- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

## PARKS AND RECREATION

■ NOTICE

#### Determination and Findings by the City of New York Pursuant to EDPL Section 204 with Respect to the Acquisition of Certain Properties in Furtherance of the Coney Island Plan

A duly-noticed public hearing was held on October 19, 2015, in accordance with Article 2 of the New York State Eminent Domain Procedure Law ("EDPL"), in connection with the proposal of the City of New York ("City"), by its Department of Parks & Recreation ("Parks"), to acquire by eminent domain certain properties needed for the furtherance of the revitalization and redevelopment of Coney Island, known as the Coney Island Plan. The City proposed to acquire certain properties located in Coney Island, Brooklyn, for the development of new streets and parkland in furtherance of the Coney Island Plan. The Coney Island Plan is a comprehensive redevelopment plan that includes, among other things, an area-wide rezoning, and which seeks to transform Coney Island into a dynamic, mixed-use district.

At the hearing, the public was informed, among other things, of the public use, benefit, and purpose to be served by the acquisition; the locations of the proposed acquisitions and the reasons for those locations; the general effect of the proposed acquisitions on the environment and the residents of the locality. The hearing also provided an opportunity to solicit public comments on the proposed acquisitions.

The purpose of the Coney Island Plan is to reestablish Coney Island as a year-round, open and accessible amusement and entertainment destination, and to create housing, jobs, and opportunities for local residents. The purpose of the acquisitions is to further the Coney Island Plan by creating new streets for both vehicular and pedestrian traffic, by creating new parkland for the extension of the Coney Island amusement area, and, as authorized by State Legislation, by allowing for the alienation of current parkland to be used for the construction of essential infrastructure and private redevelopment of portions of Coney Island. The new street and parkland will enhance pedestrian connections and views to the existing icons and the ocean, knitting together the residential community, the amusement and entertainment district and the beach.

The Coney Island Plan, including the acquisition of properties for the development of new streets and parkland, was approved by the City in 2009. The general boundaries are West  $8^{\rm th}$  Street, Surf Avenue, West  $23^{\rm rd}$  Street, and the public beach, in Community District 13, in the Borough of Brooklyn.

The properties sought to be acquired by the City are Block 7074, part of Lots 4, 23, and 105; Block 8696, part of Lot 140; and Block 7071, Lots 79 and 8, all in the Borough of Brooklyn, (the "Properties"). The Properties encompass approximately 1.61 acres. Copies of acquisition maps showing the property interests to be acquired by the City were posted at the hearing.

In connection with the Coney Island Plan, a number of public hearings and meetings were held, including hearings and meetings under the City's Uniform Land Use Review Procedure ("ULURP"), before Brooklyn Community Board 13, the Brooklyn Borough President, the City of New York City Planning Commission ("CPC"), and the City Council. The Coney Island Plan is itself the successor to the Coney Island Strategic Plan, which was the subject of more than 300 public hearings and meetings with numerous stakeholders.

The Properties are being acquired pursuant to Chapter 281 of the Laws of New York (2011 NY A.B. 6599, August 3, 2011) ("State Legislation"); ULURP Application C 090107 MMK approved by the CPC on June 17, 2009 and the City Council on July 29, 2009, and modified by N 090107(A) MMK, approved by the CPC on December 13, 2010, and ULURP Application Number N 090273(A) ZRK, approved by the CPC on June 17, 2009 and the City Council on July 29, 2009; and Alteration Map Nos. X-2710, Y-2715, and X-2719 ("Alteration Maps"). The City made available for public inspection copies of the published Notice of Public Hearing and proof of its publication and mailing; proposed acquisition maps; the State Legislation; alteration maps; the CPC and City Council resolutions related to the Coney Island Plan and the proposed acquisition of the Properties; and the Final Environmental Impact Statement ("FEIS") and subsequent Technical Memoranda.

The hearing provided an opportunity for the public to comment on the project. The record of the October 19, 2015 hearing remained open until the close of business on November 2, 2015. No written comments were received after the hearing.

