cent., and the entire City of New York pays 72 per cent. of the expense of the State government. This percentage is divided among the counties making up The City of New York, as follows: Kings County, 0.1528 per cent; New York County, 0.5203 per cent.; Queens County, 0.0404 per cent; Richmond County, 0.0073 per cent.

In connection therewith the State Hospital Commission compiled the following statistics, showing the number of insane from the Counties in New York which have been maintained by the State between the years 1896 and 1912:

Year.	Patients.	Year.	Patients.
1896	9,367	1902	10,977
1897	9,338	1903	11,509
1898	9,800	1904	12,075
1899 (estimated)	10,168	1905	12,304
1900	10,539	1906	12,603
1901	10,797	1907	12,961

Year.	Patients.	Year.	Patients.
1908 (estimated).....	13,828	1912.....	16,129
1909.....	14,697		
1910.....	15,523	Total.....	208,470
1911.....	15,855		

The State Hospital Commission estimates that during this period the total amount of money paid by the State for the care, medical treatment and maintenance of these patients is $54,619,140. In 1912 the total number of insane maintained by the State of New York and committed from the City of New York was 16,129. The total number of patients in the State institutions for the insane at the same time was 32,000, so that fully one-half of such insane maintained by the State were committed from the City. The annual expense of the maintenance of these institutions, including improvements, repairs and new buildings, amounts to $8,600,000.

Inasmuch as one-half of these patients are committed from the City of New York, it is fair to assume that one-half of this annual expenditure is made necessary by reason of the care of such patients by the State, which would be $4,300,000. Deducting from this sum 72 per cent. paid in taxes by the City, or $3,096,000, the actual saving to the City by reason of the fact that its insane is being maintained by the State amounts to $1,204,000 yearly.

In addition to this, it must be taken into consideration that, were the State to change the location of the hospital from Ward's Island, it would necessitate the purchase of some new site which would, in all probability, in view of the high value of property within the City of New York, be located some distance therefrom. This would cause much inconvenience to the friends and relatives of the unfortunates committed to this institution, not to mention the additional expense incidental thereto.

To my mind it would, therefore, be much more economical upon the City's part to comply with the request of the State and lease this island for a term of fifty years, at an annual rental of $1, with the understanding that if any portion of the demised premises are ever used for purposes other than the care of the insane, the said lease shall be cancelled and the property revert to the City.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund authorize a lease to the State of New York for a period of fifty (50) years from November 19, 1912, at an annual rental of one dollar ($1), payable in advance, of the interest of the City in all that certain island in the 12th Ward of the City of New York, known as Ward's Island, with the appurtenances and land under water adjacent thereto, and all the right, title and interest of The City of New York in and to the streets and roads, together with all the buildings and improvements on Ward's Island, and such equipment, furniture and fixtures of the asylums for the insane, located thereon, as now belong to The City of New York, subject, however, to the estate and easements in said premises acquired by the East River Gas Company of Long Island City in certain proceedings, entitled "In the Matter of the Application of the East River Gas Company of Long Island City, Plaintiff, against The City of New York and the State of New York, Defendants," the report of the Commissioners in which proceedings was confirmed by an order of the Supreme Court entered in the office of the Clerk of the Appellate Division, First Department, on July 11, 1907; subject also to the estate and easements in said premises acquired by the New York Connecting Railroad Company, pursuant to a certificate of the Board of Rapid Transit Commissioners authorizing said company to construct a bridge across the East River, duly issued February 13, 1907, and also to a certain lease dated June 6, 1913, entered into between the New York Connecting Railroad Company and the Board of Commissioners of the Sinking Fund of The City of New York, in accordance with chapter 752 of the Laws of 1900, and pursuant to a resolution of the Commissioners of the Sinking Fund adopted on April 2, 1913, as amended on April 30, 1913, and any renewal thereof; the premises to be demised to be occupied and used by the State of New York for the care and treatment of the insane, it being understood that the demised premises are to be used during the term of the lease for no other purpose than the care of the insane. In the event of such other use by the State of New York, the lease shall cease and terminate and become null and void, it being understood that, in case of the termination of the lease or the expiration thereof, The City of New York, or its successors, shall pay to the State of New York the value at the time of such termination of all buildings that may have been erected and of all improvements that may have been made by the State on the premises as to which the lease is terminated during the ten years immediately preceding the termination or expiration thereof, the amount so paid to be determined by the appraisement of five competent disinterested persons, two of whom shall be named by the Governor of the State of New York, two by the Mayor of The City of New York and the fifth by the four persons so named.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

March 11, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On March 4, 1914, there was presented to the Commissioners of the Sinking Fund a report from the Comptroller recommending that a lease be authorized from the City to the State of New York for a period of fifty years from November 19, 1912, at an annual rental of $1, payable in advance, of the interest of the City in all that certain island in the 12th Ward of The City of New York, known as Wards Island, with the appurtenances and land under water adjacent thereto, and all the right, title and interest of The City of New York in and to the streets and roads, together with all the buildings and improvements on Wards Island, and such equipment, furniture and fixtures of the asylums for the insane located thereon as now belong to The City of New York.

One of the conditions contained in this recommendation was that the premises to be demised were to be occupied and used by the State of New York for the care and treatment of the insane, and for no other purpose than the care of the insane. In the event of such other use by the State of New York the lease to cease and terminate and become null and void; it being understood, however, that in case of the termination of the lease or the expiration thereof, the City or its successors shall pay to the State of New York the value at the time of such termination of all buildings that may have been erected and of all improvements that may have been made by the State on the premises as to which the lease is terminated, during the ten years immediately preceding the termination or expiration thereof, the amount so paid to be determined by the appraisement of five competent disinterested persons, two of whom shall be named by the Governor of the State of New York, two by the Mayor of The City of New York, and the fifth by the four persons so named.

This report was considered at the meeting above mentioned, and a suggestion was made that in addition to the above conditions recommended by me, a clause be inserted that no buildings or improvements be made upon the premises to be demised during the ten years immediately preceding the termination of the lease without the consent of the City.

The Deputy Attorney General, J. F. Connor, in charge of this matter, in a communication under date of March 5, 1914, states that he is authorized by the State Hospital Commission and by the Attorney General to inform this Department that they are willing that this provision be inserted in the proposed lease, namely, to the effect that no buildings shall be erected upon the premises during the last ten years of the lease without the approval of The City of New York.

I therefore respectfully recommend that the following clause be added to those recommended by me in my report above mentioned, which was submitted at the meeting of the Commissioners of the Sinking Fund held March 4, 1914, in connection with the proposed lease of Wards Island: "That no buildings and improvements shall be made upon the demised premises during the last ten years of the lease unless the approval and consent of The City of New York shall have been first obtained, nor shall any payment be made by The City of New York in the event of the termination of the lease prior to November 19, 1952, for any improvements or buildings erected upon the demised premises."

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, pursuant to the provisions of chapter 139 of the Laws of 1908, the Commissioners of the Sinking Fund hereby authorize a lease to the State of New York for a period of fifty years from November 19, 1912, at an annual rental of one dollar ($1), payable in advance, of the interest of The City of New York in all that certain island in the 12th Ward of The City of New York known as Wards Island, with appurtenances and land under water adjacent thereto, and all the right, title and interest of The City of New York in and to the streets and roads, together with all the buildings and improvements on Wards Island, and such equipment, furniture and fixtures of the asylums for the insane located thereon as now belong to The City of New York, subject, however, to the estate and easements in said premises acquired by the East River Gas Company of Long Island City in certain proceedings entitled: "In the Matter of the Application of the East River Gas Company of Long Island City, Plaintiff, Against The City of New York and the State of New York, Defendants," the report of the Commissioners in which proceedings was confirmed by an order of the Supreme Court, entered in the office of the Clerk of the Appellate Division, First Department, on July 11, 1907; subject also to the estate and easements in said premises acquired by the New York Connecting Railroad Company, pursuant to a certificate of the Board of Rapid Transit Commissioners authorizing said company to construct a bridge across the East River, duly issued February 13, 1907, and also to a certain lease dated June 6, 1913, entered into between the New York Connecting Railroad Company and the Board of Commissioners of the Sinking Fund of The City of New York, in accordance with chapter 752 of the Laws of 1900, and pursuant to a resolution of the Commissioners of the Sinking Fund adopted on April 2, 1913, as amended on April 30, 1913, and any renewal thereof. The premises to be demised to be occupied and used by the State of New York for the care and treatment of the insane, it being understood that the demised premises are to be used during the term of the lease for no other purpose than the care of the insane. In the event of such other use by the State of New York the lease shall cease and terminate and become null and void; it being understood that in case of the termination of the lease or the expiration thereof, The City of New York or its successors shall pay to the State of New York, the value at the time of such termination of all buildings that may have been erected and of all improvements that may have been made by the State on the premises as to which the lease is terminated during the ten years immediately preceding the termination or expiration thereof, the amount so paid to be determined by the appraisement of five competent disinterested persons, two of whom shall be named by the Governor of the State of New York, two by the Mayor of The City of New York, and the fifth by the four persons so named; the lease to contain a clause "that no buildings and improvements shall be made upon the demised premises during the last ten years of the lease unless the approval and consent of The City of New York shall have been first obtained, nor shall any payment be made by the City of New York in the event of the termination of the lease prior to November 19, 1952, for any improvements or buildings erected upon the demised premises"; and be it further

Resolved, That it shall be the duty of the Mayor to execute such lease on behalf of The City of New York, and the City Clerk to attest the same when prepared and approved as to form by the Corporation Counsel.

The reports were accepted and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller asked for and received unanimous consent for the consideration of the following:

The following communication was received from the Commissioner of Docks recommending an amendment to resolution authorizing a lease of Pier 22, North River, to the Baltimore and Ohio Railroad Company:

March 10, 1914.

Hon. JOHN PURROY MITCHEL, *Mayor, and Chairman of the Commissioners of the Sinking Fund:*

Sir—At a meeting of the Commissioners of the Sinking Fund held March 4, 1914, a resolution was adopted respecting a lease to the Baltimore and Ohio Railroad Company of Pier New 22, North River.

When the matter was under consideration by the Commissioners of the Sinking Fund I requested that a provision be inserted to the following effect:

"It being understood and agreed that this resolution shall be of no force or effect unless the State Engineer and Surveyor withdraws his objection to the granting of the lease on account of the premises being required for a barge canal terminal."

Through some oversight this amendment was not inserted in the resolution, and I therefore beg to recommend that the resolution be amended by adding thereto the above provision. Yours very truly,

R. A. C. SMITH, Commissioner of Docks.

In connection therewith the Deputy and Acting Comptroller offered the following resolution:

Resolved, That the resolution adopted by this Board at meeting held March 4, 1914, approving of and consenting to the execution, by the Commissioner of Docks, of a lease to the Baltimore and Ohio Railroad Company, of Pier, New, No. 22, North River, and all that bulkhead extending from a point 82¼ feet south of the southerly side of said pier to a point 84½ feet north of the northerly line of said pier, for a term of ten years from January 1, 1914, at a rental of sixty-three thousand four hundred and seventy-two dollars and twelve cents ($63,472.12), together with the right to build an extension to said pier upon land under water therein described,

—be and the same is hereby amended, by adding thereto the following clause,

"it being understood and agreed that this resolution shall be of no force or effect unless the State Engineer and Surveyor withdraws his objection to the granting of the lease, on account of the premises being required for a barge canal terminal."

Which resolution was adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to premises Nos. 244-250 West 49th street, Borough of Manhattan, leased for use of the Mayor's Bureau of Licenses and vacated by the said bureau:

March 11, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication to the Commissioners of the Sinking Fund from the Chief of Bureau of Licenses of the Mayor's Office, in which he states the Taxicab Inspection Division of his Bureau has vacated the premises at No. 248 West 49th street, and has moved to its new garage at Nos. 517-519 West 57th street, Borough of Manhattan.

These premises consist of the westerly half of the ground floor, 40 by 90 feet, in the building Nos. 244-250 West 49th street, and were leased for a term of five years from August 1, 1910, at an annual rental of $3,800.

I respectfully recommend that the Commissioners of the Sinking Fund authorize the Comptroller to derive whatever revenue therefrom as he can from the westerly half of the ground floor of the building Nos. 244-250 West 49th street, Borough of Manhattan, which is under lease by the City. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The Bureau of Licenses of the Mayor's Office having vacated the premises at Nos. 244-250 West 49th street, in the Borough of Manhattan, the lease of which expires August 1, 1915, it is

Resolved, That the Comptroller be and is hereby authorized to derive such revenue as may be had from the westerly half of the ground floor of the building Nos. 244-250 West 49th street, Borough of Manhattan, until the expiration of the lease.

The report was accepted and the resolution adopted, all the members present voting in the affirmative.

The following communication was received from the Commissioner of Docks, relative to an issue of corporate stock to the amount of $45,000, for the purpose of providing for the construction of a dumping board at the foot of 77th street, Manhattan, for use of the Department of Street Cleaning:

Pier A, North River, March 9th, 1914.

Hon. JOHN PURROY MITCHEL, *Mayor, and Chairman of the Commissioners of the Sinking Fund:*

Sir—The Department of Street Cleaning has for a long time past maintained a floating dump at the bulkhead south of 79th street, North River. Recently plans were submitted to this Department for a permanent open dump at this location. I did not approve of these plans as I held that dumping boards adjoining residential property require a different type of construction, so that the nuisance due to loading—blowing of ashes and papers—would be reduced to a minimum. I might add, besides dumps adjacent to residental property, those adjoining piers leased to passenger steamship companies should be given the same consideration, as they are the source of much complaint, especially during the summer months.

I have, therefore, with the approval of the Commissioner of the Street Cleaning Department, made a special study of the dumping board question and have had prepared plans and specifications and form of contract for the construction of a covered dump at the southerly end of the property under the control of the Department of Docks and Ferries, near the foot of West 77th street, North River. This Department's Engineering Bureau is fully equipped to take charge of the entire construction of

such a dump, and I believe it would be to the best interest of the City to have it built under the immediate supervision and control of the Dock Department.

To enable this Department to carry out this work by contract, I respectfully request that a resolution be adopted by the Commissioners of the Sinking Fund, recommending to the Board of Estimate and Apportionment, that the Comptroller be authorized to issue corporate stock to the amount of $45,000, chargeable against the Street Cleaning Department for the construction of a covered dump at the above mentioned location.

This is a very urgent matter, and I would respectfully request that it receive your prompt attention, in view of the fact that the Street Cleaning Department is now using open dumps at this location, leased by the Dock Department to outside persons.

I have requested Commissioner Fetherston to join with me in the request for the issue of corporate stock, chargeable to the Street Cleaning Department. Otherwise, the contract for construction will be under the control of the Dock Department.

I enclose herewith memorandum in relation to this matter; also set of drawings of proposed dumping board. Respectfully,

R. A. C. SMITH, Commissioner of Docks

Memorandum.

The covered dumping board as submitted was designed with the following objects in view:

First—Owing to the fact that a dumping board placed directly on the bulkhead at this point would not leave sufficient roadway room between the projected improvement of the New York Central Railroad and the water, the dump is therefore founded upon a platform placed outshore of the present crib bulkhead. This platform is built in accordance with the most improved and advanced type of concrete construction so far attempted in New York Harbor. Owing to the prevalence of fires at these dumps, and on account of the fact that a permanent steel and concrete structure is placed on top of same, the concrete under structure is carried in this case to the limit of absolute fire protection, and absolute permanency down to the water line, and creates an absolutely permanent structure.

Second—The main supporting structure for the dumping board is made of steel, and the supports for the covering for same are also made of the same steel framework extended. The structure is absolutely covered on all sides, even the water side being covered with doors, which will only be removed temporarily during dredging operations. The only wood in the structure consists of a few floor beams which extend out over the water which are made of wood so that in case of fire they may be easily replaced without waiting for steel reproduction; otherwise the only wooden structure is the floor, which is required because a concrete floor would be too slippery in winter. All of this wooden exposure on lower side, however, is covered with fireproofing material.

Third—On account of the dump being covered, including the front or river face, the dumping is arranged to be done through an open trough, which extends through the whole structure, and as an additional security against the scattering of ashes during deposit from the dump to scows, three funnels are to be suspended at intervals so that they can be changed from point to point whereby the ashes are dumped from the cart through the funnel direct to the scow which is raised or lowered following the top load of the scow. After a trial by the Street Cleaning Department of the number of funnels, namely three, which have been inserted at their reqquest, they may be added to should it be found necessary. The whole front, or river face of the covering is arranged to be adjustable, or in other words, is practically all doors, hung on hinges, which may be raised by block and fall from the inside during the process of dredging.

In addition to the dump being of practically fireproof material, in order to control fires on scows, it is completely provided with hose connections, arranged for in the contract, to be tapped from the nearest main, three lines of hose on the upper or dumping board level, and three lines of hose on the lower or underneath part of the structure, which is adequate.

—and the following was received from the Commissioner of Street Cleaning:

March 10th, 1914.

Hon. JOHN PURROY MITCHEL, *Mayor, and Chairman of the Commissioners of the Sinking Fund, City of New York:*

Sir—I concur in the recommendations of Dock Commissioner R. A. C. Smith concerning the construction of a new covered water front dump on the bulkhead south of 79th street, North River, as set forth in letter dated March 9th, 1914, and I have requested the Board of Estimate and Apportionment to adopt a resolution appropriating corporate stock in the amount of forty-five thousand dollars ($45,000) for the purpose of constructing a dump at the location mentioned. Plans for the dump are forwarded herewith. Respectfully,

J. T. FETHERSTON, Commissioner.

The following resolution was offered for adoption:

Resolved, That the Commissioners of the Sinking Fund hereby recommend to the Board of Estimate and Apportionment that the Comptroller be authorized to issue corporate stock to the amount of forty-five thousand dollars ($45,000) to provide means for the construction of a dumping board at the southerly end of the property under the control of the Department of Docks and Ferries near the foot of West 77th street, North River; said dumping board to be built under the immediate supervision and control of the Department of Docks and Ferries; said amount to be chargeable against the Department of Street Cleaning for the construction of a covered dumping board at the above mentioned location.

Which resolution was adopted, all the members present voting in the affirmative.

Note—At this point his Honor the Mayor arrived, and the following matters on the calendar requiring a unanimous vote, and held pending his arrival, were then considered:

The Chair called for a hearing in the matter of the order of the Commissioner of Docks, revoking the shed license on Pier, Old, No. 8, North River, adjourned at the last meeting.

January 26, 1914.

Hon. JOHN PURROY MITCHEL, *Mayor, and Chairman of the Commissioners of the Sinking Fund:*

Sir—I enclose herewith copy of order revoking the shed license on Pier, Old, No. 8, North River, and request that the Mayor and the Commissioners of the Sinking Fund consent to said revocation as provided for by section 844 of the Greater New York Charter. The notice has been served upon the persons designated, who must also be served with notice of the required hearing.

Yours respectfully, R. A. C. SMITH, Commissioner of Docks.

I, Robert A. C. Smith, Commissioner of Docks of The City of New York, do hereby revoke any and all permits, licenses or authority heretofore at any time or times given or granted by the Board of Docks of The City of New York, authorizing the erection or maintenance of a shed or sheds upon Pier, Old, No. 8, North River, in the Borough of Manhattan, City of New York, providing that the consent in writing of the Mayor and the Commissioners of the Sinking Fund to such revocation be obtained in the manner required by section 844 of the Greater New York Charter.

Dated, New York, January 19, 1914.

R. A. C. SMITH, Commissioner of Docks of The City of New York.

To: Central Railroad Company of New Jersey, George O. Waterman, Secretary and Treasurer, 143 Liberty street, New York City; New Jersey Southern Railway Company, George O. Waterman, Secretary and Treasurer, 143 Liberty street, New York City; Cruikshank Company, W. L. DeBost, Vice-President, 141 Broadway, New York City; William Cruikshank's Sons, 31 Liberty street, New York City; Morgan's Louisiana and Texas Railroad and Steamship Company, Hugh Neill, Assistant Secretary, 165 Broadway, New York City; Southern Pacific Company, Hugh Neill, Secretary, 165 Broadway, New York City.

This matter was on the calendar of the last meeting, and after hearing Mr. George W. Wickersham, of Cadwalader, Wickersham and Taft, representing the owners of Piers 8, 9, 10 and 11, the hearing was adjourned to obtain an opinion of the Corporation Counsel in regard to the legal objections raised by Mr. Wickersham.

The Corporation Counsel in an opinion dated March 10, 1914, advised "that he is of the opinion that all licenses heretofore granted for the erection and maintenance of sheds upon said piers (old) Nos. 8, 9, 10 and 11, North River, may lawfully be revoked in the manner provided by section 844 of the Charter."

Mr. Wickersham, after reading the opinion, was again heard in regard to the matter.

The Deputy and Acting Comptroller then presented the following report and offered the following resolution, which report was accepted and the resolution unanimously adopted and approved by the Mayor.

February 26, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On January 26, 1914, the Commissioner of Docks requested that the Mayor and the Commissioner of the Sinking Fund consent to the revocation of the license to erect a shed on Pier (Old) No. 8, North River, Borough of Manhattan.

The pier in question is within the area of the property leased to the Lehigh Valley Railroad Company, dated January 13, 1914. In said lease it is provided that the City shall acquire the property by condemnation proceedings, the railroad furnishing the money to pay for same. In order that the pier in question may be purchased merely as a pier without any consideration being made for a license to erect a shed, the shed license should be revoked. Section 844 of the Greater New York Charter provides that when a permit has been given for the erection of a shed on a private pier the license shall not be revoked by the Commissioner of Docks without the consent, in writing, of the Mayor and the Commissioners of the Sinking Fund after due hearing on such license. To effect this purpose the Commissioner of Docks has, on January 19, 1914, revoked the shed license on this pier and requests the Mayor and the Commissioners of the Sinking Fund to give their consent.

On February 11, 1914, the Commissioners of the Sinking Fund, upon request of the Commissioner of Docks, adopted resolutions fixing March 4, 1914, as the date of hearing and directing the Secretary to notify the parties interested to appear at the hearing. The Secretary informs me that these notices have been served.

I therefore recommend, if the Commissioners of the Sinking Fund approve of the revocation of the shed license upon this pier, at the public hearing, the adoption of the attached resolution. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The Commissioners of the Sinking Fund, at a meeting held on February 11, 1914, adopted the following resolution:

"Resolved, That the Secretary be and is hereby directed to notify The Central Railroad Company of New Jersey, George O. Waterman, Secretary and Treasurer, 143 Liberty street, New York City; New Jersey Southern Railway Company, George O. Waterman, Secretary and Treasurer, 143 Liberty street, New York City; Cruikshank Company, W. L. DeBost, Vice-President, 141 Broadway, New York City; Wm. Cruikshank's Sons, 31 Liberty street, New York City; Morgan's Louisiana and Texas Railroad and Steamship Company, Hugh Neill, Assistant Secretary, 165 Broadway, New York City; Southern Pacific Company, Hugh Neill, Secretary, 165 Broadway, New York City—that on the 4th day of March, 1914, at 11 o'clock in the forenoon, in Room 16, City Hall, Borough of Manhattan, they will be afforded an opportunity to be heard before the Mayor and the Commissioners of the Sinking Fund, upon the order of the Commissioner of Docks, bearing date January 19, 1914, revoking any and all permits, licenses or authority heretofore at any time or times, given or granted, by the Board of Docks of The City of New York, authorizing the erection or maintenance of a shed or sheds upon Pier (old) No. 8, North River, in the Borough of Manhattan, City of New York, provided that the consent, in writing, of the Mayor, and the Commissioners of the Sinking Fund to such revocation, be obtained in the manner required by section 844 of the Greater New York Charter."

—and

Whereas, The Secretary advises the Board that he duly served notice of hearing on the Central Railroad of New Jersey, by delivering and leaving notice of hearing with George O. Waterman, Secretary and Treasurer; also upon the New Jersey Southern Railway Company, by delivering and leaving notice of hearing with George O. Waterman, Secretary and Treasurer; also upon the Cruikshank Company, by delivering and leaving notice of hearing with W. L. DeBost, Vice-President; also upon William Cruikshank's Sons, 31 Liberty street, New York City; also upon Morgan's Louisiana and Texas Railroad and Steamship Company, by delivering and leaving notice of hearing with Hugh Neill, Assistant Secretary, and also upon the Southern Pacific Company, by delivering and leaving notice of hearing with Hugh Neill, Secretary; therefore, be it

Resolved, That, in accordance with the provisions of section 844 of the Greater New York Charter, the Commissioners of the Sinking Fund, as provided in said section, hereby consent to and approve of the revocation by the Commissioner of Docks of any and all permits, heretofore granted by the Board of Docks for the erection or maintenance of a shed or sheds upon Pier (old) No. 8, North River, Borough of Manhattan, City of New York.

JOHN PURROY MITCHEL, Mayor; ALEX. BROUGH, Deputy and Acting Comptroller; HENRY BRUERE, City Chamberlain; GEORGE McANENY, President, Board of Aldermen; HENRY H. CURRAN, Chairman, Finance Committee, Board of Aldermen.

Approved: JOHN PURROY MITCHEL, Mayor.

January 26, 1914.

Hon. JOHN PURROY MITCHEL, *Mayor, and Chairman of the Commissioners of the Sinking Fund:*

Mr. Wickersham, after reading the opinion, was again heard in regard to the matter.

The Deputy and Acting Comptroller then presented the following report and offered the following resolution, which report was accepted, and the resolution unanimously adopted and approved by the Mayor:

February 26, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On January 26, 1914, the Commissioner of Docks requested that the Mayor and the Commissioners of the Sinking Fund consent to the revocation of the license to erect a shed on pier (old) No. 9, North River, Borough of Manhattan.

The pier in question is within the area of the property leased to the Lehigh Valley Railroad Company, dated January 13, 1914. In said lease, it is provided that the City shall acquire the property by condemnation proceedings, the railroad furnishing the money to pay for same. In order that the pier in question may be purchased merely as a pier without any consideration being made for a license to erect a shed,

the shed license should be revoked. Section 844 of the Greater New York Charter provides that when a permit has been given for the erection of a shed on a private pier the license shall not be revoked by the Commissioner of Docks without the consent, in writing of the Mayor and the Commissioners of the Sinking Fund, after due hearing on such license. To effect this purpose the Commissioner of Docks has, on January 19, 1914, revoked the shed license on this pier and requests the Mayor and the Commissioners of the Sinking Fund to give their consent.

On February 11, 1914, the Commissioners of the Sinking Fund, upon request of the Commissioner of Docks, adopted resolutions fixing March 4, 1914, as the date of hearing and directing the Secretary to notify the parties interested to appear at the hearing. The Secretary informs me that these notices have been served.

I therefore recommend, if the Commissioners of the Sinking Fund approve of the revocation of the shed license upon this pier, at the public hearing, the adoption of the attached resolution.

Respectfully, ALEX BROUGH, Deputy and Acting Comptroller.

This matter was on the calendar of the last meeting and after hearing Mr. George W. Wickersham, of Cadwalader, Wickersham and Taft, representing the owners of Piers 8, 9, 10 and 11, the hearing was adjourned to obtain an opinion of the Corporation Counsel in regard to the legal objections raised by Mr. Wickersham.

The Corporation Counsel, in an opinion dated March 10, 1914, advised "that he is of the opinion that all licenses heretofore granted for the erection and maintenance of sheds upon said piers (old) Nos. 8, 9, 10 and 11, North River, may lawfully be revoked in the manner provided by section 844 of the Charter."

February 26th, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—On January 26, 1914, the Commissioner of Docks requested that the Mayor and the Commissioners of the Sinking Fund consent to the revocation of the license to erect a shed on pier (old) No. 10, North River, Borough of Manhattan.

The pier in question is within the area of the property leased to the Lehigh Valley Railroad Company, dated January 13, 1914. In said lease it is provided that the City shall acquire the property by condemnation proceedings, the railroad furnishing the money to pay for same. In order that the pier in question may be purchased merely as a pier without any consideration being made for a license to erect a shed, the shed license should be revoked. Section 844 of the Greater New York Charter provides that when a permit has been given for the erection of a shed on a private pier the license shall not be revoked by the Commissioner of Docks without the consent, in writing, of the Mayor and the Commissioners of the Sinking Fund, after due hearing on such license. A public hearing being necessary the following resolution was offered for adoption:

Resolved, That the Commissioner of the Sinking Fund hereby fix 11 o'clock in the forenoon on Wednesday, April 1, 1914, in room 16, City Hall, Borough of Manhattan, as the time and place for a public hearing, relative to a request of the Commissioner of Docks that the Commissioners of the Sinking Fund by resolution direct that title to the property to be acquired by The City of New York lying between a point about 20 feet south of the foot of Rector street and a point about 41 feet northerly of the foot of Carlisle street, North River, Borough of Manhattan, shall vest in The City of New York on the day after the filing in the office of the Clerk of the County where proceedings for the acquisition of properties are pending, of the oaths of the Commissioners of Estimate in such proceedings appointed.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a conveyance to Judson J. Worrell and Michael J. Kane, of a strip of Central avenue and Stuyvesast place, Borough of Richmond, discontinued and closed by resolution of the Board of Estimate and Apportionment:

March 10, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On February 20, 1914, the Board of Estimate and Apportionment adopted a resolution "closing and discontinuing the portion of the street system at the intersection of Central avenue with the unnamed street (extension of Stuyvesant place) more particularly bounded and described as follows:

Beginning at a point on the westerly line of the unnamed street, distant 325.14 feet southerly from its intersection with the southerly line of Wiener place, and running thence southerly along the prolongation of the said westerly line of the unnamed street a distance of 15.10 feet; deflecting thence to the right through an angle of 67 degrees 59 minutes and twelve seconds for a distance of 44.6 feet to the intersection with a prolongation of the easterly line of Central avenue; thence northwardly along the said prolongation of the easterly line of Central avenue a distance of 14 feet; thence deflecting to the right through an angle of 89 degrees 57 minutes and 29 seconds a distance of 50.25 feet to the point or place of beginning."

—which resolution was approved by the Mayor on February 27, 1914.

This parcel of land has a depth of fourteen feet and an average length of 47.4 feet, and contains an area of about 664 square feet.

The record of the opening proceeding which was confirmed on November 6, 1911, indicates that the discontinued area formed a part of two parcels of property, one of which was encroached on by a building. Both Central avenue and Stuyvesant place have been regulated, graded and paved.

The portion so discontinued has been appraised by the Division of Real Estate of this Department at $2,200.

The owners of the abutting property, Messrs. Worrell and Kane, will agree, in the event of a conveyance to them to waive any and all claims for damage by reason of such closing.

I, therefore, respectfully recommend that the Commissioners of the Sinking Fund authorize a conveyance to Judson J. Worrell and Michael J. Kane of that portion of the street area at the intersection of Central avenue with the unnamed street (extension of Stuyvesant place) in the Borough of Richmond, City of New York, more particularly bounded and described as follows:

Beginning at a point on the westerly line of the unnamed street, distant 325.14 feet southerly from its intersection with the southerly line of Wiener place, and running thence southerly along the prolongation of the westerly line of the unnamed street above mentioned a distance of 15.10 feet; deflecting thence to the right through an angle of 67 degrees 59 minutes and 12 seconds for a distance of 44.6 feet to the intersection with a prolongation of the easterly line of Central avenue; thence northerly along the said prolongation of the easterly line of Central avenue a distance of 14 feet; thence deflecting to the right through an angle of 89 degrees 57 minutes and 29 seconds a distance of 50.25 feet to the point or place of beginning,

—which was closed and discontinued by a resolution adopted by the Board of Estimate and Apportionment on February 20, 1914, and approved by the Mayor on February 27, 1914, in consideration of the sum of twenty-two hundred dollars ($2,200), plus the additional charge of $12.50 for the preparation of the necessary papers.

The conveyance to be made subject to the following terms and conditions:

That the grantees are the owners of the lands fronting on the premises to be conveyed.

That the deed contain the following reservation: Excepting and reserving to the party of the first part all easements and rights of every right and description which it has in and to the unnamed street mentioned above, by reason of its ownership of or interest in the premises hereby conveyed or otherwise with the same force and effect and to the same extent as though this conveyance had not been made or delivered; and the parties of the second part, in further consideration of this conveyance, do for themselves individually and severally, their successors and assigns, waive, surrender and release any right to damages which have accrued or may hereafter accrue by virtue of such use to the grantees herein or their successors in interest by reason of their ownership of the premises adjoining those hereby conveyed; provided, however, that none of the foregoing exceptions, reservations, agreements or conditions shall operate to deprive the parties of the second part or their assigns or successors in interest from claims for damages in case that portion of the street immediately abutting the southerly line of the premises to be conveyed should be closed, discontinued or abandoned as a public street.

That such conveyance be made in such form as shall be approved by the Corporation Counsel.

The deed not to be delivered until evidence has been produced that all taxes, assessments and liens due the City which appear against the premises to be conveyed and the petitioners' abutting property have been paid, nor until the petitioners have stipulated with the City that they waive any and all claims for damages by reason of the removal from the City map of the portion to be conveyed, such stipulation to be approved by the Corporation Counsel.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, On February 20, 1914, the Board of Estimate and Apportionment adopted a resolution closing and discontinuing the portion of the street system at the intersection of Central avenue with the unnamed street (extension of Stuyvesant place), in the Borough of Richmond, more particularly hereinafter described, which resolution was approved by the Mayor on February 27, 1914.

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

Beginning at a point on the westerly line of the unnamed street, distant 325.14 feet southerly from its intersection with the southerly line of Wiener place, and running thence southerly along the prolongation of the westerly line of the unnamed street above mentioned a distance of 15.10 feet; deflecting thence to the right through an angle of 67 degrees 59 minutes and 12 seconds for a distance of 44.6 feet to the intersection with a prolongation of the easterly line of Central avenue; thence northerly along the said prolongation of the easterly line of Central avenue a distance of 14 feet; thence deflecting to the right through an angle of 89 degrees 57 minutes and 29 seconds a distance of 50.25 feet to the point or place of beginning.

—and be it further

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize a conveyance to Judson J. The conveyance to be made subject to the following terms and conditions:

That the grantees are the owners of the lands fronting on the premises to be conveyed.

That the deed contain the following reservation: Excepting and reserving to the party of the first part all easements and rights of every kind and description which it has in and to the unnamed street mentioned above, by reason of its ownership of or interest in the premises hereby conveyed or otherwise with the same force and effect and to the same extent as though this conveyance had not been made or delivered; and the parties of the second part, in further consideration of this conveyance, do for themselves individually and severally, their successors and assigns, waive, surrender and release any right to damages which have accrued or may hereafter accrue by virtue of such uses to the grantees herein or their successors in interest by reason of their ownership of the premises adjoining those hereby conveyed; provided, however, that none of the foregoing exceptions, reservations, agreements or conditions shall operate to deprive the parties of the second part or their assigns or successors in interest from claims for damages in case that portion of the street immediately abutting the southerly line of the premises to be conveyed should be closed, discontinued or abandoned as a public street.

That such conveyance be made in such form as shall be approved by the Corporation Counsel.

The deed not to be delivered until evidence has been produced that all taxes, assessments and liens due the City, which appear against the premises to be conveyed and the petitioners' abutting property have been paid, nor until the petitioners have stipulated with the City that they waive any and all claims for damages by reason of the removal from the City map of the portion to be conveyed, such stipulation to be approved by the Corporation Counsel.

The report was accepted and the resolution unanimously adopted.

The Chamberlain reported orally that he had no further objection to the granting of the petitions on the calendar for the cancellation of assessments and water charges, pursuant to section 221A of the Charter, and recommended that they be passed.

The Chamberlain moved that a committee of three be appointed to formulate a plan or policy for the guidance of the Board in connection with future applications for relief under section 221A of the Charter.

The Chair then appointed the Comptroller, Chamberlain and Chairman of the Finance Committee, Board of Aldermen, as such committee.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements on property owned by the Sevilla Home for Children, Borough of The Bronx:

January 9, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—The Sevilla Home for Children has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as Section 10, Block 2763, Lot 1.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about May 18, 1903; February 16 and 26, 1906; that it has owned the above described premises continuously since said dates and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the Tax Law, during the periods when the leins hereinafter set forth accrued. Said premises are used as an institution devoted to the education of poor female children.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to 1911, and since; and the assessed valuation for the year 1913 is $175,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Gentlemen—Sunnyside Reformed Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Queens, designated on the official tax map as Ward 1, Volume 4, Block 138, Lot 13.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about July 11, 1899; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a place of public worship.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation prior to 1910, and since; and the assessed valuation for the year 1913 is $6,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements on property owned by St. George's Church, in the Borough of Queens:

January 9, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Rector, Churchwardens and Vestrymen of St. George's Church have presented to you a petition for the cancellation of certain assessments for public improvements and water charges affecting premises in the Borough of Queens, designated on the official tax map as Ward 1, Volume 11, Block 54, Lot 1.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Corton water rents, and sales to said City of any and all of the same, which at the time said section became a law were or might thereafter become a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about December 27, 1837; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a church and Sunday school.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation prior to 1906, and since, and the assessed valuation for the year 1913 is $41,000.

Petitioner has included in its application certain assessments against Lot 8, Block 54, but, inasmuch as said lot is occupied as a rectory, and is not entitled to exemption except to the extent of the usual $2,000 parsonage allowance, I refuse to certify my approval of the application so far as respects said Lot 8.

Petitioner has also included in its application certain water charges against Lots 1, 8 and 9, but in view of the fact that under said section 221A of the Charter the power of the Commissioners of the Sinking Fund to cancel water charges is expressly limited to "Croton water rents," and that the charges in question are not "Croton water rents," no "Croton" water being supplied to the Borough of Brooklyn, the Commissioners are without power to cancel such charges, and I, therefore, refuse to certify my approval of the application so far as respects the same.

The total amount involved as principal in the above assessments is $537.24. The property affected by these assessments is located in the Borough of Queens, southeasterly corner Franklin and Woolsey streets.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question (Lot 1), and entitled to have the same exempted from taxation during the time when said assessment above mentioned accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the liens which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of the Rector, Churchwardens and Vestrymen of St. George's Church, to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the lien above set forth as the one which may properly be cancelled, be cancelled upon the payment of $10.

The records of the Division of Awards show an award made to "Unknown Owner" for the property described herein, being damage parcel No. 17, in the proceeding to open Avenue "C" from Gravesend avenue to Long Island avenue, in the Borough of Brooklyn, amounting to the sum of $1, which still remains unpaid.

The records of the Division of Real Estate of this Department show no lease of the property hereinbefore described to The City of New York.

Although this property is not within the territory in which, as a general proposition, applications for exemption of church property are to be considered, as fixed by the resolution of the Commissioners of the Sinking Fund, adopted June 14, 1911, nevertheless, as the petitioner has established to my satisfaction an inability on the part of the Prospect Park Baptist Church to meet the payment of the aforesaid open charges, I would recommend that such charges be cancelled upon payment of an amount equal to the face thereof, without penalty or interest, following the provisions of the resolution of the Commissioners of the Sinking Fund, adopted March 5, 1913, which modifies the policy of the Board, as expressed in the aforesaid resolution of June 14, 1911, with respect to churches not within the territory.

The total amount involved as principal in the above assessments is $940.71. The property affected by these assessments is located in the Borough of Brooklyn, northwest corner of Avenue C and E. 4th street, 29th Ward.

The petitioner, in response to a request, has submitted a financial statement for the year ending November 10, 1910, showing the total receipts from all sources (including balance of $298.69 from preceding year) to be $35,430.07, and expenditures for all objects $35,286.56, leaving a balance of $143.51.

In addition to the foregoing, Frank Harvey Field, Esq., attorney for petitioner, has submitted a financial statement of the Prospect Park Baptist Church for the last fiscal year, as follows:

Receipts.

Contributions (envelope system)	$1,200 00
Profits realized at church fairs	400 00
	$1,600 00

Expenses.

Coal	$55 00
Pastor's salary	1,200 00
Sexton's salary	150 00
Light and power	115 00
Repairs	50 00
	$1,570 00

The contributions received during the year are not sufficient to pay current expenses, and it is necessary to hold fairs and entertainments of various kinds in order to raise sufficient funds to meet such expenses.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221a of the Greater New York Charter, and I would, therefore, certify my approval of the application of Baptist Church Extension Society of Brooklyn and Queens (Prospect Park Baptist Church), pursuant to the provisions of such section of the Charter, and recommend that the liens above set forth be cancelled upon the payment of $941.71, provided that payment be made within sixty days from the date of the resolution authorizing such payment.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of nine hundred and forty-one dollars and seventy-one cents ($941.71, within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221a of the Charter, to cancel the following assessments for public improvements levied and assessed against property owned by the Baptist Church Extension Society of Brooklyn and Queens (Prospect Park Baptist Church), in the Borough of Brooklyn:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the cancellation of certain assessments for public improvements on property owned by the German Hospital and Dispensary in The City of New York:

January 15, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—German Hospital and Dispensary in The City of New York, has presented to you a petition for the cancellation of certain taxes affecting premises in the Borough of Manhattan, designated on the official tax map as Section 5, Block 1411, Lots 6, 7, 17 and 18 (Lots 6 and 7 now being part of Lot 1).

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same as follows: Lots 17 and 18, on May 10, 1909, and Lots 6 and 7, on May 8, 1911; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are exempt from local taxation, under said provision of the tax law, and have been exempt as hereinafter set forth. Said premises are used for hospital purposes.

It appears from an examination of the assessment rolls that Lots 6 and 7 have been exempt from local taxation for the year 1912 and since; Lots 17 and 18 are exempt for 1914, taxes thereon for 1913 were remitted by the Department of Taxes and Assessments, and the taxes for 1910 to 1912, inclusive, were cancelled by Comptroller's order. The assessed valuation for the year 1914, is as follows:

Lot 1 (in which is included former Lots 6 and 7)	$1,500,000 00
Lots 17 and 18	34,000 00

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following taxes against said property and are now open and unpaid on the records of the Department, namely:

Taxes.

1909, Section 5, Block 1411, Lot 17	$234 92
1909, Section 5, Block 1411, Lot 18	234 92
1911, Section 5, Block 1411, Lot 6	413 39
1911, Section 5, Block 1411, Lot 7	413 39

Although, as hereinbefore appears, said Lots 17 and 18 were not acquired by the petitioner until May 10, 1909, and Lots 6 and 7 until May 8, 1911, and consequently the said taxes thereon could not be cancelled by the Comptroller, by reason of the fact that the property was not owned by the petitioner on the second Monday of January (the date when the taxable status of property was fixed) in the respective years of acquisition, nevertheless, each of said lots was acquired prior to the date when the tax rate was fixed by the Board of Aldermen in the year when such parcel was acquired, viz., July 26, 1909, and July 31, 1911. The taxes for said years did not become liens until the first Monday in October following the fixation of the tax rate. Treating the date when the tax rate was fixed in each year as the date when the taxes for that year accrued, it would appear that the property in question was acquired prior to the dates when the taxes against the same, which are sought to be cancelled, accrued and became liens thereon.

The petitioner has requested, in view of the fact that it acquired the property before the aforesaid taxes became liens thereon; that it be permitted to pay the principal of such taxes and be relieved from the payment of the accrued interest thereon.

A fair adjustment of the matter, under the circumstances, in my opinion, would be to cancel such taxes upon the payment by the petitioner of the principal thereof, thereby relieving it of the accrued interest. I would, therefore, recommend that such taxes be cancelled upon the payment by petitioner of the sum of $1,296.62.

The total amount involved as principal in the above taxes is $1,296.62. The property affected by these taxes is located in the Borough of Manhattan, Park to Lexington avenues, East 76th to East 77th streets.

The records of the Division of Awards and the Division of Real Estate of this Department show no awards paid or payable to petitioner, and no lease to The City of New York, affecting the property hereinbefore described.

The Treasurer, in response to a request, has submitted a financial statement for the year 1912, showing the total receipts from all sources to be $420,300.11 and the expenditures for all objects $393,800.55, leaving a balance of $26,499.56.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said taxes, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of German Hospital and Dispensary in The City of New York, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, be cancelled upon the payment of $1,296.62, provided that payment be made within sixty days from the date of the passage of the resolution authorizing such payment.

WM. A. PRENDERGAST, Comptroller.

Resolved, That upon payment of the sum of twelve hundred and ninety-six dollars and sixty-two cents ($1,296.62), within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221a of the Charter, to cancel the following taxes upon property owned by the German Hospital and Dispensary, in The City of New York, Borough of Manhattan.

Taxes.

1909, Section 5, Block 1411, Lot 17	$234 92
1909, Section 5, Block 1411, Lot 18	234 92
1911, Section 5, Block 1411, Lot 6	413 39
1911, Section 5, Block 1411, Lot 7	413 39

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements on property owned by the Bethany Deaconesses and Hospital Society, Borough of Brooklyn:

February 6, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Bethany Deaconesses and Hospital Society has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 11, Block 3303, Lots 1, 16 and 17, and Borough of Queens, Ward 2, Section 1, Block 35, Lot 16.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about November 10, 1902; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used for charitable hospital purposes.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation prior to 1911 and since, and the assessed valuation for the year 1913 is $37,500.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

"Trunk Sewer in Scott Street, St. Nicholas and Wyckoff Avenues, Etc.," Borough of Brooklyn (confirmed and entered September 26, 1911):
No. 881, Section 11, Block 3303, Lot 1..... $189 00
No. 892, Section 11, Block 3303, Lot 16..... 26 88
No. 893, Section 11, Block 3303, Lot 17..... 72 45
"Sewer in Scott Avenue, Etc.," Borough of Queens (confirmed and entered September 26, 1911):
No. 1171, Section 1, Block 35, Lot 16, Ward 2..... 58 17
"Bleecker Street, Acq. Title from Brooklyn Line to Forest Avenue," Borough of Queens (confirmed June 11, entered July 26, 1912):
No. 29, Section 1, Block 35, Lot 16, Ward 2..... 103 44

Henry C. Heck, Treasurer, has submitted a statement showing in detail the relative proportions of free and paid work done by the petitioner, during the past year, as follows:

Class of Patients.	Number of Patients Treated.	Days of Hospital or Other Treatment.	Free Days of Treatment.	Paid Days of Treatment.
Full paid	173	3,470	....	3,470
Part Paid—				
$10 per week	118	1,770	780	990
$7 per week	144	2,016	1,016	1,000

Class of Patients.	Number of Patients Treated.	Days of Hospital or Other Treatment.	Free Days of Treatment.	Paid Days of Treatment.
$5 per week.....	40	560	380	180
Free	30	600	600	....
Free home nursing and poor supplied with food and clothing..	97	230	230	....
Inmates of Home treated free...	5	1,460	1,460	....
Totals	607	10,106	4,466	5,640

It appears from the foregoing that of the total number of 10,106 hospital days, 4,466 thereof, or approximately 44 per cent., represent free treatment, and the remaining 5,640 days, or 56 per cent., represents treatment which was paid for in full. The work of the petitioner, therefore, may be said to be 44 per cent. charitable.

On the foregoing basis, an equitable adjustment of the matter, in my opinion, would be to cancel the aggregate amount of the open charges, viz., $449.94, upon the payment by petitioner of 56 per cent. thereof, or $251.97.

The total amount involved as principal in the above assessments is $449.94. The property affected by these assessments is located in the Boroughs of Brooklyn and Queens, corner of St. Nicholas avenue and Bleecker street.

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The petitioner, in response to a request, has submitted a financial statement for the year ending February 26, 1911, (including balance of $2,883.30 from preceding year), showing the total receipts from all sources to be $18,936.28 and the expenditures for all objects, $15,543.66, leaving a balance of $3,392.62.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the proportionate part of such liens which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of the Bethany Deaconesses and Hospital Society, to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, be cancelled upon the payment of $251.97, provided that payment be made within sixty days from the date of the resolution authorizing such payment.

ALEX BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of two hundred and fifty-one dollars and ninety-seven cents ($251.97) within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments for public improvements levied and assessed against property owned by the Bethany Deaconesses and Hospital Society, Borough of Brooklyn:

Assessments.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements on property owned by the Diocesan Missions of Long Island (Church of the Epiphany):

February 6, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Diocesan Missions of Long Island (Church of the Epiphany) has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 20, Block 6823, Lot 1.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents and sales to said City of any and all of the same, which at the time said section became a law were or might hereafter become a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article 1, section 4, subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents from which it seeks relief accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about April 1, 1911; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been entitled to exemption from local taxation, under said provisions of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a place of public worship and the purposes of the congregation incident thereto.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation in the year 1912 and since, and the assessed valuation for the year 1913 is $10,600.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

"Opening and Acquisition of Avenue R from Coney Island Avenue to East 17th Street" (confirmed June 8, entered October 13, 1911):
- No. 180, Section 20, Block 6823, Lot 1..... $23 94

At the time the foregoing assessment accrued and became a lien the property was not exempt from taxation, not having been exempted until the year 1912, but inasmuch as the same was acquired on April 1, 1911, prior to the date of entry and confirmation of such assessment, its use and occupation was such as to create an exemption prior to the date when such assessment accrued and became a lien thereon.

The total amount involved as principal in the above assessments is $23.94. The property affected by these assessments is located in the Borough of Brooklyn, at the southeasterly corner of East 17th street and Avenue R.

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The Rev. Charles Henry Webb, general missionary, in response to a request, has submitted a financial statement for the year ending May 1, 1911, showing the total receipts from all sources to be $989.71, and the expenditures for all objects, $357.81, leaving a balance of $641.90.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question during the time when said assessment above mentioned accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Diocesan Missions of Long Island (Church of the Epiphany), pursuant to the provisions of such section of the Charter, and recommend that the lien above set forth be cancelled upon the payment of $10.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of ten dollars ($10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the Diocesan Missions of Long Island (Church of the Epiphany), in the Borough of Brooklyn:

Assessments.

"Opening and Acquisition of Avenue R from Coney Island Avenue to East 17th Street" (confirmed June 8, entered October 13, 1911):

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the cancellation of certain assessments for public improvements on property owned by the Brooklyn Baptist Orphanage:

February 6, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Brooklyn Baptist Orphanage has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn designated on the official tax map as Section 20, Block 6535, Lot 25, and Block 6536, Lot 23.

This application is made pursuant to the provisions of section 221a of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about September 7, 1907; that it has owned the above described premises continuously since date and is still the owner thereof, and that the same now is and has always been entitled to exemption from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used for the maintenance, education and support of poor orphan children.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation for the year 1909 and since, and the assessed valuation for the year 1913 is $3,500 for Lot 25, Block 6535, and $17,000 for Lot 23, Block 6536.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

"Sewer District, Map Y" (confirmed and entered November 23, 1909):
- No. 3122, Section 20, Block 6535, Lot 25..... $100 00
- No. 2126, Section 20, Block 6536, Lot 23..... 200 00

"Opening and Acquisition Avenue L from Ocean Parkway to Ocean Avenue" (confirmed March 31, entered June 22, 1910):
- Section 20, Block 6536, Lot 23..... 18 00
- Section 20, Block 6535,, Lot 25..... 8 99

"Opening and Acquisition Avenue K from Ocean Parkway to East 16th Street" (entered August 16, confirmed June 9, 1910):
- No. 33, Section 20, Block 6536, Lot 23..... 12 28

No. 29, Section 20, Block 6535, Lot 25..... 6 95

"Sewer in Avenue J, Between Coney Island Avenue and Ocean Avenue With Connecting Sewers" (confirmed and entered April 12, 1912):
- No. 3128, Section 20, Block 6536, Lot 23..... 8 00

No. 3162, Section 20, Block 6535, Lot 25..... 4 00

"Paving Coney Island Avenue from Avenue G to Avenue N" (confirmed and entered June 6, 1913):
- No. 99, Section 20, Block 6536, Lot 23..... 714 30

Petitioner has included in its application an assessment for "Regulating, grading, etc., Coney Island avenue, from Fort Hamilton avenue to Kings highway" (entered February 20, 1908), $176.42, affecting said Lot 23, but inasmuch as said lot was not exempt from taxation nor entitled to exemption for the year 1908, not having been exempted until the year 1909, I refuse to certify my approval of the application so far as respects such assessment.

Petitioner has also included in its application water charges for the years 1908 to 1911, inclusive, against Lot 23, Block 6536, but, inasmuch as under said section 221a of the Charter the power of the Commissioners of the Sinking Fund to cancel water charges is expressly limited to *"Croton water rents,"* and as the charges in question are not "Croton" water rents, no Croton water being supplied to the Borough of Brooklyn, the Commissioners are witihout power to cancel the charges, and so far as respects such charges I refuse to certify my approval of the application.

The total amount involved as principal in the above assessments is $1,072.52. The property affected by these assessments is located in the Borough of Brooklyn, Coney Island avenue, between Avenues K and L.

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The Treasurer, Mr. John H. Hodgson, in response to a request, has submitted a financial statement for the year 1911 showing the total receipts from all sources to be $5,548.20, and the expenditures for all objects $5,391.44, leaving a balance of $156.76.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221a of the Greater New York Charter, except as to the water charges and the assessment which I have refused to certify for cancellation, and I would therefore certify my approval of the application of the Brooklyn Baptist Orphanage to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of $10.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of ten dollars ($10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the Brooklyn Baptist Orphanage:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to the cancellation of certain assessments for public improvements on property owned by the Chevra Beth Schlome:

February 6, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Chevra Beth Schlome has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 5, Block 1468, Lot 83.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about March 9, 1911; that it has owned the above described premises continuously since said date, and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a place for religious worship.

It appears from an examination of the assessment rolls that said property has been exempt from local taxation for the year 1912, and since, and the assessed valuation for the year 1914, is $8,700.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

"Regulating, Grading, Etc., Sterling Place, Between Eastern Parkway and New York Avenue" (confirmed and entered December 26, 1911):
No. 13, Section 5, Block 1468, Lot 83..... $75 10
"Sewer, Sterling Place from End of Existing Sewer 140 Feet West of East New York Avenue to Eastern Parkway Ext." (confirmed and entered March 19, 1913):
No. 7, Section 5, Block 1468, Lot 83..... 30 50

At the time one of the foregoing assessments accrued and became a lien, to wit, the assessment for "Regulating, Grading, etc., Sterling Place, between Eastern Parkway and East New York Avenue," $75.10 (confirmed and entered December 26, 1911), the property was not exempt from taxation, not having been exempted until the year 1912, but inasmuch as the same was acquired on March 9, 1911, prior to the date of entry and confirmation of such assessment, its use and occupation was such as to create an exemption prior to the date when such assessment accrued and became a lien thereon.

The total amount involved as principal in the above assessments is $105.60. The property affected by these assessments is located in the Borough of Brooklyn, 26th Ward, northerly side of Sterling place, between Eastern parkway and East New York avenue.

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner, and no lease to The City of New York affecting the property hereinbefore described.

Mr. Solomon Greenbaum, President, in response to a request, has submitted a financial statement for the year ending December 31, 1911, showing the total receipts from all sources to be $1,300, and the expenditures for all objects, $1,505, leaving a deficit of $205.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question during the time when said assessments above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Chevra Beth Schlome, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, be cancelled upon the payment of $10.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of ten dollars ($10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by the Chevra Beth Schlome, in the Borough of Brooklyn:

Assessments.

"Regulating, Grading, Etc., Sterling Place, Between Eastern Parkway and New York Avenue" (confirmed and entered December 26, 1911):
No. 13, Section 5, Block 1468, Lot 83..... $75 10
"Sewer, Sterling Place from End of Existing Sewer 140 Feet West of East New York Avenue to Eastern Parkway Ext." (confirmed ; entered March 19, 1913):
No. 7, Section 5, Block 1468, Lot 83..... 30 50
The report was accepted and the resolution unanimously adopted.

The Chamberlain offered the following:

Resolved, That so much of the resolutions adopted by this Board at meetings held June 2, 1913, and December 30, 1913, allotting space in the New Municipal Building for use of City Departments, as relates to space allotted to the Board of Estimate and Apportionment, be and the same are hereby amended to read as follows:

—be and the same is hereby rescinded; it being the intention of the Board to provide for the Board of City Record elsewhere in the building.

Which resolution was unanimously adopted.

Adjourned. JOHN KORB, Jr., Secretary.

Resolved, That the Board of Estimate and Apportionment hereby grants to the Manhattan Fire Alarm Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof, embodying all the terms and conditions, including the provisions as to rates and charges, upon and subject to the terms and conditions in said proposed form of contract contained, and that the Mayor of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

This Contract, made and executed in duplicate this day of , 1914, by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and the Manhattan Fire Alarm Company (hereinafter called the Company), party of the second part, witnesseth:

In consideration of the mutual covenants and agreements herein contained the parties hereto do hereby covenant and agree as follows:

Section 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to lay, construct, maintain and operate suitable wires or other electrical conductors under the streets and avenues within the Borough of Manhattan and the portion of the Borough of The Bronx lying west of the Bronx River, and to lay, construct, maintain and operate suitable wires or other electrical conductors and the necessary conduits for the same under the streets and avenues within that portion of the Borough of The Bronx lying east of the Bronx River, the Borough of Brooklyn, the Borough of Queens and the Borough of Richmond for the purpose of electrically connecting detecting and signalling apparatus to be located upon the premises of subscribers with signal recording apparatus located or to be located at some suitable point or points where such signals are to be received and thereby maintaining and operating a fire protection signalling service system for the protection of the premises of subscribers and for no other purpose whatsoever.

Sec. 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right and privilege to lay, construct, maintain and operate wires or other electrical conductors in conduits for the purpose aforesaid shall be held and enjoyed by the Company from the date on which this contract is signed by the Mayor to and until December 31, 1928, with the privilege of renewal of said contract for a further period of ten (10) years upon a fair revaluation of said right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required

to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding ten (10) years shall be reasonable, and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract, and if the parties shall not forthwith agree upon what is reasonable then the parties shall enter into a written agreement fixing such annual rate and at such amount as shall be determined by three disinterested freeholders, selected in the following manner:

One disinterested freeholder shall be chosen by the Board, one disinterested freeholder shall be chosen by the Company; these two shall choose a third disinterested freeholder, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of this original contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as apprasers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuations so ascertained, fixed and determined shall be conclusive upon both parties, but no annual sum shall, in any event, be less than the sum required to be paid for the last year of this original contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jontly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for the privilege hereby granted the following sums of money:

1. The sum of ten thousand dollars ($10,000) in cash within thirty (30) days after the date upon which this contract is signed by the Mayor.

3. The further sum of twenty-five hundred dollars ($2,500) in cash, for use and occupation of the streets of the City since October 4, 1911, to be paid within thirty (30) days after the signing of this contract by the Mayor.

3. During the first period of five (5) years an annual sum which shall in no case be less than twenty-five hundred dollars ($2,500), and which shall be equal to three (3) per cent, of its gross annual receipts, if such percentage shall exceed the sum of twenty-five hundred dollars ($2,500).

4. During the second period of five (5) years an annual sum which shall in no case be less than five thousand dollars ($5,000), and which shall be equal to four (4) per cent. of its gross annual receipts, if such percentage shall exceed the sum of five thousand dollars ($5,000).

5. During the remaining period of this original contract an annual sum which shall in no case be less than eighty-five hundred dollars ($8,500), and which shall be equal to five (5) per cent. of its gross annual receipts, if such percentage shall exceed the sum of eighty-five hundred dollars ($8,500).

The annual charges shall commence from the date on which this contract is signed by the Mayor.

All annual charges as above shall be paid into the Treasury of the City on November 1 of each year and shall be for the amount due to September 30 next preceding. Provided that the moneys due when this contract is signed by the Mayor shall be paid into the Treasury of the City within thirty (30) days immediately following such date, and provided further that the first annual payment thereafter shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and September 30 following shall bear to the whole of one year.

Whenever the percentage required to be paid shall exceed the minimum amount as above, then such sum over and above such minimum shall be paid on or before November 1 in each year for the year ending September 30 next preceding.

Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any other company providing for payment for similar rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all the conditions of this contract, and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

Fourth—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in any wise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents.

Fifth—Upon the termination of this original contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the wires and equipment of the Company constructed, pursuant to this contract, within the streets and avenues shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at the termination of this contract, as above, the Board shall so order, by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove any and all of its wires and other equipment constructed pursuant to this contract, and the said streets and avenues shall be restored to their original condition at the sole cost and expense of the Company.

Sixth—The Company shall construct, maintain and operate its electric system subject to the supervision and control of all the authorities of the City who have jurisdiction in such matters, as provided by the Charter of the City, and in strict compliance with all laws or ordinances or departmental rules and regulations now in force or which may be adopted affecting companies operating electrical conductors in the City.

No construction or repair of said electric system shall be commenced until written permits have been obtained from the proper City officials. In any permit so issued such officials may impose such conditions, as a condition of the granting of the same, as are necessary for the purpose of protecting any structures in the streets and avenues and the proper restoration of the surface of such streets and avenues over which such officials have jurisdiction and the Company shall comply with such conditions.

Upon the completion of any work of construction the Company shall furnish to the President of the Borough a plan of such character as he may direct, showing accurately and distinctly the location, size and type of construction and complete dimensions of the structures erected, installed or constructed under this contract and the location and dimensions of all substructures encountered during the progress of the work. The depth below the street surface of the new structure and of the substructures encountered must be shown; also their location with reference to the nearest curb line and the nearest curb-line intersection.

The electrical and other equipment to be installed by the Company, whether the same be under streets and avenues, in any Department of the City or in private property, shall be constructed and maintained subject to the approval and under the supervision and control of the Fire Commissioner.

Seventh—The plant, conduits, wires, conductors, connections, instruments and all appurtenances thereto shall be constructed, maintained and operated in the latest approved manner and with the most modern and improved appliances, and it is hereby agreed that the Board may require the Company to improve or add to its plant, conduits, wires, conductors, connections, instruments and appurtenances from time to time, as such additions or improvements are necessary in the opinion of the Board. Upon failure on the part of the Company to comply with the direction of the Board within a reasonable time, the rights hereby granted shall cease and determine.

All equipment installed and used by the Company shall be under continual test and be systematically inspected in accordance with the rules and regulations of the Fire Department. The Company shall keep accurate records of these tests and inspections and furnish verified statements of the same to the Fire Commissioner upon ten (10) days' request therefor.

Eighth—All cables and wires of the Company laid pursuant to this contract shall be placed in ducts, conduits or subways (referred to in this paragraph as subways). In the Borough of Manhattan and that portion of the Borough of The Bronx west of the Bronx River such subways shall be leased from the company or companies having control thereof under the provisions of law, or from the City, should it succeed to the rights of such company or companies. In the other territory in which the Company is authorized to operate by virtue of this contract it may construct sufficient subways for the accommodation of its cables and wires and no more. If the City shall construct or acquire subways for electrical conductors of the character or tension of those used by the Company or similar companies in any or all of the Boroughs, the Company hereby agrees to lay its wires and conductors in such subways and the City agrees to lease to the Company such space as may be necessary and available for the operation of the alarm system hereby authorized. No cables or wires shall in the future be strung above the surface of the streets and avenues by the Company, and those at present in existence shall be removed and placed underground when and where required by the Board or the Commissioner of Water Supply, Gas and Electricity.

Ninth—The Company shall not in the future connect any of its auxiliary boxes or apparatus of any kind with the street boxes or City box circuits of the Fire Department, and the connections now in existence shall be discontinued within one year from the date upon whch this contract is signed by the Mayor, provided, however, that before the expiration of the said year the Company shall, upon thirty (30) days' notice from the Fire Commissioner, discontinue such connections as he shall so order.

Tenth—It is a condition of this contract that the Company shall bear the entire expense of all work undertaken by reason of this grant. Any alteration to the sewerage or drainage system or to any other subsurface or to any surface structures in the streets required on account of the construction or operation of the underground conduits herein authorized to be placed in the streets shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

Eleventh—It is agreed that the right hereby granted to lay and maintain conduits shall not be in preference or in hindrance to public work of the City, and should the said conduits in any way interfere with the construction of public works in the streets and avenues, whether the same is done by the City directly or by a contractor for the City, the Company shall, at its own expense, protect or move its conduits and their appurtenances in the manner directed by the City officials having jurisdiction over such public work.

Twelfth—Should the grades or lines of the streets and avenues in which the Company is hereby authorized to operate be changed at any time during the term of this contract or any renewal thereof, the Company shall, at its own expense, change its conduits and appurtenances to conform with such new grades and lines, and during the construction of any public improvement upon said streets or avenues the Company shall take care of and protect its conduits and appurtenances at its own expense, all to be done subject to the direction of the City official having jurisdiction over the construction of such change.

Thirteenth—The Company shall, upon request from any individual or corporation occupying or owning premises in the territory in whch the Company is operating, not in arrears to it for service already rendered, extend its wires to such premises and furnish protection service to such individual or corporation, provded that such premises are not more than one half mile from any other premises in which the Company has its apparatus installed at the time such request is made.

Fourteenth—The Company shall file with the Board on the 1st day of November in each year a map or plan upon which shall be plainly and separately indicated the number of wires which are in use by the Company on September 30 preceding, and the streets in which the same are located, and also those which were put in use during the year preceding that date. It shall also file with the Department of Water Supply, Gas and Electricity and the Fire Commissioner on or before the 10th day of each month a map or plan of the locations in which wires have been placed by it during the preceding month.

Fifteenth—The rates to be charged by the Company shall not be in excess of the following, without the consent of the Board, and it is agreed that the same may be altered or changed by the Board, as hereinafter provided:

(a) For ordinary fire alarm service by means of manual boxes installed in buildings or premises of any description a yearly rental of fifty dollars ($50) for the first box installed and an additional yearly rental of ten dollars ($10) for each additional box installed in the same building or premises.

(b) For Combination Fire Drill and Fire Alarm Service, with boxes and gongs arranged to give employees or other occupants of buildings or premises designated signals, a yearly rental of fifty dollars ($50) for the first box and gong installed and an additional yearly rental of twenty-five dollars ($25) for each additional box and gong so installed in the same building or premises, provided, however, that these rates shall be effective only where the subscriber contracts for a minimum installation of five such boxes and gongs.

(c) For Combination Fire Alarm and Watchman Supervisory service a yearly rental of sixty dollars ($60) for the first box installed and an additional yearly rental of eighteen dollars ($18) for each additional box installed in the same building or premises.

(d) For any other service furnished or to be furnished by the Company the rates charged shall be reasonable and fair, and before being put into effect shall be submitted to the Board for its approval.

The Company shall file with the Board on February 1 of each year a verified schedule of the rates charged by it for each class of service which it furnishes, and certified forms of the contracts used by it with subscribers for its various classes of service.

The Company agrees, upon request of any Board, Department or Bureau of the City Government, to furnish service to any and all buildings under the control of such Board, Department or Bureau at one-half the rates above authorized to be charged by it for whatever class or classes of service may be required.

Sixteenth—During the term of this contract or any renewal thereof the Board shall have the power to regulate and fix the maximum and minimum rates to be charged by the Company in the City, provided such rates shall be reasonable and fair.

Seventeenth—The Company shall not require nor receive from its subscribers any deposit or advance payment in excess of what is reasonably necessary to insure payment of current bills, and on such amounts so paid the Company shall pay interest at the statutory rate whenever such money is held for more than one month. Unpaid bills, unless due from its owner, shall never be charged against property, and no person not himself in arrears shall be denied service because any previous occupant of the same premises is in arrears to the Company for service.

Except with the express consent of the Fire Commissioner no circuit installed or maintained by the Company over which alarms of fire are to be transmitted shall be used for the transmission of other than fire alarm signals.

Nineteenth—The Company shall assume all liability to persons or property by reason of the construction or operation of the system authorized by this contract, and it is a condition of this contract that the City shall assume no liability whatsoever to either persons or property on account of the same, and the Company hereby agrees to repay to the City any damage which the City shall be compelled to pay by reason of any acts or defaults of the Company.

Twentieth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual or other corporation a similar right or privilege upon the same or other terms and conditions in the territory covered by this contract, or any part thereof.

Twenty-first—If the Company shall fail to give efficient public service at the rates herein fixed, or fail to maintain its structures and equipment as herein provided in good condition throughout the whole term of this contract, the Board may give notice to the Company specifying any default on the part of the Company, and requiring the Company to remedy the same within a reasonable time; and upon failure of the Company to remedy such default within a reasonable time the Company shall, for each day thereafter during which the default or defect remains, pay to the City the sum of one hundred dollars ($100) as fixed or liquidated damages, or the Board, in case such structures or equipment which may affect the surface of the streets shall not be put in good condition within a reasonable time after notice by the Board as aforesaid, shall have the right to make all needed repairs at the expense of the Company, in which case the Company shall pay to the City the amount of the cost of such repairs, with legal interest thereon, all of which sums may be deducted from the fund hereinafter provided for.

Twenty-second—If for a period of twelve consecutive months the fire alarm system of the Company shall not be operated, or if the same shall not be operated for a period of eighteen months out of any consecutive twenty-four months, the Board may declare the right and franchise and this contract terminated without further proceedings at law or in equity.

Twenty-third—The Company shall at all times keep accurate books of account and shall, on or before November 1 in each year, make a verified report to the Comptroller of the City of the business done by the Company for the year ending September 30 next preceding. Such report shall contain a statement of the gross receipts received from the operation of the system hereby authorized from all subscribers served by the Company within The City of New York, together with such other information and in such form and detail as the Comptroller may require. The Comptroller shall have access to all books of the Company for the purpose of ascertaining the correctness of its report and may examine its officers under oath.

Twenty-fourth—The Company shall submit to the Board a report not later than November 1 of each year for the year ending September 30 next preceding, and at any other time upon request of the Board, which shall state:

Twenty-fifth—This grant is upon the express condition that the Company within ninety (90) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights conferred hereby, shall deposit with the Comptroller of the City the sum of fifteen thousand dollars ($15,000), either in money or securities, to be approved by him, which fund shall be security for the performance by the Company of all of the terms and conditions of this contract, especially those which relate to the payment of the annual charges for the privileges hereby granted, in default of which payment of the annual charges the City shall collect the same, with interest, from the said fund, after ten (10) days' notice to the Company.

In case of failure of the Company to comply with the terms of this contract relating to the filing of annual statements, furnishing of service to applicants as herein provided, the installation or maintenance of its structures and equipment, or its neglect or refusal to comply with any demand or direction of the Board or other municipal officials, made pursuant to the terms of the contract, or under the authority of any laws, ordinances or departmental regulations now or hereafter in force, in such case and in any of these events, the Company, except as herein otherwise provided, shall pay to the City a penalty of fifty dollars ($50) for each violation.

The procedure for the imposition and collection of the penalties in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized, in accordance with the foregoing provisions. If the Company fails to make an appearance, or, after a hearing, appears in the judgment of the Board to be in fault, said Board shall forthwith impose the prescribed penalty, or where the amount of the penalty is not prescribed herein, such amount as appears to the Board to be just, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund deposited with him. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice, in writing, pay to the City a sum sufficient to restore said security fund to the original amount of fifteen thousand dollars ($15,000), and in default thereof this contract shall be cancelled and annulled at the option of the Board, acting in behalf of the City. No action or proceeding or right under the provisions of this contract shall affect any other legal rights, remedies or causes of action belonging to the City.

Twenty-sixth—In case of any violation or breach or failure to comply with any of the provisions herein contained this contract may be forfeited by a suit brought by the Corporation Counsel on notice of ten (10) days to the Company, or at the option of the Board, by resolution of said Board, which said resolution may contain a provision to the effect that the system constructed and in use by virtue of this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolution declaring the contract forfeited should not be adopted. In case the Company fails to appear action may be taken by the Board forthwith.

Twenty-seventh—If at any time the powers of the Board or any other of the authorities herein mentioned, or intended to be mentioned, shall be transferred by law to any other board, authority, officer or officers, then and in such cases such other board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

Twenty-eighth—The words "notice" or "direction," wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the city, postage prepaid, addressed to the Company at the city. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Twenty-ninth—The words "streets and avenues" or "streets or avenues," wherever used in this contract, shall be deemed to mean streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title or over which the public has an easement, included within the limits of the territory in which the Company is hereby authorized to operate.

Thirtieth—The grant of this privilege is subject to whatever right, title or interest the owners of abutting property or others may have in and to the streets and avenues of the territory in which the Company is authorized to operate by this contract.

Thirty-first—Nothing herein contained shall be deemed to grant any right or privilege to the Company to make or continue any installation of its apparatus in the Headquarters or Fire Alarm Telegraph Bureau of the Fire Department, or to connect or continue to connect in any way with the City's Fire Telegraph system, and no such installation or connection shall be made or continued without the separate additional consents of the Board and of the Fire Commissioner. The Company agrees that any consent so granted shall be a mere temporary and revocable license to make such installations or such connections, which may be revoked by resolution of the Board, approved by the Mayor, at any time, and when so revoked the Company holds and will hold the City harmless from any loss or damage sustained or which may be sustained by the Company or any of its subscribers on account of such revocation.

The Company further agrees that if permitted to make such installations or connections it will comply with all rules and regulations now in force or which may hereafter be made by the Fire Commissioner, and will pay such reasonable sum or sums as may be fixed by the Board on the recommendation of the Fire Commissioner for the space in such places where it makes its installations or for the use of such portions of the City's telegraph systems as it may use in making such connections, or for such other facilities as may be afforded to it by the City, and will pay such reasonable sum or sums as may be imposed by the Fire Commissioner as a penalty for each and every false alarm transmitted by its apparatus.

Nothing herein contained, however, shall be deemed to, nor shall the same affect in any man-

ner the provision contained in section 2-Ninth of this contract, and no consent granted under this clause shall authorize or permit the making or the continued use of the connections therein prohibited.

Sec. 3. Nothing in this contract shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commission under the laws of the State of New York.

Sec. 4. The Company promises, covenants and agrees on its part and behalf to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

In witness whereof the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed; and the party of the second part, by its officers, thereunto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and year first above written.

In the second place a bidder may, without specifying any particular lot or lots, submit a proposal for supplying any one or more lots which the Commission may elect to award to him, in which event the Commission shall have the right to award any of the lots above stated to the successful bidder, and in which event, also, in case any bidder shall propose to furnish more than one lot, the Commission may award the full number of lots which such bidder offers to furnish or any lesser number. In case any bidder shall so submit a proposal for supplying any one or more lots without specifying any particular lot or lots to which he desires to restrict his bid, the Commission may award to him any of the lots above stated to be delivered within the periods above named. INVITATION TO CONTRACTORS.

Part of the Broadway-Fourth Avenue and Eastern Parkway Rapid Transit Railroad.

The Public Service Commission for the First District (hereinafter called the "Commission") invites proposals to construct Section 1-A, of Route No. 12, a part of the Broadway-Fourth Avenue Rapid Transit Railroad and of the Eastern Parkway Rapid Transit Railroad.

The points within The City of New York between which the said part is to run and the route to be followed are briefly as follows:

Section 1-A. Beginning at a point under Flatbush avenue, in the Borough of Brooklyn, about two hundred and seventy-four (274) feet southeast of the northeast corner of St. Mark's avenue and Flatbush avenue, and extending thence as a six-track structure southeasterly under Flatbush avenue to a point about three hundred and fifty (350) feet southeast of the southeast corner of Plaza street and Flatbush avenue, where the structure divides into two separate structures; a four-track structure curving easterly under the Plaza to a point about fifty-five (55) feet north of the southerly line of St. John's place extended, and a two-track structure continuing southeasterly to a point under the Plaza about fifty-five (55) feet north of the southerly line of St. John's place extended.

The Contractor will not be required to provide or lay tracks, ties or ballast, or to do station finish work.

The work under the contract will include the care and support of buildings, vaults, sewers, pipes, railroads and other surface, subsurface and overhead structures, the maintenance of traffic and the restoration of pavements and other surfaces.

The method of construction will be by trench excavation under cover, unless otherwise permitted by the Commission.

Bidders must examine the form of contract and the specifications and contract drawings, must visit the location of the work and inform themselves of the conditions along the line thereof and make their own estimates of the facilities and difficulties attending the execution of the work.

A fuller description of the work and other requirements, provisions, details and specifications are given in the form of contract and in the contract drawings therein referred to, which are to be deemed a part of this Invitation. Copies of the form of contract, contract drawings, bond and contractor's proposal may be inspected and purchased at the office of the Commission, No. 154 Nassau street, Borough of Manhattan, New York City.

Partial payments to the Contractor will be made monthly as the work proceeds.

The Contractor must complete the work within thirty (30) months from the delivery of the contract.

At the time of the delivery of the contract the Contractor must furnish security to the City by depositing a bond, cash or securities in the sum of two hundred thousand dollars ($200,000). As further security fifteen (15) per centum of the amounts certified from time to time to be due to the Contractor will be deducted until the amounts so deducted and retained shall equal ten (10) per centum of the total estimated amount to be paid to the Contractor under the

contract. Thereafter there shall be so deducted and retained for such purpose ten (10) per centum of the amounts certified from time to time to be due to the Contractor.

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 27th day of March, 1914, at twelve fifteen (12.15) o'clock p. m., at which time, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed by the Commission.

A statement based upon the estimate of the Chief Engineer of the Commission of the quantities of the various classes of the work and of the nature and extent, as near as practicable, of the work is to be found in the schedule in the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City of New York (hereinafter called the "City") on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and form of contract.

Every proposal must, when submitted, be enclosed in a sealed envelope endorsed *"Proposal for Constructing Part of Rapid Transit Railroad—Route No. 12, Section No. 1-A,"* and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received unless accompanied by a certified check for fifteen thousand dollars ($15,000) payable to the order of the Comptroller of the City and drawn upon a national or state bank or trust company having its principal office in the City of New York, and satisfactory to the Commission. Such check must not be enclosed in the envelope containing the proposal.

The Unit Prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Deposits made by bidders whose proposals are not accepted will be returned within five (5) days after the contract is executed and delivered. The deposit of the successful bidder will be returned when the contract is executed and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of $50, the sum of $50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beamholes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