#### **Determination and Findings**

Pursuant to EDPL § 204, and having given due consideration to the complete hearing record, which includes, among other things, all documents submitted, and all public comments, the City makes the following determination and findings concerning the above acquisitions:

# The Public Use, Benefit, and Purpose to be Served by the Project [EDPL § 204(B)(1)]

One key component of the Coney Island Plan is the creation and construction of new streets and parkland to be accomplished through the acquisition of the Properties. These acquisitions will play a crucial role in the redevelopment of Coney Island by creating new streets for both vehicular and pedestrian traffic, by creating new parkland for the extension of the Coney Island amusement area. The creation of new parkland and streets will enhance pedestrian connections and views to the existing icons and the ocean, knitting together the residential community, the amusement and entertainment district and the beach. Altogether, it will help establish a 44-acre recreational network of parks and amusements along the beachfront. It is but one component of the City's redevelopment efforts in Coney Island.

In addition, the plan required the de-mapping of existing parkland, which was approved by the New York State Legislature on August 3, 2011, subject to the acquisition of replacement parkland. The acquisitions will enable the creation of new parkland as the replacement required by the State Legislation.

The Coney Island Plan also builds upon the existing amusements in Coney Island to create a 27-acre amusement and entertainment district that is reestablishing Coney Island as a year-round open and accessible amusement destination. Outside of the amusement area, the Coney Island Plan provides for new housing opportunities, including affordable housing, and neighborhood services.

#### 

The locations of the Properties are described above. The locations were determined in part to further the Coney Island Plan, and in part to satisfy the requirements of the State Legislation authorizing the alienation of certain parcels of mapped parkland. The establishment of new parkland and streets was done pursuant to ULURP and was approved by the CPC and City Council.

# General Effect of the Project on the Environment and on the Residents of the Locality [EDPL § 204(B)(3)]

The general effects of the property acquisitions described herein and the planned uses are beneficial in that they will establish a new neighborhood park and new public streets, facilitate the creation of a new seamless shorefront amusement park and, among other things, enhance pedestrian connections, pedestrian circulation, and views to the existing icons and the ocean.

Findings were made by the CPC and the City Council in accordance with the New York State Environmental Quality Review Act ("SEQRA") and the New York City Environmental Quality Review ("CEQR"). The FEIS and Technical Memoranda, dated June 15, 2009, July 22, 2009, November 8, 2010, December 1, 2010, December 5, 2013, and December 6, 2013, comprehensively analyzed the potential for significant adverse impacts that would result from the project and modifications made to it; analyzed a reasonable range of alternatives; disclosed the potential for significant adverse impacts resulting from the project; where practicable, identified potential mitigation measures for project impacts; and, for those impacts that could not be mitigated, disclosed them as well. In its reports, the CPC determined that the requirements of SEQRA and CEQR had been met, and it made findings regarding environmental impacts resulting from the project. The City Council also made findings under SEQRA and CEQR in its resolutions approving the actions described above.

The decision-makers considered the relevant environmental impacts, facts, and conclusions disclosed in the FEIS and Technical Memoranda, and weighed and balanced relevant environmental impacts with social, economic, and other considerations. It was determined that, consistent with social, economic, other essential considerations, from among the reasonable alternatives available, the Coney Island Plan, including the proposed acquisitions, will avoid or minimize significant adverse environmental impacts to the maximum extent practicable and shall do so by incorporating mitigating measures described in the FEIS and Technical Memoranda.

Other than one parcel, the Properties are vacant. With respect to Block 8696, part of Lot 140, the acquisition has the potential to partially displace one private amusement attraction.

#### Other Considerations [EDPL § 204(B)(4)]

Comments were received from the public at the October 19, 2015 public hearing. No comments were received subsequent to the public hearing. A number of supportive comments were received. An objection also was received, which claimed, in part, that the City's plan failed to demonstrate a higher public use for private land already being used for an amusement attraction.

All comments have been given due consideration by the City.

#### Determination

Based on due consideration of the record and the foregoing findings, it is determined that the City should exercise its power of eminent domain to acquire the Properties, to permit the purposes of the Coney Island Plan to be achieved.

Copies of this Determination and Findings by the City are available and will be forwarded without cost, and upon written request to:
